Howland-Bakken Speak Vows

Blanche Ione Howland daughter of Mr. and Mrs. Oliver Howland of Grygla was united in marriage to Raymond J. Bakken of Grygla on Sunday, June 6th, 1948 at high noon at the Carmel Lutheran church with Rev. G. L. Halmrast officiating. The bride was given in marriage by her father. The bride was lovely in a gown of white slipper satin and the long veil was held in place by a coronet of seed pearls.

The marriage ceremony was read before a church filled with relatives and friends. The reception following the ceremony was held at the bride's parents, home Mr. and Mrs. Howland. Our congratulations are extended.

The newly weds gave their wedding dance at Fourtowns that same evening. Smoky Mountain Boys furnished the music. A complete wedding write up will be found in the social column.

Modern Ice Industry

Today, the ice industry's 6,600 modern ice manufacturing plants, with a daily capacity of 310,000 tons, together with natural ice harvested from northern lakes and streams, provide modern America with nearly 50 million tons of ice a year. The production of the ice industry last year was 49,750,000 tons, 15,750,000 tons or nearly one-half more than it produced in 1941.

LAMINATED RAFTERS
Made by the
NORTHERN WOODWORK CO.

They are made for Round Roofed Barns, Machine Sheds and other buildings, any size, and run from foundation to peak in one solid piece. Laminated Rafters are strong because the grain of the wood runs parallel to the face at all points. They are made with moisture-proof glue and sufficient pressure to absolutely weld the pieces in one solid unit. This gives strength without great weight. Thus, they are very easily put up and save you much costly labor. A special connector and bolt is used which gives the strength of six ordinary half-inch bolts! These and other features which we will be glad to explain to you make these the newest thing in rafters. See us for an estimate on the building you need.

HYDRAULIC FARMHAND
We have just received our latest allotment and still have a few which are not yet sold.
5 MEN'S WORK FREE!
WHEN YOUR HAYING
IS HANDLED BY HYDRAULIC FARMHAND'S MOBILE POWER

"Seven years of top performance under the toughest lifting, loading and hauling jobs on my farm makes me a real FARMHAND booster." That's what one farmer says. And you can talk to any farmer who owns one; he'll tell you the same story. Most farmers agree that next to the tractor itself the FARMHAND is the No. 2 time and work saver on the farm.

FARMHAND owners declare them indispensable for haying. You can stack 5 to 6 tons per hour... with no extra help needed. The hydraulic loader makes haying practically a one man operation. Lifts 3,000 pounds with a 21 foot reach (27 feet with push-off attachment.) "Wrist action" hydraulic control deposits load gently and evenly wherever you want it.

And look at just a few of the other things a FARMHAND can do: load 37 spreaders per hour; move rocks from fields without sledge or wagon; pull fence posts without digging; carry wood directly from woodlot to the house; haul grain bundles; change wagon or truck bodies; fill dirt or move snow; pile stumps; paint buildings (using as scaffold); elevate grain; loading wool sacks.

Yes, you owe it to yourself to own a FARMHAND

Introducing NORTHERN PAINTS

"Made in the North--For the North"

MANUFACTURED IN GRAND FORKS, N. DAK.

by the

NORTHERN PAINT MANUFACTURING CO.

● Pioneer Paint Manufacturers of the Upper Midwest ●

NORTHERN "Specialized" PAINTS

What Are Northern Paints?

NORTHERN "Specialized" PAINTS are "Made IN The North — FOR The North" — specially formulated to withstand Northwest temperature extremes.

NORTHERN "Specialized" PAINTS are made with pure Linseed Oil, crushed from Northwest flax by North Dakota's own efficient expeller plant.

NORTHERN "Specialized" PAINTS are guaranteed to give full satisfaction when applied in accordance with the rules of ordinary painting practice.

NORTHERN "Specialized" PAINTS are lower in price than other paints of comparable quality. This is because Northern ships in only the raw ingredients, at lowest possible freight rates. (Finished paint products, being shipped into this area by other manufacturers, take much higher freight rates.)

NORTHERN "Specialized" PAINTS are manufactured exclusively from the best ingredients available.

WHAT THE PAINTERS SAY:

FLOYD SIMON, 1105 LANARK AVE., GRAND FORKS, (Phone 3369W) says: "I've used just about every kind of paint sold in this part of the country. In my spraying equipment, Northern Paints "handle" better than any other. The paint is formulated for long wear."

TRYGVE STONE, 610 SEVENTH AVE. SO., GRAND FORKS, (Phone 3607J) says: "Northern Paint Manufacturing Company is to be complimented on the excellent quality of its "Specialized" paints. There's been a long-felt need for paints made to withstand the severe extremes of weather we have in the Northwest."

CURTIS LINDHOLM, 816 SOUTH 11TH STREET, GRAND FORKS, (Phone 5461R) says: "My men and I are testing Northern "Specialized" paints right now, in several ways, and we have every reason to believe they will prove satisfactory in every way."

KERMIT MASON, 729 REEVES, GRAND FORKS, (Phone 1825) says: "Northern "Specialized" Paints have all the characteristics necessary to meet even the most exacting requirements. For brushing OR spraying, for beauty and all-around quality, I never hesitate in recommending Northern. Especially pleased with Northern Interior Finishes."

STATE FIREMEN TO CONVENE IN EAST G. FORKS JUNE 14

73d Annual Convention June 14 to 16 to Hear Mayor of Minneapolis

Regular and volunteer firemen from nearly every community of Minnesota will gather at East Grand Forks Monday, Tuesday, and Wednesday, June 14-15-16, for the 73rd annual convention of the Minnesota Fire department association.

Meeting at the same time will be two allied associations, the Minnesota Fire Chiefs' association, which will be holding its 12th annual session, and the Volunteer Firemen's Benefit association of Minnesota, which is having its 22nd annual meeting.

Mayor Hubert H. Humphrey of Minneapolis will be one of the three principal convention speakers, appearing on the program of the Tuesday afternoon session. Leonard Lund, deputy state fire marshal, will speak Tuesday morning and W. C. Freitag, engineer of the Fire Underwriters' Inspection Bureau, will discuss problems of rating for insurance at the Wednesday morning session.

Delegates and guests are promised plenty of entertainment during the three days by Joe W. Butler and Harold Sullivan, convention co-chairmen. A free smorgasbord is planned Monday evening, a free show by a troupe of professional entertainers will be given at the Central school auditorium Tuesday evening, and dances are planned both Monday and Tuesday night at the hugh States ballroom in East Grand Forks.

A convention parade which will feature marching units from northern Minnesota and eastern North Dakota will be held Tuesday afternoon.

Emmet J. Kane, chief of the East Grand Forks Fire department and president of the Minnesota Fire department association, will preside at business sessions. New officers will be elected and the 1949 convention city chosen at the Wednesday afternoon business meeting.

Former Resident with Family of Five Escapes Vanport, Ore. Disaster

Clifford Aarness, one-time Thief River Falls resident, together with his family of five and five children of a neighbor, escaped with their lives and virtually all of their possessions recently when Vanport City, Oregon, was demolished by flood waters of the Columbia river.

He described the bursting of the protective dike and subsequent flight from the city in a letter written to his brother, Burton Aarness of St. Louis Park.

Alarmed because of the high stage of the river, Aarness and his wife earlier in the day had packed their belongings in a house trailer, and hence were prepared for a quick get-away when the alarm came.

SOME HORSES ARE GOOD MOTHERS...Laying aside such stale and unprofitable jokes as "This horse certainly was foaled when she had twin colts instead of the usual one," the fact remains that she did have twins--an unusual event among equines. She is 'Arkansas Lady,' a Tennessee walking horse, and is owned by E.J. Cunningham of the Hereford Manor stock farms near Zelienople, Pa. The twins will be exhibited at the Allegheny county fair in September.

WASHINGTON REPORT

By Senator Joseph H. Ball

Having handled the State Department appropriation bill, including the so-called "Voice of America," for the past two years as subcommittee chairman, I find myself unable to get excited over the recent furore about some broadcasts several months ago to South America which sadly misinterpreted various American states.

The news stories on the latest foolishness missed the point just as thoroughly as they did a year ago, when we trimmed down appropriations for this propaganda arm of the State Department, and all the reports gave the impression that we had virtually choked off short wave news broadcasts, whereas in fact the broadcast program was maintained at the existing level and activities like movies, magazines and libraries took the cut.

For two years I have tried, unsuccessfully, to convince the State Department that by far the best way to sell American ideals and principles to the world was to report the truth about what is happening in the world, without embroidery, propaganda or "interpretation." Let people draw their own conclusions from the facts.

I have been a newspaperman long enough to know that there are as many "interpretations" of the news as there are individuals in this great country. And as for "interpreting" America to foreigners, whose interpretation do we take?—That of Senator Pepper, who pictures us as a down-trodden people ground under the heel of selfish, greedy capitalists; or that of Senator Hawkes, who thinks our excursions into socialist experiments are wrecking the country? Those are two "interpretations" of the United States that can be heard on the Senate floor.

Do you wonder that these "interpretations" broadcast by the "Voice" sound crazy? Actually, they are no wilder than the "interpretations" heard frequently on the Senate floor from men like Senator Taylor, and before Congressional committees from men like Henry Wallace or William Foster.

Some of us Americans seem to have fallen for the phoney theory that all we need to sell anything is a good press agent. We forget that in the long pull, the best advertising in the world can only sell a product that is good to begin with, and that the best advertising omits far-fetched propaganda and sells on facts. That is why I have contended that the "Voice of America" should confine itself to straight news broadcasts, without propaganda or interpretation.

And even then, it is only mildly effective when compared to the impact abroad of United States policies and actions. We made more friends in Italy by beating the Russians to the proposal that Trieste be returned to Italy than the "Voice" could make us in a dozen years. And lost more prestige abroad by our ridiculous gyrations on the Palestine issue than years of short wave broadcasts can make up. Let's quit kidding ourselves, and recognize that good public relations are a matter of sound policies and actions far more than of press agentry.

P. S.—Despite all the furore, Congress passed an appropria. State Department information tion of 23 million dollars for the service next year.

N. W. School Station Reports Rainfall Thru May 31 Below Normal

The weather summary for the month of May, compiled by O. C. Soine from the records kept at the Northwest School and Station, Crookston, indicate that a below normal rainfall for the month.

The rainfall for the month of May was 1.29 inches as recorded at the station. This amount is about one-half of the normal precipitation of 2.67 inches, a 49 year average. The official records show that the precipitation for April was slightly below average. The total precipitation for the first five months of the year is 5.76 inches as compared to the normal amount of 6.77 inches. The heavier than normal snowfall during the months of January, February, and March were quite largely lost in the spring "run-off".

The mean temperatures for April and May were very similar to the long-time average for both months April had a mean of 41.0 degrees, only 0.6 degrees below average, while May had a mean of 54.7 degrees compared to the average of 54.8 degrees.

RED LAKE INDIAN STARTS LAWSUIT FOR BIG DAMAGES

Charges Tribal Co-op with Monopolizing Sale of Fish from Red Lake

A Chippewa resident of the Indian reservation at Red Lake, Minn., Thursday charged a tribal co-operative on the reservation with "monopolizing" sale of fish, says the Minneapolis Tribune.

Tom Cain filed suit in federal district court at Chicago, demanding $5,000,000 damages under the federal anti-trust act.

Cain charged that the co-op, the Red Lake Fisheries Association, Inc., had for 18 years sold fish exclusively to Robbins, Inc., of Chicago, although other wholesalers offered higher prices.

An official of Robbins denied the charge. Red Lake Indians, he said, got "as good a price for their fish as anybody else."

Observers believed the suit may be the opening gun in a fight by younger Indians to topple the political regime of Peter Graves, power in the tribal council.

Graves is a key officer in the fisheries co-op. His political opponents have charged that jobs in the fisheries are used to cement rule by older Indians.

The fisheries, first operated by the government, became a cooperative tribal enterprise about 10 years ago. In addition to providing employment for a few Indians, they contributed to tribal funds.

ADVISES TAKING IT EASY ON VACATION

Health Group Cautions Against Over-doing

"Make discreption the better part of valor, and take it easy on your vacation."

This statement from the Minnesota Public Health association continues with the reminder that "having fun doesn't mean getting poison ivy rash, burning to a crisp under the hot sun, or straining your heart."

In the current issue of "Everybody's Health," the Minnesota Christmas Seal magazine, Dr. George Skinner, retired colonel of the army medical corps, warns of the danger of dilating the heart muscle by over-exertion.

"If you wish benefit instead of disaster from your vacation, keep in training or get in training before you start," the article states. "A man who has spent the year sitting at his desk, using the auto, elevator, train or airplane for transportation, is poorly prepared for a physically active vacation."

A person can ruin his entire summer recreation time by trying to "cram" too much into the first few days, according to Dr. E. A. Meyerding, executive secretary of the Minnesota Public Health association.

Moderation and caution will help avoid painful sunburn, rashes from poison oak and ivy or infected water, and extreme fatigue or illness from over exertion.

MUST BE FUN TO BE YOUNG

"Bubble, bubble, noise and trouble." So probably thought the 5-year-old Mankato lad who pulled a red lever to get bubble gum, and got the fire department instead. To good health and early rising Lola Bathke attributes her 12-year record of no tardiness, no absence in Waseca schools.

Official Urges Co-ops to Improve Their Cash Position During Year

The wisdom of farmer cooperatives concentrating in the months ahead on the job of improving their cash position and using caution in extension or granting of credit was stressed today by W. E. Bole, credit manager, Land O'Lakes Creameries, Inc.

"These are not times," he said, "when an easy extension or granting of credit is warranted. Volume and momentum of business are still at a high level, but no one believes this can continue indefinitely, particularly with the present price structure.

"Individuals and concerns in business today whose affairs are not in a fairly easy position should strain every effort to improve their cash position and to make a very careful, if not minimum, use of credit."

Bole said that credit men everywhere are of the opinion that present conditions will not continue, and even now they are experiencing a noticeable stiffening with reference to the easy flow of transactions.

There are indications, he said, that cash is not so freely available for business transactions and for payment of bills as it was during the war and the early post-war period, and credit is now being sought more frequently than it has for some time past.

Bemidji College Offers Driver Training Course

A course in driver education will be offered to teachers by the Bemidji state teachers college during the week of June 21-25, Dr. A. C. Clark, vice-president of the college, announced today. The course will be conducted by H. R. Danford, director of education for the Association of Casualty and Security Companies of New York City. There will be no tuition charge and a free kit of materials will be furnished to all those present. The course will be limited to 50 people. Teachers taking the course will be trained to teach driving in the public schools.

U. M. GRADUATION SET FOR SATURDAY

3,226 Students Slated to Receive Diplomas

The largest June graduating class in the 97 year history of the University of Minnesota will join the ranks of Minnesota alumni Saturday, June 12, when diploma certificates will be presented to 3,226 students at commencement exercises in Memorial stadium in Minneapolis.

With Saturday's record-breaking commencement, the University will have conferred a total of 6,359 degrees during the 1947-48 school year, according to R. E. Summers, dean of admission and records. Of the 6,359 students receiving degrees during the year, more than 3,500 are veterans of World War II, according to the dean.

In the June class, the college of science, literature and the arts rates first place with 683 candidates for degrees. The college of education falls in second place with 377 candidates, and the institute of technology is a close third with 373 candidates. The school of business administration takes fourth place with 339 candidates. Doctor of medicine degrees will be awarded to 51 students.

State Eagles Will Hold 1948 Convention at East Grand Forks June 18-20

National officers headed by Robert W. Hansen of Milwaukee, past grand worthy president and now editor of The Eagles Magazine, will attend the 40th annual convention of the Minnesota Aerie at East Grand Forks Friday, Saturday and Sunday, June 18, 19 and 20.

Host Aerie No. 350 of East Grand Forks has arranged busy three-day programs both for Eagles and for their ladies. Registration opens at 9 a. m. Friday, June 18 and the first convention session opens at 1 p. m. that day.

Business meetings are planned Saturday morning and afternoon, with a big convention parade in between. A special initiation of a large class of candidates is scheduled Saturday afternoon, followed by a banquet for national and state aerie officers, at which Mayor Hubert Humphrey of Minneapolis, a delegate from a Minneapolis aerie, will be the principal speaker.

The Answer for the Hard of Hearing

Now, at long last comes almost a miracle in good hearing. Works at home, in church, at work, in fact any place where hearing well is a necessity.

So tiny that it can be concealed in the hand yet so powerful that even a whisper may be heard distinctly.

Interested people may write to the manufacturers of this surprising device. **The Microtone Sales Company, 802 Marquette Avenue, Minneapolis, Minnesota, Dept. 4.**

To make this new invention even more unbelievable, the cost of operation has been cut from dollars to pennies.

Would you like to see and hear this new development in your own home without risking one cent? Write at once for the facts.

WELL, WELL, WHAT FOLKS WON'T FIND!

When rain washed the dirt from an odd rock Clifford Horgen found near Austin, it turned out to be the 6-pound tooth of some prehistoric prowler. A Brown county gravel pit yielded a 7-foot 122-pound mastodon tusk which Victor Bartl sent to Smithsonian Institution. A rock uncovered by G. A. Erickson in road work near Willmar bears the imprint of a huge rattlesnake rattle, the largest of 23 buttons measuring 1⅝ inches across. The old song "Woodman, Spare That Tree" may have to be revived: a big cottonwood felled in Grand Rapids yielded a bottle of genuine aged-in-the-wood liquor.

M & O Paper Co. Plants Half-million Jackpine in Space of One Month

Planting over one-half million Jackpine trees in the space of one month, the Minnesota & Ontario Paper Company successfully completed one of the largest tree-planting projects ever undertaken by private industry in the State of Minnesota, it was revealed today.

"Concentrated in the forest regions of Northern Minnesota," stated Mr. George B. Amidon, Mando Forest Management Officer, "this huge task was completed in record time and was achieved in large measure by employing two tree-planting machines, each capable of planting seedlings at the rate of over 1,000 per hour." The use of these mechanical planters, he pointed out, divorces the old two-step hand planting method which seriously limited the number of seedlings that could be set out during the spring planting season.

In the past years most of the reforestation in Minnesota has been carried on by public agencies. However, with the passage of the Nursery Bill in 1947, permitting sale of seedlings to private owners, more extensive and active reforestation programs by private industry could be planned and executed, greatly supplementing this work of the public agencies.

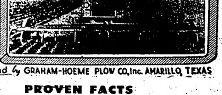
The GRAHAM-HOEME PLOW
The Revolutionary Plow
Self Sharpening Points • No Side Draft
Extra Light Draft • Nothing to Grease
Plows All Types of Land Without Adjustments
Prevents Erosion by Wind and Water
Cuts Plowing Cost in Half
Doubles Sub-Soil Moisture
BUILT TO LAST A LIFETIME
KEEP VEGETATION ON TOP
Nature's own method is to keep vegetation on top. That cuts down evaporation, keeps the soil in place in spite of heavy winds. The Graham-Hoeme Plowing Method with the two-inch chisel, as shown in illustration, permits water to by-pass the top soil into the sub-soil. It's a moisture storage center.



WE HAVE 'EM ON HAND
Manufactured by GRAHAM-HOEME PLOW CO., Inc. AMARILLO, TEXAS
PROVEN FACTS
On the average, enough rain falls on your farm every year to make fine crops. But, after the first few minutes of rain a smooth surface seals itself, causing run-off. It has been scientifically proven that the same field will NOT seal itself when plowed with the Graham-Hoeme All Purpose Plow with a 2-inch chisel furrow every 12 inches. This method by-passes the rainfall through the top soil and keeps a straw mulch on TOP. Upwards of three times the moisture enters the ground.
If the next day is fair and hot, the bare soil would soon be steaming and losing its moisture rapidly. BUT NOT IF THAT GROUND IS COVERED. The Graham-Hoeme Plow leaves vegetation on top to shade and protect, and moisture stays in the soil longer to bridge between rains.
These are not just opinions, but proven facts. A covered corrugated field in a good, brisk rain, will absorb 200 per cent more moisture than a bare field and 60 per cent more than a field with vegetable matter plowed into the surface. To supply this covering for the soil without the expense of artificial cover, and to place the soil in a condition to by-pass the moisture through the top soil is the purpose and achievement of the Graham-Hoeme Plow.

DISTRICT SONS OF NORWAY T[illegible] MEET JUNE 18-[illegible]

300 Members from T[illegible] States Are Expected [illegible] 1948 Convention in [illegible]

Approximately 300 delegates and visitors will assemble in the Thief River Falls auditorium Friday morning, June 18, for the opening session of the two-day biennial convention of District 1 of the Sons of Norway lodge, embracing the states of Minnesota, Iowa and South Dakota.

Rasmus Gjerde of Minneapolis, district president, will preside over the convention program assisted by John M. Stokke, Minneapolis secretary. Speakers will include Carl G. O. Hanson, editor of the lodge paper; T. A. Eide of Minneapolis, trustee of the supreme lodge, and Karl Anderson, secretary of the supreme lodge.

Following a concert by the Legion municipal band Friday evening at 7:30, initiation rites will be conducted in the auditorium by a team of 20 Minneapolis women, with an address by Olaf Kelly, Minneapolis attorney. After the ceremony, a dance will be held with music by Bob Sjulestad and his orchestra.

Registration will be conducted Friday morning at 9 o'clock, after which greetings will be extended by Mayor Harry E. Simons and Herman A. Kjos, president of the host Sons of Norway lodge.

Featuring Saturday's program will be a banquet in the evening, starting at 5:45, in the Trinity church parlors, with Professor Clifford J. Olson of Augustana college as toastmaster and Carl G. O. Hanson as principal speaker.

Immediately following the banquet, the gathering will adjourn to Lincoln high school auditorium, where a public concert will be given at 8:30 by the Orphean male chorus of nearly 100 voices from the Fergus Falls area.

The convention will close with a dance at the auditorium, for which music will be supplied by the Smokey Mountain Boys. It was announced that the public is invited to attend.

LOCAL BAND MUCH IN DEMAND IN AREA

Have Appeared Frequently Since Uniforms Arrived

Since the Thief River Falls Legion municipal band made its debut on Memorial Day in snappy new uniforms of cocoa brown and tan with gold trim, the services of the organization have been in frequent demand thruout this section of the state.

Most recent appearance was Tuesday, when the band participated in the parade that featured the state firemens convention in East Grand Forks in the afternoon, followed by a street concert in the evening. Majorie Wangenstein, drum majorette, gave a twirling demonstration.

Monday evening the musicians shared in the Elks Flag Day parade and program, while last Friday the band journeyed to Red Lake Falls to play at the fiftieth anniversary and street paving celebration.

The Band also will give a short concert in front of the auditorium Friday evening at 7:30 in connection with the district Sons of Norway convention. Vern Keifenheim has served recently as director in the absence from the city of Glen Ahre.

Cliff Kyes to Play for Jaycee Dance Tuesday

Under the sponsorship of the Junior Chamber of Commerce, Cliff Kyes and his widely known orchestra will supply music for a dance in the municipal Auditorium next Tuesday evening, June 22, it was announced today. Performing in a novel state setting, the musicians will supply "sweet swing" dance tunes.

District Highways Now Free from Restrictions

All remaining load restrictions in this district, No. 5, have been removed effective last Saturday, June 12, it was announced by Lee R. Boyd, district highway maintenance engineer.

Presides at Convention

RASMUS J. GJERDE

President of District 1 of the Sons of Norway lodge, who will preside at the district convention of the lodge in the municipal Auditorium Friday and Saturday, June 18 and 19.

SCHOOL FACULTY COMPLETE EXCEPT FOR PRINCIPAL

Board Arranges for Needed School Repairs at Session on Monday

The local board of education in its session Monday evening, in addition to appointing W. G. Claffy to succeed P. L. Fjelsted, resigned, as superintendent, acted on several other matters.

The condition of the school buildings was reviewed, and action taken to arrange for improvements to be made during the vacation period. It also was decided to call for bids to be opened July 12 on a new 48-passenger school bus to replace a 1937 model Ford bus.

With the appointment of Miss LaVonne Dahlgren of Hector, Minnesota, as music supervisor for the grades and junior high school, all vacancies in the faculty have been filled with the exception of appointing a successor to Mr. Claffy as Lincoln school principal. Miss Dahlgren was graduated this month from the University of Minnesota.

Venel Kadrlik resigned as school janitor effective July 1, and Ralph Dowers was named to succeed him.

Kenneth Porter Dies in San Diego, California

Kenneth Porter, who left this city eight years ago for the West Coast, died in San Diego, Calif., Tuesday, according to word received here by his sister-in-law, Mrs. Henry Olson. He is survived by his wife and a son. Further details will be published in the Times next week.

ST. BERNARDS IS GOING FORWARD WITH BUILDING

Awards Contract for New Combined Church-school to Cost over $230,000

The parish of St. Bernards Catholic church at a meeting Tuesday evening, in addition to extending an official welcome to Rev. William Swanson, who last fall began his pastorate here, inspected sketches and floor plans for the new combined church and school edifice, the contract for which was awarded last week to the Walter Butler Construction company of St. Paul.

Work on the project, the estimated cost of which will be $230,000, exclusive of equipment, is scheduled to get under way Monday, June 21, with Albert Anderson of St. Paul as superintendent in charge.

Preceding the starting of work, ground-breaking ceremonies will be conducted Sunday morning at 11 o'clock, with Mrs. Mary V. Shaw and Louis DeCremer, pioneer members of the congregation, participating.

The structure, designed by Ray Gauger of St. Paul, who also drew plans for the municipal Auditorium here about 15 years ago, will be of modified modern style, and will include a church auditorium with a seating capacity of 400, in addition to a six-room parish school and a full basement providing club room and other facilities. The building will be of fireproof brick construction, with the probable completion date set at April, 1949.

Serving on the church building committee, in addition to Father Swanson, are George W. Werstlein, Bernard Barzen, H. H. Kelly, Chris Engelstad, Hugh Carlson, Fred Kraemer and Ernest Barzen.

FORMER RESIDENT HEADS MISSIONARY UNIT OF THE ELC

Mrs. Storvick, Former Miss Helen Weeks, Named at Minneapolis Meeting

Mrs. R. O. Storvick of Wadena, daughter of the late Mr. and Mrs. J. J. Weeks of Thief River Falls, last Thursday was elected president of the Women's Missionary Federation of the Evangelical Lutheran church at the closing session of the group's biennial convention in the Minneapolis armory.

Mrs. Storvick announced Wednesday that during the past year members have contributed $483,143.73 to Christian purposes.

Contributions were allocated to the work of the WMF's departments: missions, charities, education, promotion, and life membership and in memoriam.

In addition, $35,000 was given for Lutheran World Action and $55,000 to United Missions Advance.

MARSHALL COURT TERM ADJOURNED

Clarence Lindstrom Is Sent to State Hospital

The spring term of district court for Marshall county was concluded Tuesday morning when the case on trial was settled, other cases on the calendar being settled or continued over the term, according to Edwin K. Rokke, Clerk of District Court.

Because of other terms previously set, Judge James E. Montague, Crookston, found it necessary to continue the remaining cases until the fall term.

Trial of the cases of Bertha and Ingebright Setten against Edwin and Clifford Anderson started on Monday, but during the trial Tuesday morning, attorneys came to an agreement to settle the case for the plaintiffs.

Judge Montague has announced no decision as yet on the motion for a new trial in the Melvin Hanson liquor case in which the jury returned a verdict of guilty last Wednesday morning.

Mr. Trost also reported that the sanity board appointed by Judge Montague in the murder case action against Clarence Lindstrom, found Lindstrom to be insane and he will be committed to the criminal insane hospital at St. Peter. Members of the sanity board which reported last Friday to Judge Montague were Drs. M. J. Bechtel, E. E. Pumala and A. E. Carlson, all of Warren.

QUEEN CONTEST ENTRIES ASKED BY JR. CHAMBER

Entry Blank for Use of Candidates Appears in This Issue of Times

For the convenience of candidates planning on entering the queen contest that will be an outstanding feature of the fifth annual Jaycee Sports Carnival July 3, 4 and 5, the entrance requirements and an entry blank are published elsewhere in this issue of the Times.

Sponsors emphasized the fact that the event, which is open to unmarried young women between the ages of 18 and 25, is not a bathing beauty contest. The selection of the winner will be based on charm, graciousness and beauty, and the girl selected as Miss Thief River Falls will be entered in the Queen of Lakes contest at the Minneapolis Aquatennial later in July.

Glenn Carlson, general chairman of the Sports Carnival, requested that entry blanks be filled out and returned as quickly as possible to Gordon Reierson, chairman of the queen contest.

Carlson also announced that the parade committee has arranged for the participation in the event of the state champion Chisholm American Legion drum and bugle corps, which has maintained its high standing since appearing at the Century of Progress world's fair in Chicago in 1933.

ELKS LODGE HOLDS FLAG DAY SERVICE MONDAY EVENING

Parade to Elks Park Is Followed by Address by Judge Paul A. Lundgren

Flag Day Monday was duly observed in Thief River Falls, with streets in the downtown district decked out with flags, in addition to which members of the Elks lodge conducted Flag Day rites in the evening in the Elks park, preceded by a parade from the municipal Auditorium.

The parade, headed by the color guard and Legion municipal band, included a group of Elks carrying a huge American flag, and Boy Scouts bearing nine different flags that have served the United States.

C. W. Vorachek, exalted ruler of the lodge, presided over the program in the park, which included talks on the history and significance of the emblem by Tom Peck and Arthur Johnson, past heads of the lodge.

Judge Paul A. Lundgren was the main speaker. Pointing out that the principles of the Elks' order are charity, justice and brotherly love, he said that these same principles are symbolized by the American flag, and he expressed the hope that they might spread out over the entire world.

The band played several selections, concluding the program with "America", in which the audience joined in singing. The attendance at the program was held down by the chilly temperature prevailing during the evening.

SOIL CONSERVING DISTRICT GETS O. K.

Voters 100 Per Cent in Favor in Referendum

The soil conservation referendum held Friday June 11, in the Civic and Commerce Room of the Thief River Falls auditorium registered a vote of 100 per cent in favor of forming a soil conservation district.

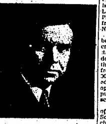
School Head Resigns



PHILIP L. FJELSTED

Who Monday resigned his position as superintendent of the Thief River Falls public schools after five years of service in that capacity. He has accepted a similar post in Decorah, Iowa.

Mr. and Mrs. Ward Nichols left Wednesday on a two week vacation at St. Louis and Hannibal, Missouri.

Retired School Head Will Take Charge of Decorah, Iowa, Schools

Philip L. Fjelsted, superintendent of schools in Thief River Falls the past five years, Monday evening tendered his resignation to the board of education, effective August 1, when he will leave for Decorah, Iowa, to head the school system in that city.

Accepting his resignation, the board proceeded immediately to appoint as his successor W. G. Claffy, who has served as Lincoln high school principal since the fall of 1930.

Popular among both students and parents, Mr. Claffy was graduated from Macalester college, St. Paul, and since has completed work for his master's degree at the University of Minnesota and the University of North Dakota.

He has been active in educational circles, having served as vice president of the Minnesota Education association and president of the Northern Minnesota association. He also is a former member of the board of control of the Minnesota State High School league, which governs high school athletics. He is a past president of the local Lions club, and a member of Phi Delta Kappa, education fraternity at the University of North Dakota.

During Supt. Fjelsted's incumbency here, the faculty has increased from 58 members to [illegible]; starting salaries have nearly doubled and the bonded debt of the school district has declined from $214,500 in 1943 to $136,000 this year. New courses added include driver training, cooperative education for seniors, public speaking and senior science.

He was president in 1944-194[illegible] of the Minnesota Council of School Executives and has been chairman of the legislative committee. He was on the governor's committee for the revision of the old state aid law. He was reelected last fall for a second four-year term on the executive board of the Minnesota Education association. He has been active in local organizations, serving as president of the Rotary club, president of the Men's Brotherhood of Trinity church, and president of Thief River Falls district Boy Scouts of America.

Pennington Co. Fair Board Arranges for Event August 2 to 5

The Pennington county fair board at a meeting last Wednesday evening approved the form of the premium list for the 1948 fair August 2 to 5, and the booklet will go to the printer late this week.

The board also voted to enter into a contract for the application of a coat of paint to the buildings on the fair grounds, the work to be completed before the end of July.

The Junior Chamber of Commerce, it was decided, will be asked to conduct an advance sale of tickets for the opening night show, similar to the successful campaign put on by the Jaycees in advance of the 1947 fair.

Also to be solicited is the cooperation of the Civic and Commerce association in reviving the county fair booster tour that in former years advertised the event in communities in this section of the state.

A. F. Berge, fair board secretary stated that the grandstand attraction at the fair this year will be "Manhattan Jamboree," a Barnes and Carruthers production, together with nine big-time acts and a seven-piece band. The Sunset Amusement company will supply the midway attractions. Admission fees to gate and grandstand, he added, will be the same as last year.

Superintendents of the women divisions this year will include Mrs. C. H. Toomey, culinary; Mrs. Paul Lundgren, fancy needlework; Mrs. O. H. Bessler, practical department; Mrs. George Eakken, art; and Miss Geneva Overum, flower department.

Norma E. Carlson Weds Gaylord Jorgenson at Double Ring Ceremony

Miss Norma E. Carlson, daughter of Mr. and Mrs. Albert Carlson of Hazel, became the bride of Gaylord Jorgenson, son of Mr. and Mrs. Jens Jorgenson of Newfolden, at a double ring ceremony performed Wednesday afternoon, June 9, in Clara Lutheran church at Hazel. Rev. Carl Thompson officiated.

The altar was decorated with white lilies and three candles were placed on either side. The church was also decorated with bouquets of snapdragons and white carnations. Mrs. Henry Bothman played the traditional wedding marches and pre-nuptial music was also provided.

Given in marriage by her father, the bride was lovely in a gown of white satin with lace two lace insertions down the front, and fingertip veil. She carried tea roses and carnations which were placed on a white Bible. Attending the bride were her sister Elleen Carlson, wearing a gown of pink, and Mrs. Anton Helmer of Hazel, who was attired in a blue gown. Both carried carnations and roses with ribbon streamers. White testaments were their gifts from the bride.

Mrs. Carlson wore yellow crepe and Mrs. Jorgenson was in a dark blue dress. Both wore gardenia corsages.

A reception was given at the church parlors by the bride's parents, following the ceremony, at which 75 guests were present.

Mrs. Jorgenson has been employed at St. Luke's hospital and the groom is an employee at Bert's Radiator Shop. They left on a wedding trip to Lake of the Woods and points on the Canadian border and are now at home at 1003 No. LaBree. For traveling the bride chose a lime green suit with white accessories.

Elvira Arroyo of New York City Marries Clifford Vernon Aas

On Sunday afternoon of June 13th, 1948 Clifford Vernon Aas, son of Mr. and Mrs. Martin Aas of Thief River Falls, Minnesota, took wedding vows in a double ring ceremony with Miss Elvira Arroyo, daughter of Mr. and Mrs. Roger Arroyo of New York City.

The ceremony took place at the Fort Washington Collegiate Church in New York with Rev. Polling performing the ceremony.

The bride wore a gown of imported Swiss pearl white satin, the matron of honor white taffeta, and the bridesmaids white nylon over white satin. The groom, best man and bride's father, who gave her away, wore black tuxedos.

The matron of honor was the bride's sister, Mrs. Norma A. Molina and the bridesmaids were Misses Judy and Edna Acosta, Miss Helene Nichols and Miss Petra Jimenez. The best man was the bride's brother-in-law, Mr. Edward Molina and the ushers were Mario Canavero, Anthony Delgado, Louise Roig and Eddie Ortiz. Ring boy and flower girl were Master Edward Roger Molina and little Miss Carole Dumbrigue. Miss Marie Penecola sang "Because" and the "Lord's Prayer."

Reception followed immediately after the ceremony at the bride's home, 436 Fort Washington Ave., New York City, with over one hundred guests. Among the guests were the groom's mother and Kenneth, who went to New York for the wedding.

Mrs. Hulda Overvold and Mrs Alice Hammerstein left Wednesday for Seattle, Wash. for a visit with relatives.

Mr. and Mrs. John Lodin Return to City from Wedding Trip

Mr. and Mrs. John Lodin who were married May 29 in the Mission Covenant church in this city, by the bride's uncle Rev. Elmer B. Dahlstrom of Lanyon, Iowa, arrived here this week for a visit with relatives.

The bride was formerly Merriam E. Anderson, daughter of Mr. and Mrs. Albert Anderson of this city, and the bridegroom is a son of Mrs. Manda L. Lodin of Pelican Rapids.

The double ring candlelight ceremony was read before an altar decorated with palms and baskets of gladioli and carnations, witnessed by 150 guests. The traditional wedding marches were played by Mrs. Alvin T. Dahlstrom, an aunt of the bride and Mrs. Nels Holmberg sang "Because" and "Together With Jesus", and during the ceremony Lois Dahlstrom sang "O Perfect Love".

Fashioned of white marquisette over net and taffeta, the bride's hoop skirt, ubstle back, gown was ornamented with lace. Her fingertip veil was held in place with a beaded orange blossom halo. She wore pearls, a gift of the groom, and carried a semi-colonial bouquet of gardenias and stephanotis.

Attendants, Gladys Anderson of Minneapolis, cousin of the bride, was maid of honor, wearing pink marquisette over taffeta, with hoop skirt and bustle of solid lace. Mrs. Sylvia Anderson of Minneapolis and Mrs. LaVerne Lodin of Pelican Rapids, bridesmaids, were dressed alike in blue marquisette over taffeta, with hoop skirts and bustle backs. All carried colonial bouquets. Lois Dahlstrom, cousin of the bride, was flower girl, wearing a pink taffeta gown, and carried a basket of rose petals which she strewed down the aisle before the bride entered on the arm of her father. Gary Thyren carried the rings on a heart-shaped satin pillow.

The groom was attended by Loren Baglien of Minneapolis, a friend of the groom, as best man, and Raymond Anderson and Vincent Lodin.

Mrs. Anderson wore black print with black and white accessories and Mrs. Lodin was attired in black print with white accessories. Both wore corsages of gardenias with roses.

A reception followed the ceremony in the church parlors for 150 guests. The bridal table was adorned with a three tiered wedding cake topped by a miniature bride and groom. Muriel Peterson, Doris Swanson, Shirley Kruse, Elaine Anderson and Jeanette Anderson, friends of the bride, were waitresses.

The bride is a graduate of St. Hilaire high school, and Minnehaha Academy, Minneapolis, and has been employed the past three years in Minneapolis. The groom graduated from Pelican Rapids high school, and Minnesota School of Business in Minneapolis. They will reside in Minneapolis after July 1.

Those who attended the wedding from a distance were Rev. and Mrs. Elmer B. Dahlstrom and family of Lanyon, Iowa; Mrs. Emma Johnson and family of Lancaster; Mrs. Manda Lodin, Mr. and Mrs. Vincent Lodin, Mr. and Mrs. Julian Krogstad of Pelican Rapids; Gladys Anderson, George Belka, Loren Baglien, Mr. and Mrs. Raymond Anderson of Minneapolis; and Mr. and Mrs. Verner Anderson of Roseau.

R. L. ELECTRIC CO-OP PLANS TO EXTEND LINES

New Lines to Be Made Possible Thru Added REA Loan of $475,000

The Red Lake Electric Co-operative Inc. of Red Lake Falls has received approval of a new loan of $475,000 from the Rural Electrification Administration to finance new line construction consisting of 304 miles of line to serve 396 members and prospective members, Millard Dailey, president of the board of directors, announced Thursday in the Red Lake Falls Gazette.

As a result of this loan, the Co-op will be able to make a major step towards the complete electrification of the area in which they serve. Construction will be pushed as rapidly as materials and labor can be obtained.

It is hoped that construction of these lines included in the allocation will be completed and energized before the end of the year. However, future deliveries of conductor, which is still on the critical list of matelals will determine the completion date of the lines.

The Co-op now has 800 miles of power lines which bring electric service to 1,500 rural consumers. Upon completion of its present building plans, the system will be increased to 1,700 miles of rural lines serving 3,038 consumers, the president said.

"It is our purpose to see that rural electrification in our area keeps pace with its advance in other sections of the country," Mr. Dailey declared. "Congress has indicated its interest in rural electrification by making more than a billion dollars available for loans since 1935. The greater part of this is being utilized by rural electric co-operatives such as ours. This federal rural electrification program has been a leading factor in raising the nation's level of electrified farms from one out of 10 in 1935 to six out of 10 today.

"We're going ahead with plans to serve the greatest possible number of rual people in our area. We operate on an area coverage basis—in other words, we hope eventually to bring service to every rural resident who wants electricity instead of only to those in [illegible] more thickly settled communities."

The rural electrification act requires that REA loans be made on a self liquidating basis, and the cooperative received approval of its new $475,000.00 loan only after REA had completed a thorough study of the application. This study indicated that the co-operative will be able to construct these lines and have adequate revenue from consumers' power bills to meet operating expenses and repay, with interest, all money borrowed from REA for its rural power facilities.

Rates charged consumers by the co-operative are based on the actual cost of service.

Since the Red Lake Electric Co-operative was organized in 1938 it has received $1,786,881.17 in loan fund allocations from REA. The Co-op is meeting payments on schedule and has paid REA a total of $63,275.50 in principal and interest on its loans.

JANICE LOKKEN IS GREENBUSH QUEEN CONTEST WINNER

Ray Novotny of Badger Winner of 1st Place in Sheep Shearing Contest

Miss Janice Lokken of this city was selected from among five candidates as queen of the tenth annual Northern Minnesota Sheep Day festival at Greenbush. She was crowned by Maynard Peterson, president of the Greenbush Chamber of Commerce, who presented her with a wrist watch.

As a result of winning the contest, Miss Lokken will represent Northwestern Minnesota in the contest to be held in connection with the Jaycee Sports Carnival in Thief River Falls July 3, 4, and 5.

Roy Novotny of Badger won the sheep-shearing title for the third year in succession, scoring 97.5 points out of a possible 100. Kenneth Andeen of Argyle placed second, and Frank Gunderson third.

Other contestants were Otto Siedel of Badger; Donald Taus Strathcona; Lloyd Aaskgard of Roseau; Arthur Leiran, Goodridge; Ed Gripp, Nebish; Vernon Iverson, Goodridge; Nils Olson, Brainerd; Lloyd Thompson, Glenwood; and Milton Mandigo; Roseau.

Throughout the day the Winnipeg police piper band entertained the crowd and T. M. McCall, superintendent of the Northwest School of Agriculture at Crookston, delivered an address on the value of livestock in present day farming.

LEGION JUNIORS WIN, 2 DROP ONE

Defeat Stephen Twice, Lose to Grand Forks

The Legion's junior baseball team put in a busy week, playing three games and registering a pair of wins and a loss. Playing here last Thursday evening the locals defeated the Stephens juniors, 10 to 7. On Saturday coach Paulsen took his squad to Grand Forks and, in a well-played game, the Dakotans recorded a 4 to 3 win. Monday evening, playing a return game withe the Stephen nine at Stephen, the locals tallied a 9 to 5 triumph.

This evening the Warren juniors will tangle with the locals on the Fair Grounds diamond, and on Monday evening the Argyle juniors will invade the Fair Grounds for a game with the local juniors. The Grand Forks juniors are scheduled to play the local juniors here on Wednesday evening. This evening's game with Warren should provide the junior baseball fans with plenty of entertainment, for the two teams have each scored a win in the previous two games and today's contest will be a "rubber" game.

After defeating the Stephen juniors, 10 to 7 on Thursday evening, and the Intermediate Al-Stars, 13 to 1, Friday evening, the locals were edged out by the Grand Forks juniors, 4 to 3, at Grand Forks on Saturday. Grand Forks won the game in the 3rd and 4th inning when they scored four runs. Singles by McKinnon, Bougie, and Bachmeir gave the Forks a run in the 3rd, and a pair of errors plus hits by McKinnon, Janes, and Kopenhaver added three runs to the Grand Forks total in the 4th.

In the 6th inning, the locals, on bases on balls to Don Lunke and Dennis Lund, a pair of errors, and with Harley Wagner and Al Williamson being hit by pitched balls and Alden Spray's base hit, scored three runs. Don Stadum struck out six batters, while McKinnon and Evenson had eleven strikeouts.

The defending city champions, Oen's, moved into lead in the City Softball league by defeating the previously unbeaten Northern Chevrolet team, 7 to 2, Friday night in the playoff of a postponed game. Oen's took advantage of some loose play by the Chevrolet team in the 1st inning to score three runs, and in the 5th inning Jimmy Anderson's homerun capped a four-run inning for the Oen's. The Chev. nine averted a shutout by scoring twice in the 7th inning, using a pair of Oen's errors plus Ronholm's single to tally the runs.

In the 1st inning, after Oen's had scored three runs, the Northern Chev., on a walk to Rolholm, an infield hit by Jim Stephenson, and a walk to Swede Lund, filled the bases with none out, but Milt Relerson set Lloyd Johnson, Rog Tunberg, and Chuck Barr down on strikes to retire the side.

In a well-played game last Wednesday night, Hudson Motor's Mel Scholin had a no-hit no-run game until the 7th inning when Bridgeman's Al Engelstad beat out a bunt and Roger Krats followed with a double down the left field foul line.

The Eagles, after trailing by an 8 to 0 score after two innings of play, rallied to edge out the Viking team, 12 to 11, in 10 innings on Thursday night. And on Monday night the Eagles scored another one-run win, defeating Middle River, 4 to 3.

6:15, Winner game No. 1 vs. winner game No. 2.

The Midget baseball league concluded its first round schedule this week, and the Northrop Yankees, by defeating the Washington Senators, 15 to 7, while the St. Bernard Broncos were being upset, 11 to 10, won the first round championship. This week the various teams will combine their talents to form All-Star teams to represent the Northrop, Knox, Washington, and St. Bernard's grade schools, and to participate in the grade school championship tournament that will be played on the East Side diamond next week.

In addition there will be an All-Star team selected from the Midget league to play an All-Star team from Warren at the Fair Grounds on Saturday afternoon. Last Saturday, playing at Warren, the local All-Stars, with Don Johnson poling out a pair of extra-base hits that rebounded off the wall of Warren's ball park, trounced the Warren All-Stars, 21 to 9.

The highlights of the week's play in the Midget league was the 11 to 10 win that the Knox Bears handed the Broncos on Monday evening, with the loss shoving St. Bernard's into second place. The Broncos, trailing by a 11 to 4 score in the 7th inning, rallied for six runs, and had the tying and winning runs on the bases, but Jack LaSalle struck out the last two men to end the game.

The Northrop Yankees, altho getting but three hits, defeated the Washington Senators, 15 to 7, Tuesday afternoon and vaulted into first place in the league standings. Lanky Roger Williamson, on the mound for the Yankees, pitched three-hit ball for the winners and drove out a homerun.

Don Johnson, leading the Northrop Lions to their 17 to 0 win over the Washington Wildcats on Monday afternoon, connected for two homeruns and a double in three trips to plate, and boosted his league average to .667. Kent Zabel is runner-up in the league batting with a .545 average. Stan Rosengren of the Indians has a .533 average while the Broncos' Joe Poole and the Seantors Ted Stokke are batting at .500 clip.

The summaries:

	R.	H.	E.

PLUMMER HOLDS LEAD IN NORTHERN MINNESOTA LOOP

Red Lake Falls to Play Thief River Falls Here Next Sunday Afternoon

League Standings

	Won	Lost	Pct
Plummer	5	0	1.000
Red Lake Falls	3	1	.750
Crookston	3	2	.600
Thief River Falls	2	2	.500
St. Hilaire	2	2	.500
Winger	1	2	.333
McIntosh	0	3	.000
Erskine	0	4	.000

Results of Sunday's games:
Thief River Falls, 5; at Crookston, 9.
Plummer, 5; at St. Hilaire, 2.
McIntosh, 3; at Red Lake Falls, 27.

Games this Sunday:
Red Lake Falls at Thief River Falls.
St. Hilaire at Erskine.
Crookston at McIntosh.
Plummer at Winger.

Tenth inning base-hits by Jesse DuChamp and Ray Ste. Marie accounted for the runs that gave the Plummer Red Sox a well-earned 5 to 2 win over St. Hilaire in a Northern Minnesota baseball league game played at St. Hilaire on Sunday. And the Red Sox win firmly entrenched the Plummer team in first place in the league standings, giving manager Ste. Marie's team a record of five wins and no losses.

But for a fine throw by the Plummer centerfielder, Wally DuChamp, St. Hilaire would have won the game in the last half of the 9th inning when, after scoring the tying runs, a St. Hilaire runner, attempting to tally what would have been the winning run, was thrown out at the plate as he tried to score from second base on a ground single.

LeRoy Westerlund connected for a homerun, which rolled under the cars in left field, and a triple to lead the Red Sox' attack on Woody Almquist. Almquist pitched one-hit ball until the 5th inning.

The Thief River Falls team, *who will open their "home"* season next Sunday by playing the runner-up Red Lake Falls Lakers, dropped a 9 to 5 game to the Crookston Pirates at Crookston on Sunday. The Lakers will perhaps send Harold "Pinky" Kraft to the mound in Sunday's game, with veteran Bill Hallamack held in reserve for relief purposes if needed. Hallamack injured his side last week, but latest reports are that he will be available for shortstop and relief pitching duties on Sunday.

OFFICERS ELECTED BY DISTRICT LEGION, AUXILIARY AT R.L.F.

(Continued from page 1)

Warren was re-elected chaplain.

The auxiliary elected Mrs. E. J. Paulson of Shevlin as president to succeed Mrs. T. E. O'Rourke of Roseau. Mrs. Elmer Rovang of Fergus Falls was named first vice president and Mrs. George Korbell of Breckenridge, second vice president. Mrs. Jack Garrett of Moorhead and Mrs. Chester Dahlgren of Alvarado were elected to the executive board.

Mrs. J. M. Bishop of this city presented to the Halma-Lake Bronson auxiliary unit the Bishop trophy given annually to the unit registering the largest percentage increase in membership during the year. Mrs. Bishop had organized the unit about 25 years ago.

Sunday's program included a parade at 1 p. m., a baseball game and the memorial parade and service. A Gold Star Mother's tea, sponsored by the Legion auxiliary was held at the home of Mrs. George W. Christie.

Mr. and Mrs. R. Basil Westacott and family of North township and Robert Westacott of Smiley township were guests Tuesday evening at the Jack McKechnie home.

The picture is scheduled to open Sunday at the Falls theatre.

BEMIDJI AIR SHOW SATURDAY, SUNDAY

Will Dedicate $50,000 Administration Building

Bemidji will be the scene of one of the Upper Midwest's largest airshows Saturday and Sunday, June 19 and 20. A total of 75 Naval Air Reserve and air force aircraft is scheduled to participate.

Highlight of Saturday's program will be the appearance at 1:30 p. m. of Rear Admiral R. F. Whitehead, chief of Naval Air Reserve training, Glenview, Illinois, to officially commission the Bemidji naval reserve volunteer unit.

Navy air participation will be *sparked by the "Blue Angels,"* often called the world's finest flying team. The "Angels" fly Gruman F8F "Bearcats," the fastest conventional aircraft.

The Bemidji Volunteer unit will demonstrate formation flying in Navy SNJ "Texans" immediately after commissioning Naval Reserve Air Group 65, under the direction of Lieutenant Commander C. C. Schmidt, will perform tactical missions to the target area above Red Lake and demonstrate dummy bombing at the field. The air group is composed of fifty planes made up of "Hellcat" fighters, "Helldiver" dive bombers, "Avenger" torpedo bombers, "Corsair" fighter bombers, and "Ventura" light bombers.

The Sunday show will see the $50,000 administration building dedicated as an adjunct to the million-dollar airport.

The Air Force Volunteer group from Bemidji will perform on both days, and a P-82 and C-52 will be on display at the field. On the ground will be statistic displays of aircraft, ordinance, and electronics.

At the Lions club luncheon meeting Wednesday noon in the Rex Cafe, reports on the district Lions convention held last weekend in Duluth were presented by the local delegates, including President Lester Ihle, secetary Ernest Johnson, Dr. W. P. Kaisler and Wm Thompson.

Betty Miller of Roseau County New President of State 4-H Federation

The Minnesota 4-H club federation last week was headed by an 18-year old Roseau girl who has led her fellow club members in many projects.

Betty Miller, president of the Roseau county federation for two years, county junior leadership award winner in 1947 and a home canning expert with five years of state fair awards, was elected president Wednesday. She succeeds Eugene Lyman, Northfield.

The federaion met as more than 1,000 4-H club members from all parts of the state gathered at University farm school for 4-H club week. Delegates to the federation meeting were chosen from each county in the state, with about 80 attending.

After a long, tough winter a nearly perfect spring is now drawing to a close. Next week summer will be here and then the days will start getting shorter again. It is hard to realize that summer has not yet arrived.

Another million dollars has been made available for the improvement of the channels of the Red Lake and Clearwater rivers. While this is not sufficient to complete the project at present costs, Army engineers are hopeful that they will be able to make enough progress with this amount of money to correct the worst conditions in both rivers. According to their schedule another section of the Red Lake river will now be let, bringing the channel improvement to the Reservation line and also a large section of the Clearwater river, starting at the lower end. There will be good reason for celebration when the project gets "officially" under way next month.

A week from today we should be listening in on the most interesting part of the Republican national convention, the actual voting, and for Minnesota citizens this program will have more than the usual interest. Minnesota's Harold Stassen is not in the lead going into the stretch but he is still very much a contender in this race. Because of his recognized personal popularity throut the country he will have more actual influence in the convention than his lack of strength among party leaders would entitle him to. His pre-convention strength however is greater than was Willkie's eight years ago, and much like Willkie, he is a colorful and effective leader of men, opposed in the convention by a rather colorless and cold group of candidates. Stassen has made a few mistakes in his vigorous campaign and his band wagon isn't running at the high speed it maintained for a while. But he didn't make many mistakes and he hasn't quit fighting, and we are not counting him out until the battle has ended.

Topics of the Times

By N. A. K.

With all the construction activity currently under way in Thief River Falls, the town seems to be suffering from an acute attack of growing pains.

One of the nation's business leaders told the truth when he said that what this country needs is the spirit of "togetherness".

The U. S. Department of Commerce reports the American people spent $9,500,000,000 for liquor in 1947. That is what might be called a staggering figure.

The Baudette Region tells about four industrious Pennington county men who caught 100 walleyes in Lake of the Woods, while the legal limit was 32. Yes they paid a fine.

There is no family resemblance between the old model T and the 1949 model that makes its bow Friday.

Safety slogan—Watch the tyke on a bike.

Wadena folks used "dry ice" to produce rain recently, and they report the experiment was successful.

Appalling fact—The Minnesota tax commissioner tells us that one dollar out of every four taken in goes for taxes.

There are lots of strikes in bowling alleys, but the places are seldom picketed.

When a man reaches for his hip these days says Billy Noonan, you don't know whether you're going to be shot or half-shot.

We know all about indelible pencils, but we never heard of a delible one.

Wonder if Harold Stassen's heart isn't fluttering a bit with the approach of June 21, the opening day of the Republican national convention.

When President Truman accused the present Congress of being the worst in history, he evidently forgot the old adage letter, sentence after sentence, of houses.

SIX GET DEGREES FROM UNIVERSITY

Commencement Rites Held Saturday in Minneapolis

Included in a record-breaking class of more than 3,200 students who received diplomas at University of Minnesota commencement exercises at Northrop memorial stadium in Minneapolis Saturday evening were a half-dozen young men and women from the Thief River Falls community.

Adrian Magnuson received the degree of bachelor of chemical engineering, while the degree of bachelor of science in law was conferred on Edward A. Peterson.

Loren E. Stadum and Ellen Adeline LaSalle were awarded degrees of bachelor of science in education; Mary Jane Olson was graduated from the nursing course; and Irvin J. Wilson was commissioned a second Lieutenant in the air reserve in the department of military science and tactics.

Jaycees Sponsor Sale of Four Chaplains Stamps

The Junior Chamber of Commerce will sponsor the sale of "Inner Faith in Action" postage stamps which go on sale at the postoffice here Friday morning, it was announced today by Ivan Bundy, committee chairman. The stamp honors four chaplains, Protestant, Catholic and Jew, who gave up their life preservers on a sinking ship in order that four of their men might be saved. The Jaycees are arranging for the purchase by business places of whole sheets of the stamps.

Pfc. Glen Rockstad Dies in Guam Hospital

Word was received this week of the death of Pfc. Glen Rockstad, 18, at a Marine hospital in Guam, Guam on Thursday, June 10. He attended school here and enlisted in the Marine Corps on Jan. 15, 1947. Besides his parents, Mr. and Mrs. Fred Rockstad of Star Prairie, Wisc., formerly of this city, he is survived by four sisters and other relatives. The body will arrive here for funeral services and interment.

Legion Post Will Elect Officers Monday Night

Eckland-Holmstrom post of the American Legion will elect a slate of officers to serve during the coming year at its June meeting next Monday evening June 21, at 8 o'clock, Willis Wright, post adjutant, stated today. Ivan Bundy has served as post commander this year.

Total Employment in City Continues Upward

While total employment increased 2.1 per cent compared to April, the construction industry showed an increase of 25 per cent, it is revealed in the monthly report on labor market trends prepared by the local employment office. The analysis reveals that the labor supply in the city is estimated at only 70 persons, the majority of whom are over 50 or under 18 years of age.

Eight Men Penalized for Various Violations of Law in Local Court

Three men were brought by police into municipal court recently on chages of careless driving. Raymond J. Mager of Warren was fined $10, while Robert G. Sater of this city paid a $15 fine and Jerry Rasmussen was given a $10 suspended fine and his drivers license was suspended for two months. Ernest C. Smith of Strandquist pleaded guilty to driving a motor vehicle while under the influence of intoxicating liquor and paid a fine of $75 and $3 costs. Three other men were fined $5 and $3 costs for failing to heed stop signs, while Raymond Erickson of Grygla pleaded guilty to a charge filed by a game warden of possession of two pickerel during the closed season.

Card of Thanks

We wish to thank all those who extended their sympathy during our recent bereavement, and also to thank those who gave memorials in memory of our daughter and and sister, Mrs. Elize LaChappelle and family and Gene L. Ellan. 25c

In Memoriam

In loving memory of our dear mother, Mrs. Christine Lien, who passed away one year ago June 21st, and our dear father, Ole K. Lien, who passed away two years ago July 13th.

Our family circle has been broken
Two links gone from our chain
But though we've parted for a while
We know we'll meet again
Some day we hope to meet them;
Some day we know not when
We shall meet in a better land
And never part again
Peacefully sleeping, resting at last
Their world weary troubles and trials are past
In silence they suffered the pains that they bore
'Til God called them home to suffer no more.

Sadly missed by the Lien children. 25p

Jimmy Nordine Wins Shortstop Tourney on TRF Golf Course

Jimmy Nodine, runner-up for the States Amateur Golf championship last season, shot two-under-par golf for the seven holes required to defeat Roseau's H. F. "Red" Peterson in the finals Sunday to win the shortstop golf tournament played over the local course under ideal playing conditions.

Nordine swept through the sixteen-man championship flight by defeating Art Nelson, 4 and 3, in a first round match, eliminated young Keith Jorde 2-up in the quarter-finals, trounced Detroit Lakes' John Pryor, 4 and 3, in the semi-finals, and then beat Peterson in the finals.

"Red" Peterson edged out Grand Forks' Van Purvis, one of the four Purvis brothers playing in the tourney, in the first round, defeated Dick Schaeffer in the quarter-finals, and scored a 1-up over Herman Allen in the semi-finals.

Otis Olson won the championship flight consolation by defeating the local club's Vic Jung, 1-up in the finals.

In the championship finals, Nordine won the 1st hole with a birdie 4. Peterson "skied" his tee shot and his second shot was out of bounds. Nordine was on the green with his third shot, a short chip, and dropped a 10-foot putt for the win.

On the 2nd hole, after being over the green with his second shot, Jim chipped in his approach for another birdie and a win.

On the long 3rd hole, Nordine attempting to "buy" a chunk of the 5th fairway, had his first tee shot out-of-bounds. His second drive just barely reached the 3rd fairway. Peterson was straight off the tee, was short of the green with his second, chipped to within six feet of the pin with his third, and won the hole with a birdie 4.

Both golfers halved the short 4th hole with par 3's. On the long 5th hole, Nordine had a terrific drive, being a short iron shot from the green and he hit the green with his second shot. *Nordine missed the 12-foot putt* for an "eagle", but he dropped the short try for a birdie 4 to go 2-up. On the 6th, Nordine had another win with a par 3, while Peterson took a 4. And the match was closed out on the 7th hole, with both players scoring 4's.

The cards of the championship finals and consolation finals:

Par	545	333	4	[illegible]
Nordine	436	343	4	27
Peterson	454	364	4	[illegible]
Par	545	333	433	33
Jung	544	456	534	38
Olson	544	534	534	37

The flight winners, runners-up, and consolation winners:

Championship flight: winner, Jim Nordine; runner-up, H. F. Peterson; consolation, Otis Olson.

First flight: winner Stan Larson; runner-up, Jack Brundin; consolation, Len Hurst.

Second flight: winner, Elwood Karwand; runner-up, Bill Dahlquist; consolation, Bob Dollahan.

Third flight: winner, Cliff Yagla; runner-up, Jerry Frolland; consolation, Frank Tunberg.

Fourth flight: winner, Bob Hoghaug; runner-up, Larry Ruth; consolation, Jack O'Keefe.

Fifth flight: winner, Bob Ruth; runner-up, Charley Lennon; consolation, Dr. Haas.

Sixth flight: winner, Jimmy Anderson runner-up, Judge Montague; consolation, Charles Babb.

Seventh flight: winner, E. W. Johnson; runner-up, Roger Briden; consolation, Loren Jung.

Eighth flight: winner, C. Barlow; runner-up, Nat Givens consolation, K. L. Gunerious.

Ninth flight: winner, Tom Given; runner-up, O. S. Nordine; consolation, Dick Lapp.

Tenth flight: winner, Gordy Helgeson; runner-up, Orville Kide; consolation, Rudy Quanrud.

The University of Minnesota plans to use 1800 acres of land at Rosemount for agricultural experiment work

CROOKSTON WHIPS LOCALS 9-5; RED LAKE FALLS NEXT

T. R. Falls Ball Team Fails to Hold 4-1 Lead at End of Third Inning

Failing to hold a 4 to 1 gain in the first three innings of play, the locals dropped a 9 to 5 decision to Ken DuPuis and the Crookston Pirates in a Northern Minnesota baseball league played at Crookston's Highland Park on Sunday. Red Lake Falls, in second place in the league standings, will be the locals opponents on Sunday when the first home game of the season will be played on the re-built Fair Grounds diamond.

In Sunday's game, against the Pirates, Babe Paulsen, leading off for the locals, tagged Ken DuPuis' first pitch for a single into left field. Paulsen stole second base. Stan Cockrell was safe when Jim Medved fumbled a ground ball, with Paulsen moving around to third base. A base on balls to Blackie Stephens loaded the sacks. Phil LeGault dropped a bunt down the third base line for a hit, scoring Paulsen. Nornes sent a high pop fly to Medved. Lund was a strikeout victim, and Nicky Carlson grounded out, second to first.

Rasmussen's centerfield single and Paulsen's long triple into right-centerfield, gave the Thieves another run in the top half of the 2nd inning. In the Pirates half of the 2nd, John Mercil hit an inside pitch for a homerun over the right field fence.

In the 3rd frame, Phil LeGault was hit by pitched ball. Nornes doubled into right field, sending LeGault around to third base. Swede Lund's double down the right field fowl line scored LeGault and Nornes. Nicky Carlson sacrificed Lund to third base, but Rasmussen was called out on strikes and Stroble flied out to right field.

Stroble had pitched strong ball for the locals in the first three innings, but in the 4th frame, after the first two men had been retired, Bill Sullivan drove a single into centerfield, DuPuis sent a ground single into left field. Doc Simon's looper into right field scored Sullivan, with DuPuis stopping at second base. Roy Lindell was safe on a ground ball through the mound, filling the bases, and when Fesler was given a walk, a run was forced across the plate. Martin's strikeout ended the inning.

Andy Carey opened the Pirates' half of the 5th inning with a base hit, and when Stroble hit Medved with a pitched ball, Phil LeGault was called in to take over the husling for the Thieves. A wild pitch moved Carey and Medved to third and second, respectively, and on Mercil's ground ball to third base, Carey slid into home on a close play to tie the score at 4-all. Medved was out on an attempted steal of home, and Mercil was nipped trying to steal third base, and Sullivan's was retired on a line drive to Rasmussen.

The Pirates tallied what proved to be the winning runs in the 6th inning when, after DuPuis had grounded out, Simon singled into left field. Lindell sacrificed Simon to second base. Fesler and Martin worked LeGault for walks, filling the bases, and Carey's single over shortstop scored Simon and Fesler with the fifth and sixth runs for the Pirates.

The locals threatened to tilt the score in the 7th inning when Merle Carlson beat out a bunt and Swede Lund followed with a single to right field. Carlson was tagged off second base when Crookston's DuPuis anticipated a sacrifice bunt and threw a pitch-out. Swede Lund broke for second on the pitch and forced Merle Carlson off the bag and Lindell's throw to Medved, enabled the Pirate second baseman to make the putout. On the run-down, Lund took second, and Swede scored on Rasmussen's hard single into left field, tallying the local's final score.

Will Try Again.

The local Thieves, after having their opening game on the Fair Grounds diamond postponed by the rain a couple of weeks ago, will try again on Sunday when they meet the second place Red Lake Falls nine in an important Northern Minnesota baseball league game. Sunday's game, in addition to being the first "home" game of the year, will have a vital effect on the league standings, for the Lakers, behind the pitching of Pinky Kraft and Bill Hallamack, are in a strategic position to overtake the Plummer team if the Red Sox should stumble a couple of times in *their remaining games.*

Manager Clarence Rasmussen is undecided on the makeup of the team that will take the field for the locals on Sunday, but he stated that young Don Perkins would be given the pitching assignment. With Blackie Stephens and Swede Lund at Camp Ripley with the National Guard, manager Rasmussen will be forced to reshuffle the infield and the batting order. Wayne Goethe will perhaps be given a shot at shortstop in case Stephens does not arrive home in time for the game. Babe Paulsen will be at second base, with Stan Cockrell covering first base and Rasmussen at third. Merle Carlson will handle the backstopping duties as Berdeen Nornes received a finger injury in the Crookston game.

Virg Evenstad and Johnny Powell, former junior Legion players, have returned home from school and have been out for the week's practice drills. Evenstad hasn't played any ball this spring and it's doubtful if his arm will be in condition for Sunday's game, but give Virg a couple of week's work and he should be ready to bolster the local staff.

Cardinal Baseball Tryouts.

Don White, of the St. Louis Cardinals baseball club, was in town Monday for the purpose of creating publicity for the Cards baseball tryout camp that will be held at Erskine on Thursday, Friday, and Saturday. The camp, under the supervision of Jack Sturdy, "Runt" Marr, and George Sisler, Jr. will be open to boys from the ages of 17 to 23, and the boys will be given instruction and advised as to their possibilities in professional baseball. All local boys interested in the tryouts are invited to make their appearance at Erskine, with the first practice drills scheduled for 11:00 A. M. on Thursday.

High School Gym is Open

Coach Bob Nick announced that the high school gymnasium will be open on week-days from nine o'clock on, and that all boys interested in basketball, volleyball, and, if weather permits, touch football, should report at the side entrance of the gym. If enough of the boys appear, coach Nick may organize the squad into volleyball and basketball teams.

Midget All-Stars

Midget baseball enthusiasts should make the trip to the Fair Grounds on Saturday afternoon and watch the local All-Star nine in their return game with the Warren All-Stars. Last Saturday, with Don Johnson driving in nine runs on two homeruns, a double and a single, the locals walloped the Warren All-Stars, 21 to 9, on the Warren diamond.

That infield that coach Jim Welton put on the field to start the game—Kent Zabel at first base, Joe Poole at second base, Don Johnson at shortstop, and Larry Gilbertson at third base—was spectacular in its warm-up drills and in its defensive play. Jack LaSalle, Stan Rosengren, and Rog Williamson shared the pitching chore, and they gave up but three hits. Bert Greenside, Jerry Hanson, and Marvin Jorde divided the catching job.

TWO STATE DFL CONVENTIONS HELD SUNDAY

Right Wing Convenes in Brainerd and Left Wing Meets in Minneapolis

The right wing Democratic-Farmer-Labor party Sunday in convention at Brainerd commended President Truman but refused to pledge its national convention delegation to his support.

The commendation came in mid-afternoon of a hectic day of convention business, and was brought about only by the entry of *Mayor Hubert H. Humphrey*, DFL senatorial candidate, into a long floor wrangle as a peacemaker.

It clearly was a victory for Humphrey. The Minneapolis mayor consistently has indicated a desire for an uninstructed delegation. He has been as consistent in assuring his support of President Truman or "whoever the Democratic presidential nominee may be."

It added to victories for Humphrey win in the election of Byron G. (Barney) Allen of Detroit Lakes as Democratic national committeeman and of Orville Freeman, young Minneapolis attorney as state chairman.

Charles L. Halsted of Brainerd, former minority leader of the state house of representatives, now a farmer, was indorsed by the convention as DFL candidate to oppose Gov. Luther W. Youngdahl in the fall elections.

The left, pro-Wallace wing of Democratic-Farmer-Labor party Sunday nominated its slate of national and state officers and presidential electors.

The faction took the action at two Chinese puzzle-like conventions—one within the other—in Minneapolis Labor temple.

The 561 delegates from 51 counties applauded for 23 seconds when the names of Henry A. Wallace and Glen Taylor were officially proposed as the "rump" party's candidates for president and vice president respectively.

Wildest appause of the day, however went to James M. Shields, former national labor relations board regional director, indorsed by the convention to run for United States senator against Mayor Humphrey, regular DFL and Sen. Joseph H. Ball, Republican incumbent.

Walter Johnson, New York Mills, also received an enthusiastic ovation when he was chosen the left wing's candidate for governor.

The double session often was confusing to delegates. When Francis M. Smith, St. Paul was elected chairman of the "legal rump", as he described his convention within a convention, one woman protested hat "we have already elected a chairman—Paul Harris, from Thief River Falls."

H. J. Griffin, Duluth, *temporarily in the chair*, explained the second convention was that of the "official DFL party" and was necessary to qualify the gathering legally, as opposed to the "regular" DFL conclave in Brainerd.

The other Minneapolis convention of which Harris was chairman, was described as a "progressive DFL" gathering, but not the official convention of a political party. Delegates repeatedly asked puzzled questions about the subtle distinction.

How to Live Longer

Someone asked Pappy Miller last week how he stayed so spry at ninety. Pappy told him:

"Well, sir—when I work, I work hard. When I set, I set loose. When I think, I go to sleep."

According to Doc Hollister, that formula isn't far amiss. "Hard work," says Doc, "never wore out anyone before his time, providing he knew how and when to relax."

Doc himself works overtime, with his daytime patients at the office, and his evening calls. And when he gets home he takes it easy with a mellow glass of beer and chats with the missus until it's time to go to bed.

From where I sit, relaxing is a fine art—especially in these tense, fast-moving times. And there's nothing like a temperate glass of beer—enjoyed with pleasant company—to restore that easy frame of mind that one needs after a hard day's work.

POLITICAL ROUNDUP
By Arthur Naftalin

Next Monday the big show opens in Philadelphia. The eyes of Minnesota—and the nation—will be on former Governor Harold Stassen as the grandscale maneuvering for the Republican Presidential nomination gets under way.

National observers accord Stassen only the slightest prospect of winning the big prize, although they admit the outside possibility that a deadlocked convention could swing to Stassen. The most consistent prediction favors the nomination going to Senator Arthur Vandenberg of Michigan.

The gossip holds that Stassen is set to withdraw at the strategic moment in favor of Vandenberg. This could conceivably win for him the Vive Presidential nomination or assurance of a top cabinet post in the event of a Republican victory in November.

After the GOP convention, the big question facing Stassen and his supporters—assuming he does not win the nomination—is "What next?" Stassen is still in his early 40s, and the path to the White House is not necessarily permanently cut off. But, if he is to be a top contender in '52 or '56, some means must be found to keep him in the national limelight.

Three possibilities for Stassen's future have been discussed from time to time. First is the appointment to a top cabinet post. This, of course, involves the immediate risk of a Republican victory, but within GOP circles there is widespread confidence on this point.

A second possibility is that Stassen might seek the Minnesota GOP nomination for U. S. Senator. This would mean his filing against incumbent Joseph H. Ball in what is certain to be a rip-snorting tough contest, unless Ball should decide to step aside for the man who appointed him.

The other suggested course is Stassen's reentry into the Minnesota Governorship picture. The idea here would be for Governor Youngdahl to move over to the Senatorial fight, permitting Stassen to seek his old post as the state's chief executive.

The movement to revise Minnesota's 90-year-old state constitution is beginning to gather momentum. Before long the voter will be alive to a score or more of major issues that will be involved in any extensive amending of the basic document.

The Minnesota Constitutional Commission, established by the 1947 legislature, has been doing extensive preliminary work and it is just now beginning to receive recommendations and suggestions from interested groups and individuals.

The full commission meets this Friday to consider a series of proposals that have been reviewed by various sub-committees. Among proposals certain to stir much comment and concern are those urging the inclusion of a constitutional provision on tax policy that would favor the development of taconite on the Minnesota iron range.

Another proposal certain to arouse much interest is the elimination of all state elective officers other than Governor and Lieutenant-Governor. Students of government have long pointed out the weakness of a long ballot which calls for extensive information, if a voter is to cast his ballot intelligently.

One proposal would have the Governor appoint the major department heads, including several which are now elected, such as the Attorney-General and State Treasurer. This has been the trend followed by recent constitutional revision movements in other states.

Another proposal calls for a thorough revision of the state's judicial system. It would eliminate justices of the peace and would call for the appointment of clerks of district court rather than their election. Final recommendations for changes in the judicial system will be based upon a statewide survey of opinion among judges and lawyers which is being conducted by the Commission's sub-committee.

Just added to new-product list is a small electronic air purifier, designed to kill germs and odors in a room in a few minutes.

Owners of Lockers Are Warned of Stored Game

People having protected game stored in freezing lockers are reminded that such meat cannot be kept after June 30, Frank D. Blair, game and fish director said today.

"After July 1 game wardens will be checking lockers and freezing plants," Blair said, "and we want to give all people plenty of time to use their game instead of having to confiscate it and prosecute the owners."

Blair stated that no extension of time would be granted for keeping game.

PROTECT YOUR PONTIAC WITH PONTIAC SERVICE

Care that matches the car!

Most Pontiac owners will use nothing but authorized Pontiac Service—because Pontiac Service is so precisely matched to the fine car they are driving.

Our men who work on your car are skilled mechanics trained by factory experts. To them every part is a familiar part. The equipment they use is all selected especially to service Pontiacs. This assures low cost and accurate work.

And if new parts are required, a large supply of factory-engineered parts is available. Each part fits exactly—just as if it were being used back at the factory.

It's our policy to do only the work you need and order—to do it right and as fast as possible. That saves you time and money and assures you complete satisfaction. Let us serve you regularly.

Kill the Weeds THAT STRANGLE CROPS

USE Dr. Salsbury's WEED-KILL Agricultural Forms

Mr. Farmer, weeds rob you of many, many dollars every year. Get rid of them this easy, convenient way—use Dr. Salsbury's WEED-KILL agricultural forms. Low-cost, low-gallonage spraying of crops such as corn, wheat, oats, barley, rye, flax, rice, and sugar cane is made possible with WEED-KILL A-4 or WEED-KILL E-3.34. Either form is economical—spraying small grains, for example, costs as little as 25 cents an acre. WEED-KILL agricultural forms are easy to use. For further information on weed spraying, see the friendly men at

CITY COUNCIL PROCEEDINGS

Thief River Falls, Minnesota.

The City Council of the City of Thief River Falls, Minnesota, convened in regular session in the Council Chambers in the Auditorium and Municipal Building on June 8th, 1948; the meeting being called to order at eight o'clock P. M., with all members present: Hall, Bredeson, Stanbridge, Fuller, Gjernes, Hellquist.

Minutes of the regular meeting of May 11th, 1948 were read and the same were declared approved and adopted as read.

A. V. Brodin, of Brodin Sheet Metal Works, appeared before the Council and advised that he contemplated the construction of a metal works establishment on the corner of 11th Street and Main Avenue, just outside the City's corporate limits and requested that he be permitted to secure connections to the City's water system and to dispose of sewerage materials of the building through the general sewer system of the City. Alderman Stanbridge introduced a resolution granting such permission to Mr. Brodin and also to Phillips Auto Wrecking Company and Fred Meyer, properties outside the corporate limits and who had previously requested connections to the City's system; such applicants to furnish all materials and labor in connection therewith and to pay to the City the sum of $15.00 per year for the privilege of utilizing the City's Sewer System, and moved the adoption of such resolution. Alderman Hellquist seconded the motion and the roll was called on the adoption of the same. All members voted in favor thereof and the resolution was thereupon declared passed and adopted.

A. F. Berge, Secretary of Pennington County Agricultural Society appeared before the Board with a request for an appropriation to aid in conducting the Pennington County Fair of 1948. Alderman Hall introduced a resolution appropriating from the Current Expense Fund the sum of $500.00 for such purpose, and moved the adoption of such resolution. Alderman Stanbridge seconded the motion and the resolution was thereupon by unanimous vote, by roll call, duly passed and adopted.

Kern M. Olson of the Thief River Falls Sportsmen's Club appeared before the Council and requested that the City furnish at no cost, lighting service and allow the free use of the City's water tanks to aid in conducting the annual convention of the Minnesota Game Protective League scheduled to be held at Squaw Point on July 16-18th. The matter was ordered referred to the Superintendent of Water and Light.

Mayor Simons presented the following appointments in connection with the operation of the Carnegie Library Board: Mrs. Mary Shaw, Mrs. Maud Mabey and Mrs. L. B. Hartz to succeed themselves for the three year term expiring on July 1, 1951 and the appointment of C. W. Pope as a member to succeed Otis Wold, resigned. Alderman Hellquist moved that such appointments be confirmed and ratified, which motion was seconded by Alderman Gjernes and the same was unanimously adopted.

Engineer Stewart presented a plan of a proposed resurfacing of the downtown paving area with a statement that the cost would approximate $20,000. Alderman Stanbridge moved that such plan be filed and that the Clerk be directed to cause notice to be published calling for proposals for the furnishing of materials and labor in connection therewith; such bids to be opened and considered on July 13, 1948 at eight o'clock P. M. The motion was seconded by Alderman Gjernes and the same was adopted by unanimous vote.

Monthly reports of the Clerk, Treasurer, Municipal Judge, Weighmaster, Police Department, Fire Department and Park Department were presented examined and ordered filed.

Applications for licenses were presented, as follows: Cigarette—Bernadine Murray, 217 N. Main Avenue, S. O. Brandon, 701 Tindolph South; Electrical Installation—Lawrence Real and Manda Electric Company; Junk Dealer—Joe Evans Seed & Produce; Plumber—George Lowe; Pool and Billiard—Gunder Grovum and Theatre Falls and Avalon. Alderman Stanbridge moved that the same be approved and granted and that the Clerk be directed to issue the licenses therefore. The motion was seconded by Alderman Fuller and the same was adopted by unanimous roll call vote.

Applications for building moving permits were presented, as follows: Willis Roese—moving a building from Lots 14-15, Block 21, Knox Addition to South 100' Lot 3, Block 8, Conley's Third Addition, for residential purposes; E. M. Gjelsfeld, moving into corporate limits and building to be used for residential purposes and placing the same on Lot 7, Block 8, Riverside Addition, all bearing approval of the Building Inspector. Applications for new construction and remodeling permits were as follows: F. A. Rinkel—Addition to residence, Lots 32-36, Block 24, Red Lake Rapids, cost $1800; Lampert Lumber Company — Warehouse, Soo Line Right-of-way, Lots 69-70 and 71, Cost $2,000; R. Berger—new residence, Lot 10, Block 2, Conley's Second Addition, cost $4500; G. Riddick, new residence, Lots 22-23, Block 51 O.T.S. cost $2,000; Willis Roese, residence foundation, So. 100' Lot 3, Block 8, Conley's Third Addition, cost $150.00; Leonard Goulet—Warehouse, Lot 20, Block 63, O.T.S. cost $2,000; Prichard Bros. Company—new residence, Center 50' Lot 3, Block 2, and new residence on South 50' Lot 4, Block 2, Conley's Third Addition, cost of each $5,000 and $4500; Emil Krause, 2-car garage, Lots 8-9, Block 8, Porter's Addition, cost $200; Melvin Hale, new residence, So. 37' Lot 8, No. 25' Lot 7, Block 7, Conley's Third Addition, cost $4500; E. M. Gjelsfeld, residence addition, Lot 7, Block 8, Riverside Addition, cost $3000; all bearing approval of the Building Inspector. Alderman Stanbridge moved that the same be approved and granted and that the Clerk be directed to issue and deliver the permits therefor. The motion was seconded by Alderman Hellquist and adopted.

A petition for the construction of cement curb and gutters along both sides of Dewey Avenue North, from 5th to 8th Streets, was presented, the same being signed by a majority of the property owners in such area and the same was ordered referred to the City Engineer for statement of approximate costs and report as to feasibility.

Insurance coverage, Underwriters at Lloyds, Minneapolis, Minnesota, Public Liability and Property Damage, covering cars used in said service, was prescribed by H. A. Dietz and the same was approved as to form and execution by the City Attorney. Alderman Stanbridge moved that such coverage be accepted and filed, which motion was seconded by Alderman Fuller and unanimously adopted.

Rev. Leonard Lindblom of the Union Gospel Tent Mission appeared before the Council and presented a request for permit for the erection of a tent of flame proof canvas on the corner of LaBree Avenue and First Street, for the conducting of gospel services and that in the event the Council should be unable to grant such permit under existing ordinance, they be permitted to pitch such tent on the grounds belonging to School District No. 18, on Fourth Street, between Horace and LaBree Avenues. Alderman Hellquist moved that such Church organization be permitted to pitch their tent on the East portion of the property of said School District No. 18; it being agreed and understood that loud speaker system would not be permitted except by specified approval of the City Council. Alderman Stanbridge seconded the motion which was thereupon passed and adopted.

The Park Board of the City recommended that the International truck now in operation by the department be advertised for sale now that new equipment had been acquired. Alderman Gjernes moved that the Clerk be directed to cause notice to be published calling for bids for such purchase and sale, bids to be opened on July 13, 1948. The motion was seconded by Alderman Fuller and adopted.

The Junior Chamber of Commerce presented a request for permission to operate a Bingo Game and stand, during the time of their Carnival on July 2-5th. Alderman Hall moved that such permit be granted, the motion being seconded by Alderman Stanbridge and adopted. The Chamber also request the following cooperation of the Council in connection with the holding of their Carnival during the month of July: Free use of the City Auditorium for dances to be conducted on July 3-4-5; Free Power and Electricity; Permit to operate a Street Carnival and Merry-Go-Round; Permission to block off certain Streets for such operation; Permission to conduct a street parade; Permission to transport Fireworks into the City and hold a display; Permission to operate speed boat races on Red Lake River; Permission to hold water fight on street; Permit to erect concession stand 14-20 feet, directly north and adjoining the City Auditorium. Alderman Stanbridge moved that such request be granted, which motion was seconded by Alderman Hall and adopted.

A petition was presented by Church of St. Bernard, Minnesota, being signed by Wm. R. Swanson, Pastor and Bernard Hansen, Secretary, and requesting vacation of the alley running North and South through Block 55 of the Original Townsite. Alderman Stanbridge introduced a resolution ordering the filing of such petition, and directing the publication of a *Notice of Hearing* in the official paper for 4 successive issues; such hearing to be held on the question of the granting of such petition, in the Council Chambers in the Auditorium and Municipal Building on July 13th, 1948 at eight o'clock P. M. and moved the adoption of such resolution. Alderman Hellquist seconded such motion and the same was thereupon passed and adopted by unanimous vote, taken by roll call.

The following changes in personnel of the Liquor Dispensary were reported: Appointment of Edwin Vinji, Janitor, effective as of May 24th and termination of employment as of June 1st. 1. Each and all of the statements contained in the preamble hereto are hereby found and declared to be true and correct, and said preamble is hereby made a part hereof.

2. The City shall forthwith issue and deliver its negotiable coupon general obligation Electric Light & Power Plant Bonds in the aggregate principal amount of $250,000, to be 250 in number and numbered from 1 to 250, each in the denomination of $1000, all dated July 1, 1948, bearing interest at 2% per annum, payable semiannually on January 1 and July 1 of each year. Said bonds shall mature serially in order of serial numbers, lowest numbers first, in the principal amount of $25,000 on July 1 in each of the years 1951 to 1960, inclusive, all without option of prior payment. Both principal and interest shall be payable at the main office of the First National Bank of Minneapolis, Minneapolis, Minnesota, and the City agrees to pay the reasonable and customary charges of said bank for the receipt and disbursement of the principal and interest moneys.

3. Said bonds and the interest coupons to be thereto attached shall be in substantially the following form:

(Form of Bond)

UNITED STATES OF AMERICA
STATE OF MINNESOTA
COUNTY OF PENNINGTON
CITY OF THIEF RIVER FALLS
ELECTRIC LIGHT AND POWER PLANT BOND OF 1948

No.——— $1000

KNOW ALL MEN BY THESE PRESENTS that the City of Thief River Falls, Pennington County, Minnesota, acknowledges itself to be indebted and for value received promises to pay to bearer on the 1st day of July, 19—, without option of prior payment, the sum of ONE THOUSAND DOLLARS, and to pay interest thereon, from the date hereof until said principal sum be paid, at the rate of two per cent (2%) per annum, payable semiannually on the 1st day of January and 1st day of July of each year. Interest to maturity being payable in accordance with and upon presentation and surrender of the interest coupons hereto attached. Both principal and interest are payable at the main office of First National Bank of Minneapolis, Minneapolis, Minnesota, in any coin or currency of the United States of America which on the respective date of payment is legal tender for public and private debts. For the prompt and full payment of such principal and interest as the same respectively become due, the full faith, credit, and taxing powers of the City have been and are hereby irrevocably pledged.

This bond is one of an issue of $250,000 principal amount, all of like date and tenor except as to maturity, all issued by said City for the purpose of providing funds for improving the municipal light and power plant of said City, and is issued pursuant to and in full conformity with the Constitution and Laws of the State of Minnesota thereunto enabling.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions, and things required by the Constitution and Laws of the State of Minnesota to be done, to happen, to exist, and to be performed precedent to and in the issuance of this bond, in order to make it the valid and binding general obligation of the City according to its terms, have been done, have happened, do exist, and have been performed in regular and due form, time, and manner as so required; that, prior to the issuance hereof, a direct, annual, irrepealable, ad valorem tax has been duly levied upon all of the taxable property in said City for the years and in amounts not less than 5% in excess of the sums required for the payment of principal hereof and interest hereon as the same become due, and additional taxes will be levied upon all of said property, if needed for such purposes, within the limitations prescribed by law; and that the issuance of this bond did not cause the indebtedness of said City to exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF the City of Thief River Falls, Minnesota, by its City Council, has caused this bond to be executed in its behalf by the signature of the Mayor, attested by the City Clerk, and sealed with its corporate seal, and has caused the attached interest coupons to be executed and authenticated by the facsimile signatures of said officers, all as of July 1, 1948.

H. E. SIMONS,
Mayor.

Mayor

Attest: (Facsimile signature)
City Clerk

4. Said bonds shall be prepared under the direction of the City Clerk and shall be executed in behalf of the City by the signature of the Mayor, attested by the City Clerk, and the corporate seal shall be affixed to each thereof; and the interest coupons shall be executed and authenticated by the printed, engraved, or lithographed facsimile signatures of said officers. When said bonds have been so executed, they shall be delivered by the City Treasurer to the purchaser thereof, upon receipt of the purchase price heretofore agreed upon, and the purchaser shall not be obliged to see to the application thereof.

5. There is hereby created a separate Sinking Fund for said Electric Light and Power Plant Bonds of 1948, which shall be held by the City Treasurer and used for no other purpose than to pay principal of and interest on said bonds; provided that, if any payment of principal or interest shall become due when there is not sufficient money in said Fund to pay the same, the Treasurer shall pay such principal and interest from any of the general funds of the City, and said general funds shall be reimbursed for such advances out of the proceeds of taxes levied pursuant hereto or other moneys appropriated by the City Council for such purpose. Into said Sinking Fund shall be paid all proceeds of the tax levied pursuant to this resolution and such other moneys as may be received by the City for the purpose of, or appropriated to the payment of, said bonds and interest.

6. For the prompt and full payment of the principal of and interest on said bonds as such principal and interest become due, the full faith, credit and taxing powers of the City shall be and are hereby irrevocably pledged, in order to provide moneys for payment of such principal and interest, there is hereby levied upon all of the taxable property in the City a direct, annual, ad valorem tax, which shall be spread upon the tax rolls and collected with and as a part of other general taxes of the City, which tax is to be spread upon the rolls for the years and in amounts as follows:

Year	Amount	Year	Amount
1948	$10,300	1954	$28,875
1949	31,500	1955	28,350
1950	30,975	1956	27,825
1951	30,450	1957	27,300
1952	29,925	1958	26,775
1953	29,400		

7. The City Clerk is authorized and directed to file with the County Auditor of Pennington County, Minnesota, a certified copy of this resolution, together with such other information as the County Auditor may require, and to obtain from the County Auditor a certificate that such tax has been levied and the bonds have been entered upon his bond register.

8. The County Auditor of Pennington County and the officers of the City are hereby authorized and directed to prepare and furnish to the purchaser of said bonds, and to the attorneys approving the same, certified copies of all proceedings and records of the City relating to said bonds and to the financial condition and affairs of the City, and such other certificates, affidavits, and transcripts as may be required to show the facts within their knowledge or as appear from the books and records in their custody and control pertaining to the validity and marketability of said bonds; and such instruments, including any heretofore furnished, shall be deemed representations of the City as to all statements therein contained.

The price grows faster than the tree

THESE ARE TELEPHONE POLES in the raw. Before one is finally set in the ground ready to carry wires, many things happen to it—and all these things cost money. In 1940 we could set a 30-foot treated pole in place, including labor, for $30.

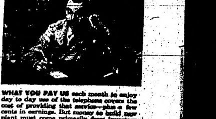
But let's see what has happened since.

The price of standing timber has increased. The labor of cutting and trimming costs more. The pole is treated with preservatives that now cost more. Transportation costs are higher. Naturally, the pole reaches us at a higher price. Finally, telephone workers who put it in the ground are paid at a higher wage rate. Result, our 1948 pole costs $51, 70% more than in 1940.

And poles are only one small item in our $400,000 a week expenditures for new telephone construction in Minnesota.

FIVE FEET DEEP IN TWO MINUTES is the high speed job done by this giant size auger when drilling a pole hole under ideal soil conditions.

But even with time-saving tools like this—and we're using every one that telephone research has developed—our costs of providing your service have climbed steadily higher.



WHAT YOU PAY US each month to enjoy day to day use of the telephone covers the cost of providing that service—plus a few cents in earnings. But money to build new plant must come primarily from investors willing to put their savings in the telephone business. That's why reasonable earnings are all-important—if we are to attract the money to pay for vitally needed new construction.

NEWFOLDEN

Miss Hazel Westman, daughter of Mrs. Petrine Westman became the bride of Bernhard Nelson at a single ring ceremony performed by Rev. Thv. Myhrer at high noon on Monday, June 14, at the Myhrer parsonage.

The bride was attired in a light blue suit with white accessories. Her only jewelery was a beautiful brooch, a gift of the groom.

The bride's only attendent was her twin sister, Gladys Westman, who wore a maroon suit with white accessories. Her only jewelery was a gold necklace, a gift of the bride. Both bride and attendent wore like corsages.

The groom was attended by Elmer Carlson, also of Newfolden. Both men wore grey suits with white butonnaires.

A wedding dinner was served by the bride's mother following the ceremony. Colors used in decorating were red, white and blue which was very appropriate for the day which was flag day. A two tiered wedding cake trimmed with small American Flags and topped with a miniature bride and groom against a background of 3 American flags centered the table, with two tall candles at each side.

Following the dinner the bride and groom left on a wedding trip to different points of interest in Canada. They will return by the way of Gainsborough, Saskatchewan to visit with Mr. and Mrs. Oscar Wong. Mrs. Wong is a sister of the bride. Mr. and Mrs. Wong will accompany the newlyweds on their return to Newfolden and will attend the big annual Westman family reunion picnic, which will be held at the Grand Forks City Park on Sunday June 20.

The newlyweds are very well known throughout this community. Mrs. Nelson is a resident of West Valley township where she, her sister, Gladys and her mother have operated the home farm for a number of years. Mr. Nelson is the janitor of the Newfolden Community school, a position that he has held for many years. When housing becomes available Mr. and Mrs. Nelson will make their home in Newfolden.

Mrs. H. J. Pfiffner and son Carl left by bus for Fargo, N. Dak., on Monday after spending a week visiting at the Carl A. Olson home.

Mr. and Mrs. Hjalmer Stokke returned home on Thursday of last week, after a months absence in which they made an auto trip to the west coast. Mr. and Mrs. Stokke say that they like Minnesota particularly Newfolden best of all and are mighty glad to be back.

Miss Ruth A. Hanson of Downers Grove Ill., left for Minneapolis on Monday after a ten day visit with her sister, Mrs. Carl A. Olson. She will attend the summer session at the University of Minnesota.

ALUMNI REUNION AT N. W. SCHOOL SET FOR JUNE 26

Former Students of School at Crookston Are Invited to Attend

The alumni and former students of the Northwest School of Agriculture at Crookston will hold their annual reunion at the school on Saturday, June 26.

Superintendent T. M. McCall announces that special reunions of classes graduating in years ending in 3 and 8 will feature the afternoon and evening program. Entertainment features for the day will be kittenball and games for children of alumni during the afternoon, and the alumni dance in the evening. Prizes will be awarded the alumni coming the greatest distance, alumnus with the largest family present, and newest married alumnus.

The annual business meeting of the Northwest School Alumni Association has been called by Darwin Ferrier of Warroad, president, for 7:30 p. m. in the auditorium. Officers of the association are: Darwin Ferrier, president, Gehard Ross, vice-president; Howard Brandt, secretary; and Chester Engebretson, treasurer. The alumni-student committee on local arrangements consists of Martin Rud, Harold Qualley, and Bennett Moen with H. H. Lysaker, E. N. Reiersgord, and Miss Retta Bede as faculty advisors.

1,349 Motorists Forfeit Drivers Permits in May, Minnesota Bureau Says

Revocation or suspension of 1,349 drivers licenses in the month of May brought to 7,296 the number of Minnesota motorists who in five months of 1948 have forfeited the right to drive as a penalty for traffic law violations. This is a 21 per cent increase over the 6,027 drivers whose licenses were revoked or suspended during the same period of 1947, according to the monthly report of the drivers license bureau of the state highway department in St. Paul.

Drunken driving headed the list of May offenders with 324 drivers' licenses revoked outright for driving while under influence of liquor and 23 others revoked because they were committed as inebriates. Speeding accounted for 16 revocations and 176 suspensions; careless driving for 12 revocations and 77 suspensions, and hit and run driving for 9 revocations during the month.

Twenty-nine of the drivers whose licenses were revoked and 195 of those suspended last month were under 20 years of age, while 56 revocations and 163 suspensions were imposed on motorists from 21 to 24 years of age inclusive. Thus more than 22 per cent of all suspensions and revocations during May were the result of traffic offenses by drivers less than 25 years old.

COUNTY BOND SALE AT 43 PCT. OF GOAL

Savings Bonds Bought up to May 15 Total $85,568

Security Loan sales of U. S. Savings bonds in Pennington county rose to $93,681, as of May 29, it was announced by James Roche, county chairman of the savings bonds division of the Treasury department.

This represents 43.7 per cent of the campaign goal of $214,000 with six full reporting weeks ahead until June 30.

Total sales for Minnesota for the same period passed the $22 million mark for 33.2 per cent of the state goal.

Chairman Roche calls the attention of all limit buyers to the fact that the limit on the amount of Series E Savings Bonds any local resident can buy during the calendar year has been increased from $5,000 to $10,000.

The doubling of this limit is an extra incentive to his campaign organization to sell the greatest amount of savings bonds locally in any three months' period since the end of the war.

VIKING

Delaine Shern-Virgil Melo Vows

Miss Delaine Helen Shern, daughter of Mr. and Mrs. Emil Shern of Viking, and Mr. Virgil Evanne Melo, son of Mr. and Mrs. Conrad Melo of Newfolden exchanged marriage vows at a double ring ceremony performed by Rev. Carl Thompson in the Zion Lutheran church at Viking Saturday, June 12.

Nuptial music was furnished by Miss Judith Znerald of Minneapolis who sang "O Promise Me" and "The Lord's Prayer", and also by Mrs. Evelyn Hamness of Fargo, N. D., who played Lohengrin's wedding march.

Miss Arlaine Shern sister of the bride was maid of honor, and Miss Leona Olson of Viking and Miss Grace Wallin of Thief River Falls, friends of the bride were bridesmaids. The two flower girls were Carol Halvorson and Sandra Sumpter. Harlan Melo and Merle Melo brothers of the groom were the groom's attendants. Ronald Shern bearer. Glen Halvorson and Kenneth Talvorson both of Viking were ushers.

The bride, attired in a white satin gown with a floor length veil, was given in marriage by her father. Her only jewelry was a three strand pearl necklace and matching earrings, gift of the groom.

Following the ceremony the reception was held in the church parlors. The bridal table was decorated with lighted candles and had the wedding cake as a center piece. The waitresses were Miss LaVerne Hilb of Fargo, Beverly Gustafson and Crystal Olson, both of Viking.

The bride is a graduate of Newfolden high school, class of '46 and the groom is also a graduate of Newfolden high school, class of '43. After a brief wedding trip, they will reside at Fargo, N. D.

Delaine Shern was the honor guest at a bridal shower on Wednesday evening at the Lutheran church parlors. She received many lovely gifts.

The commercial club will meet next Monday night June 21 at the village hall. Everyone welcome.

WASHINGTON REPORT

By Senator Joseph H. Ball

Things become a little rugged around here as the Congressional session nears its close. Yesterday, for instance, six committees or sub-committees of which I am a member, held meetings beginning at 9 a.m., while the Senate session began at 10:30 a.m. and continued until late evening. It is impossible, of course, to be in that many places at the same time, so one chooses the most important sessions to attend, usually one dealing with legislation due to be considered on the floor.

Two issues hold the spotlight currently as Congress heads for adjournment by next Saturday, June 19. One is appropriations for ERP, and the other is Reciprocal Trade Agreements Act extension.

On ERP Congress two months ago authorized 5.3 billion for twelve months, one billion to be in loans. The House last week lopped of 300 millions of cash and required that the appropriation be spread over 15 months, which in effect was a cut of 7.8 billions or about 120 millions a month.

There is no doubt that European crop prospects have improved, but price increases probably have offset that gain. Likewise, the justifications for ERP estimates are still hazy and uncertain, just as they were when the bill was considered three months ago. If this were a domestic program, there is no doubt Congress would demand sounder justifications and more detail before appropriating funds.

Although I opposed ERP and voted to cut the authorization originally on two grounds—(1) that needs had not been rigidly screened and (2) that the amount proposed would exert dangerous inflationary pressures at home—I believe we should now appropriate substantially the full amount authorized and wait until we have a year's operation experience to get tough on justifications for further amounts.

Western Europe took the authorization as a binding commitment, even though it is not that technically, and we would lose most of the psychological value of the program, which is its major value to date, by any horizontal slashes in appropriations.

Much of the furore over House action on reciprocal trade seems to me far-fetched. I have always supported the program and still support it. What the House did was to give Congress a veto on any agreement which the Tariff Commission, our only expert agency in this field, found would "seriously injure" some American industry. The president has always claimed that he applies the "serious injury" test. This merely tightens it a bit, and preserves a tiny bit of the Constitutional responsibility of Congress regarding tariffs.

I have favored a three-year extension in place of the House one-year provision, but the argument for the latter has real merit. The Administration will not submit the charter of the International Trade Organization to Congress until next year. The ITO is a revolutionary change in tariff making and its consideration unquestionably will require a review of the trade agreements program.

The Senate probably will modify the House bill somewhat. A couple of facts often overlooked are that there are only a few smaller nations with whom we have already negotiated trade agreements, and that U. S. tariffs now average only about 17 per cent ad valorem, which is as low as most nations and lower than most when other trade restrictions like quotes and exchange limits are considered.

Dairy Judging Contest for 4-H Workers to be Held at Minnesota Fair

The 4-H dairy judging contest at the Minnesota state fair, August 28 - September 6th, will be sponsored again this year by Land O'Lakes Creameries, Inc., which has announced that it will arrange transportation to the fair of the winning judging teams from every county competition in the state.

This will be the second year of Land O'Lakes' sponsorship of the event. Teams from 27 counties were represented in the judging in 1947. Previously, the 4-H teams coming to the fair had to arrange for their own transportation.

In announcing the decision to be host at the state fair event again this year, John Dysart, public relations director of Land O'Lakes' commended the 4-H clubs for their excellent job in training boys and girls in homemaking, farming and in community leadership.

"The dairy judging contest at the fair," he said, "provides an opportunity not only in judging but in good dairy practices."

Drivers' Examinations Under New State Law Have Now Passed 20,000

With the number of "new drivers" applications mounting steadily as the school year ended and summer weather added its enticement to the lure of the wheel, the record of state driving tests and examinations given since the law became effective January 1 passed the 20,000 mark during the first half of June.

Drivers license examiners thruout the state hit a new high in May, with 5,854 applicants for their first Minnesota drivers licenses taking the required tests.

From January 1 to May 31, out of 18,633 license applicants examined, 8,639 passed on their first test, while 9,994 failed either the written exam or the road test, or both, on their first try.

The majority of those who fail on their first examination, according to E. P. Lee, drivers license supervisor, are able to pass successfully once they have gone back home and carefully studied the Minnesota Driver's Manual, published and distributed free of charge by the state highway department and available to any motorist.

GRYGLA

Howland-Bakken Vows Spoken

Miss Blanche Ione Howland, daughter of Mr. and Mrs. Oliver P. Howland of Grygla and Mr. Raymond J. Bakken, son of Mr. and Mrs. Hjalmer Bakken of Grygla were united in marriage at high noon Sunday June 6th at the Carmel Lutheran church. The double ring ceremony was solemnized by Rev. O. L. Halmrast.

Nuptial music was furnished by Mrs. Quambeck of Madagascar South Africa. Mrs. William Gilbertson of Thief River Falls, sang "Because", "The Lord's Prayer," and "O Perfect Love".

Mrs. Bernard Bakken of Thief River Falls was matron of honor, Misses Dorothy Jacobson of Viking and Emma Jean Harris of Thief River Falls were bridesmaids.

Clarice Tanem, cousin of the bride of Drayton, N. Dak., was flower girl. The groom was attended by his brother, Bernard Bakken, and John Harris, both of Thief River Falls and Vernon Howland, brother of the bride. Leroy Tanem, cousin of the bride of Grygla was ring bearer. Ushers were Knute [illegible] and Torjus Johnson.

The bride given in marriage by her father was lovely in a gown of white slipper satin with a fitted bodice, high yoke, long sleeves and train. The long veil was edged with lace and held in place by a coronet of seed pearls. She wore a pearl necklace, gift of the groom. For something old and something borrowed she wore a pin which belongs to her grandmother, for something blue she carried a blue handkerchief. She carried a large colonial bouquet of white rose and pink carnations.

Mrs. Bakken was attired in a gown of yellow chiffon and wore a matching bridesmaids veil. She carried a colonial bouquet of yellow roses and pink, blue and white bachelor buttons. She also wore earrings, a gift of the bride. Miss Jacobson and Miss Harris wore pink and blue chiffon gowns respectively, and wore matching veils. Each carried a colonial bouquet of white roses and pink, blue and white bachelor buttons. They wore earrings, gifts of the bride. Clarice Tanem wore a gown of white satin and a gold locket, gift of the bride.

Mrs. Howland, mother of the bride wore a pink crepe dress and white accessories and wore a gardenia and pink rose bud corsage. Mrs. Bakken, mother of the groom wore a blue two piece dress and black accessories and also wore a gardenia and pink rose bud corsage.

A reception was held immediately following the ceremony at the brides home. The wedding party was seated at a table centered with a three tiered wedding cake decorated in yellow and topped with a miniature bride and groom. The remaining guests were served buffet style.

The newlyweds left on a wedding trip to Bemidji, Duluth, North Shore Drive and other points in Northern Minn. For going away the bride wore an aqua crepe dress and white accessories.

Those from a distance who attended the wedding were: Mr. and Mrs. Clarence Brekke and family and Mrs. Nora Brekke of Buxton, N. Dak., Mr. and Mrs. Henry Howland and family of Cummings, N. Dak., Mr. and Mrs. Henry Holland of Hillsboro, N. Dak., Mr. and Mrs. B. J. Lund of Minneapolis, Minn., Mr. and Mrs. Arne Tanem and family of Drayton, N. Dak., Tony Tanem and family of Pinewood, Minn., Mr. and Mrs. Willard Johnson and Misses Bella and Darlene Tronnes of Bemidji, Minn., Rev. and Mrs. Gordon Hanson and family of Baliclub, Minn., Mrs. Martha Martinson of Karlstad, Minn.

Donna Jean infant daughter of Mr. and Mrs. Marvin Sletten was baptized at the Oliver Howland home on Sunday, June 6th immediately following the ceremony. Sponsors were Mr. and Mrs. Raymond Bakken and Mr. and Mrs. Oliver Howland.

Former Resident Succumbs

Word has been received by relatives here of the death of Mrs. Caroline Hesse, who passed away on Friday, June 11 at the home of a daughter at Waverly, Iowa. Death followed two years of poor health.

Mrs. Caroline Hesse was born on July 7, 1868 at Maxfield, Iowa. Her parents were John and Mary Mathias. She spent her girlhood at Maxfield where on Oct. 2, 1890, she was united in marriage to Carl Hesse. They continued to make their home in Iowa until 1920 when they moved to Grygla. Mr. Hesse passed away in 1935. Mrs. Hesse remained here until 2 years ago when she returned to Iowa to make her home with her daughter, Mrs. B. J. Bruns of Waverly.

During her residence here Mrs. Hesse was active in church and community work until poor health caused her to discontinue such activity. She was a charter member of the Bethel Lutheran church. She is remembered by all who made her acquaintance as a kind friend and good neighbor.

Those who survive to mourn her death are, four sons, Laurence of Grygla, Adelbert of East Grand Forks, William of Readlyn, Ia., and Fred of Waverly, Ia., four daughters, Mrs. Edna Mitchell of Fairbanks, Alaska, Mrs Lorna Moran of Keego Harbor, Mich., Mrs. Minnie Brandt of Denver, Ia; three brothers, Herman and John Mathias of Readlyn, Ia., and August Mathias of Waverly, Ia.; thirty grandchildren and six great grandchildren.

FALL SOWING, SPRING REAPING

The usual Spring-to-fall double play has been reversed a couple of times recently. In April Arthur Benti harvested half a bushel of new potatoes while preparing a Wadena farm field for small grain—some tubers had been plowed under last fall, and grew. A tomato plant brought into the Ben Draxton home at Litchfield last fall bore a 7-inch fruit this spring.

MIDDLE RIVER

The First Lutheran church of Middle River was the scene of a pretty double ring ceremony Saturday, June 5 at 1:30 o'clock uniting in marriage Amelia Irene Wappula, daughter of Mr. and Mrs. John H. Wappula of Middle River and Leo B. Eskelie son of Mr. and Mrs. Nick Eskell of Plummer.

Rev. Korshavn officiated before an altar decorated with cut flowers. The nuptial music the bridal march from Lohengrin and the Wedding March from Midsummer Night's Dream was played by Mrs. E. Lagergren of Middle River.

Mrs. Glen Olson, sister of the bride, sang, "Because" and "I Love You Truly" before the ceremony and a Finnish number following the ceremony.

The bride who was given in marriage by her father wore a white gown of brocaded satin fashioned with a sweetheart neckline, fitted bodice and long sleeves. Her fingertip veil of marquisette was held in place with a cornet of seed pearls. Her only jewelry was a sweetheart locket, a gift of the bridegroom.

She carried a shower bouquet of American Beauty roses and carnations.

The bride's only attendant was Miss Arline Jelle of Thief River Falls. She wore a floor length gown of yellow chiffon and carried a bouquet of American Beauty roses and pink carnations.

The groom was attended by Albert Tervo of Plummer. Both men wore dark suits with carnation boutonnieres.

Willie Wappula and Edward Eskelie served as ushers.

The bride's mother wore a dress of rose crepe with white accessories and a corsage of roses. The groom's mother wore a dress of figured black and white material with black accessories and a corsage of roses.

Following the ceremony a reception was held for approximately 100 guests. The bridal party was seated at a table decorated with candles and centered with a three tiered wedding cake topped with a miniature bride and groom.

Mrs. Eskell is a graduate of Middle River high school and the Moorhead State Teachers College. During the war she served two years in the Waves, being stationed at Naval Air Station, Banana River, Fla. where she taught radar bombing. ON THE TWIN CITIES *Hiawathas*

CHICAGO MILWAUKEE ST. PAUL AND PACIFIC

Midwestern favorites for 13 years the Twin Cities HIAWATHAS are now all dressed up in new equipment.

The parlor cars have drawing rooms of a new type, and one car on each train has a glass-enclosed Skytop Lounge for thrilling views of the Mississippi Valley. There are new 48-seat dining cars and finer coaches with individual "Sleepy Hollow" chairs and spacious lounging rooms. The PM HIAWATHA carries a smart new Tip Top Tap car with snack section and cocktail lounge. The AM carries the attractive Tap and snack car formerly on the PM.

All Hiawatha cars are air conditioned and have loud speakers for station announcements and radio programs. They all embody the latest Milwaukee Road engineering innovations for the smoothest, quietest ride on rails.

We'll be looking for you on the Twin Cities HIAWATHAS — 2 a day each way between Minneapolis, St. Paul, La Crosse, Milwaukee and Chicago.

LOCAL BALL CLUB LOSES EXHIBITION GAME AT WARREN

Two Teams Scheduled to Play Return Game in This City July 4th

Milt Stroble's double off the fence in left-centerfield scored Johnny Znerold from second base with the run in the last half of the 8th inning that gave Warren a 3 to 2 win over the locals in an exhibition game played at Warren Thursday evening. Znerold, first man to face Don Perkins in the 8th inning, reached first base when hit by a pitched ball; he stole second base, and then tallied on Stroble's double.

Don Perkins for the locals and Scotty Mathews, Warren's "imported" pitcher, engaged in a nip-and-tuck duel, and but for some erratic play by the locals in the 2nd inning, and by Warren in the 3rd frame, the game would have ended in a 1-all tie.

In Warren's half of the 2nd inning after Fred Petrich had struck out, Perkins gave a walk to Engelstad, hit Knutson with a pitched ball, and walked Olson to fill the bases. Maynard Ranstrom bounced a ground ball to Rasmussen who made the throw to the plate to force Engelstad, but Warren tallied a run when Merle Carlson dropped the ball. Scotty Mathews then lifted a high foul fly down the left field line and which was caught by Blackie Stephens, but Stephens fell in making the catch and Knutson was able to tag up at third and score after the catch, giving Warren a 2 to 0 lead.

In the top half of the 3rd frame, Merle Carlson was safe when Petrich bobbled a ground ball, and Perkins' hit into right field sent Carlson around to third base. Cockrell was out on a fly to short right field, and Jacobson popped to Mathews. Stephens drove a ground ball to third base, and Carlson scored when Znerold fumbled the ball.

In the 4th inning the locals evened the score when Wayne Goethe, first man to bat, beat out a slow roller down the first base line. After Swede Lund had lined out to the first baseman, Goethe reached second on a steal, advanced to third base on Rasmussen's infield out, and scored on Merle Carlson's ground single into right field.

Warren made a serious threat to break up the game in the 5th inning when Mathews and Lindberg opened with singles. Znerold, attempting to sacrifice, popped to Perkins who then doubled Mathews off second base. Milt Stroble sent a ground single past shortstop and Lund, on a fine throw to third base, nipped Lindberg as he tried to advance to third on the hit.

In the 8th inning Stan Cockrell singled over second base, stole second as Nornes struck out, advanced to third base when Stephens grounded out, *short to first, and "died" there* when Phil LeGault flied out to right field for the third out.

The two teams are scheduled to play here on the Fourth of July as one of the features of the JayCee's Sports Carnival.

AIRPORT NEWS

The game and fish department Stinson was here twice last week, bringing Taylor W. Huston, supervisor of game; Frank D. Blair, director of the game and fish department, and John Zorachek, game investigator and pilot.

Blair Burner of the Mayville Flying Service at Mayville, N. D., stopped at the airport Tuesday on his solo cross-country flight.

Gene Allen flew his Taylorcraft to his home at Warroad Tuesday, returning on Friday.

Bob Goodrich and Don Anderson of Warren were at the airport Wednesday. Both are taking private flight instruction from Harold Chandler.

Harry Prosser of Greenbush, accompanied by his daughter, flew his Cub Cruiser to Thief River Falls on Thurday.

John Lind and his son John flew his Beechcraft to Santa Fe, New Mexico, on Wednesday to get Loren Borsheim and Bennie O'Boyle who had driven Lind's jeep down there earlier in the week. The four returned by plane Friday from Santa Fe in six hours, twenty-three minutes flying time.

Rasmus Hage from Warren was here several times last week. He is taking private flight instruction.

Harry Prosser and two daughters from Greenbush, in his Cub Cruiser, stopped on their way home from a business trip to Grand Forks on Friday.

R. W. Mitchell flew his Navion here from Chicago on Friday.

Gene Allen flew his Taylorcraft to Grand Forks on Saturday.

Christ Kierk flew his Aeronca to Minneapolis on Saturday, taking as a passenger Louis Borgen of Thief River Falls. They left the airport at 5:10 a. m., stopped at Wadena, had breakfast at St. Cloud, and were in Minneapolis at 9 a. m. Mr. Borgen, who is eighty-two years old and had never made a plane trip before, was very pleased with air travel and plans to do more of it. Mr. Kierk visited in Minneapolis with his daughter Jackie. He returned on Sunday.

Oscar Bestland from East Grand Forks stopped at the airport Sunday on his solo cross-country flight in an Aeronca.

Other Sunday visitors were Rudolph Johnson and Ralph Honsvall from Grafton, N. D., in a Cessna; Martin Rantenen and Arvid Matero from Middle River in a Stinson; Everett Casper from Grand Rapids, flying an Aeronca Chief; and Jack Farmer and Howard McCumber from Grand Forks with a Cessna.

Out-of-town students taking flight instruction on Monday included Bob Goodrich, Don Anderson and Clinton Lundgren from Warren, and Sid Kirk from Dorothy.

There will be a meeting of all CAP squadron commanders and the Wing staff at Grand Forks on June 18th. AAF General L. V. Beau, national commander of the Civil Air Patrol, will be the principal speaker.

The airport had an interesting visitor June 6 when Howard Henry of Westhope, N. D., who is waging a one-man war against parking meters in his state and is also a candidate for governor of North Dakota, flew his Navion here. He was accompanied by G. B. Nordum of Bismarck who visited relatives near here.

Sid Kirk of Dorothy, who is taking private flight instruction from Harold Chandler, made his first solo flight June 6.

R. R. O'Niel and R. Griffin came from Baudette June 6 in a Cessna 120 to visit Mrs. O'Niel who is a patient in a local hospital.

Believe it or not departments Harold Chandler claims that it's true. He took a passenger up for a sightseeing trip one calm day last week. As they came to the edge of town, the passenger leaned out the window to look at something below and his hat blew off. About twenty minutes later they came in for a landing, and in the middle of the runway was—you guessed it—the hat.

Hens Need Minerals

Except for calcium, phosphorus, sodium and manganese, adequate amounts of the minerals required by laying hens are furnished by the grain, mill by-products, protein and vitamin supplements. To secure best production, laying hens should be supplied about 2.2 per cent calcium and 0.8 per cent phosphorus in the total ration.

Youth from Cities Are Now Becoming Available for Farm Employment

Hundreds of youths are currently registering for summer employment with the Minnesota division of employment and security, through their 33 fulltime local offices throughout the state.

Particularly in the metropolitan areas, registrations showed that there were many young fellows available for farm work. Farmers who can advantageously use this type of worker should contact the nearest Minnesota employment service office, or the employment security representative in his community.

The division has just completed the appointment of more than 300 employment security Representatives in as many towns throughout the state, which gives a handy point of contact for farmers and workers alike.

Irving Anderson, farm employment supervisor for the division, says that these boys will all have been carefully interviewed before being referred to jobs. They are instructed as to cooperation and conduct in working and living with a farm family. They are sixteen years of age or older and have a genuine interest in farm work, many of them having worked on farms during the war years.

Illegal Weapon

Dangerous hatpins cannot be worn in public in New Jersey.

More than 3,500 4-H boys and girls are expected to attend district and state 4-H club weeks during June.

GROWING WITH YOUR CHILD
Institute of Child Welfare, University of Minnesota

Toilet Training

Training in bowel and bladder control is one of the more difficult things that young mothers have to handle. In recent years there has been a change in opinion about methods of training for these functions, so it is useful to review some of the current thinking on the subject.

First of all, let us get the order of things. Bowel control is established earlier than bladder control. There are two reasons for this. The nerve system which supplies the muscles which control bowel function matures earlier than the system which controls the muscles involved in bladder function And the warning period before a bowel movement is absolutely necessary is longer than the warning period before urination is necessary.

Many children establish bowel control by the age of one year, almost all establish control by the time they are three. Only about forty per cent of all children establish bladder control by the age of one year, about 80 per cent by two years, and about 95 per cent by three years. Girls tend to establish control slightly earlier than boys, not because girls are neater, but for the reason that girls mature physically slightly faster than boys.

There are wide variations in the age of achieving control. Usually doctors, nurses, and psychologists do not consider a child to be abnormal if he has still not achieved control as late as three and one-half or four years. Even after an individual child is fairly reliable there may be accidents from time to time, but these are unimportant and should be expected by parents.

Every child goes through three steps in learning eliminative control after he is physically able to establish voluntary control. These learning steps should be accompanied by a great deal of encouragement and no punishment.

First, the child learns the use to which the nursery chair or toilet is to be put. This should be very clear to the child.

Second, the child must learn to withhold or inhibit the movement until he gets to the proper place.

Third, the child must learn to make his needs known.

Each of these things takes quite a bit of time. It is impossible to force the child to be "trained". A much more profitable approach is to get up a very strong atmosphere of encouragement and then wait patiently until the child establishes control all by himself. Sooner or later they all do. Too much concern can actually delay the establishment of control rather than speed it up.

Avoid Warm Room

Fly rods never should be stored in a warm room, since warmth dries out the ferrule cement and causes the ferrules to loosen. The varnish also becomes brittle and crisp. Rods should be stored in a cool, dry place.

MINNESOTA HISTORICAL SOCIETY

Many N[illegible]tables Will Share in River Fete Set for July 9-10th

Senator Ball to Speak at Luncheon Meeting in City Saturday, July 10

United States Senators Joseph H. Ball and Edward J. Thye, who together with Representative Harold C. Hagen of Crookston, led the successful campaign for the appropriation of funds for the Red Lake-Clearwater river flood control project, both will speak at the project dedication ceremony Saturday, July 10.

Announcement that they had accepted invitations to appear here was made Monday evening at a meeting of the general arrangements committee in Red Lake Falls with representatives of the participating cities and villages. Judge Paul A. Lundgren general chairman, presided at the session.

Also present was Peru Farver, superintendent of the Red Lake Indian agency, who announced that plans had been completed for an Indian powwow to be presented in connection with the dedication ceremony up Red Lake river the afternoon of Saturday July 10, and added that Rep. Harold C. Hagen will be adopted as a member of the Chippewa tribe in formal ceremonies.

Senator Thye will deliver his address at the afternoon outing to be held near the scene of the project. Short talks also will be given by other distinguished visitors.

Senator Ball will be the speaker at a luncheon in the Trinity church parlors Saturday noon, July 10, and short talks also will be given by Chester Wilson and E. V. Willard of the Minnesota department of conservation.

On the first day of the two-day celebration, Friday, July 9, activities will center in Grand Forks and will include airplane trips from that city over Red Lake watershed during the afternoon, followed by a banquet in the evening at which the principal speaker will be a representative of the U. S. War department, which is supervising the river project.

Other speakers at the Grand Forks dinner will include Governors Luther W. Youngdahl of Minnesota, Fred Aandahl of North Dakota, and George T. Mickelson of South Dakota, as well as Peter Graves, representative of the Red Lake Indian council. The program there as well as the one the following noon in Thief River Falls will be broadcast.

Added reason for the celebration is contained in the announcement late last week by Senators Thye and Ball that in the closing days of its session Congress voted a second appropriation in the amount of $1,000,000 to continue the work on the river project. The figure represents an increase of $100,000 over the amount originally voted by the lower house.

FIRE DEPARTMENT SHARES IN PARADE AT STATE MEETING

Minnesota Firemen End E. G. Forks Convention Last Wednesday Night

Fire Chief Alfred M. Bolstad of St. Peter, Minn., became president of the Minnesota State Fire Department association last Wednesday morning as the 73d annual convention of the organization wound up its affairs in East Grand Forks.

The 1949 convention will be held at St. Peter.

H. C. Groebner of New Ulm was advanced from second to first vice president, and Chief L. H. Clark of Cloquet became second vice president. Secretary Fred Pfaender of New Ulm and Treasurer A. N. Gould of Bemidji were re-elected.

The convention, which reached its height on Tuesday June 15, with a colorful parade, began Monday.

Rev. D. T. Beadle Given Reappointment to Serve Community Church Here

At the closing session of the new Minnesota Methodist conference held at Hamline University, St. Paul, Sunday morning, Rev. D. T. Beadle was re-appointed as pastor of the Thief River Falls Community Methodist Church. The appointments were read by Bishop Ralph S. Cushman, resident bishop of the St. Paul area of the church who presided at the conference. This was the first session of the new Minnesota Conference made up of the former Northern Minnesota and Minnesota conferences. The united conference comprises the entire state of Minnesota with a membership of over a hundred thousand members with some 400 ministers.

IDEAS ASKED FOR COUNTY BOOTH AT MINNESOTA FAIR

Sugestions Offered at Civic and Commerce Meeting Last Thursday

At the Civic and Commerce association luncheon last Thursday noon Wm. Thompson, chairman of the agriculture committee, asked for suggestions for a theme for the Pennington county booth to be displayed at the Minnesota state fair.

Ideas expressed at the meeting ranged all the way from diversified farming to the current bumper crop of babies. Members were urged to give the matter serious thought and give their suggestions to the committee.

Korn Olson reminded the members of the meeting of the Minnesota Game Protective league to be held here July 16, 17 and 18, and announced that an added feature would be a junior trapshoot to be sponsored by the Junior Chamber of Commerce.

Rasmus J. Gjerde, district president of the Sons of Norway lodge, spoke briefly after being introduced by Herman A. Kjos, president of the Thief River Falls lodge.

Lions Hear Discussion of Program for Jaycee Fifth Sports Carnival

Members of the Lions club at their luncheon meeting Wednesday noon in the Rex Cafe heard a discussion of details of the 1949 Jaycee Sports Carnival set for July 3, 4 and 5. Speakers were Karl Gerstner, president of the Junior Chamber of Commerce, and Glenn Carlson, general arrangements chairman. Introduced at the meeting were two new members of the club, Oscar A. Nelson, register of deeds, and Herman Lehr, manager of the local Gamble-Robinson plant.

2.76 Inches of Rain Ends Drouth Threat in Area

Steady showers early this week brought a total precipitation of 2.76 inches, according to the KTRF rain gauge. The welcome rains ended the danger of crops suffering from the increasingly dry condition of the soil, and they extended over the entire northwest. Of the rainfall here, 1.05 inches was recorded Monday, followed by .55 inch Tuesday and 1.16 inch Wednesday.

CHAS. M. EVENSON RESIDENT OF CITY SINCE 1887, DIES

Rites Wednesday for Former Businessman, Who Died at Age of 86

Charles M. Evenson, 86, pioneer resident here since 1887 and former businessman of this city, died Monday, June 21, at his home at 611 Duluth av N. where he has made his home many years.

Funeral services were held Wednesday afternoon at the Erickson and Lund chapel with Rev. G. S. Thompson officiating and burial was made in Greenwood cemetery.

Born in Baldwin, Wisc., July 6, 1861, Mr. Evenson moved to Batle Lake, and to Thief River Falls in 1887. On Nov. 27, 1889 he was united in marriage to Miss Ellen Murk. In 1914 he moved to Gulfport, Mississippi and returned to Thief River Falls in 1917, where he resided since.

Mr. Evenson was engaged in several businesses in this city over a period of fifty years, and at one time owned and operated a moose farm near this city. During the past years of his retirement he had served as poor relief superintendent. His wife preceded his in death in March, 1948.

Survivors include two daughters, Miss Edna Evenson of this city and Mrs. Elaine Cook of Robbinsdale; four sons, Vernon of Hibbing, Marck of International Falls, and Oscar and Alvin of this city; 13 grandchildren; and one great grandchild. Besides his wife he was preceded in death by his parents, two daughters and four brothers.

Jim Roche Included in Group of 60 Attending Detroit Lakes Session

Sixty men participated in the annual summer meeting of the Minnesota Association of Commercial Secretaries at Detroit Lakes last weekend. Jim Roche of this city presided at the Friday afternoon session, following an address by Leslie Schroeder, state commissioner of aeronautics, who told of the increasingly prominent role being taken by airplanes in the summer tourist industry in Minnesota. The group spent Saturday afternoon and Sunday golfing and fishing as guests of the Detroit Lakes Civic and Commerce association.

TWO COUNTY MEN FILE FOR OFFICE

Contests Are Assured in Two Commissioners Districts This Year

Filings for offices to be filled in the 1948 election opened Wednesday of last week in Pennington county and thruout Minnesota. Offices to be filled in this county include clerk of court, probate judge and commissioners from the first, third and fifth districts.

Frank Race, former commissioner, was the first to file, entering his name last week as a candidate for the county board post in the first district, now filled by Theodore Hyland.

Second filing early this week was that of Glenn Taan of Hickory township, who is seeking election as commissioner from the fifth district, in which O. M. Mandt is the incumbent.

Local Quartet Wins First Honors in State Eagles Contest

The four men pictured above are members of what was designated as the best barbershop quartet to perform at the Minnesota state Eagles convention last week-end in East Grand Forks. The award carried with it a cash prize of $150. Their rendition of "We're from Thief River" brought down the house. Shown left to right are Harold Anderson, first tenor; Elmer Zachar, second tenor; Kern Olson; baritone; and L. C. Larson, second bass. H. F. Harrison served as arranger for the group, with Gay Haugen as manager.—Grand Forks Herald photo.

County Polio Chapter to Hold Annual Meeting Friday Afternoon at 2

The annual meeting and election of officers of the Pennington county chapter for Infantile paralysis will be held Friday afternoon, June 25, at 2 o'clock in the terrace room of the Rex Cafe, Karl Gerstner, county chairman, stated today. He extended an invitation to the general public to attend, and especially urged the presence of township chairmen. In addition to electing a staff of officers, those present will hear a report on the successful 1948 fund drive by Glenn Carlson, who served as chairman.

LODGE SESSION HELD HERE WAS HUGE SUCCESS

People from 3 States Attend Sons of Norway District Convention

With 120 registered delegates in attendance from cities in Minnesota, Iowa and South Dakota, in addition to nearly 200 other visitors, the biennial convention of District I of the Sons of Norway lodge in Thief River Falls Friday and Saturday was acclaimed as one of the most successful meetings held to date.

The delegates were formally welcomed Friday by Mayor Harry E. Simons, who also presented a huge bouquet of flowers in behalf of the city. Herman A. Kjos, president of the local Sons of Norway lodge, officially opened the session and then turned the gavel over to Rasmus J. Gjerde of Minneapolis, district president.

Officers named in the annual election to serve ensuing term include Mr. Gjerde, president; John C. Kvamme, Virginia, vice president; Olaf C. Solheim, Sioux City, Iowa, counselor; John M. Stokke, Minneapolis, secretary-treasurer; Gilman P. Gandrud, Glenwood, Minnesota, social director; Herman A. Kjos and H. W. Arveson, Albert Lea, general directors for four year terms and Henry Nycklemoe, Fergus Falls, for two years. Also elected were

JARANSON QUITS FIRE DEPARTMENT AFTER 41 YEARS

First Assistant Chief Served Record Period as Volunteer Fireman

John Jaranson, veteran member of the Thief River Falls fire department, resigned his duties last week after 41 years of service as a volunteer fireman.

A member of the department since 1907, he has held various offices, serving as first assistant chief at the time of his retirement. He has responded to approximately 2,000 fire alarms. Chief Roy Langevin said he believes that Jaranson has served longer than any other volunteer fireman in the history of the local department.

Present officers of the department, in addition to Chief Langevin, include Ole Ness, Alvin Aasoy and Leonard Hanson, respectively first second and third assistant chief; Harry L. Schuster, secretary; and Lawrence Bjorkman, treasurer.

OSCAR CERNY WILL TAKE OVER EVELYN HOTEL JULY FIRST

All New Equipment to be Installed; Will Operate as Hotel Pennington

Oscar L. Cerny, who last year puchased the Evelyn hotel property from Julien Provencher, announced today that he will take over the proprietorship next Thursday, July 1, following the expiration of the lease held for a long period of years by Rush McAllister. The hotel will be operated in the future under the name of the Hotel Pennington.

Cerny stated that after taking over the business he will reopen the hotel on July 3 with all new furniture including steel beds with box springs and mattresses and new lobby furniture of chrome steel.

Tom Mehegan, who has been associated with the Evelyn hotel since 1931 and who has served as manager since 1934, announced that an auction sale of the present hotel equipment will be conducted next Monday, June 28.

Mr. Mehegan indicated that he will leave this city early in July, and that he plans to continue in the hotel business. He served as president of the Rotary club in 1937-38, and has been an active member of the Civic and Commerce association and of the local golf club.

Mr. Cerny stated that the Western Union office will be moved from its present quarters in the building to a new location in the northwest corner of the lobby, and that the present telegraph office will be occupied by a coffee shop to be operated by Mrs. Barbara Laudal and Mrs. Ethel Laymon.

Later on, he added, the present dining rooms and kitchen will be converted into sleeping rooms and an apartment for the proprietor.

LOCAL BANKERS AT STATE CONVENTION

Minneapolis Man New Head of Association

Thirteen hundred Minnesota bankers gathered at their 58th annual convention in the Nicollet Hotel in Minneapolis, June 16th and 17th, to elect new officers for the coming year.

Representing Thief River Falls at the session were George W. Werstlein and Mr. and Mrs. E. O. Peterson.

M. O. Grangaard, vice president of the First National bank of Minneapolis, was elected president; while N. A. Welle, vice president of the First National bank of Bemidji, and Guy S. Bacon, president of the Empire State bank of Cottonwood, were elected vice president and treasurer.

"Minnesota bankers will bend every effort to keep the national economy on an even keel by wise counsel to customers and the exercising of sound judgment in investment policies", promised John Carlander, retiring president of the association, and president of the State bank of Faribault, at the opening business session.

Winnipeg Delegation Announces Plans for 1948 IWVA Convention

A group of Canadian officers of the International War Veterans Alliance, at a recent meeting in Thief River Falls with city officials, members of veterans organizations and the Civic and Commerce association, announced that the annual convention of the IWVA will be held in Winnipeg September 3 to 6. They stated that reservations for rooms during the convention should be made directly to Winnipeg hotels. Included in the visiting delegation were Wm. Radcliffe, president; E. C. Low, secretary; and Wm. Talbott, J. Caldwell and W. H. Morgan, directors.

County Agent Warns of Use of 2-4-D Spray when Grain Is Well Advanced

Many farmers in Pennington county have already sprayed or are spraying their grain fields with 2-4-D chemical mainly for the control of mustard.

County Agent Frank A. Hobbs urges farmers to check their fields before they start to spray making sure that the grain is not already in the boot stage. The extension service conducted experiments and found that spraying of grain after it was in this stage did considerable damage to the grain.

Another point to remember says Hobbs is that flax should be from 2 to 8 inches tall when it is sprayed, otherwise considerable damage might result.

MAYO MEMORIAL CAMPAIGN OPENS HERE THIS WEEK

Sponsors of Big Medical Center Seeking $13,000 in Pennington County

Pennington county has been assigned a quota of $13,000 in the campaign, now in its final stages, to raise a total of more than $5,500,000 to finance construction of a 19-story medical center on the University of Minnesota campus as a memorial to the late Drs. W. J. and C. H. Mayo of Rochester, benefactors of the university.

A total of $4,800,000 has been assembled to date, it was announced by E. F. Colwell, representing the Mayo Memorial Foundation, who conferred here this week with Dr. O. F. Melby, serving as county chairman, and Lars Hylden, chairman for the city of Thief River Falls.

Of the amount raised, $1,400,000 represents gifts from corporations and individuals; $900,000 other grants; $1,500,000 appropriated by the state legislature; and $1,000,000 in federal funds.

It was announced that the local committee hopes to have solicitors contact all business and professional men and farmers in Pennington county.

A vital feature of the projected medical center will be the facilities it provides for research in cancer, heart disease, infantile paralysis, mental illnesses and other ailments.

RITES TODAY FOR DOUGLAS SNELLING

Times Employe 25 Years Succumbs Sunday Night

Douglas V. Snelling, who had been employed by The Times for the past 25 years, most of that time as pressman, passed away at a local hospital Sunday evening at the age of 66, following a lingering illness.

Funeral rites will be held under Masonic auspices in the Community Methodist church this afternoon at 3 o'clock, with Rev D. T. Beadle officiating.

Born in England April 25, 188[illegible] Mr. Snelling came with his parents to Quebec, Canada, at the age of three, the family moving a few years later to Polk county Minnesota, where his parents took a homestead.

He was married to Miss Margaret Pahlen at Crookston February 27, 1918, and resided at Angus for five years, coming to Thief River Falls in 1923. Since that time he had been employed by the Times until his recent illness.

Mr. Snelling was a faithful member of the local Masonic lodge, and served as its worshipful master in 1932.

Surviving his death are his wife, two daughters, Mrs. D. F. Rutherford of Bell Flower, Calif., and Florence of this city; two sons, Edward of Fergus Falls and Douglas Snelling Jr. of this city; and a grandson Douglas Earl Snelling. He was preceded in death by his parents, three brothers and a sister.

Chuckwagon Races from Calgary, Alberta, Will be Big Added Feature

The program for the fifth annual Jaycee Sports Carnival to be staged in Thief River Falls Saturday, Sunday and Monday, July 3, 4 and 5 was completed during the past week with the signing of another outstanding attraction, Glenn Carlson, general chairman, stated today.

The latest added feature is the Calgary, Alberta, chuckwagon races, in which six four-horse teams, pulling chuckwagonh will engage in three-heat races at the fair grounds, in addition to which rope tricks and other cowboy stunts will be presented. The troupe will perform in front of the grandstand each of the three afternoons at 2:30 and each evening at 7:30. The troupe has gained wide fame thru its participation in the Calgary Stampede held each year.

The company brings with it Maurice Jackson's 16-piece all-girl Great Lakes orchestra, which will play each afternoon and evening. As an added attraction Saturday night, July 3, the program will be augmented by Slim Jim's Follies, made up of talent regularly heard over Radio Station WDGY, Minneapolis.

The program Monday evening, July 5, will include, in addition to the Calgary troupe, a home talent show and the coronation of Miss Thief River Falls, followed by a gigantic display of fireworks as a grand finale. There also will be a gala dance in the Auditorium each of the three nights with music supplied by Lee Williams and his Stepping-tone music.

The big feature Sunday afternoon, July 4, will be a mile-long parade at 2, including numerous floats, bearing queen candidates, the Calgary troupe,

BALLOTING GETS UNDER WAY TODAY AT PHILADELPHIA

Harold Stassen Placed In Nomination by Rep. Walter H. Judd

As balloting for the presidential nominee got under way this morning at the Republican national convention in Philadelphia; New York's governor Thomas E. Dewey apparently had the inside track.

Harold E. Stassen was put forward for the Republican presidential nomination Wednesday night as a statesman with "vision and forthrightness."

Rep. Walter H. Judd of Minnesota, said in a nomination speech:

"America must have a president of vision and forthrightness, integrity and courage; statesmanship and stature; one who can act before trouble starts instead of struggling painfully to straighten out a mess after it has happened; a president of physical and mental vigor, seasoned by wide experience in many fields."

The New York governor's name was placed in nomination first and then in order followed:

Senator Robert A. Taft of Ohio, Gov. Earl Warren of California, Harold E. Stassen of Minnesota, Senator Raymond Baldwin of Connecticut, Senator Arthur H. Vandenberg of Michigan and Douglas MacArthur of Wisconsin.

Emil Heieren Takes Audrey Ann Kelley as Bride Monday, June 21

The marriage vows of Audrey Ann Kelley, daughter of Mr. and Mrs. Harry Kelley of Bemidji, and Emil C. Heieren, son of Mr. and Mrs. Edward O. Heieren of rural Thief River Falls, were prompted by Rev. G. S. Thompson at Trinity Lutheran church Monday evening, June 21. The double ring service was read before an altar decorated with white and pink peonies and lighted candelabra.

The traditional wedding marches, played by Mrs. A. L. Hamilton, were used. Mrs. Donald Olson sang "Because" and "The Lord's Prayer."

Given in marriage by her father, the bride was lovely in white slipper satin, with bodice and bustle of marquisette over a rayon satin skirt, a train and fingertip veil. Her bouquet consisted of white roses set in with carnations. Fern Shuhart of Bemidji, friend of the bride, attended the bride, and was attired in a gown of yellow with lace bodice and net over rayon skirt, and carried a bouquet of pink roses tied with blue ribbons. Carolyn Fosholm, flower girl, was gowned in blue rayon trimmed with white lace and net over skirt, and wore daisies in her hair, and carried a basket filled with daisies.

Orville H. Heieren of this city, brother of the groom, attended as best man, and Max C. Kelley, brother of the bride, and Oscar [illegible], uncle of the groom, were ushers.

Mrs. Kelley was attired in a tan suit with pink accessories and Mrs. Heieren wore a blue dress with black accessories. Both wore corsages of roses and carnations.

Seventy-five guests were entertained in the church parlors following the ceremony at a reception. The tables were decorated with candles, peonies and ferns.

The bride attended Bemidji high school, and the groom is a graduate of Lincoln high school, class of 1940 and is now employed by Land O'Lakes. They left on a wedding trip to North Shore Drive and will reside on a farm northeast of this city after June 25.

Out-of-town guests attending the wedding were Mr. and Mrs. Harry Kelley, Rev. and Mrs. V. Bliss, Mr. and Mrs. Max Kelley, Mr. and Mrs. Dean E. Jackson and Rodney, Mrs. Ray LaRogue and Ronnie, Jerry Kelley, June Gibson, Mrs. R. A. Jackson and Mrs. Howard Chandler of Bemidji; Mrs. Adolph Molde of Milan; and Mrs. C. Heieren of Dawson.

2000 ATTEND POLK COUNTY FIELD DAY

See Demonstration of Grassland Machinery

Grassland Field Day was held in East Polk County with success Monday even though people had to view the demonstrations in a slight drizzle. County Agent Frank A. Hobbs, estimated that over 2,000 people viewed the pasture renovation demonstrations and also the machinery demonstrations on harvesting hay.

Paul Burson, extension specialist from the University of Minnesota, took charge of the morning program explaining why it was necessary to use phosphate and work up the ground in order to renovate pasture land. L. Armour explained the operation of the hay machinery equipment operated in the afternoon.

The following machinery was demonstrated: Side delivery rake, Automatic pick-up hay bailer, and bailer loader, a bailer pick-up, several makes of field hay choppers, which were also adapted for use on corn cutting and loading of the wagon fastened to the machine.

All fanfare and extra-convention activities ended Saturday night at the convention dinner, and the Sunday session was held to finish the business of the gathering and make the formal adjournment.

It was announced that the team of Lodge No. 1247 of Minneapolis won the ritualistic contest with Thief River Falls second, and Crookston third.

Lake Agassiz Council Announces Summer Boy Scout Camping Program

With the coming of warm weather and the close of schools for the summer vacation, the Scouts of Lake Agassiz Council the perfecting their plans for attendance at one of the Council Camps. This year three Scout camps will be operated by the council to provide a real camping experience for the 2000 scouts in our area.

On July 11th, Camp Wabanaquat on White Earth Lake in Minnesota, will open with formal dedication ceremonies. Many of the proposed improvements have been completed. There still is room at this camp during the first two weeks in August.

The council camping program this year will be under the direct supervision of the camping committee headed by R. C. Hadlight assisted by the three members of the professional staff. The camp staff has been carefully selected to provide the best possible guidance and assistance in camp.

HE DID IT BY HALVES!

Truman.—Five years, a half-gallon pail, a sturdy sack, 70 pounds of silver coins added up to a brand new car for Ed Vogt. In February, 1943, he had some half dollars in his pockets and a bee in his bonnet for a new car. So he dumped the halves into a half-gallon pail, and kept it up, emptying the pail into a big strong sack four times before he found that 70 pounds of half dollars count out to 2,520 coins, which translates into $1,260 and is no mean payment on a big new car.

Mr. and Mrs. Henry Sletten spent Sunday of last week visiting with friends of the latter in Greenbush and Lancaster.

WOULD CUT STATE ELECTED OFFICERS

Commission Considers Plan to Elect Only 3

A plan under which Minnesota would have only three elective executive officers Friday won the tentative approval of the state constitutional commission.

In an all-day session at the state capitol, the commission gave preliminary sanction to a constitution draft under which the only elected state executive officers would be the governor, lieutenant governor and attorney general.

Eliminated from the elected class, under the commission proposal, would be the state auditor and treasurer and the secretary of state.

The commission, however, kept one eye cocked on the reaction that the incumbents in these three offices would have toward abolishing the elective status of their posts.

"Opposition from Mike Holm (secretary of state), Julius Schmahl (state treasurer) and Staff King (state auditor) might make us change this back to the way it is now. If they're against it, I think we'd have to give it up for that one reason alone," declared state Sen. Milton C. Lightner, St. Paul.

SONS OF NORWAY END TWO DAY CONVENTION IN CITY ON SATURDAY

(Continued from page one)

14 delegates to the supreme lodge convention in Spokane, Washington, in July.

Featuring the convention was the presence of a women's drill team from Minneapolis, which exemplified initiation rites Friday evening and installed the newly elected officers Saturday. The group also gave a demonstration of its proficiency Friday evening as an added feature of the concert given by the Legion municipal band in front of the Auditorium.

Climaxing the convention was a banquet served to 240 guests by the Trinity ladies aid in the church parlors Saturday evening. Greetings were extended by Mr. Kjos, Mrs. Bernhard Knutson and by Dr. O. F. Melby, a charter member of the lodge.

Toastmaster was T. A. Eide of Minneapolis, director of the supreme lodge, while the speaker of the evening was Carl G. O. Hanson, also of Minneapolis, educational director for the lodge, who discussed the work of the organization and also told of conditions in Norway as seen on a recent visit there.

The musical portion of the program included groups of vocal solos by Professor Clifford J. Olson and Mrs. Wm. Gilbertson, the former accompanied on the piano by Mrs. W. F. Brown and the latter by Mrs. Harold F. Harrison.

Following the banquet the meeting adjourned to the Lincoln high school auditorium where a concert was presented by the Orphean male chorus of the Fergus Falls area, together with several soloists of outstanding talent. Members of the small but appreciative audience termed the concert one of the finest musical entertainments ever presented in Thief River Falls.

The next convention will be held in 1950 at Albert Lea.

PRINCE BERTIL OF SWEDEN TO SPEAK IN MINNEAPOLIS

Huge Svenskarnas Dag Celebration at State Fair Grounds June 27

On Sunday, June 27th, Svenskarnas Dag will dedicate its 15th annual celebration to the commemoration of the 100th Anniversary of the migration of Swedish pioneers to the Upper Midwest and Minnesota. An estimated 70,000 persons from all parts of the state will gather at the State Fair grounds, midway between Minneapolis and St. Paul, to pay tribute to the memory of hardy Swedish pioneers who played a vital role in the development of Minnesota and to hear a program highlighted by an address by Prince Bertil of Sweden.

The afternoon program, which will begin at 2 P. M., will be preceded by an outdoor church service conducted by Archbishop Eidem of Sweden at 10:15 A. M. and an hours concert by the United Salvation Army Bands just before the afternoon program.

Prince Bertil's address, scheduled for 3:30 will be broadcast as will the preceding greetings from Luther Youngdahl, governor of Minnesota. Consul General C. F. Sclstrom of the Swedish Consulate in Minneapolis will introduce Prince Bertil. The program will also feature an address by Karin Kock, only woman member of the Swedish cabinet. Another highlight of the festivities during the afternoon will be a performance by the Sofia Girls of Stockholm, world famous gymnast troupe.

Other features of the program include the introduction of Scandinavian consuls serving this area, folk dances by junior groups from the Twin Cities under the direction of Linnea Osman, Mathilda Brodin and Ragnar Johnson, vocal selections by Miss Verna Fredrickson, and chorus music by the Twin City Union of Swedish Singers directed by Ernest T. Sandahl.

STATE TOPS GOAL IN CANCER DRIVE

Exceeds $260,000 Goal by $10,300 in Campaign

With the American Cancer society's national fund campaign goal crowding the three-quarter mark, Minnesota topped its $260,000 goal by $10,300 this week, Wallace L. Boss, state campaign chairman, announced today.

More than 80 counties were reported over the top with 12 exceeding quota by more than 200 per cent. The state surpassed its quota with the first ten to report goal achieved to the American Cancer society, which is seeking 16 million dollars for its program of research, education and service.

Kittson county paced the state with 290 per cent of its assigned quota. Others with more than 200 per cent are Grant, Koochiching, Cook, Jackson, Lake, Nicollet, Anoka, Chisago, Murray, Houston and Stevens.

Pennington county reported 100 per cent of quota to state headquarters, Mr. Boss said, with Marshall reporting 179 per cent and Red Lake 28 per cent.

The bid of Herbert Holthusen was accepted and a contract with him was ordered completed.

WOMEN'S CAMP IS TERMED SUCCESS

Local Woman Elected Treasurer of Group

Women from as far east as St. Paul and as far northwest as Walhalla, North Dakota, were registered at the 23rd annual Women's camp held at the Northwest School of Agriculture, Crookston, June 7-10.

Miss Retta Bede, home economics instructor at the Northwest School and camp leader, reports that three-fourths of the members of the camp each year have attended one or more camps. Mrs. Ella Anderson of Fisher holds the attendance record of twenty-one camps; she is followed closely by three members who completed 20-year records this year. They included Mrs. Albert Lindstrom of Waubun, Mrs. Emil Peterson of Middle River, and Mrs. C. H. Roholt of Mayville, N. Dak.

Mrs. Ed Caillier of Gentilly was elected as president of the 1948 camp. Other officers elected were Mrs. Oscar A. Olson of Angus, vice-president; Mrs. Albert Widseth of Gonvick, secretary; Mrs. Charles Keuhn of Thief River Falls, treasurer; and Mrs. A. M. Torkelson of Crookston, sergeant-at-arms.

Mrs. N. P. Stenborg of Bagley received the linen award for a camper completing a 12-year attendance record. A class of thirteen received certificates for completing a 4-year attendance at Women's Camps, and a class of thirty-one attended the camp for the first time. Women who received four-year certificates were: Mrs. Hilma Gibson of Ulen, Mrs. H. E. Hanson of Bagley, Mrs. S. T. Hetland of Thief River Falls, Mrs. Frank Holub of Angus, Mrs. Albert V. Hunt of Hallock, Mrs. E. F. Kennetz of Warroad, Mrs. Arthur Kluzak of Euclid, Mrs. H. D. Lunning of Gonvick, Mrs. W. J. McGlynn of Stephen, Mrs. C. Paulson of Bagley, Mrs. Jens Rasmusson of Fisher, Mrs. George G. Swanson of Thief River Falls and Mrs. Frank Vonosek of Angus.

ROCKS FOUND WITH HISTORIC MARKINGS

A 10x18 inch rock was unearthed while plowing a field near Willmar that had once been wooded. While Wilbur Strootman was carrying the stone from the field he noticed markings, and scraped away the dirt to discover the date 1856 plainly engraved on it. Much more ancient was the find near Albert Lea. A 75-year-old woodshed had been razed on the Russell Stovern farm and he and a friend, Lawrence Wickman were standing near one of the stones that had served as a foundation. Noticing some marks, they brushed away dirt and brought to light a cross and the date 1714 clearly carved in what is believed to be the tombstone of an early explorer in this region.

ENLISTMENTS RISE AFTER CONGRESS OK'S DRAFT BILL

Draft Boards Will Be Appointed Soon under Selective Service Act

Business boomed at military recruitment offices in the nation this week as hundreds sought immunity from active service under the new draft bill.

Selective service officials met, meanwhile, to map plans for establishment of 96 draft boards in Minnesota.

President Truman will delay signing the draft bill, however, that eligible men in the 19-through-25 age bracket may join a reserve unit of the national guard, it was reported in Washington.

A clause in the draft bill, which calls for 21 months' service for selectees, exempts reservists and guardsmen from the draft.

It was announced that the state's draft boards will be set up in this way:

One board in each of 84 counties; two in St. Louis county; four in Ramsey county, and six in Hennepin county.

Three men will be named to serve on each board. When the list of draft officials is ready, it will be turned over to Gov. Luther W. Youngdahl, who will present the list to the President.

ISSUES WARNING ON JULY 4 TRAFFIC

National Safety Council Advises Extreme Caution

A fifth freedom, freedom from accident was recommended to Americans today by the National Safety Council as the Nation prepares to celebrate the Fourth of July.

With the warning that holiday motorists will jam the nation's highways as never before during the holiday week-end celebration this year, the Council estimated that nearly 30,000,000 vehicles will be on the move during this period. That is about ten cars for every mile of street and highway throughout the nation, which means 10 chances for a crack-up per mile.

The Council appealed to motorists and pedestrians to "Take It Easy on the Fourth—Be Alive on the Fifth," as the keynote of a nationwide campaign against holiday accidents that threaten a record-breaking death toll over the Independence Day celebration.

One hundred thirty national organizations have joined with the Council in a united effort to forestall a tragic holiday for hundreds of Americans. The campaign is designed to make people aware of the extra holiday hazards and to help public officials, traffic officers and safety leaders in their efforts to curb the Fourth of July death toll.

HICKORY

Raymond Oftelie and Lloyd Brovold spent the week-end at their homes. They are employed at International falls.

Misses Anna and Hulda Oman, Mrs. Olaf Nelson and Mrs. Kenneth McKercher were dinner guests at the Erick Johnson home Tuesday.

Mrs. H. T. Hanson returned to her home Thursday after spending a couple of weeks in Grand Falls visiting with her relatives and friends.

Mrs. Lewis Bjerkile and son Duane, Mrs. Jorgen Oftelie, Myrtle Good Doris and Bernice Mastrom and Borghild Bjornaras attended the ladies aid at the George Ness home at Gully Thursday afternoon.

Mrs. Victor Mostrom spent a week at her home. She left again Saturday for Thief River Falls where she is a patient at the Sanatorium.

Mr. and Mrs. Gerald Oberg and Duane of Viking and Tilma Skomdahl of Thief River Falls spent the week-end at the Thora Skomdahl home.

Misses Anna and Hulda Oman of Seattle, Washington visited at the Olaf Nelson home from Sunday evening until Tuesday, when they, together with Mr. and Mrs. Olaf Nelson and Mr. Kenneth McKercher and Muriel spent Tuesday afternoon at the Elmer Anderson home in Clearbrook. From there they all motored to Erskine where the Omans stayed at the Harry Anderson home. They also visited in McIntosh until Saturday evening when they left by bus for Seattle.

A group of friends and relatives surprised Mrs. Erling Dahlen on her birthday Tuesday. Those who were there were Doris and Bernice Mostrom, Mr. and Mrs. Jorgen Oftelie, Mrs. Leonard Johnson and son, Mrs. Danielson and Sadie, Mr. and Mrs. Gust Skreland and family, Mrs. Henry Dahlen and Helen Wilson. She received four decorated birthday cakes and many nice gifts.

Mrs. Geo. Kinn and Mrs. Henry Kittelson of Benedict, N. D. are visiting at the Ole Rindahl home.

Mr. and Mrs. Ed. L. Erickson of Ok'ee were callers in Crookston Monday.

Mr. and Mrs. Olaf Nelson and John, Mr. and Mrs. Harry Hanson and Howard, Mr. and Mrs. H. T. Hanson, Mr. E. H. Oftelie and Mrs. Anna Josephson attended the 50th anniversary celebration of the church at Gully Sunday. Speakers were Rev. V. A. Aaker, Rev. C. O. Larson and Rev. C. J. Field. Dinner and lunch was served by the ladies aid in Gully.

Visitors at the Erick Johnson home a week ago Sunday were Mrs. Rohdahl and Osmund of Thief River Falls, Mr. and Mrs. E. H. Oftelie and Mrs. Ingeborg Bjornaras and Ole.

VA Contact Agent Will Visit City June 29-30

A Veterans Administration representative will be stationed at the V. A. contact office in Thief River Falls Tuesday, June 29, from 8 a.m. to 5 p.m., and Wednesday, June 30, until noon, it was announced today at the Grand Forks office of the agency.

PROPOSE CHANGE IN STATE AUDITOR

Group Recommends He be Elected by Legislature

Should we continue to elect the state auditor?

The executive committee of the Minnesota constitutional commission doesn't believe we should, according to tentative proposals it made public recently.

That group, one of several committees comprising the constitutional commission which was established by the last session of the legislature to study and recommend changes in Minnesota's 91-year old constitution, advocated in its report that the auditor be elected by and responsible to the legislature for a six year term.

"The auditor's main function is to see that money appropriated by the state legislature is expended according to law, and he would, under the committee's proposal, be solely responsible to the legislature as a post auditor to insure strict adherence to the spending policy that body advocates," the executive committee points out in its report.

Other tentative proposals made public in the committee's recent report include doubling the governor's term from two to four years, clarification of succession to the governorship and deletion of obsolete material still rewritten into the constitution.

Northwest Dentists to Meet at Detroit Lakes on Friday and Saturday

How dentists of northwestern Minnesota can help finance a dental research program designed to improve the level of dental health among Minnesota's population will be discussed at the annual meeting of the Northwestern Dental Society in Detroit Lakes Friday and Saturday.

More than 20 dentists and their wives are expected from the 15 counties in the district. Dr. Harper Jung of Crookston, district president, has announced that Dr. W. H. Crawford, dean of the University of Minnesota school of dentistry, will discuss the foundation Friday at the meeting. Dr. N. J. Rognlien of Bemidji is district vice president, and Dr. L. M. Dahl of Moorhead is secretary-treasurer.

"Dentists of Minnesota are the first in the United States to sponsor and finance a research program," Dean Crawford said this week. "Of all diseases afflicting mankind, dental disease attacks the most persons—men, women, and children alike."

GULLY

50th Anniversary

The Lund Lutheran congregation observed its fiftieth anniversary on June 19th and 20th.

The festival program began Saturday afternoon with a Norwegian service dedicated to the pioneers. Rev. V. O. Aaker, former pastor now of Hawkins, Wisc., gave the opening sermon. A recorded message by Rev. O. M. Stensgaard also was given. At the close of the service the infant daughter of Mr. and Mrs. Vernon Gunvoldson of Bemidji was baptized and given the name Patty Lu. Mr. and Mrs. Norris Simth were sponsors. Lunch was served by the Ladies Aid.

The Sunday sessions began at 10:30 with Rev. Clifford Larson of Aberdeen, as speaker. At this service the Christian Service Flag was dedicated with Arlo Young, son of Rev. and Mrs. Larson, pinning a blue cross on the flag in honor of his Father. At this service the infant son of Mr. and Mrs. Norris Ellertson was baptized and given the name Norris Clifford; sponsors were Mr. and Mrs. Edward Ellertson, Carroll, Duane and Norman Ellertson. Dinner was served to over 500 people.

Rev. C. J. Field, former pastor now of Fisher gave the address of the afternoon. Rev. O. Aaker brought a greeting and a recorded English greeting from Rev. Stensgaard. The ladies chorus rendered two anthems. At the close of the afternoon service the Idius Christianson memorial bulletin board was dedicated. The men of the congregation served lunch at the close of this session.

The Sunday evening session was dedicated to the servicemen and women of Spanish American War, World Wars I and II. Rev. Megarden of Fosston gave the address of the evening with music by the senior and junior choirs. The service men of World War II were presented their stars from the service flag. The dismantled service flag was then pulled up by Vincile Huseth and Mavis Melbo (officers of the Luther League) as taps was sounded by Harlow Nyland. Lunch was served by the Luther League.

The church looked beautiful with the new interior decorating just finished. Peonies and ferns were used to decorate the church. In the church basement gold-centered daisies were used for decorations to symbolize the golden anniversary. Also white and gold colored paper streamers with large numerals of "50" in gold color were used.

Editorials....

Another long session of Congress has ended—a session that has been both long and stormy. The record of this session is far from perfect. It leaves much to be desired. But considering the circumstances under which this session convened the record is remarkably good. It is not surprising that President Truman and a Republican congress disagreed on several important issues. The surprising and encouraging thing is that they did agree pretty well on questions of foreign policy. As a result of their willingness to submerge personal and party interests in the field of international politics we have greater national security, and for that we can overlook many shortcomings.

On the eve of a national election President Truman is not impressive as the leader of his party and unless an overconfident Republican leadership fumbles its chances it is not likely that he will be elected to succeed himself. He has failed notably in the field where he at one time was supposed to have had the greatest strength—in his personal relations with the members of Congress. It was thought President Roosevelt chose him as a successor largely because of his personal popularity in the Senate. Now, in recent weeks, he has said things about his former colleagues that indicate a former good will has been transformed to bitterness. There is a proverb to the effect that, "He that being often reproved, hardeneth his neck, shall suddenly be destroyed, and that without remedy." President Truman no doubt has often been reproved unjustly, as have all leaders. But getting a bow in his neck has not helped his cause.

Among the things that Congress did not do in this last session was repeal the tax on colored oleo. This gives the dairy interests an opportunity to strengthen their positions for the fight that will be resumed in the next session. Merely because the tax law was not repealed in this session does not mean that the war was won. Luckily a defeat was averted but that is all. The dairy interests could strengthen their position by admitting that the present tax laws are not entirely right. They should be amended and improved. When the odds are against you it is better to give a little rather than to have all taken away.

In Memoriam

In loving memory of our dear son and brother, Harbo Ellerd Lian, who passed away one year ago June 20th 1947.

One year has passed, our hearts
are still very sore,
As time rolls on we miss him
more;
His loving smiling face. No one
can ever take his place
Friends may think we have forgotten
When they still see us smile,
But how little they know about
the heartache
That our smiles try to hide all
the while.

Still very sadly missed by Tom Lian and family. 26p

In Memoriam

(Sarah Knutson—June 21)

No Robin soared as high that day,
The sunlight faltered on its way,
Yet in the heart, a healing balm
Pervaded all God's nature calm.
Midsummer sun sank in the west,
Diffused its twilight, betoken rest. 26p

R. L. FALLS WHIPS LOCALS IN FIRST HOME TILT 8 TO 4

Thief River Falls Plays St. Hilaire at Fair Grounds Next Sunday

Young Don Perkins lack of control, particularly in the 5th and 6th innings, provided the Lakers of Red Lake Falls with the opportunity to score the runs that gave the visitors an 8 to 4 win over the Thieves in a Northern Minnesota baseball league game played before a fine opening game crowd at the Fair Grounds on Sunday. The win kept Red Lake Falls in the runner-up position in the league standings, trailing the league-leading Plummer Red Sox by one game.

Next Sunday the locals will meet St. Hilaire Saints on the Fair Grounds diamond, and the natural rivalry between the two clubs has been increased by the fact that the two teams are tied in the league standings, and the outcome of Sunday's game will be "make or break" as far as the respective teams pennant chances are concerned.

After Red Lake Falls had tallied a run in the 2nd inning on a pair of doubles by Pinky Kraft and Bob Poirier to take a 1 to 0 lead, the Thieves, in the 4th frame, racked up a couple of runs. Babe Paulsen, first man to face Kraft in the 4th, poled out a triple against the right-centerfield fence. Berdeen Nornes was a strikeout victim, but Wayne Goethe, playing shortstop in the absence of Blackie Stephens, lifted a long homerun over the left-field fence accounting for the two runs. The left field fence is 287 feet from the plate at the foul line, and Goethe's blow cleared the barrier by a big margin.

The locals' lead was short-lived for in the top half of the 5th the Lakers rallied for three runs. Hoflus was retired on a ground ball to the mound, but Perkins issued a walk to Greg Poullot. Dean Burns drove a ground single through shortstop, and on Nicky Carlson's high throw to third base the runners advanced to second and third.

Bill Hallamack was safe on a fielder's choice, with Perkins being caught making the throw to first base after fielding Hallamack's bounder to the mound. Kraft's single into right field scored Poullot; Poirier's short hit into left field tallied Burns. Linnertz struck out but Ray St. Marie was hit by a pitched ball, forcing Hallamack across the plate with the third run of the inning.

In the 6th inning, Hoflus opened with a left field single, and when Perkins walked Poullot, manager Rasmussen sent Harold Stroble to the mound for the Thieves. Stroble hit Burns with a pitched ball to load the bases. Hallamack's line single past third base scored Hoflus, and Kraft's ground-rule double sent Poullot and Burns over the plate. Kraft's hit bounced over the fence in left field, with ground rules holding such hits to two bases.

Hallamack was out attempting to score on a passed ball, with Nornes making the throw to Stroble who covered the plate. Poirier's single into left field scored Kraft with Red Lake Falls final run. Linnertz forced Poirier at second base, and St. Marie struck out.

The Thieves made a gesture in the 8th inning when Phil LeGault led off with a double, and advanced to third base on Al Thompson's infield out. Paulsen was given a walk. Nornes was out on a ground ball to shortstop Hallamack, with the runners holding their bases; and Goethe ended the inning by popping out to Kraft.

In the 9th, Rasmussen opened with a double into left field. Nick Carlson was out, pitch to first base. Stroble lined a single into left field, scoring Rasmussen and going on to second base on the throw to the plate. Stan Cockrell's safety, into right field, tallied Stroble with the game's final marker.

Except for the 4th and 9th innings, when the locals bunched their hits, "Pinky" Kraft pitched steady ball for the Lakers. And in addition to his creditable hurling, the Red Lake Falls' red-head was the game's leading hitter, getting four hits, two of them doubles, in five trips to the plate.

St. Hilaire	2	3	.400
Erskine	2	4	.333
Winger	1	4	.200
McIntosh	0	5	.000

Results of Sunday's games:

Red Lake Falls, 8, at Thief River Falls, 4.
St. Hilaire, 3, at Erskine, 4.
Crookston, 24, at McIntosh, 4.
Plummer, 11, at Winger, 4.

Games on Sunday:

St. Hilaire at Thief River Falls.
Crookston at Plummer.
Red Lake Falls at Erskine.
Winger at McIntosh.

The Northern Minnesota baseball league will complete its first round of play on Sunday and the Plummer Red Sox are a cinch to hold a share of first place in the league standings. The Red Sox will meet the defending champion Crookston Pirates on the Plummer diamond, and a defeat for manager Ray Ste. Marie's team, while the runner-up Red Lake Falls is winning over Erskine, would bring the Red Sox and Red Lake Falls into a deadlock for the league lead. A win, though, for Plummer would just about put the Red Sox beyond the reach of the other teams in the league.

Thief River Falls and St. Hilaire will wind-up their first round play with an important game on the Fair Grounds diamond. While both teams have three defeats on their record, there is a possibility that the eventual league champion will also have three losses on its record and that means that the Thieves and Saints have an outside chance at the title.

Sunday's games found the suprising Red Lake Falls nine, behind Harold Kraft's pitching and hitting, defeating Thief River Falls, 8 to 4, on the Fair Grounds diamond. Wayne Goethe's homerun over the left field fence, driving in two of the Thieves' runs, was the game's offensive highlight.

An improving Erskine team upset a favored St. Hilaire nine, 4 to 3, at Erskine. Plummer continued on its undefeated way by subduing a stubborn Winger team, winning by a 11 to 4 score. And, Crookston overwhelmed McIntosh, 24 to 4.

Middle River	1	3	.250
Viking	1	3	.250
Bridgeman's	1	4	.200
Hudson Motors	1	4	.200

Results of the week's games:

Oen's, 27; Hudson Motors, 1.
Bridgeman's, 20; Viking, 10.

Games this week:

Thursday, Bridgeman's vs. Middle River.
Friday, Oen's vs. Viking.
Monday, Hudson Motors vs. Viking.
Tuesday, Poppler's Furn. vs. Eagles.
Wednesday, Bridgeman's vs. Northern Chev.
Thursday, Middle River vs. Oen's.

Rain and wet grounds interrupted play in the city softball league and forced postponement of a number of games. The managers of teams having postponed games on its schedule should make arrangements to have these games so that the league schedule can be brought up-to-date.

In the only games played, the Oen's, on Wednesday evening, swamped the Hudson Motors, rolling up a 27 to 1 win. That 27-run total is the highest score piled up this season. Milt Relerson and Elton Oberg shared the pitching for the Oen's, holding the Hudson Motors to a lone run. On Thursday night the Bridgeman's, behind Bud Weckworth's hurling, scored their first win of the year when they took the measure of Henry Hanson's Viking team.

Legion Junior Ball Club Hampered by Wet Field

The Legion's junior baseball team was able to play but one game during the week, rain and wet grounds forcing postponement of the Argyle and Grand Forks games. Last Thursday evening the locals, playing without the services of Al Williamson and Dennis Lund, defeated the Warren juniors, 4 to 3.

The city grade school tournament, slated for Monday and Tuesday, was postponed and will be played, weather permitting, on Monday and Tuesday, June 28th and 29th. The first round games, pitting Northrop against Washington, and Knox vs. St. Bernard's, will be played on Monday, with the first game schedule for 4:30 P. M. on the East Side diamond.

WARREN MIDGETS BOW TO TRF TEAM

Local All-stars Winners by 14-5 Score Saturday

The combination of Kent Zabel's hitting and the pitching of Jack LaSalle, Don Johnson, and Roger Williamson proved too much for the Warren Midgets to contend with on Saturday afternoon and the result was that the local Midget All-Stars won a 14 to 5 victory over the Warren team in a midget baseball game played on the Fair Grounds diamond.

Warren, taking advantage of a streak of wildness by Jack LaSalle, scored four runs in the 2nd inning to gain a 4 to 0 lead; but in the locals half of the inning, bases on balls to Joey Poole, Jack LaSalle, Larry Gilbertson, and Darryl Vad, plus hits by Zabel, Don Johnson, and Roger Elofson, gave coach Jimmy Welton's team six runs.

The local All-Stars are preparing for the JayCee's midget baseball teams, representing Crookston, Mahnomen, Stephen, Red Lake Falls, Bemidji, Warren, Lake Bronson, Argyle, and Thief River Falls, have registered their entry into the tourney.

Scoring by innings:

Warren Midgets 041 000—5
Thief River Falls Midgets [illegible]—14

Errors—Fraser, Gilbertson, Greenside. Two base hits—Zabel 2. Homerun—Don Johnson. Struck out—by LaSalle, 3; by Don Johnson, 5; by Roger Williamson, 3. Umpires—Perkins and Nick.

Schedule Listed for Girls' Softball League Play for Coming Week

The schedule for the Girl's Softball league will find the Gamble-Robinson team playing the Sophomores on Thursday evening, June 24th; on Monday evening, June 28th, the Oen's will play the Seniors; on Tuesday evening, June 29th, the Gamble-Robinson will play the Freshmen; and on Thursday, July 1st, the Carlson Agency will cross bats with the Sophomores.

Arrangements are being competed for an All-Star team, picked from the league, to play out-of-town games. Red Lake Falls will be the first opponent, with the game, to be played at Red Lake Falls, tentatively scheduled for next week. Named to the All-Star team, as chosen by the girl's softball association officers, follows: Dorothy Bottem of the Freshmen; Irma Martinson and Donna Lunde of the Sophomores; "Bootsie" Carlson and Donna Bergland of the Juniors; Dolly Iverson of the Seniors; Florence Snelling, Margery Carlson, Lorraine Mielke, Anna Ona, and Grace Dahlen of the Oen's; and Audrey Torkelson, Doris Roisland, Bernice Syverson and Jean Ellinger of the Gamble-Robinson team.

Keeping Score

. . . . With HUCK OLSON

Still Have a Chance.

While it's quite remote, the fact remains that Thieves still have a chance of becoming a factor in the Northern Minnesota baseball league race, but this chance hinges on the outcome of the game with St. Hilaire here on Sunday.

If the ever-dangerous Crookston Pirates should beat the league-leading Plummer nine in their vital game at Plummer on Sunday, it's possible that the ultimate Northern Minny league champion will have two losses, or perhaps three, on its record. And that's the hope that has been lending encouragement to the Thieves and the Saints, and *guarantees that the game here* Sunday will be hotly-contested.

That Plummer team, which has been getting some consistently steady steady pitching from George Saunders, is just about the best balanced club in the league at present, and the Red Sox deserve their first place rating; but if they should be tripped up by Crookston, well, it would burst the league wide open. Crookston, after stumbling around early in the season and showing the effects of its "front office" reorganization, has apparently struck its stride and with Ken DaPuis recovered from his sore arm troubles, the Pirates are still a strong threat for the pennant. It is reported that Bill Lacics, the Crookston manager and former Northern League player, will be eligible to play with the Pirates in a short while.

Except for the 5th and 6th innings Sunday, when Red Lake Falls scored seven of their eight runs, the Thieves played fine baseball and held the Lakers on better than even terms. Don Perkins, the locals' 17-year old pitcher, revealed that he lacks the experience and poise to contend with the league's top-ranking teams. Perk was in trouble during most of the five innings that he worked, and it was his lack of control that proved his greatest problem.

Although the locals left the game with the short end of the score, they furnished the first opening game crowd with most of the thrills. Wayne Goethe, the 17-year old, shortstop, poled out a homerun to give the Thieves a short-lived lead; the local infield came through with a pair of double plays; catcher Berdeen Nornes threw out a couple of Lakers attempting to steal second base; and Nicky Carlson turned in a fine catch in centerfield.

Ready to Go

Coach Jimmy Welton's Midget baseball league All-Stars are ready to make their bid for the regional championship in the tournament slated to be played here on July 3rd, 4th, and 5th. And on their record, and on the form that they have shown on the field, the locals are entitled to be rated with the Bemidji Midgets as the tournament favorites. Coach Welton has named the following boys to the All-Star squad—Don Johnson, Bert Greenside, Roger Williamson, Joey Poole, Jack LaSalle, Stan Rosengren, Kent Zabel, Jack Hoppe, Larry Gilbertson, Ronnie Buen, Bruce Williamson, Darryl Vad, Bill Maruska, Roger Elofson, and Myron Hajostek—and will spend the next ten days in polishing the group for the tourney. Jack LaSalle, Don Johnson, Roger Williamson, and Stan Rosengren will handle the pitching for the locals, with Greenside and Hajostek as the catchers. Zabel, Poole, Johnson, and Gilbertson or Hoppe will complete the infield; and the outfield will be named from Buen, Elofson, Vad, Bruce Williamson, and Maruska.

And, incidentally, this gives us the opportunity to congratulate Jimmy Welton on the success of midget baseball program. Jim has expended plenty *of time on effort on Midget* baseball, but the fun the boys are having and the baseball they are learning must give Jim considerable satisfaction. And it should give the JayCee's, who sponsor the program, a measure of satisfaction, too.

A String of Big Pike

Henry Granum and Hank Storhaug came into the town the other day with a string of largest walleyed pike that has been exhibited here. One of the pike weighed in at more than 11 pounds, and several were in the eight and seven-pound category. Hank and Henry fished the Sandpoint Bay area of the Northwest Angle, being taken across the lake from Warroad by Clarence Selvog of Warroad.

Interested in Only One

The St. Louis Cardinals tryout camp at Erskine didn't prove very profitable, for when the sessions were concluded the scouts reported that they were interested in only one of the boys present, namely, Jack Miller of Bagley. Miller, an all-round athlete, pitches for the Bagley high school and the Bagley Independents and local fans will remember that he beat the local junior team a couple of times.

Deer Creek Man Is Given Youth Conservation Post

E. I. Kiskinen, superintendent of the Deer Creek, Minnesota, public schools, has accepted an appointment, effective July 1, as northern Minnesota field representative in the prevention division of the Minnesota Youth Conservation commission. He will work with community organizations in the northern third of the state on their programs to prevent juvenile delinquency.

9,114 VIOLATIONS CHECKED IN MONTH BY STATE PATROL

1,699 Arrests Made for Traffic Law Violations in May, Report Reveals

State highway patrolmen made 1,699 arrests for traffic law violations on state trunk highways last month and in addition issued 2,989 tags to motorists operating their cars and trucks with illegal equipment. They also passed out 1,312 warning tickets for minor offenses and gave 2,588 verbal warnings against improper traffic practices.

Of the dirvers arrested, 123 were driving while under the influence of liquor, 257 faced court for careless driving, 203 for running through stop signs, 193 for excessive speed and 98 for improper passing. Another 130 were arrested for operating without a driver's license, 37 for driving in the wrong lane, 184 for driving with dangerously improper equipment such as faulty lights and brakes, and 147 for improper registration. Truck drivers arrested for carrying overweight loads numbered 240.

Of the May warning tickets issued, 292 were for excessive speed, 236 for failure to make a complete stop at a stop sign, 80 for improper passing and 115 for driving in the wrong lane. In all, 538 motorists got warning tickets for failure to have a valid driver's license in their possession. Of the verbal warnings, 200 were for "rolling stops" at stop signs, 100 for improper passing, 314 for "edging up" over the speed limits, 418 for improper parking, 431 for driving in the wrong lane and 32 for turning without signalling. Hitch-hikers soliciting rides or otherwise violating the pedestrian traffic rules numbered 89.

PRISONERS OF WAR—AN OLD STORY . . . Despite talk of a truce and abortive peace negotiations, the war in Palestine continues its sullen course, producing deaths, destruction and prisoners as all wars do. These two members of the Jewish Haganah were captured by the Arabs after the battle of Kfar Etzyon, a strategic Jewish settlement outside Jerusalem. Arab reports say these were the only two prisoners taken.

POLITICAL ROUNDUP

By Arthur Naftalin

Red-hot contests are assured for both the Republican and Democratic-Farmer-Labor primaries. The opening of filings last week made it clear that nominations for state and congressional offices will be closely contested in the September 14 primary.

On the DFL side, the Third Party faction is planning to enter a full slate of candidates against the regular DFL ticket, which is headed by Mayor Hubert H. Humphrey of Minneapolis. While there is little doubt that the Humphrey ticket will win by a wide margin, the Third Party group can be expected to put on a vigorous oratorical show.

Within the Republican fold, contests are assured for a number of positions. State Senator Harry L. Wahlstrand of Willmar will oppose GOP incumbent H. Carl Andersen for reelection as Congressman from the Seventh district. Also, in the Eighth district, former Congressman William A. Pittinger of Duluth and former State Representative William Berlin of Hibbing will be contending for the Republican nomination to oppose the reelection of DFL Congressman John A. Blatnik.

As filings continue, the number of contests within the two major parties will no doubt increase. The result is likely to be a holding fast to voting within party lines. In other years, hot contests have sometimes attracted the voters of other parties in an effort to obtain [illegible] candidate regarded as more easily defeated in the general election.

Filings will remain open until August [illegible] time for the shaping of crucial [illegible] question yet to be answered is: will State Auditor Stafford King oppose Joseph H. Ball for the GOP Senatorial nomination?

The final lineup for the November election will not be determined until October 2, which is the last date for the filing of candidates by petition. This year there will most likely be considerable use of the petition route in view of the announced plans of the Third Party people.

The strategy of the Third Party element is now clear. Candidates will be filed in the DFL primary. Then, after the primary, the Third Party will file another group of candidates by petition as independents.

This strategy is precisely like that followed by the old Nonpartisan League in the elections of 1918 and 1920, only this time the shoe is on the Democratic foot rather than the Republican. In 1920, the League ran Henrik Shipstead for Governor in the GOP primary. He was defeated, whereupon the League then filed his as a Farmer-Labor candidate by petition in the November general election.

Shipstead's double-candidacy aroused the ire of the legislature. So, in 1921, the legislature adopted a new election law aimed at preventing a candidate defeated in the primary from filing by petition in the general election.

The election laws are not likely to deter the Third Party group from accomplishing its objective of entering a slate in the November election. There is talk that, in the crucial U. S. Senatorial contest, former Governor Elmer A. Benson will be entered for the November runoff. For the DFL primary, the Third Party is entering James Shields of Minneapolis.

It is most unlikely that the Minnesota Third Party group will fade from the picture after the 1948 elections, no matter how poorly its candidates may do. Observers who predict an early end to this movement do not understand the nature of its leadership or the real purpose behind its organization.

The Third Party, unlike other new party movements of protest, is organized primarily as a propaganda-disseminating vehicle. It has a rigid line on foreign policy for which it is seeking to create a favorable public opinion. Thus, the entry of candidate for state and national office is not for the purpose of winning but rather for the purpose of providing an ideal forum for the espousal of the group's views.

When Secretary of State Mike Holm accepted the Third Party filing of a group of presidential electors on the DFL ticket, [illegible] precedent that [illegible] could lead to [illegible] parties [illegible] authority to inquire into the [illegible]

representing the DFL Party. He said that this is a question for the courts to determine. Thus, in future years, any one who cares to go to the trouble of executing an affidavit can file a batch of electors and then force the regular party to make a court appeal in order to obtain the acceptance of the regular electors.

WHY "Stepping Down" IS SO IMPORTANT TO YOU

[illegible] world by [illegible] "step-down" [illegible] not available in any other car—to bring you riding qualities and safety beyond anything known before!

Word's going 'round—and fast, too—that Hudson gives you a "sweet," smooth, safe ride that sets a new high in motor-car performance.

[illegible] heard pleased and proud [illegible] talking about this exciting new experience, but here's something you may have missed hearing:

The key to this amazing new ride lies in that area just under the floor of the average car, which in the New Hudson becomes the "step-down" zone—as illustrated in the sketches at the right.

[illegible] is all-important [illegible] has shown that the [illegible] the better it will handle, the more stability it will have, the safer it will be, and the [illegible] enjoyable and comfortable will be your ride.

Hudson, and Hudson alone, has accomplished a new miracle of low-built streamlined and smooth, safe, comfortable riding with a new type of base frame which surrounds the passenger compartment, and thus permits the floor to be lowered down within it. Recessing the floor creates the "step-down" zone and a center of gravity that is the lowest in any American stock car—yet, road clearance is ample.

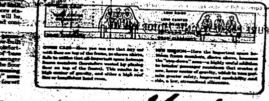
That's why Hudson has a hug-the-road way of going, even in cross-winds, and on every conceivable kind of highway. When you see how this car takes even the sharpest curves, it will spoil you for any other type of automobile! You sense this delightful conformity to the road the minute you begin your ride; and this stability, plus the protection of riding encircled by a sturdy box-section steel frame, gives you a grand feeling of safe well-being.

Sitting in this car is as downright satisfying as stretching out in your favorite easy chair. You ride on seats that are lowered and cradled ahead of the rear wheels and, even with its low silhouette, this breathtakingly beautiful design gives you more head room than any other mass-produced car built today!

Hudson's use of the vital "step-down" zone in its exclusive, all steel Monobilt body-and-frame* is a development that required years of engineering work, the perfection of new production techniques, and millions of dollars in highly specialized new plant investment. Perhaps this explains why Hudson alone offers this new design principle today.

The nearest Hudson dealer has a booklet—yours for the asking—which explains how "stepping down" brings you advantages beyond anything known before! Hudson Motor Car Co., Detroit 14.

*Trade-mark and patent pending.



OTHER CARS—Here you can see that any car with floor on top of the frame, as shown above, fails to utilize that all-important space between frame members (hereafter noted by shading floor on top of the frame). This results in a high center of gravity, and either a high roof line or insufficient head room.
NEW HUDSON—Here the important space between frame members, shown above, becomes the "step-down" zone—a highly useful addition to broader passenger comfort that creates a lower center of gravity, which in turn permits greater safety, improved roadability and ride, a low, streamlined silhouette.

This time it's Hudson

How to keep a Champ in Trim!

YES sir, there's championship caliber all through that Buick of yours.

It's caliber that calls for mighty little "conditioning"—if the attention it gets adds up to real knowing and understanding care.

For instance, these Fireball cylinders will keep on packing all the wallop they should, if you let us compression-check them in the Buick way. Steering will stay easy and light, tire wear will stay at the minimum, if you keep your wheels lined up on our special tracking gauges.

And when wear does take its inescapable toll, we have the parts—Buick-engineered for their job—that restore factory-new standards of performance.

Even our tools are specially designed to do a typical Buick job—and for the personal, interested, specialized attention that tops off genuine Buick care, you simply can't beat the Buick specialists in our shop.

Yes, give your champ real Buick care—Buick know-how, Buick parts, Buick interest in keeping your car at its peak. Costs no more than ordinary attention—but what a whale of a difference it makes!

Skilled service men — Buick to their finger tips — know how to bring out all the Fireball zip and go.

Lubricare Matched-to-mileage maintenance for Buicks
★ Lubricare is specified for your Buick by the engineers who built the car—with the right kind and the right amount of lubricants carefully chosen for just one reason: they are best for your Buick.
★ Lubricare is matched to the mileage your Buick has traveled—including a thorough inspection, a report of anything needing attention and a record of the service for future reference.
★ Lubricare adds thoughtful care by complete lubrication. For protection and smooth performance, your Buick deserves Lubricare regularly.

Always a pleasure..

After playing 18 holes of exciting golf to finally reach the 19th. And . . . as you relive the highlights of the game, the long drives, the missed putts . . . it's always a pleasure to enjoy a glass of sparkling, refreshing beer.

For beer is the kind of beverage Americans like. It belongs to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs to our own American heritage of personal freedom.

Beer belongs . . . enjoy it

Pennsylvania Authors

Pennsylvania's famous authors are not all of the 20th century; they go back to 1732 when Ben Franklin first issued "Poor Richard's Almanac." Philadelphia is the state's oldest and greatest literary center. There Tom Paine issued his "Crisis" articles that heartened our Revolutionary soldiers, and Francis Hopkinson wrote the song "Hail Columbia!" In 1832 Edgar Allan Poe went to Philadelphia for a seven year stay as a magazine editor, and about the same time Whittier published an anti-slavery journal there.

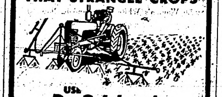
Kill the Weeds THAT STRANGLE CROPS



Use Dr. Salsbury's WEED-KILL Agricultural Forms

Mr. Farmer, weeds rob you of many, many dollars every year. Get rid of them this easy, convenient way—use Dr. Salsbury's WEED-KILL, agricultural forms. Low-cost, low-gallonage spraying of crops such as corn, wheat, oats, barley, rye, flax, rice, and sugar cane is made possible with WEED-KILL A-4 or WEED-KILL E-3.24. Either form is economical—spraying small grains, for example, costs as little as 25 cents an acre. WEED-KILL agricultural forms are easy to use. Canvassers are now busy contacting everyone in the vicinity making out applications for appointments for chest x-ray, which is to be held here in the near future. If no canvasser has seen you, it may be possible that you have been overlooked. In that case, please contact the chairman, C. H. Cook at the postoffice and he will fill out your application. It is a rare chance to get a good x-ray taken of your chest absolutely free, a chance that you cannot afford to miss. If you have refused to have this x-ray taken, think again. It is still not too late to contact Mr. Cook. He will change your card and you can still get your free x-ray when the mobile unit arrives here.

David, 5 year old son of Mr. and Mrs. Harvey Dyrud had a narrow escape from serious injury and possibe death on Monday evening of last week, when he fell under the wheels of a truck. Mr. Dyrud was coming home in his truck and the children ran to meet him and attempted to catch a ride. Mr. Dyrud called to them to stay away and the older children obeyed. Little David did not heed his father's call and ran alongside the slowly moving truck and tried to catch on to the box. He missed his hold, lost his balance and fell forward directly under the rear dual wheels. Luckily, he fell far enough under so that the wheels did not pass over his body, but over his legs. They were both broken between the ankle and the knee. He was taken immediately to Mercy hospital, Thief River Falls, where it was found that they were both simple clean breaks, which will mend swiftly with no complications or after effects. David was taken home the next day, and is now feeling fine, except that he cannot run and play as other children do for some time which is a rather hard punishment for a small boy in nice summer weather.

IT'S THE LAW

You Are Required to Destroy Noxious Weeds on Your Property

Notice is hereby given this 24th day of June, 1948, pursuant to laws 1945, Chapter 534 (Minnesota Statutes 1945, Chapter 20) to all owners, occupants, agents, and public officials in charge of lands in Pennington County, Minnesota, that noxious weeds standing, being, or growing on such lands shall be destroyed or eradicated by effective cutting, tillage, cropping, pasturing, or treating with chemicals or other effective methods, or combinations thereof, approved by your local Weed Inspector, as often as may be required to prevent the weeds from blooming and maturing seeds, or spreading by roots, root stocks, or other means.

Upon failure to observe this notice, the local Weed Inspector is required to proceed pursuant to the law and have the weeds destroyed by such methods as he finds necessary, the expenses of which shall constitute a lien and be entered as a tax against the land, and be collected as other real estate taxes are collected, or by other means as provided by law.

MARSHALL COUNTY PEOPLE SIGNING UP FOR CHEST X-RAYS

Eastern Marshall Co. Co-chairman Requests Cooperation of Public

Over 500 volunteer workers this week started out to visit all homes in Marshall county, setting as their goal the registration of every county resident of school age and above for a free chest x-ray.

Urging all persons to register, Mrs. Loyal Johnson, co-chairman of Eastern Marshall county, said: "A volunteer worker will visit your home some time between June 7 and 24th. This worker will be prepared to register every one in your home, supply you with factual material and to answer your questions. We ask that all people of the community give their whole-hearted support."

The mass x-ray survey to find hidden cases of tuberculosis and other chest diseases will start July 14th, she reminds county residents. The project is under auspices of the state department of health, aided by the Christmas Seal organization, and Red Cross.

In asking everyone to "sign up" for an x-ray, the chairman stressed that most people will receive a report that the x-ray is "essentially negative," meaning there is no evidence of TB or other chest pathology.

"The very few who are notified of findings will be lucky in that they will be learning about the disease before it has progressed too far," she declared. "Early discovery will mean early recovery."

Sale of Purebred Stock at Norman County Fair

The sixth annual Red River Valley purebred livestock summer sale will be held on Monday July 5th, 1948 in conjunction with the Norman county fair July 2, 3, 4, 5. The Norman county Fair association has promoted this annual sale not only as a fair activity, but to make it possible for new beginners as well as old established breeders to buy from some of the best blood lines in the entire Northwest. A total of 35 breeders are consigning 75 Head of Purebred Livestock to this sale.

NEWSPAPERS IN THE NEWS AGAIN

When assured by the area weather bureau that there was no rain in sight, Wadena Pioneer Journal had a deal for a plane, a pilot and 20 pounds of dry ice, and made the weatherman eat crow. The plane dumped the ice into a cloud from 18,000 feet and landed in a downpour. For a few of its venerable 82 years The Sauke Centre Herald was printed on the first newspaper press ever used in the state, a hand-operated model brought to St. Paul when James M. Goodhue launched the state's first newspaper, the Pioneer, now part of the St. Paul Pioneer-Press.

From where I sit ... by Joe Marsh

They let the Wives in!

The ex-GI's of our town entertained their wives the other night at one of their "feeds" of hamburger sandwiches and ice cold beer. (The girls had hinted that they'd like to see what went on when their husbands got together!)

Being wary, the boys provided chicken sandwiches and cake and cider—for those wives who might have other tastes. But though they were grateful for the choice, most of the wives agreed that hamburger sandwiches and beer were a mighty pleasant combination.

After the "feed" the husbands took their wives on at a game of darts, and later they played "Indications." The party broke up around ten, with the boys agreeing that it was mighty successful.

From where I sit, it's this companionship among young couples today, and their moderation in a sensible beverage like beer, that's won the younger generation such a wholesome reputation.

52 DROWN IN STATE TO DATE THIS YEAR

Number is 40 Per Cent Higher Than A Year Ago

Warm weather and opening of the fishing season in May sent millions of Minnesota people to visit the lakes and water areas, with the unhappy result that deaths by drowning increased over last year by almost 40%, according to the bureau of information, department of conservation.

During the first five months of this year 52 people lost their lives while 37 drowned during the same period last year.

Only two deaths occurred this year during January and February, but the toll was higher in March, April, and May with a total of 50 compared with 31 for the three months of 1947.

In March eight children were drowned in the shallow waters of pools and roadside ditches created by melting snows. The warm spring days of April and May, with the opening of fishing seasons and urge to take the first swim, increased the number of people using the outdoors.

The usual causes of accidents are reported; four men in a boat, the boat capsizes and three drowned. Seven people in a boat, it overturns and a small child is lost. Youngsters wading in shallow water step into a dropoff and cannot swim. High winds and storms capsized fishing boats during the first few days of the open season.

WASHINGTON REPORT

By Senator Joseph H. Ball

This will be the last of these weekly reports until another session of Congress, when I expect to resume them. It is written as the Congress drives toward adjournment, with conference committee reports the main business still remaining, interspersed by political speeches and maneuvers.

The closing hours of a legislative session are much the same here or in the State Capitol in St. Paul: galleries jammed and throngs of sightseers, lobbyists and employees of executive agencies in the corridors. Most of the people are there for the show but a fair share are waiting anxiously to discover the fate of some pet legislative proposal or appropriation item. They are the ones who eagerly buttonhole committee members whenever they get the chance.

In the Senate chamber, men who are bone-weary after three weeks of almost continuous daily sessions of twelve to sixteen hours, struggle doggedly to finish the legislative business, or else gather in cloakrooms to smoke and chat when some senator insists on making a long speech for home consumption.

But the really important work of the closing days is done in committees, chiefly the Appropriations Committee which is in almost continuous session, and the House and Senate conference committees on various bills, where differences between the two houses are ironed out. Many issues are decided in conference, and once the conferees agree, there is little either house can do except go along.

This session of Congress undoubtedly will come in for its share of criticism. Indeed already it is being raked over coals, for its sins both of omission and commission. Congress seems to be a very convenient whipping boy in our system. Congress certainly is not perfect, but on the other hand, with all its faults and virtues, it generally does what a majority of the American people want done.

Personally, I would rate the session just closing a little above par on accomplishment, its efforts hampered by the partisan politics inevitable in a presidential year, and its record for hard, continuous work unequalled by any session in which I have served.

Its major accomplishments include passage of the European Recovery Program, the most important controversial foreign policy measure since Lend-Lease; passage of the U. S. Information and Education Exchange Act; passage of the first tax reduction bill in many years over the President's veto; enactment of a national defense program including the 70-group air force, a uniform procurement act for all armed services, revision of court martial procedures, and probably selective service, still uncertain as I write. Whether we achieve a long-range housing measure and a permanent farm program likewise is still in doubt, but a tremendous amount of work has been done on both.

In addition, scores of less important measures, like extension of the Reciprocal Trade Agreements Act, the synthetic rubber bill, extension of rent control, liberalization of civil service retirement, increasing of old age assistance and extending and reorganizing the RFC have been passed, to say nothing of a dozen veterans bills, some fifteen appropriation bills, half a dozen health measures and scores of similar measures, in all some 400 bills.

There are plenty of bills, many of them worthwhile, that were not passed. But only a rubber-stamp, imitation, legislature could consider and act upon in one session even half of the hundreds of measures which some pressure group or another proposes. This one hammered out a pretty solid record.

Minnesota farm products today buy about 38 per cent more than in the pre-war years of 1935-1939.

Field shelterbelts should not be more than three or four rows wide or more than 2 rods wide.

MIDDLE RIVER

Miss Eunice J. Ness, daughter of Mr. and Mrs. Hans Ness of Newfolden and Elmer E. Korpi, son of Mr. and Mrs. A. Korpi of Middle River were united in marriage Saturday, June 5th at a ceremony at the First Lutheran church at Thief River Falls.

Rev. Carl F. Carlson, pastor of the church, officiated at the single ring ceremony performed that afternoon at 4 o'clock.

Attending the bride was her cousin, Miss Elaine Williamson of Greenbush, and attending the groom was a brother of the bride, Marshall Ness of Newfolden.

The bride was attired in a white formal with a locket neckline and carried a corsage of white gardenias surrounded by tiny tea roses. The bridesmaid wore a pale yellow formal and carried a corsage of white gardenias.

Following the ceremony a wedding supper was served to the immediate members of the bridal party at the Rex Cafe in Thief River Falls. The happy couple left that evening on a wedding trip to the North Shore of Lake Superior.

They will make their home on the groom's farm near Middle River. The many friends of the young couple join in wishing them a happy married life.

Wedding vows were spoken Wednesday evening by Marie Martha Morris, daughter of Mr. and Mrs. Albert Wagner of Middle River and Walter Rasmussen, son of Mr. and Mrs. Oscar Rasmussen of Middle River. Attendants were Mr. and Mrs. Henry Schenkey, sister and brother-in-law of the bride.

The groom is a young farmer of this community where they will make their home. The community joins with the many friends of the couple wishing them a happy and prosperous married life.

Rev. Korshavn officiated before an altar decorated with cut flowers.

The nuptial music the "Bridal Chorus" from Lohengrin and the "Wedding March" from Midsummer Night's Dream was played by *Mrs. E. Lagergren of Middle River.*

Mrs. Glenn Olson sister of the bride sang "Because" and "I Love You Truly" before the ceremony and a Finnish number following the ceremony.

The bride, who was given in marriage by her father wore a white gown of brocaded satin, fashioned with a sweetheart neckline, fitted bodice and long sleeves.

Her fingertip veil of marquisette was held in place with a coronet of seed pearls.

Her only jewelry was a sweetheart locket, a gift of the groom. She carried a shower bouquet of American Beauty roses and carnations.

The bride's only attendant was Miss Arline Jelle of Thief River Falls. She wore a floor length dress of yellow chiffon and carried a colonial bouquet of American beauty roses and pink carnations.

The bride's mother wore a dress of rose crepe with white accessories and a corsage of roses.

The groom's mother wore a dress of figured black and white material with black accessories and a corsage of roses.

Following the ceremony a reception was held for approximately 100 guests. The bridal party was seated at a table decorated with candles and centered with a three tiered wedding cake topped with a miniature bride and groom.

Mrs. Eskell is a graduate of the Middle River high school and the Moorhead State Teacher's college. During the war she served two years in the Waves being stationed at Naval Air Station, Banana River, Florida where she taught radar bombing.

For the past two years she has been teaching in the Plummer Public school.

Mr. Eskell served two years in the navy mostly in the Pacific area. At present he is engaged in farming east of Plummer, where the young couple will reside.

Out of town guests at the wedding included friends and relatives from Plummer and Thief River Falls and Mrs. Myrtle Olen and Mrs. Olaf Holm of Halma, Minn., Mr. and Mrs. Rudy Mihelich and Mrs. Matt Riuttanen of Hibbing, Minnesota, Miss Beata Harris, and Miss Reideen Eriksen of Fargo, N. D.

Springs for Fish

Springs on the bottom of a lake or stream always attract fish. In summer the water is cooler there, and in winter, strange as it may seem, the water is warmer. Spring water freezes slowly.

A Savings Plan that Grows with your child

Haven't you often thought . . . "If only my dad had bought me more life insurance when I was young"? Through the new Franklin JUNIOR INSURED SAVINGS PLAN you can make sure now that your child will never during his lifetime need to spend money for insurance protection. The pass book savings plan enables you to create an immediate estate for your child that grows with his responsibilities and then matures in cash at age 55.

Insurance protection triples at age 21 with no increase in deposit. Full return of all deposits plus face amount of contract if death occurs at any time from issuance of contract to age 55.

The Mayo Memorial Research Center of the University of Minnesota

Adequate laboratory space for scientific research in diseases including cancer, heart ailments, mental illness, tuberculosis, infantile paralysis, childrens diseases, and others has been a long felt need.

At present this work is being done by scientists in very inadequate quarters, often in basements, attics, or cramped spaces.

You are asked to contribute to a fund for a permanent building for scientific research which will keep YOUR UNIVERSITY at the front as a MEDICAL CENTER. This will benefit you and yours.

The Rockefeller Foundation and several other national bodies contribute large sums yearly for medical research. More adequate space will enable Your University to use more of these available funds.

Dr. O. F. Mellby is the county chairman and Mr. Lars Hylden chairman for the City of Thief River Falls. All wards in the city are now being solicited by interested women, while the business district is being contacted by Mr. Hylden. Solicitation throughout the county is now in progress.

The quota for Pennington county is $13,000. In order that your University shall continue giving the best results to the people of Minnesota it is important that you make your contribution as generous as possible.

Remember Yours May Be One of the Next Lives Saved!

GROWING WITH YOUR CHILD

Institute of Child Welfare, University of Minnesota

Traveling with Children

Children are by nature squirmers. If a small child sit still for five whole minutes you should classify it as a major rest period.

Traveling with children demands the most intensive kind of planning. Such things as picking a light travel day (usually Monday to Thursday); choosing travel schedules which fit closely the child's own schedule; arranging stopovers if the trip is to take several days; and providing toys for diversion all make the trip easier.

The first rule of all experienced travelers is to travel with as little baggage as possible. A child takes the place of baggage considering the amount of care required, so it is wise to ship ahead as much baggage as possible when traveling with a child.

Driving in an automobile often tempts you to try and carry everything with you but the kitchen sink. Children are often asked to ride with their feet propped at impossible angles or to sit in cramped spaces because of the amount of baggage that has been piled in with them. This is almost a guarantee of trouble. If children need anything while traveling they need space, so even in your own car, baggage should be kept to a minimum. A roof-rack is a big help in providing space for baggage, because it leaves the back seat free for the children. By pinning a shoe-bag on the back of the front seat, toys can be carried most conveniently, as well as many other items.

In any trip frequent pauses are a big help. Stopping the car once an hour to give the children a five-minute romp increases goodwill all around. Getting out of a bus at every other stop to step down to the ground and then back in again is helpful. Trains allow so much freedom of movement that it is wise to make exercise a reward, or else a child will get worn out just from running around.

Travel with children is a big job no matter how carefully you plan ahead; but if you plan your vacation travel, you can take the children and still have a vacation.

SMILEY

And the rains came. Just in the neck of time did those wonderful rains come to this vicinity. It was mighty dry and there was a faint tinge of searing on crops, hadloads, and gardens. The countryside is bustin' out with beauty especially at twilight when the heavy nostalgic scent of wild roses and red clover hangs low in the air. The gardens too, have burst forth into productivity since quenching their thirst with the recent rains, not forgetting indeed, to become also a haven for weeds.

Oscar Valavik returned Sunday to his home in Minneapolis. He visited a week with his home folk the Ole J. Valaviks. Oscar is employed as a machinist in Minneapolis.

Mark Olson, accompanied by his brother-in-law, Arthur Waller of Viking motored to Brinsmade, N. Dak., Saturday. They spent the week-end at the A. P. Waller home before returning Monday with Mrs. Mark Olson, Wayne, Judy, and Phyllis, who had been house guests a week at the Waller home.

Smiles
Broad smiles are on the face of every farmer, and we are all very happy over the wonderful rain that commenced last Sunday and has continued off and on since.
The only problem now seems to be that the grain will be so heavy it will go down under its own weight for which there is no help.
There is however almost 100% safety in protection against destruction by sudden Hail storms by taking out Hail and Windstrom insurance.
We represent the old Minnesota Farmers Mutual which has a fine 58 years record.
Please remember to contact some of the local men when you are thinking about insurance, rather that give it to some ousider whose only interest is in dragging out what money he can and is never around to help pay taxes, or to be a good neighbor when help is welcome, and needed.

South Carolina Stock

Backed up by increased feed production, the average number of hogs, beef cattle, dairy cattle, poultry and turkeys produced on the farms of South Carolina increased 23.2 per cent from the five-year period, 1925-29, to the five-year period, 1942-46, and as a result of improved breeding and feeding practices the quality of livestock showed marked improvement.

AIRPORT NEWS

Milton Davidson from Holt is a new student taking private flight instruction.

Alfred Carriere of Brooks took his flight test and was granted his private pilot's license last Tuesday.

Ralph Hegman from Alvarado stopped here Tuesday on his solo cross-country flight in a Cub. Ardell Moen, also of Alvarado, was here Wednesday on his solo cross-country in a Cub.

Dr. Knutson flew here from Hallock Friday in his Stinson.

Lester Ringstrahd made his solo cross-country flight to Hallock and Grand Forks on Saturday in the Cub.

Robert Bren from Tabor took his flight test and received his private pilot's license on Saturday.

Tom Jordan from Hensel, N. D. flew his Stinson in on Saturday.

Captain Ernest Barzen, local CAP commander, and deputy commander of the North Dakota-Northwestern Minnesota wing of the Civil Air Patrol, was in attendance at the CAP meeting in Grand Forks on June 18th. He states that Maj. Gen. L. V. Beau, national commander of CAP and principal speaker at the meeting, was most optimistic about the future of the CAP organization, particularly in view of the recent act of congress making it legally an auxiliary of the United States Air Forces. A concrete example of this new relationship is demonstrated by the announcement that 500 USAF PT-13s will be turned over to the CAP for use in its training program. Another program already in the making is the establishment by the Air Forces of a nationwide search and rescue set-up which will be co-ordinated with the 48 wings of the CAP. Soon to be established will be a well-organized communication network, which, in cases of disaster or other emergency, could take over any urgent business as a free public service. While it is an auxiliary of the Air Forces, the CAP is a strictly civilian organization, governed by its own board of eight directors composed of representative Wing commanders authorized to act for all 48 Wings in all transactions.

Oscar Hanson from Newfolden accompanied by Gene Tunheim, flew his Aeronca to Bemidji Saturday to attend the Air show in progress there over the week-end.

Christ Kierk flew his Aeronca to Grand Forks Saturday to transact business there.

Mr. and Mrs. Henry Nodland and Henry, and their pilot, John McFarland, came from Grand Rapids Saturday in a new Navion. Mr. Nodland is one of the contractors on the city sewer improvement project.

GRYGLA

Brateng—Anderson Nuptials

On Sunday evening, June 21, at 6 p. m. a simple wedding ceremony solemnized by Rev. G. T. Halmrast at the Grygla parsonage united in marriage Miss Beverly Dianne Brateng, daughter of Mr. and Mrs. John C. Brateng, and Arvid Anderson, oldest son of Mr. Alton J. Anderson. The single ring vows were spoken in the presence of Miss Arlene Anderson and Gerald Erickson, sister and cousin of the groom, respectively.

The bride wore a becoming two piece afternoon dress of white Japanese silk. Her accessories were white and her only ornament was a gold locket, gift of the groom. The material in the bride's dress was brought from Japan by the groom when he was in the Navy.

The bridesmaid wore a two piece afternoon dress of aqua blue linen with white and gold accessories.

Following the wedding, the bridal party and close relatives were entertained at the Brateng home where a wedding supper was served. The bridal table was decorated with a bouquet of white peonies and fern and centered with a three tiered wedding cake, which was decorated with pink and green and topped with a minature bride and groom. Those present besides the bridal party were the John C. Brateng, Ernest Landsrud, Alton J. Anderson and Adolph Erickson families.

Mr. and Mrs. Anderson left on Monday for a weeks wedding trip to the Iron range, Duluth and North Shore Drive. Upon their return they will be at home on the groom's farm east of Grygla. For going away Mrs. Anderson wore an aqua blue dress with white accessories.

The bride has been a student of Goodridge high school. The groom has served in the U. S. Navy.

Farewell Party and Shower

On Wednesday evening, June 16, a large number of relatives and friends gathered at the Hjalmer Bakken home. The occasion was in the form of a bridal shower for Mr. and Mrs. Raymond Bakken, who were recently married and a farewell party for the R. N. Hanson and Hjalmer Bakken families, who moved to Thief River Falls last week to make their homes. The Raymond Bakkens will operate the Bakken farm which they have bought.

The Hjalmer Bakken and R. N. Hansons were each presented with a purse of money as a token of well wishes from their assembled friends, the presentation was made by Mrs. A. O. Morken. Mr. and Mrs. Raymond Bakken received a large assortment of lovely gifts which were opened and admired.

Hostesses were Mrs. Vernon Wickstrom and Mrs. Ervin Johnson, who served the lunch which had been contributed by all the guests.

Those present besides the guests of honor were: the Almer Howland, Frances Hoach, Clifford Rude, Sam Anderson, Nels Satre, A. Landsrud, Alton J. Anderson, Christ Clausen, Lloyd Clausin, Hans Strom Elmer Strom, J. C. Brateng, Lester Hooh, George Hooh, A. O. Morkins, Allard Morken, Ervin Johnson and Vernon Wickstrom families.

New Residents Welcomed

On Sunday afternoon, June 13, a housewarming was held for Mr. and Mrs. Raymond Hector, who recently arrived from Anoka to make their home on the Carl Evenvold farm. The party which was held at their home was given to welcome the Hectors into the community and was attended by a large number of neighbors.

A short program included a song by those gathered, another song by Mrs. Halmrast, who played a harp accompaniment, and a talk by Rev. Halmrast, who presented the Hectors with a purse of money in behalf of their assembled friends. Mr. and Mrs. Hector responded with words of appreciation.

Lunch was served by the hostesses, Mrs. Hans Clausen and Mrs. E. M. Smeby, having been brought by the guests.

The following were present: the Oliver Howland, Rev. Halmrast, T. J. Lillevold, Orvin Benson, Ole Byklum Jr., Christ Aaserud, Olaf Olstad, Knut Arveson, H. E. Hanson, Sam Bratelli, Randolph Thompson, Otto Knutson, Matt Wick, Harvey Langness, E. M. Smeby, Hans Cleven and Carl Cleven families. Also Mr. and Mrs. Paul Olstad and family of Bemidji, Mr. and Mrs. Abe Johnsrud of Thief River Falls, and Mr. and Mrs. Sam Omdahl and Lila Gettings, all of Anoka.

Notice

NEWSPAPERS IN THE NEWS

A Nicollet Leader visitor made such an impression that the building has to have a new front. Miss Ann Kill of Minneapolis drove down to call on her sister and brother-in-law, Publisher and Mrs. Peter Groetsch. Somewhere en route the car brakes went bad and instead of stopping she drove right on in. Unable to prove citizenship at the Canadian border, Carl Swedberg produced a copy of the Wheaton Gazette mentioning his services as mayor and school board member, and he was passed. E. L. Peterson Day honored the 80-year-old publisher of the Pelican Rapids Press for 42 years. Fred Schilplin began his 80th birthday by writing at seven o'clock that morning the editorials for his St. Cloud Daily Times. Ninety-year-old Martin Kaiser has taken the Waseca Herald "ever since he can remember."

IN SANITATION AND CONVENIENCE
OUR NEW
ECON-O-SEAL
ALUMINUM CLOSURES
100% Sanitary ... The glistening new covers on our milk bottles are Econ-O-Seal Closures. It's impossible for our milk to become contaminated from the time we bottle it until you use it. Dirt and germs cannot penetrate these Closures. Notice how Econ-O-Seals cover the entire top of the bottle, seal and protect the vital pouring lip.
ECON-O-SEALS Keep Milk Good to the Last Drop ... Strong and durable. Econ-O-Seals are perfect to re-cover partially emptied milk bottles. Econ-O-Seals snap back over the top of the bottle and protect milk until the last drop has been used. These Closures will not absorb moisture or distasteful ice box odors.
Easy to Remove
1. Place palm of hand on top of Closure and turn Closure in either direction to break the seal.
2. After seal is broken, the Closure lifts off easily.
Handy in the Kitchen ... Milk products are easier to identify with different colored Econ-O-Seals.
ECON-O-SEALS Are Made of ALUMINUM ... Aluminum is as sanitary and sterile as glass. Rust-proof, non-acid, non-absorbent, aluminum will not affect milk.

TOM DEWEY IS GOP ASPIRANT FOR PRESIDENT

Governor Earl Warren Named Running Mate at Philadelphia Friday

The Republican national convention unanimously nominated Governor Thomas E. Dewey of New York as the party's candidate of president on the third ballot last Thursday evening at Philadelphia.

After the second ballot brought Dewey within 33 votes of the 548 required to nominate, Senator Robert A. Taft, Harold E. Stassen and his other opponents decided in conferences to withdraw in his favor.

Meeting again Friday morning the convention nominated Governor Earl Warren of California as Dewey's running mate for the vice presidency by acclamation. Warren revealed that the prospects that the vice president would have cabinet rank authority was definitely a factor in his decision to accept the nomination for the second place on the ticket.

Just preceding the third ballot, Harold Stassen announced that he pledged his active efforts to the election of Dewey. His second objective will be to elect local officials. And his third objective, he said, will be to strengthen the liberal and progressive elements of the party "in behalf of the young people particularly".

Thus, one after another, members of the coalition who have been trying to outwit Dewey came to the platform to admit their defeat and throw their energies to the support of the New York Governor.

Here was the vote for the top contenders on the first ballot:

Thomas E. Dewey	434
Robert A. Taft	224
Harold E. Stassen	157

Here was the outcome on the second ballot:

Thomas E. Dewey	515
Robert A. Taft	274
Harold E. Stassen	149

Early Friday morning conferences between Dewey, his closest advisers, and various Republican leaders canvassed the whole field for the vice presidential choice. The longer they met, Dewey said, the longer the list of possibilities became.

It was learned that the discussion constantly came back to Warren for these reasons:

His popularity on the west coast, where the Democratic party is strong, is very high.

His views are "liberal." He is in fact, the farthest toward the left of any of those given serious consideration for the vice presidency.

He is not in the isolationist wing of the Republican party.

SPORTS CARNIVAL TOPIC OF JAYCEES THURSDAY EVENING

Members Discuss Final Details of 5th Annual Event Opening July 3d

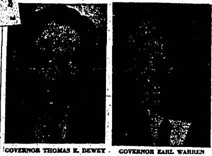
At a dinner meeting of the Junior Chamber of Commerce last Thursday evening, Glenn Carlson, general chairman of the fifth annual Jaycee Sports Carnival set for this week-end called on various committee heads for reports.

In addition, George Hamilton, advance man for the Calgary Chuckwagon Races to be presented in this city each afternoon and evening of the carnival, gave highlights of the program to be presented, stating that the show runs for an hour and 30 minutes.

Other reports were made by Jim Welton, midget and intermediate baseball; Burton Emanuel, booster buttons; and Merle Lindberg, properties; Dick Mabey street carnival; and Gordon Reierson, queen contest.

It was announced that Roland Erickson had been appointed chairman of the finance committee and Dr. M. D. Starekow official cameraman.

GOP Nominees for President and Vice President



GOVERNOR THOMAS E. DEWEY GOVERNOR EARL WARREN

Governor Thomas E. Dewey of New York was nominated for president at the Republican national convention in Philadelphia last Thursday evening by a unanimous vote on the third ballot after Senator Robert Taft, Harold E. Stassen and other opposing candidates had withdrawn their names. As Dewey's running mate the convention Friday morning nominated by acclamation Governor Earl Warren of California, who also had been an aspirant for the presidency.

PLANS SET FOR RIVER PROJECT RITES JULY 9-10

Dedication Program to Be Staged at M. Stucy Grove Saturday, July 10

Plans were completed early this week for the two-day program arranged for Friday and Saturday, July 9 and 10, to dedicate the Red Lake-Clearwater river channel improvement project, it was announced today by Jim Roche, secretary of the Red Lake River Development association.

The observance Friday, the first day, will center in Grand Forks, where a banquet will be served at 7 o'clock in the Dacotah hotel, reservations for which may be made at the office of the Grand Forks Chamber of Commerce. Earlier on Friday, visiting officials will be taken on airplane trips over the Red Lake watershed.

Saturday morning, July 10, a motor caravan will make its way from Grand Forks to Thief River Falls, where a luncheon will be served at noon in the Trinity church parlors. United States Senator Joseph H. Ball will be the principal speaker at the luncheon.

Immediately following the noon meeting, the motor caravan will proceed on to the scene of the river project. It was announced today that the Malcolm Stucy grove a mile east of the River Valley store on the south side of the road will be the site of the dedication pro-

Photographer for Life Magazine Gets Pictures of Viking Wedding Rites

The neighboring village of Viking, which because of its numerous bachelors, was given wide publicity last February, gained further renown Sunday when the Town's youngest bachelor, Stanley Larson, was married to Delores Peterson, the officiating pastor being Rev. Carl T. Thompson, sponsor of the Bachelors club. Present to record the event was a large group of camera men headed by Wallace Kirkland, staff photographer for Life magazine, who came by plane to Thief River Falls from Grand Rapids.

2 RURAL SCHOOLS WILL JOIN S. D. 18

Consolidation Approved in Election Last Week

Two school districts in Rocksbury township, adjoining Thief River Falls on the south side, voted last week by a decisive margin in favor of consolidation with the Thief River Falls district No. 18.

District 165 members voted last Friday evening 21 to 1 in favor of consolidation, while Saturday evening residents of District 73 voted 24 to 9 in favor of merging.

Mrs. A. C. Matheson, county superintendent of schools, announced that the consolidation already has been approved by the state department of education, the Pennington county school survey committee and the board of education of School District 18.

Jaycees Sponsor First Sale Here of "Four Chaplains" Stamp

Pictured above is the informal ceremony enacted in front of the postoffice June 18 to mark the first sale of the Four Chaplains postage stamp, honoring the chaplains who gave up their life preservers on a sinking ship during the late war in order that four of their shipmates might be saved.

In the picture, center, Postmaster Andrew Anderson is shown selling a sheet of the stamps to Mayor Harry E. Simons, while looking on is Karl Gerstner, president of the Junior Chamber of Commerce, sponsor of the observance. Others shown include, left to right, Merle Lindbergh, Rev. Wm. Swanson, Stuart McLeod, J. A. Forkenbrock, James Parkins, Elmer Bratsch, Stanton R. Dahlen, Alvin Christofferson, Wendell Olson, Glenn Carlson, L. B. Hartz and Rev. Lindblom.

OEN COMPANY'S STORE IS SOLD TO S & L FIRM

Chain with Offices in Minneapolis Takes over 59-year-old Local Store

The Oen Mercantile company's department store this week was sold, effective last Monday, to the S & L company, a chain of department stores with headquarters in Minneapolis, it was announced yesterday by Roy J. Oen, president.

The local store is a Thief River Falls institution, having been founded in 1889 by Mr. Oen's father, Rasmus Oen. It is the oldest business firm now operating in the city.

Mr. Oen explained that his company will not pass out of existence as a result of the sale of the store, since it retains ownership of the store buildings, the coal and oil business and the agency for Pyrofax gas and Frigidaire refrigerators which will be handled for the time being in the company's building on Atlantic av. at Eighth st.

The S & L company is known to numerous residents of this community, having operated stores for many years in neighboring cities including Grand Forks, Crookston, Fargo and Grafton, N. D. The company operates 36 department stores located in seven states.

The company was founded in 1921 in Elkton, S. D., by Samuel F. Salkin and Joseph L. Linoff, and in the intervening years has expanded to its present magnitude. Its executive offices are located in Minneapolis, while buying connections are maintained in New York, Chicago and Los Angeles.

In this city Monday and Tuesday to execute the transfer of ownership were Mr. Salkin, president; Mr. Linoff, executive vice president and treasurer; and Forrest L. Warner, vice president and general operating manager.

Pending the appointment of a permanent manager, the store is being operated temporarily by Mr. Warner along with C. M. Benson and Vince Ella of Fargo, district supervisors.

In announcing the purchase of the store, Mr. Warner said, "We have tried for several years to find a suitable location in Thief River Falls, and the present opportunity is a most satisfying experience, providing as it does a lasting opportunity to serve this city and surrounding area."

Roy Oen expressed his company's appreciation of the many favors shown the store during the long period of years it has been in operation, and he solicited a continuation of their patronage for the new owners.

STORES AND PUBLIC OFFICES WILL CLOSE ALL DAY ON MONDAY

In addition to public offices, the postoffice and banks, local business places will remain closed all day Monday, July 5, in observance of the Fourth of July holiday, which falls this year on Sunday. Store patrons are urged to keep the double holiday in mind when doing their week-end shopping.

HAROLD PAULSEN NAMED CHAIRMAN OF POLIO CHAPTER

Reports Submitted at Annual Meeting of Local Chapter Held on Friday

Harold Paulsen, member of the Lincoln high school faculty, last Friday afternoon was elected to succeed Karl Gerstner as chairman of the Pennington county chapter of the National Foundation for Infantile Paralysis at the annual meeting in the Rex Cafe.

Other new officers elected include M. C. Gulbranson, vice chairman; Mrs. Ray P. Jude, secretary; and Gunnuf Gunstenson, treasurer. Mrs. R. B. Westcott was retained in office as county chairwoman.

The report of Herman A. Kjos, retiring treasurer, revealed total receipts of $6,713 for the year ending May 31, including advances from the national foundation. Disbursements during the year aggregated $3,777, with a balance of $2,936 on hand at the end of the fiscal year.

Glenn Carlson submitted a report on the successful 1948 fund campaign conducted under his direction, which brought in a total of $5,901. A vote of thanks was given the Junior Chamber of Commerce, sponsor of the campaign, and other cooperating groups and individuals.

Jim Roche, chairman of the local Community Fund, campaign, spoke briefly, recommending inclusion of the polio fund solicitation in the Community Fund. The matter was left in the hands of the newly elected officers for consideration.

DR. BRATRUD TELLS OF PHILADELPHIA GOP CONVENTION

Rotary Speaker Served as Alternate Delegate; Cites Stassen Strength

Dr. Edward Bratrud addressed the Rotary club at its luncheon meeting Tuesday noon, recounting his experiences at the Republican national convention in Philadelphia last week, which he attended as an alternate delegate from Minnesota.

He stated that the Minnesota delegation, under the leadership of Governor Luther W. Youngdahl, worked like Trojans in the interests of Harold E. Stassen, and he voiced the belief that Stassen supporters in the convention were far more numerous than indicated by the number of votes cast for him, totaling 157 on the first ballot.

Dr. Bratrud declared that Stassen must be reckoned with in the future as a potent factor in the Republican party despite his failure to win the nomination. He cited the tremendous ovation received by Stassen when he appeared on the platform and spoke in advance of the third and decisive ballot.

Another speaker at the luncheon was Dr O. F. Mellby, Pennington county chairman of the Mayo memorial fund campaign, who urged public support for the drive.

The cooperation of the weather man is all that is needed to insure the success of the fifth annual Jaycee Sports Carnival Saturday, Sunday and Monday, July 3, 4 and 5.

The committees in charge, working under the direction of Glenn Carlson, general chairman, have succeeded in arranging a program packed with activities that will appeal to all elements of the population. The detailed schedule of events appears in an adjoining column.

Highlights of the festivities include an impressive grand parade Sunday afternoon at 1 o'clock, in which the queen candidates will ride on attractively decorated floats; followed Monday at 1 o'clock by a kiddies' parade, in which candidates for the title of princess will participate.

The parades will start at the court house, proceeding north on Main av. to Second st., east on Second st. to Horace av., north to Third st., west to Main av., north to Fourth st., and then west to the fair grounds.

A free show will be given in the Auditorium Saturday morning at 11:30 by Slim Jim and his troupe from Radio Station WDGY, Minneapolis. The show will be aired on the Minneapolis station from this city.

Each of the three afternoons at 2:30 and each evening at 7:30 a company of cowboys from Calgary, Alberta, will present a series of thrilling chuck-wagon races and a variety of cowboy stunts at the fair grounds augmented by music by Maurice Jackson's Great Lakes all-girl orchestra.

An added attraction in front of the grandstand Saturday evening will be Slim Jim's WDGY Roundup Frolics, comprising six fast-moving acts, including Campbell & Lloyd, knockabout comedians; Bennie Allen, mimic; Bob Mann, Swiss hillbilly offering accordion and yodeling; and Lang & Lee, novelty juggling act.

In addition to the chuck-wagon races, the program Monday evening in front of the grandstand will include a special home talent show, the crowning of Miss Thief River Falls in an elaborate ceremony and a record-breaking display of fireworks.

At 9:30 each of the three evenings there will be a dance in the Auditorium with music supplied by Lee Williams and his orchestra, with Miss Thief River Falls coming in for special attention at the dance Monday night.

Mildred Hanson and Leonard M. Furuseth Speak Nuptial Vows

Miss Mildred Joyce Hanson, daughter of Mr. and Mrs. John A. Hanson of Roseau, and Leonard M. Furuseth, son of Mr. and Mrs. Peder Furuseth of this city, exchanged marriage vows at a double ring ceremony performed at the English Lutheran church in Roseau, June 24. The ceremony was read by Rev. T. C. Hanson at seven p. m. before an altar beautifully decorated with mixed garden flowers.

The traditional wedding marches were used by Mrs. E. Halverson of Roseau, and Miss Annabelle Peterson of this city, cousin of the groom, sang "Because" before the ceremony, and "The Lord's Prayer" while the couple were kneeling.

Given in marriage by her father, the bride was gowned in white marquisette over chiffon, trimmed in lace. Her gown was styled with long sleeves which came to a point at the wrist, and a fingertip veil. She carried a white Bible, a gift of the groom, on which were placed pink roses and white carnations with ribbon streamers.

Attending the bride were Miss Julie Stoskopf, a friend, as maid of honor, wearing an aqua gown with hoop skirt and carrying yellow roses, and Nobelle Furuseth and Mrs. James Walker, sisters of the groom, bridesmaids, were attired in yellow and pink gowns, respectively and they carried bouquets of pink roses and white carnations. JoAnn Hanson, a niece of the bride, in a gown of blue, carrying pink roses and carnations was flower girl, and the groom's niece, Barbara Stromberg carried the rings on a blue satin pillow.

The groom was attended by his brother Norman Furuseth as best man, and Arthur Hanson and Ervin Hanson, brothers of the bride.

T. Hanson, brother of the bride, and S. Hanson, friend of the groom, served as ushers.

Mrs. Hanson wore grey with white accessories and Mrs. Furuseth was in black with matching accessories. Both wore corsages of pink roses and white carnations.

Following the ceremony 150 guests were entertained at a reception in the church parlors given by the bride's parents. The table at which the bride and groom were seated had a three tiered wedding cake topped by a miniature bride and groom. Mrs. T. Hanson, sister-in-law of the bride, had charge of the guest book and gifts, and Elaine Lindgren and Janice Grahn of Roseau, friends of the bride were waitresses.

The bride is a graduate of Roseau high school and is employed at the local AAA office, and the groom, a graduate of Lincoln high school is employed by Consumers Coop. Ass'n. They left on a week's wedding trip to North Shore Drive and will return to this city to make their home. For going away the bride chose a grey suit with pink and navy blue accessories.

The groom is a graduate of Lincoln high school, class of 1941 and served 3½ years in the Navy Air Corps. They left on a wedding trip thru the Iron Range and northern Minnesota, and are now residing in this city, where the groom is employed.

Youngest Bachelor of Viking Takes Delores Peterson as Bride

Sunday June 27, will long be remembered as perhaps the most eventful day in Viking history, as on this day the youngest bachelor of Viking, Stanley Larson, led his bride Delores Peterson, daughter of Mr. and Mrs. Egil Peterson of Middle River, to exchange marriage vows in a formal wedding at Viking Lutheran church.

Before the ceremony was read by the Rev. Carl T. Thompson, Glena Halvorson sang "O Perfect Love" accompanied by Miss Beverly Gustafson, who also furnished pre-nuptial music and the traditional wedding marches. While the couple were kneeling, Judith Znerold sang "The Lord's Prayer."

This marked the first bachelor marriage since Viking received its outstanding publicity in the Minneapolis Sunday Tribune, February 29. As a result of this nation-wide publicity many different publications became interested in "Bachelor Town." The wedding was made particularly noteworthy by the presence of Wallace Kirkland, reporter and photographer for LIFE magazine; Evelyn Burke, reporter for the Minneapolis Sunday Tribune; and Peter Marcus, photographer for the Minneapolis Tribune, and numerous other photographers.

Amid the flashing of bulbs and the clicking of cameras everywhere the bride walked slowly down the aisle on the arm of her father, and smiled as she met the groom. When the ceremony was over and the bridal party turned from the altar, they again met with the barrage of flash cameras.

Following the ceremony congratulations and best wishes were extended to the couple by a host of relatives, invited bachelors and many friends that had packed the church to capacity.

An elaborate reception was sponsored by the Viking bachelors, and the lunch was prepared by the Zion ladies aid and served by a group of young ladies dressed in semi-formal garb of uniform style. Many lovely gifts were presented to the newlyweds, who immediately after the reception left on a brief wedding trip

Trinity Church Scene of Hornseth-Heieren Wedding Saturday

Trinity church was the scene of a pretty candlelight service Saturday evening, June 26th, at 8 o'clock when Miss Palma Norah Hornseth of this city became the bride of Orville H. Heieren, son of Mr. and Mrs. Edward O. Heieren of this city. The Rev. G S. Thompson performed the double ring ceremony before the altar decorated with palms, lighted candles and baskets of peonies.

Mrs. Arthur Hamilton played a prelude of nuptial music and the traditional wedding marches. Mrs. Oscar Fosholm sang "O Perfect Love" and "The Lord's Prayer."

The bride, given in marriage by her brother, Einar Hornseth, wore a white satin gown with marquisette yoke edged in lace and the bottom of the skirt had a pick-up front fastened with pearl clusters, revealing rows of ruffled lace. Her veil of net fell from a beaded coronet, and she carried a shower bouquet of red roses, white carnations and stephanotis.

Kathryn Heieren, sister of the groom, attended as bridesmaid in a gown of aqua taffeta, and carried a shower bouquet of yellow roses and white carnations. Patricia Gail Hornseth, niece of the bride, was flower girl and wore yellow organdy. Her colonial bouquet consisted of red baby roses and white carnations, Emil Heieren, brother of the groom, was best man; Mrs. Theodore Hornseth and Mrs Albert Lafrenz were usherettes. The groom's mother was attired in a rose dress and wore a corsage of roses.

After the ceremony a reception was given in the church parlors for about 125 guests. The bridal table was decorated with a three tiered wedding cake topped with a wedding bell, and candles lighted the table at either end. During the reception Mrs. Oscar Fosholm, accompanied by Mrs. Arthur Hamilton, sang "O Happy Home"; and little Carolyn Fosholm, cousin of the groom, sang "Because".

Janet Heieren had charge of the guest book, Mrs. Einar Hornseth and Beverly Ann Hornseth had charge of the gifts; Mrs Palma Loftnes poured, Mrs. Harwood Olsen cut the cake and Miss Eileen Rhodegard, Tena McKenna, Mrs. John Jaranson and Mrs Don Kolbo were waitresses.

Prior to her marriage the bride was employed as deputy city clerk and bookkeeper for the water and light department of this city. The groom is engaged in farming northeast of this city. After a wedding trip to the North Shore Drive and points in Canada they will reside in this city.

The First Lutheran Church of Clear Lake, Wisc., was the scene of a pretty candlelight wedding Saturday evening, when Miss Bette Johnson, daughter of Mr. and Mrs. H. B. Johnson of Clear Lake, exchanged marriage vows with Clifford Thomas of Pampa, Texas, son of John Thomas Sr. of this city, Rev. Startroen read the double ring ceremony before an altar bedecked with baskets of ferns and peonies. 100 relatives and friends witnessed the service.

Entering on the arm of her father who gave her in marriage, the bride wore a gown of nylon marquisette over satin, with sweetheart neckline and lace bustle. Her fingertip veil held in place with a tiara of orange blossoms extended over a five foot train. She carried a bouquet of yellow and white roses. The bride's sister Mrs. Vern Songstad of Sioux Falls, S. Dak., was matron of honor, wearing blue marquisette over taffeta with shoulder veil, and Miss Bonnie Johnson, bridesmaid, wore pink net over taffeta with veil. They both carried colonial bouquets. Sharon Lea Johnson was flower girl and Terrill Smith was ring bearer.

The groom was attended by his brother, John Thomas of this city, as best man, and Grant Barnard, Jr.

Mrs. Thomas is a graduate of Clear Lake high school and the groom, a graduate of Lincoln high school, class of 1940, attended the University of North Dakota, Grand Forks, and radio school in Minneapolis. They left for Pampa, Texas and will make their home there while Mr. Thomas is an announcer at radio station KPDN. For travelling the bride wore a pink suit with white accessories.

Clara R. Haugen Weds Vernon Iverson at Oak Park Lutheran Church

At a double ring ceremony performed by Rev. H. Lie at the Oak Park Lutheran church, Saturday, June 19, Miss Clara R. Haugen, daughter of Mr. and Mrs. Harold Haugen of Oklee, became the bride of Vernon B. Iverson, son of Mr. and Mrs. Gust Iverson of Goodridge. The church was decorated in pink, blue and white.

The bride entered on the arm of her father who gave her in marriage and wore a gown of white slipper satin, with lace inserts in front, long sleeves which came to a point at the wrist, sweetheart neckline, full train and long veil. She carried a bouquet of white roses and carnations.

She was attended by Mrs. Oscar Sparby, as matron of honor, wearing a pink taffeta gown, and Mrs. Milen Eliason, bridesmaid, wore blue taffeta. They carried bouquets of red roses and white carnations. The groom's niece, Karen Kriel was flower girl, and the bride's cousin, Harry A. Haugen was ring bearer.

The groom was attended by Robert Johnsrud of Goodridge as best man, and Harvey Haugen, brother of the bride.

The bride is a graduate of Lincoln high school, class of 1944 and teachers training department, class of 1945, and has been teaching several years in rural schools. They left on a wedding trip to Bemidji, Duluth and North Shore Drive and are now at home with the groom's parents. For traveling the bride chose a yellow two-piece dress

Virginia Genevieve Bernstein Marries Raymond J. Matero

Father William Swanson read the marriage of Virginia Genevieve Bernstein, daughter of Mr. and Mrs. Glenn Bernstein of this city, and Raymond J. Matero, son of Mr. and Mrs. Jacob Matero of Middle River on Tuesday afternoon, June 29, at St. Bernard's rectory.

The bride was pretty in a gown of white, with satin bodice trimmed with lace, and Marquisette skirt and train. She also wore a locket, gift of the groom, and carried a bouquet of red roses. Betty Faye Robinson, cousin of the bride, was maid of honor and wore a lime green formal and roses in her hair. She wore white pearl earrings form the bride. Bridesmaids were Betty Jane Bernstein in an orchid formal and Lea Kalpen wore deep pink. All the attendants carried bouquets of white carnations and yellow roses.

The groom was attended by a friend Maynerd Iverson of this city as best man, and Arvid Matero of Middle River.

The bride's mother was in a grey flowered Bemberg dress and the groom's mother wore a navy blue dress. They both wore corsages.

Approximately 50 guests were entertained at a reception following the ceremony in St. Bernard's church parlors given by the bride's parents. The bridal table was graced with a four tiered cake topped by a miniature bride and groom, given by the bride's grandmother, Mrs. A. S. Bernstein. When the bridal couple entered for the reception Aloyce Iverson played Lohengrin's wedding march, and during the reception Mrs. Glenn Evans, an aunt of the bride sang "Because," and "O Perfect Love". "I Love You Truly" was sung by Mary Ann Bernstein. Waitresses were Margie Severson, Esther Michealis, Elvie Nelson, and Lavonne Thompson, all dresses in black skirts with white blouses and wearing white aprons trimmed in yellow.

Mrs. Matero is a graduate of Middle River high school, class of 1946 and is employed by the local Bell Telephone co. and Mr. Matero is engaged in farming. They left on a two weeks wedding trip which will take them thru interesting points in Canada. For going-away the bride chose a light blue suit with white accessories .

Guests from out-of town attending the wedding included Mrs. Rudolph Hamary of Kindred, N. Dak.; Mrs. Dell Huartson of Baudette; Mrs. John Pribula, Mr. and Mrs. Truman Mattson, Phillip Robinson, Mr. and Mrs. Joseph Polansky and Mrs Terry Schobik of Grafton, N. Dak.; Betty Jane Robinson of Milwaukee, Wisc.; Grace Matero and Gertrude Matero of Minneapolis; Mr. and Mrs. John Meland, Mr. and Mrs. Archie Knutson, Mr. and Mrs Arnie Johnson, Mr. and Mrs. Sulo Johnson, Mr. and Mrs. Earl Knutson, Elvie Nelson and Sharon, Loris Danielson, Floyd Hallon, Mrs. Jacob Matero and Arthur, Henry Polansky and family and Mrs. Bertha Polansky of Middle River; and Mr. and Mrs. George Polansky and family, Thea and Aloyce Iverson, Ole Moberg, Mr. and Mrs. A. S. Bernstein and Mary Ann, and Mr and Mrs. Glenn Evans of Gatzke.

T. O. LIEN, OKLEE, IS NEW PRESIDENT OF SATESDALSLAG

Is Elected at Recent Convention at Oklee to Succeed Olaf Neset

T. O. Lien of Oklee was elected president of the Satsdals Lag at the business session of that organization which concluded a three-day meeting in Oklee June 20, says the Oklee Herald. Mr. Lien, former secretary of the Lag, succeeds Olaf Neset of International Falls, who is retiring because of poor health.

Bernt Sorbo of Grand Forks, was reelected vice president; Halvor Omlid of McIntosh was elected secretary to succeed Mr. Lien; Sigrud Krostue of Oklee was re-elected treasurer.

Directors are Gunder Nesland of Thief River Falls, Halvor Nesland of Grand Forks, Gunnar Langelr of East Grand Forks, Olaf Neset of International Fals, Grunde Stubseid of Effie and Aslak Moen of Crookston.

Main speaker of the program was Carl G. O. Hanson, former editor of the Minneapolis Tidende. Others who spoke were Halvor Langslett of Detroit Lakes, foreman of the Halling Lag; Rev. Hofrenning of Fargo, Rev. Njus of McIntosh and Rev. Skilbred of Fargo who conducted festival services in Zion Lutheran church Sunday morning. President Neset spoke on a trip he made to Norway last year.

The musical portion of the program featured Mrs. Andrea Quisling, 85-year old violinist from Madison, Wis., Mrs. Marie Sexse of Eagle Grove, Ia., also a violinist, and the Sorenson Brothers, well known singers.

Mr. and Mrs. John Doran and children of Newfolden visited Saturday at the Clarence Hall home.

DRIVERS FINED IN MUNICIPAL COURT

Out-of-town Men Fined for Drunken Driving

On charges of operating a motor vehicle while under the influence of intoxicating liquor, Harold Lerum of Greenbush was arrested by the highway patrol June 26, while Clifford C. Kautcher of Gonvick was arrested June 28. Brought before Judge H. O. Chommie in municipal court, each paid a fine of $75 and $3.50 court costs, and his drivers license was revoked.

Charged by the local police Monday with failure to stop at the scene of an accident, in which his car had been involved, Robert N. Reed of Route 3, City, paid a fine of $25. Raymond A. Nowacki of Stephen, charged by the highway patrol Monday with careless driving, paid a fine of $15 and $3 costs.

Several other men were brought into court by the patrol on charges of failing to heed stop signs, and paid fines of $5 and $3 costs.

Former Valley People Will Picnic at Tacoma

NEW LAW DOESN'T AFFECT OLD-AGE AID RECIPIENTS

New Legislation Has No Relation to Increases in July Checks, Says Lynskey

A great many old age assistance recipients will receive a small increase on their checks being mailed to them today, but this is due to an increase in food allowance and has no relationship to the new federal legislation passed this month. The social security bill passed by Congress does not mean automatic increases in Pennington public assistance grants.

This was revealed by John X. Lynskey, Pennington county welfare executive, who administers the state-federal aid programs of old age assistance, aid to dependent children and aid to the blind which are affected by the bill.

Mr. Lynskey explained that the bill raises the amounts to be spent by the federal government in the social security aid programs but does not increase the size of grants to assistance recipients.

"The increases authorized by Congress," he said, "mean simply that federal participation in the programs will be greater. With the federal government carrying a larger share of the costs, the state and Pennington county will carry a correspondingly lesser share.

"This does not mean that the amounts we pay out for grants will be any larger," he emphasized. He pointed out that under state laws which govern maximum grants, the state and Pennington pay grants as high as or higher than the federal ceiling. The bill merely raises this federal ceiling.

Savings to Pennington county under the new federal legislation are estimated at $10,000 a year, but the county share of costs will still be one-third higher than a year ago due to the higher cost of living.

The average OAA grant in this county this month is $44.84 contrasted with about $36 a year ago.

Enjoyable Ladies Night Program Staged Tuesday by Lions at Golf Club

Members of the Lions club and their wives, totaling more than 60, assembled at the local golf club Tuesday evening for an enjoyable Ladies Night dinner and program. A special feature was the rendition of a group of songs by the state champion Eagles quartet composed of Harold Anderson, Elmer Zaaher, Kern Olson and Elmer Larson. Carl Harthen led in Community singing, accompanied on the piano by Harold F. Harrison.

Bids to Be Advertised for July 15 on Second Phase of River Project

Bids will be advertised for July 15 for the second phase of the Red Lake river channel improvement project, and about August 15 for the first stage of the work on the Clearwater river, it was announced here this week by L. J. Oberg, resident engineer supervising the work now under way in the River Valley area. The new projects are made possible by the recent action of Congress in appropriating $1,000,000 in additional funds to continue the work.

Mrs. Robert Conger (Mary Alice Biedermann) arrived last week to spend a vacation with her parents, Dr and Mrs. J. Biedermann. She will leave July 18 for New Orleans, where she and her husband will reside.

July 1-8

Editorials....

Last night the city dads decided to go along with city health officer Doc Melby and start a war on alley filth. They agreed that alleys of the city are in bad condition and need to be cleaned up. As the first step in this direction we are going to have strict enforcement of the ordinance dealing with garbage recepticals. In next week's issue of the great family journal you will be told about the provisions of this ordinance, including specific information on how large a fine will be imposed upon you if you do not comply. Then, having given this information to you and you and you, the enforcement will start. After that Doc hopes we can get going on a city-wide war on rats. All of which, say we, is a swell idea.

Another long holiday is just around the corner, and a long holiday means a long list of traffic accidents. Be extra careful in your driving this week-end, won't you? Don't take unnecessary chances. Maybe by your extra caution you will save several lives, including your own.

PLUMMER AND RLF TEAMS ARE IN TIE FOR LEAGUE LEAD

Crookston Trailing by One Game as First Half of Schedule Is Ended

Northern Minnesota Baseball League

	Won	Lost	Pct.
Plummer	[illegible]	[illegible]	.857
Red Lake Falls	[illegible]	[illegible]	.857
Crookston	[illegible]	[illegible]	.714
Thief River Falls	[illegible]	[illegible]	[illegible]
Fosston	[illegible]	[illegible]	[illegible]
St. Hilaire	[illegible]	[illegible]	[illegible]
Winger	[illegible]	[illegible]	[illegible]
McIntosh	0	[illegible]	.000

Results of Sunday's games:
St. Hilaire, 2, at Thief River Falls, 4
Crookston, 6, at Plummer, 0
Winger, 11, at Red Lake Falls, 19
Fosston, 5, at McIntosh, 2

Games this week:
Open date.

Except for a pair of postponed games—Thief River Falls vs. Winger and St. Hilaire vs. McIntosh — the first half schedule of the Northern Minnesota baseball league was completed last Sunday and the standings reveal that the Plummer Red Sox and Red Lake Falls Lakers are deadlocked for first place. Trailing the leaders by one game is the Crookston Pirates, the defending league champions, and in fourth place is the Thief River Falls Thieves.

The league schedule will be resumed on July 11th, but all league teams are expected to be in action this week-end, playing exhibition games. The Plummer nine is billed to meet the Thieves on the Fair Grounds on Sunday afternoon, July 4th, and that game should draw a large crowd.

Last Sunday's games found the league teams engaging in the most evenly-contested battles of the season, with the day's two top-flight games being extra-inning affairs. Playing at Plummer, the Crookston Pirates, behind the four-hit pitching of lefty Ken DuPuis, defeated the previously unbeaten Red Sox nine, 6 to 0, in ten innings. For seven innings Plummer's big George Saunders hurled no-hit, [illegible] ball, but in the top half of the 10th inning Jimmy Medved, the first Pirate to bat, slammed out a terrific homerun over the left centerfield fence to break up the game. The Pirates added five more runs before they were retired. The defeat droped the Red Sox into a first place tie with the Red Lake Falls team, who trounced the Winger Tigers, 19 to 11, in a game played at Red Lake Falls.

Thief River Falls and St. Hilaire engaged in another of their customary extra-inning thrillers, and the Thieves, by scoring a pair of runs in the 9th inning of the game to tie, and another run in the 10th inning, handed the Saints their fourth consecutive league loss.

Paul Engelstad, Alfred Longren Given Posts on Soil Conservation Board

Paul Engelstad and Alfred Longren have been appointed as two supervisors of the newly formed Pennington county soil conservation district, according to County Agent Frank A. Hobbs.

Mr. Libby, district conservationist, along with Messrs. Robertson and Bullard, soil conservation service soils men, and professor McMiller of the soils division, University Farm, plan to spend two days in Pennington County, July 13 and 14 making a preliminary survey of the soil and drainage problems in the soil conservation district.

76 National Guardsmen Return from Camp Ripley

A total of 76 members of Company F, 136th Infantry, Minnesota National Guard, returned to Thief River Falls last Sunday after having spent two weeks in summer maneuvers at Camp Ripley near Little Falls. Approximately 1,000 men from more than twenty cities attended the camp, the local contingent being under the command of Captain A. C. Tiedeman.

FREE CHURCH WILL OPEN BIBLE CAMP AT WARREN JULY 5

Local Residents Will Participate in Camp Closing Sunday, July 11

The Bible camp for the Thief River Falls district of the Lutheran Free church will convene next week, July 5-11, at the Covenant camp grounds at Warren. Guest speakers will be the Rev. F. B. Monseth of Superior, Wisc., and the Rev. L. M. Gudmestad of Minot, No. Dak. Young people from northwestern Minesota and Northeastern N. Dak., are expected to enroll.

Camp registration will open Monday afternoon with supper served at 5:30, and the first services at 8 p. m. On each of the succeeding days, class periods will be from 9 to 12 in the forenoon. The afternoons are for planned recreation under the direction of Rev. W. Anderson of Pembina, N. D. Services will be held each evening at 8, followed by campfire, and on Sunday at 10:45 a.m. and 2:30 p. m. The Rev. C. Osthy of Wannaska will be in charge of the music.

Other personnel of the camp include: dean, Rev. E. J. Raaum, Newfolden; registrar, Rev. J. Nystuen, Greenbush; camp manager, Rev. G. P. Ronholm, Thief River Falls; dean of boys, Rev. W. Anderson; dean of girls, Miss Judith Lockram, Thief River Falls; camp nurse, Miss Ellen Ronholm, Thief River Fals.

Rites Saturday for Ed Vasstrand, 84

Funeral rites will be conducted at the Gulbranson chapel Saturday afternoon at 2 p. m., Rev. G. S. Thompson officiating, for Ed Vasstrand, 84, who died Tuesday night at the home of his niece, Mrs. R. W. Nelson in this city.

Mrs. Ole Englund, Resident of Western Beltrami County, Dies

Funeral services will be held this afternoon at two p. m. at the Full Gospel Assembly in Goodridge for Mrs. Ole (Betse) Englund, who was summoned at a local hospital on Tuesday morning, June 29, at the age of 82 years. Rev. Edward Logelin will officiate and interment will be made in Esplie township.

Mrs. Englund was born on Dec. 9, 1865 in Ockello, Sweden and came to the United States in 1892 and settled at Herman, Minn. On May 29, 1893 she was united in marriage to Ole Englund at Morris, where they resided on a farm until 1912, when they homesteaded in Lee township, Beltrami county. She had been in ill health the past three years.

She is survived by her husband Ole Englund; three daughters, Mrs. John Kelstrom of Grand Forks, N. Dak., Mrs. Joe Vallet and Mrs. John Nelson of this city; three sons, Emil of Grygla, Alfred of Fergus Falls and Chester of Petersburg, N. Dak.; 18 grandchildren and five great grandchildren; and a sister, Kajsa Anderson in Sweden. Her parents, a son, a daughter, a brother and two sisters preceded her in death.

Clearwater Co. Road Job Awarded to Ose Brothers

Two more state aid road improvement projects were put under contract this week, on state aid roads in Clearwater and Todd counties. The state highway department, which acts as agent for the counties on federal aid secondary projects, announced the award of the job in Clearwater county on S.A.R. 2—Grading for 7.7 miles between three miles north of Alida and T. H. 2 in Shevlin to Ose Bros. of Thief River Falls for $39,823.

Viola Skadsem of Newfolden is visiting this week with her brother-in-law and sister, Mr. and Mrs. Robert Kilner and Mrs. A. M. Senstad.

Mr. and Mrs. Milton Larson of Fargo, N. Dak., and Mr. and Mrs. Justus Larson returned the first part of the week after spending five days in Chicago, Ill.

Locals Come from Behind to Defeat St. Hilaire in 10th

The locals, trailing by a 3 to 1 score as the last half of the 9th inning opened, pushed two runs across the plate to tie the game, and then added a run in the 10th inning to defeat the St. Hilaire team in a thrilling Northern Minnesota baseball league game played on the Fair Grounds diamond Sunday afternoon. The game completed the first round schedule of league play, and this week the Thieves will engage in a pair of exhibition games as features of the Jay Cee's Sports Carnival, meeting Plummer Red Sox on Sunday afternoon, July 4th, and playing the Warren nine on Monday, July 5th. Both games are slated to begin at 4:30 P. M. on the Fair Grounds diamond.

Sunday's game, which found St. Hilaire receiving its fourth straight defeat, appeared to be in the Saints victory column until the 9th inning. Connie Swanson opened the game by grounding to Blackie Stephens and when the Thieves' shortstop made a low throw to first base, Swanson made first safely and advanced to second base. Don Johnson's double to centerfield scored Swanson. Harlan Olson grounded to Stroble, and on a fielder's choice, Johnson was nipped at third base. Woody Almquist drove Olson around to score by sending a towering double to the fence in left field, giving the Saints a 2 to 0 lead.

In the locals half of the 1st inning, Cockrell was out on a foul to Zachar; Phil LeGault was hit by a pitched ball; Rasmussen struck out; Paulsen singled into left field, with LeGault stopping at third. Paulsen stole second, but Swede Lund was out when his hard line drive was caught by Olson.

The Thieves picked up their run in the 4th inning when, after Lund had flied out to right field, and on the play Newman made a nifty overhead catch, Stephens singled into right field. Stephens moved around to third base on a steal and a high throw, and then scored when Nornes singled into right field. Nicky Carlson kept the rally alive by a ground single past shortstop, but Stroble was called out on strikes and Cockrell sent a high foul pop to Jacobson.

St. Hilaire added their third run in the 6th inning when Harlan Olson lofted a homerun over the right field fence.

In the game-tieing, Harold Stroble poled a double against the fence in left, centerfield. Cockrell grounded out, second to first, with Stroble moving ahead to third base. Phil LeGault was hit by a pitched ball. Manager Rasmussen sent a long fly to left field, with Stroble scoring after the catch and LeGault, who had stolen second on the previous pitch, advanced to third base. Babe Paulsen's looping hit into short right field fell safely when first baseman Olson and second baseman Oberg became entangled on the play, LeGault scoring the tying run.

In the 10th inning, after St. Hilaire had been retired in order, the locals tallied the winner when, with one out, Nornes singled to right field. Wayne Goethe's ground ball to first base moved Nornes on to second base with two men away. Harold Stroble hit a fly into short left field and when the ball fell for a hit, Nornes scampered across with the game-winning run. Stroble's looper was nearly caught by shortstop Donnie Johnson, but the Saints left fielder and the shortstop had a near-collision on the play, and the ball dropped just out of Johnson's reach.

The well-played game was witnessed by the largest crowd of the year, and the fans were treated to sparkling baseball.

Blackie Stephens, with four hits in five times at bat, led the locals in their 14-hit attack on Woody Almquist. Harlan Olson, with a homerun and double in four trips to the plates, gave the Thieves anxious moments whenever he came to bat.

Legion Junior Ball Club Books 2 Games for Week

Rain washed away a number of the games on the Legion's junior baseball schedule, but coach Babe Paulsen hopes to get the team back into action this week. On Friday evening, July 2nd, the Legion will meet the Intermediate All-Stars in a twilight game on the Fair Grounds diamond.

And on Thursday evening, July 8th, the local juniors will meet the Alvarado juniors on the Fair Grounds diamond. A couple of weeks ago the Alvarado team, which is rated as one of the district's strongest teams, edged out the locals in a game at Alvarado, and coach Paulsen and the team are anxious to reverse that decision.

SOFTBALL LEAGUE HAMPERED BY RAIN DURING PAST WEEK

Northern Chevrolet Team Defeats Middle River 11-0 on Friday

League Standings

	Won	Lost	Pct.
Oen's	4	0	1.00
Poppler's Furniture	5	1	.833
Eagles	4	2	.667
Northern Chevrolet	3	3	.500
Viking	1	3	.250
Middle River	1	4	.200
Bridgeman's	1	4	.200
Hudson Motors	1	4	.200

Results of the week's games:

Northern Chevrolet, 11; Middle River, 0.

Poppler's Furniture, 12; Eagles, 6.

Games next week:

Thursday, Oen's vs. Middle River.

Friday, Hudson Motors vs. Northern Chev.

Tuesday, Bridgeman's vs. Oen's.

Wednesday, Poppler's Furn. vs. Middle River.

Thursday, Hudson Motors vs. Eagles.

Friday, Northern Chev. vs. Viking.

Rain and wet grounds continued to interrupt the city softball league schedule this week with the result that only two games were played. On Friday night, playing off a postponed game, the Northern Chevrolet nine defeated the Middle River team, 11 to 0; and on Tuesday night the Poppler's Furniture took the measure of the Eagles, 12 to 6.

Last Friday night's game found the Northern Chevrolet's pitcher, Gordy Kaushagen, turning in a no-hit and no-run game. The husky hurler retired the first eleven batters in order and it wasn't until the 4th inning that Middle River got a man on base, and that occurred when catcher Chuck Barr dropped an infield pop.

Playing on a muddy diamond Tuesday night the Poppler's were hard-pressed to subdue the Eagles team, 12 to 6. The Eagles gained a 2 to 0 lead in the 1st inning only to have the Poppler's, taking advantage of Eagles' misplays, forge into a 5 to 2 lead going into the the 5th frame. The Eagles tied the game at 6-all in the 6th inning; but in the top half of the 7th inning the Poppler's ran six scores across the plate, with the Eagles infield contributing a pair of errors that permitted the scores to tally.

With the league schedule being cluttered with postponed games, the various teams should contact league secretary Walt Larson and discuss with him the arrangements to be made to play the postponed games.

SHOWERS EARLY THIS WEEK BRING .64 INCH OF RAIN

Showers early this week brought a total of .64 inch of additional precipitation, according to the KTRF rain gauge. Of the total, .38 inch arrived Monday and .26 inch Tuesday.

Midget, Intermediate Tourneys Will Feature Jaycee Sports Carnival

One of the features of JayCee's mammoth Sports Carnival will be the Intermediate and Midget boy's baseball tournaments that will be held on Saturday, Sunday and Monday.

The Intermediate division, with three teams participating, will begin play at 10:00 A. M. Saturday morning, with the local team meeting the Warren nine, with the game being played on the softball diamond at the fairgrounds. The winner of that game will face the Bemidji Intermediates at 11:00 A.M. Monday morning for the regional championship, Bemidji being awarded a first-round bye. This game, too, will be played on the softball diamond.

The Midget division, which has nine teams entered in competition, will begin play in its tournament schedule at 10:00 a. m. Saturday morning, with the Crookston Midgets playing the Mahnomen nine, and the winner of that game is slated to meet the Stephen nine at 6:15 p. m. in a quarter-finals game. At 12:30 p. m. Saturday, the Red Lake Falls and Bemidji Midgets will play; while the Warren and Lake Bronson nines are billed to play at 2:30 p. m. Saturday, and the Thief River Falls vs. Argyle game at 4:30 p. m. will, except for the Stephen game at 6:30, conclude the first round of play.

At 2:30 p. m. Sunday the first game of the semi-finals will be played, and the second game is scheduled for 4:30 p. m. The championship finals, for the right to represent the region in the state tournament, will be played at 4:30 p. m. Monday. All the Midget tournament games will be played on the East Side diamond.

Comprising the squad to represent the local Midgets, coach Jimmy Welton has named the following players: captain Don Johnson; Bert Greenside, Myron Hajostek, Roger Williamson, Jack LaSalle, Stan Rosengren, Kent Zabel, Joey Poole, Jack Hoppe, Larry Gilbertson, Roger Elofson, Ronnie Buen, Bruce Williamson, Darryl Vad, and Billy Maruska.

The locals Midgets, playing at Stephen last Friday evening, were upset by the Stephen Midgets, loosing by a 6 to 4 score. Stephen, taking advantage of a pair of bases on balls and a couple of wild pitches by Stan Rosengren, added to an error and three bases hits, counted four runs in the 1st inning. Hits by Don Johnson and Bert Greenside in the 2nd inning, coupled with a Stephen error, gave the locals a pair of runs. McGlynn's double and infield error gave Stephen a tally in the 3rd inning; and a pair of walks and singles by McGlynn and Taylor scored another Stephen run in the 4th frame. Roger Williamson's double, a walk to Jack Hoppe, an error on Joey Poole's ground ball, and a fielder's choice on Ken Zabel's ground ball pushed two runs over the plate for the locals in the 5th inning. A Stephen double play ended the locals rally.

Rep. Harold C. Hagen to Virit City This Evening

Rep. Harold C. Hagen of Crookston, returned Wednesday from Washington, will come to Thief River Falls this evening to confer with the committee arranging details of the dedication program July 9 and 10 for the Red Lake-Clearwater river flood control project.

Looked Like Champions

Although the Thieves needed the benefit of a couple of "breaks" in the 9th and 10th innings, when a pair of looping hits fell for safeties, in order to record that 4 to 3 win over St. Hilaire, the fact remains that maanger Rasmussen's team looked the part of champions by coming from behind to defeat the stubborn Saints. And that victory was vital, too, for it kept the locals' league title hopes flickering, while St. Hilaire, taking their fourth loss, apparently has been eliminated from the championship race and relegated to the role of "spoilers," and manager Myles Jackson's team will provide the circuit with an upset or two before the season concludes.

The locals deserved the decision on Sunday for they had men on base in every inning, but only in the 4th, 9th, and 10th innings were they able to capitalize on their scoring opportunities. In the 2nd, 3rd, and 7th innings the Thieves, on a pair of doubles by Stan Cockrell and a single by Stephens and an outfield error, the leadoff man reached second base, but the runners were stranded there when the following batters were retired in order. Harlan Olson, playing first base for St. Hilaire, ended a 1st inning scoring threat by spearing Swede Lund's terrific line drive for the third out, and in the 3rd and 4th innings, right fielder Nels Newman made a pair of over-the-shoulder catches to snuff out base hits.

It is evident that Woody Almquist, the Saints veteran pitcher, is having arm trouble, for the fire-baller collected only three strikeouts during the game, was tagged for fourteen hits (four of them by Blackie Stephens) and was forced to resort to more curve-ball pitching than has been his custom.

The Thieves will play a pair of exhibition games during the JayCee's Sports Carnival on Sunday and Monday, playing Plummer on Sunday and Warren on Monday. On Sunday, July 11th, the Northern Minny league will resume its schedule, and on that date the locals will be host to the Plummer nine again, and that's the game for which the fans have been waiting. The locals will be somewhat shorthanded for the games this week-end, with Swede Lund having left town on Monday morning to visit relatives in upper Michigan, and it's doubtful if the Swede will be back in time to participate in league games later on. Phil LeGault left yesterday for Gladstone, Michigan, and a short visit at his home, but Phil is expected back by the 8th.

Memo to Sportsmen

Don't forget that the local sportsmen's club will be host to the Northwest Association of Conservation Clubs and the Minnesota Game Protective League on July 16th, 17th, and 18th when the two organizations hold their annual meeting here. A jam-packed program is being arranged, with retriever trials, trap shooting, bait and fly casting contests and exhibitions, as well as other events that will attract the sportsmen of this vicinity and the Northwest.

A Flyrod Pike.

Gladys and Orvis Olen had themselves a busy twenty minutes on Sunday when they landed an 18-pound northern pike, and they hooked the pike while fishing with a fly rod. The couple wer trolling in Lake of the Woods about a mile off shore at the mouth of the Rainy river when Gladys, who had the rod at the time, hooked what she believed to be a snag. Orvis, taking over the rod in an attempt to free the hook, became excited when the "snag" began to move, and for the next twenty minutes they had all the excitement they craved. They managed to "work" the pike into shallow water and Orvis then jumped into the water and beached the pike. Sam Reierson, at whose resort they were staying, reported that that northern was the largest brought in there this year.

Junior Legion Practice.

Babe Paulsen requests that the members of the junior Legion baseball team should report for practice at 6:00 p. m. at the fairgrounds this evening.

PROPOSE STUDY OF HIGHWAY SYSTEM

Advisory Board Proposed to Recommend Changes

Establishment of an advisory board to study future additions or deletions to Minnesota's trunk highway system was recommended in a tentative report released today by the highways and airports committee of the Minnesota Constitutional Commission.

The size and personnel of the advisory board would be left to the legislature, with only the general duties of the group being outlined in the constitution.

Headed by state Representative O. L. Johnson of McGregor, the Highways and Airports committee is one of several studying possible revision of Minnesota's 91-year old constitution as directed by the last legislature when it established the Constitutional Commission. The Commission must return its formal report to the legislature by next October 1.

Other changes recommended by the committee include elimination, except by reference, of the detailed listing of the state's trunk highway routes from the constitution and the addition of provisions empowering the state legislature to delete as well as add routes to the highway system.

The airports section of the present constitution, added only four years ago through amendment, was recommended retained in its entirety by the committee.

"More scientific and objective selection or elimination of roads from the trunk highway system would be possible through the use of impartial board," representative Johnson said in discussing the report.

Present inflexibilities in Minnesota's highway system would be overcome by empowering the legislature to remove roads no longer deemed necessary from the system, the report points out. Roads removed from the trunk highway roles could be turned over to cities or towns for their use.

The length of Minnesota's constitution would be cut almost 25 per cent with the elimination of the detailed listing of the state's highways from the document. The routes now contained in the constitution would be continued and protected by constitutional reference, according to the committee's tentative report.

THE MAIL DOES REALLY GET THERE

Sometimes it takes a long while but the post office department nearly always gets it there eventually. Even if a layman has to help. As in the case of the Stillwater carrier who asked a friend if he knew Art Colloni. The friend looked at the address and found the letter was intended for Stillwater's well known Art Colony. A rural carrier did much better when he not only paid the 2c postage due but handed to the right parties a letter addressed simply to Aunt Edna and Uncle Ben, Lake Elmo, Minn.

MIDDLE RIVER

The St. Bernard Catholic church in Thief River Falls was the scene of a lovely wedding on Wednesday morning, June 23rd, when Miss Francis Adeline Jeame, daughter of Mr. and Mrs. Wm. Jeame of Middle River became the bride of Paul P. Twikla, also of Middle River. The ceremony was performed by Father Swanson.

The bride wore a white nylon gown with a long veil and carried a bouquet of white carnations. Her only jewelry was a string of pearls, a gift of the groom.

The two bridesmaids were Miss Mildred Jeame, sister of the bride, who wore a blue taffeta formal and Miss Blanche Erickson who wore a pink taffeta. They each carried a bouquet of mixed flowers.

The groom's attendants were Alex Twekla, his brother and Leonard Palm, a friend. They were all attired in dark suits.

After the ceremony a reception was held at the home of the bride's parents, which was attended by 125 guests. The wedding table was very attractively set and was centered with a three-tiered wedding cake which had a miniature bride and groom on the top.

A wedding dance was held in the evening in the Middle River village hall. The dance was very well attended.

On Thursday the happy couple left for a trip into the southern and western part of the state.

The entire community wishes to extend its heartiest congratulations.

Mr. and Mrs. Gib Overvold and children attended a matinee in Thief River Falls on Sunday afternoon. They also visited at the Gunnuf Gunstenson home in the evening.

Mrs. Struble spent Monday afternoon visiting with Mrs. M. N. Gullickson.

Mr. and Mrs. Arthur Berg visited at the Ed Ellofson home on Wednesday evening.

Per Sarflakne, nephew of Ole Aune of Gatzke, came over from Norway to spend the summer with relatives. He is a cousin of Mrs. Hilmer Anderson.

Mr. and Mrs. Robert Carriere of Mahnomen spent the weekend at the Joe Carriere and Louis Anderson homes.

Mrs. Myron Knutson and Jimmy left Monday night for Westby, Wisconsin where they will visit Mrs. Knutson's parents for a few weeks. They also plan to attend a family reunion while there.

Mr. and Mrs. Bennie Hanson and family visited at the Calmer Brenna farm on Monday evening.

Mr. and Mrs. Obert Reierson and family attended a family reunion which was held in the Thief River city park on Sunday afternoon.

Mr. and Mrs. Dan McKeever were Sunday dinner guests at the Ed Ellofson home. Sonny Ellofson returned home with the McKeevers for a short visit.

Mr. and Mrs. Oscar Anderson and Mrs. Carl Johnson of Thief River Falls visited at the A. L. Kezar home on Sunday. They also attended the confirmation services in the morning.

Mrs. Gust Qualey and Ruby Hanson were callers in Thief River Falls on Saturday afternoon.

The American Legion Auxiliary members were hosts for a farewell party for the Mesdames Arvid Carlson and A. J. Holm last Wednesday evening at the Chas. Collins home. A social hour was held after which a delicious lunch was served. Mrs. A. Carlson was a charter member of the organization and both ladies will be missed by all. The Carlson's plan to leave for California shortly but Mrs. Holm's plans are indefinite as yet.

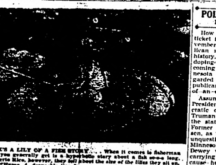
Sweeten Up the Kitchen

Kitchen odors can be eliminated by use of an exhaust fan installed in the wall, window or even in the transom over the door. This device is also an aid to cooling the kitchen on hot days.



HERE'S A LILY OF A FISH STORY . . . When it comes to fisherman what you generally get is a hyperbolic story about a fish so-o-o long. In Puerto Rico, however, they tell about the size of the lilies they sit on. Teddy Hume, 4, drops his line from a gargantuan lily of the world's largest species. It is 82 inches in diameter. This giant is one of many such flattops growing at the U. S. government agricultural experiment station at Mayaguez, Puerto Rico.

POLITICAL ROUNDUP

By Arthur Naftalin

How will the Dewey-Warren ticket fare in Minnesota in November? Now that the Republican national convention is history, the analysts are busy doping the prospects for the coming election, and, while Minnesota has been generally regarded as most likely to go Republican, there is no certainty of an easy sweep.

Assuming the nomination of President Truman as the Democratic candidate, a Dewey-vs.-Truman contest is likely to find the state quite evenly divided. Former Governor Harold Stassen, as the GOP nominee, could unquestionably have regarded Minnesota as in the bag, but Dewey will find it no cinch carrying the Gopher state, because he will have to fight to win the large independent vote.

In 1944, Franklin D. Roosevelt defeated Dewey with a margin of 62,000 votes (589,864 to 527,416). FDR's victory was clearly the result of his support from the independent voters. The question now is, Can Truman hold this vote?

Given the relative closeness of the 1944 vote and the large independent group in the state (which is estimated to be as much as one-third of the total), the Third Party candidacy of Henry Wallace may assume some importance.

Wallace supporters admit privately they are hoping for 100,000 votes in Minnesota, but even half that number will be sufficient to ensure Truman's losing the state, which the Third Party makes its primary objective.

Another question-mark in the picture is the intensity with which the state Republican organization swings behind Dewey. The disappointment over Stassen's failure to get the nomination is, of course, keen, and, in a closely-waged contest, a hang-back attitude on the part of the state GOP could be a crucial factor.

Minnesota's delegation to the Democratic national convention, which opens Monday in Philadelphia, will be a marked contrast to the state's delegation at the GOP convention: Where the GOP group had a candidate for whom it could go all-out, the Democratic delegation is planning to linger cautionsly in the background to observe developments.

There appears little question but what the Democrats will nominate Truman, and Minnesota most likely will go along. There are many in the delegation who are genuinely enthusiastic for Truman. There are others, however, who would like to see the emergence of a dark-horse who, in their view, would have a better chance of winning in November.

One of the most surprising features of the pre-convention deliberations and maneuvering is the almost complete absence of any discussion of vice presidential possibilities. As in 1944, the fight for this spot could conceivably be the most important convention function.

The confusion surrounding the filing of the Democratic-Farmer-Labor aPrty's Presidential electors is due to be cleared up by court action some time in July. DFL attorneys announce that legal action will be instituted soon to clarify the situation.

The Third Party group immediately after its Minneapolis convention submitted a list of electors to Secretary of State Mike Holm with an affidavit claiming that these electors were the legal DFL ... accepted the list, asserting he had no authority to inquire into its validity.

Meanwhile, the regular DFL is holding its list of electors until the courts order the substitution of the regular list for the Third Party list. The action will be either a request for mandamus in the Ramsey district court or a direct appeal to the supreme court.

It is regarded as unlikely that the courts would refuse to order the substitution of the regular DFL electors. The Third Party electors, appearing on the ballot as DFL, would force the Democratic Party to assume another name for the purpose of the Presidential election in Minnesota.

This would create a situation which would so completely confuse the voter than an orderly election would be impossible in November. In the final clarification of the matter, the courts will most likely decide that the Third Party electors will have to be filed under its own name and will be barred from using the DFL label.

The strategy of the Third Party group is based, in part, upon the continuation of this confusion. Although clearly severed from the Democratic Party, it plans to enter candidates in the DFL primary and, then, in the general election it will run its own Third Party nominees.

NEWFOLDEN

Mr. and Mrs. Walter Tinkham and children of Chicago, Ill., are spending their vacation at the Rolf Tandberg and Peter Tandberg homes. Mrs. Tinkham was formerly Erna Tandberg.

Mr. and Mrs. Martin E. Nelson are the parents of a baby girl, born at the hospital in Thief River Falls about two weeks ago. Baby and mother were doing fine and had been home for several days when Mrs. Nelson was taken ill and was returned to the hospital where her condition is serious.

Mr. and Mrs. Ole Ringen returned to their home in Red Wing, on Friday evening after a weeks visit with their cousins, Mrs. Olaf Norby and Mrs. Clarens Lund.

Ladies aid of the Bethesda church will meet in the church parlors on Friday evening, July 9, with Mrs. Conrad Windal and Mrs. Inga Green as hostesses. Everyone is cordially invited.

Rev. and Mrs. J. G. Giording of Collegedale, Tenn., arrived here a week ago Sunday to spend a few days at the A. E. Holmaas and Alice Knutson homes. They left again on Tuesday for Los Angeles, Calif. where they will visit other relatives and friends. Mrs. Giording will be remembered by some of our old residents as Ida Grimstad, formerly of Newfolden.

Mrs. Ed Tippery, Miss Ruth Lambert, Miss Ruth Peterson and Mrs. O. S. Weltzin of Minneapolis, motored up on Saturday as a surprise to Rev. Weltzin, the speaker in the Lutheran Tent Service. Rev. Weltzin left with the ladies on Monday morning for a brief trip to Winnipeg, before returning to Minneapolis.

Word received from Mr. and Mrs. Ted Leland indicate that they are now on the return trip and will be back in Newfolden by the end of the week.

George and Ray Holm, of Cloquet, Minn., spent the week-end visiting with their friends, LeRoy and Mervn Knutson. George and LeRoy were buddies in the army. They were drafted together, trained together, served together thru the battle of Okinawa, and returned to the states and were discharged together, something that did not happen very often in the last World War.

Marvin Smeby motored to Minneapolis on Thursday of last week, returning on Saturday evening with his mother, Mrs. Martin Smeby, who recently underwent a major operation. Mrs. Smeby is rapidly regaining her strength and hopes to soon be able to resume all of her usual activities.

Forest Johnson of Seattle, Washington arrived here on Saturday evening for a visit with his uncle and aunt, Mr. and Mrs. Alfred Johnson. Forrest, who stayed at the Johnson's for several years, while attending school here, left in 1912 for the west coast to join the merchant marine. He is still sailing the seas, and during the six years that he has been away, he has seen many different lands and distant ports. His most recent trip has been to South America, where they delivered ships purchased in the United States. He now has a chance of a job as skipper of a boat in Japan. If he gets this job he will be gone for many years, and he thought he'd like to make this little visit to old Newfolden before he left.

Ben Nelsons Given Return Party

A number of young folks gave Mr. and Mrs. Ben Nelson a warm reception on their return from their honeymoon with a good old time noisey charivari last Monday night. Mr. and Mrs. Nelson received them pleasantly and promised them a big party on Saturday evening.

Consequently on Saturday evening friends from far and near were royally fed and entertained at the high school gym and dining rooms by the newlyweds. The friends countered by presenting Mr. and Mrs. Nelson with a nice purse of money, to show their good wishes for the couple's future happiness.

Carl Monson left Saturday evening for Minneapolis for a visit with his son Orien Monson. He was accompanied as far as Mahnomen by his daughter, Mrs. Elaine Roering, who spent the week-end with friends there.

Otto Hjelle's Enjoying Trip

Following is a letter from Mr. and Mrs. Otto Hjelle and daughter, Oriette, who are making a trip through the western states.

Coeur d' Alene, Idaho, June 25, 1948

We left home on Friday June 18 and attended the "Gudbrandsdal Lag" at Crosby, N. Dak., on Saturday. A good program was rendered and it was as near to being in Norway as one can get in America. About three hundred "Doler" were in attendance.

Stayed at Wolf Point, Montana on Monday night. Did not hear or see any wolves, however.

Went through country that was affected by drought. Havre was our next stop. Strip farming is practiced to a great extent. Cropping one strip and summer fallowing the next one. This point is quite a stock center, as two to four thousand cattle and a lot of sheep go through here each week during the fall. Noticed a good number of white faces along the road. Montana raises grain and stock, and lumbering is a source of income in some sections.

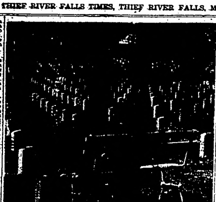
Drove on the top of Fort Peck Dam (the largest of it's kind in the world) It holds back water for irrigation, power and flood control.

Went through Glacier National Park. Stopped on the Continental Divide at noon. Had our lunch and threw snow-balls to keep warm.

Idaho has some good timber, but mining is its chief industry. It has rained all through June with the exception of two days.

We expect to be back to Newfolden to ship stock on Tuesday July 13.

With the proper apologies for taking a vacation and with greetings to our friends "back east". The Otto Hjelle's.



MEDITATION IN RESTING PLACE OF HEROES...No one can tell what thoughts run through the head of this lone woman as she sits in silent meditation among the graves in Arlington national cemetery. She may be paying her own personal tribute to all the war victims who sleep there, or she may be offering a prayer for a particular loved one. Whatever the reason, it is enough to say that she did not forget, even though World War II already has become distant in time and memory.

SILVERTON

Services Sunday July 4, at 8:30 a.m. Sunday school following services.

Mystery of Grasshopper

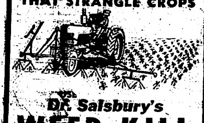
Grasshopper glacier, at the eastern edge of Yellowstone national park, is so named because of the myriads of grasshoppers which are frozen into the ice. Science has been unable to explain when these vast hordes of insects fell and met their death on the huge sheet of ice.

Great Is the Goal

The Pacific Northwest forest industry is carrying forward a program of forest practice, aimed to perpetuate and increase the timber supply of the area. It seeks to find markets and methods of manufacture which will use small trees, slabs, broken and low-grade logs and other material, which will increase the total amount of forest products returned from the land.

There's still time to plant Sudan grass to make up for that expected shortage in pasture this summer

Kill the Weeds
THAT STRANGLE CROPS



USE Dr. Salsbury's
WEED-KILL
Agricultural Forms

Mr. Farmer, weeds rob you of many, many dollars every year. Get rid of them this easy, convenient way—use Dr. Salsbury's WEED-KILL, agricultural forms. Low-cost, low-gallonage spraying of crops such as corn, wheat, oats, barley, rye, flax, rice, and sugar cane is made possible with WEED-KILL A-4 or WEED-KILL E-3.34. Either form is economical—spraying small grains, for example, costs as little as 35 cents an acre. WEED-KILL agricultural forms are easy to use. For further information on weed spraying, see the friendly men at

5,006 dealers have gone to Standard Oil schools to give your car better service

Add more mileage to your gas supply
HERE'S HOW TO DO IT:
Keep your speed moderate—high speeds mean fast fuel consumption. Avoid "jack rabbit" starts—come to a gradual stop—don't idle your engine unnecessarily. See your Standard Oil Dealer for other ways to save gas—his training can help you. Standard Oil Company.

Anxious to serve you even better than ever before, Standard Oil Dealers eagerly attend our schools for advanced training. 5006 already have completed the course. 250 more start the course every two weeks at the 80 schools we operate. The course features one central idea: "Personalized Service"—for you the personal service you enjoy, for your car the individual attention it needs.

When your Standard Oil Dealer has mastered this training, and daily puts it into practice, he is awarded our Service Specialist emblem. When you see it hanging proudly inside his station, expect a little extra "pep" in his windshield cleaning, a little extra promptness and courtesy, a little extra attention to clean rest rooms. Expect your car to be handled with additional know-how and skill.

President Auriol visited the site on a recent tour of the historic beaches.

Girls Best Drivers

New York girls have been found to be better adapted than boys to driver-training, according to Dr. Warren W. Knox of University of the State of New York who states: "Most boys are prompted by impetuosity, and eager desire to get on the road and speed away so that their driver prowess may be admired. Girls appear to be more interested in the utility purposes of automobiles and devote more time and care to mastering the principles of avoiding accidents."

From where I sit ... by Joe Marsh

Pampered Farmers

If the folks in our town were less tolerant, they'd be really burned up over that nationally circulated article on "pampered farmers," describing them as living off the fat of the land.

From where I sit the farmer is anything but "pampered." If he's better off today than twenty years ago it's because he's worked hard to improve the quality and quantity of his production.

Take Bert Childers, for example. Bert is up at four in the morning, to get the milking finished—and ploughing or harvesting, depending on the season, until sundown. In the evening he finally relaxes with the missus over a moderate glass of beer.

And the farmer today's not only temperate in his habits, like Bert's evening glass of beer . . . but tolerant in his opinions. So he'll probably say of that article, "somebody got the facts wrong," and just let it go at that.

REGIONAL WEED COTROL PROGRAM SET FOR JULY 12TH

Demonstrations Will Be Conducted at Northwest School in Crookston

The regional Weed Control Demonstration Day for Northwestern Minnesota will be held at the Northwest School and Station, Crookston, Monday, July 12. The experimental plots at the Northwest School and Station, according to O. C. Soine, agronomist of the Station, constitute the most comprehensive trial of weed chemicals made in northern Minnesota.

A total of fifty-two ¼ acre plots, totalling 13 acres, are being used for the trials of the leading types of herbicides. The leading types of 2-4D formulations and Sinox-W have been used both as pre-emergence sprays on different dates and at different rates of application.

A large number of commercial exhibits will be on display as an added feature of the Weed Day demonstration. More than sixty representatives of chemical and implement companies have signified their intentions of exhibiting their products on Weed Day.

The speaking program will be held at 10:30 a.m. and 1:30 p. m. Speakers for the program include Professor R. S. Dunham, chairman of the agricultural experiment station weed committee, St. Paul; T. H. Fenske, associate director of field operations at University Farm, St. Paul; and Berry Akers of the Farmer Magazine, St. Paul. O. C. Soine, agronomist, and Superintendent T. M. McCall wil represent the Northwest Station on the program.

Another event of interest to all crop growers will be the Crops Field Day at Northwest School and Station on Thursday, July 15.

A general invitation is extended to all farmers and others interested in chemical weed control to attend the day's program.

GOOD FELLOWS GET TOGETHER

It was actually an earth-shaking event when the nine Caskeys got together to plow 58 acres of pasture near Willmar. Thomas J., the 87-year-old grandfather, was content to supervise while Willis D. Caskeys the father, and his seven grown sons, set out with their eight tractors in echelon formation. For the fourth time in 30 years five good friends have forgathered at Winger each decade, sat for a picture, eaten, and talked. From left to right in each of four pictures made at the first, last, and two intervening reunions are H. A. Espeseth and H. S. Aasen, Winger; Martin Smeby, Newfolden; J. M. Dithy, Granite Falls; G. S. Aasen, Erskine.

EPIDEMIC OF STRANGE VISITORS

Mama Woodduck and a dozen little wood-ducklings waddled into Winona and attracted quite a following until an experienced hunter decided they'd do better in their natural habitat. In the chase Mama took it on the wing, but the dozen ducklings were rounded up and taken to a nearby lake. A sheeplined coat on a Farmington clothesline for an airing proved attractive to a home-hunting wren; the beginnings of a nest were found in one of the sleeves.

GROWING WITH YOUR CHILD

Institute of Child Welfare, University of Minnesota

Going Swimming

Most children love to swim. When they are afraid, fear of the water has been taught them by adults. They may imitate the fear of an adult, or may react to frightening experiences to which they have been subjected by playful adults.

How many times have you heard adults scream "Don't push me out too far," while you were at the beach? Or, how many times have you seen a playful father or uncle hold a small child over the water and threaten to drop him in? Such things are very, very funny to adults, but may be terrifying to a small boy or girl who does not know that all the funny business is in play.

The best way to teach a child to swim is to wait until he expresses a strong desire to learn to swim. Everyone who teaches swimming knows that it is impossible to force children to swim. Not only is it impossible, it is also fool-hardy. Forcing a child may delay his learning to swim for years.

Be very careful that no one frightens a small child about the water. Caution all of the other children and adults in your party to let the child alone and not to urge him into the water. If some one proves to be uncooperative, be firm. Your first obligation is to your child.

Very often a spontaneous interest in swimming is stifled by poor teaching methods which emphasizes hours of drilling. Water games such as picking up rocks from the bottom in shallow water will do more toward teaching a child swimming skills than formal exercises.

Let the children solve their own swimming problems. They know best about their own abilities and will indicate what they want to do. A relaxed attitude will produce a very fine, happy, secure swimmer who will have mastered a very useful skill completely.

TWO RARE SPORT THRILLS

Rolf Meliby began his golf season by smacking out a 132-yard hole-in-one, the third ever recordede in the 20-year-history of the Northfield golf club. Rodney Peterson could have been excused for shaking just a little as the hole-card was turned in a Sandstone cribbage game. He held three fives and a jack of spades—and the five of spades popped up, for the perfect 29 count.

WHO'S STATE'S OLDEST FISHERMAN?

At the age of 91 Ira Schannach enthusiastically renewed his Minnesota fishing license at Lake Park. Are there any older disciples of Isaak Walton in the land of 10,000 lakes? Probably few, anyway, who've caught their own rod. A rod and reel lost by Al Doering in an Olivia lake on Tuesday, was hooked and hauled into the boat by the same indefatigable angler the very next day.

ANNOUNCEMENT

Effective Wednesday, June 30

Oen's Department Store

Has Been Sold To

S & L, Incorporated

And Is Now Operated As An

S & L STORE

It is not easy for the management of Oen's to make this announcement. This store is as old as the community. For nearly sixty years it has been a part of the community, a monument to the man who founded it and who operated it successfully over a period of half a century. There are many reasons why we would like to have continued the operation of this business. It was not easy to decide to sell.

Now that the business has been sold we are pleased to recommend to friends and former patrons the new organization. This company operates many department stores in Minnesota and neighboring states, maintaining its headquarters in Minneapolis. It has an excellent record of many years of successful merchandising to its credit. We are satisfied that the S & L Store will provide a good service and give support to worthwhile activties of the community. It is gratifying to us to know that former employees will be given an opportunity to find a place in the new organization.

Other Oen's Business To Be Continued

Oen's will continue to operate the oil and fuel businesses and will retain the agencies for Pyrofax Bottle Gas, Magic Chef Ranges, Johnson Outboard Motors and Frigidaire Appliances. Temporarily these agencies will be served at the office of the Oil business at 8th Street and Atlantic Ave.

For the convenience of former customers who have unfinished business to transact with us, we will continue for the time being to maintain an office on the second floor of the S & L Store.

WE THANK YOU

For ourselves and for those who have preceded us in the management of the Oen Mercantile Company, we wish to express our sincere appreciation to the friends of our organization and for the many courtesies they have extended to us over a period of very many years.

IT'S THE LAW!

You Are Required to Destroy Foul Weeds on Your Property

Notice is hereby given this 30th day of June, 1948, pursuant to laws 1945, Chapter 534 (Minnesota Statutes 1945, Chapter 20) to all owners, occupants, agents, and public officials in charge of lands in Marshall County, Minnesota, that noxious weeds standing, being, or growing on such lands shall be destroyed or eradicated by effective cutting, tillage, cropping, pasturing, or treating with chemicals or other effective methods, or combinations thereof, approved by your local Weed Inspector, as often as may be required to prevent the weeds from blooming and maturing seeds, or spreading by roots, root stocks, or other means.

Upon failure to observe this notice, the local Weed Inspector is required to proceed pursuant to the law and have the weeds destroyed by such methods as he finds necessary, the expenses of which shall constitute a lien and be entered as a tax against the land, and be collected as other real estate taxes are collected or by other means as provided by law.

HEALTH HINTS for LIVESTOCK

PREPARED BY AMERICAN FOUNDATION FOR ANIMAL HEALTH

CHOLERA TRACED TO GARBAGE PAIL

There's a danger sign on the garbage pail, now. Scraps of uncooked pork or trimmings may carry the threat of death to swine that lack protection against hog cholera.

This source of danger was brought out recently in veterinary reports from Australia and the Middle East — and the warning applies just as forcefully to the hog cholera problem in America.

In the two above foreign areas, during the late war, uncooked pork scraps were found to be the source of cholera outbreaks that spread rapidly and caused a great many deaths among unvaccinated swine.

Cholera is still the Number One killer of American hogs. Losses have run as high as 20 to 60 million dollars in one year. In spite of the fact that it is preventable, the disease may take a tragic toll of high-priced hogs in the next few months.

The cholera virus is so virulent and killing that less than a hundred-thousandth of a drop can sicken an unprotected pig. It strikes without warning, spreads fast, and kills quickly. A single fly, going from one farm to another, can carry enough virus to kill an entire herd of swine.

Prevention is the only sure way to combat this disease, and vaccination is the only dependable prevention. With swine values at high economic levels this year, hog raisers everywhere are being urged to guard against the cholera danger.

A danger to hogs?

Pigs should be vaccinated at or near weaning time, but only after a physical check-up to be sure they are in condition to receive the treatment, according to veterinary authorities.

Here's a Fine Dessert for INDEPENDENCE DAY . . . One that's Deliciously Different
Coffee Chiffon Pie
1 tablespoon Gelatin
¼ cup cold strong coffee
2 egg yolks
¼ teaspoon salt
¼ cup honey
¾ cup dark corn syrup
½ cup scalded milk
½ teaspoon vanilla
2 egg whites, well-beaten
pastry shell
Soak gelatin in ¼ cup cold Radiant Roast Coffee. Beat egg yolks slightly. Add salt, remaining coffee, honey and corn syrup. Stir this mixture into scalded milk in top of double boiler. Continue stirring over hot water until mixture will coat spoon. Add soaked gelatin and stir until dissolved. Chill in refrigerator until mixture begins to set. Add vanilla and beat with rotary beater until foamy. Fold in well-beaten egg whites and pour into an 8-inch pie pan, lined with cornflake, or graham cracker pastry, or into a baked pastry shell. Chill in refrigerator at least one hour until set. Garnish with blueberries . . . or other berries.

SPORTSMEN TO GATHER IN CITY JULY 16, 17 AND 18

Game Protective League, N. W. Association Will Conduct Joint Meeting

The largest gathering of conservation-minded sportsmen in the history of this city will assemble in Thief River Falls July 16, 17 and 18 for the joint annual meeting of the Minnesota Game Protective league and the Northwestern Minnesota Association of Conservation Clubs, the president of the latter group being Dr. Edward Bratrud.

The visiting sportsmen will set up their camp at Squaw Point across the Eight st. bridge, and will devote the three days to trapshoots, retriever trials, shooting exhibitions, duck-calling demonstrations and a youth conservation program July 17 at 4 p. m. sponsored by the Thief River Falls Junior Chamber of Commerce and conducted by the Minnesota department of conservation.

Principal speakers at a banquet to be served in the municipal Auditorium Saturday, July 17, at 6:15, will include Chester Wilson, state commissioner of conservation; Frank Blair, director of the division of game and fish; and Ray Clement, supervisor of nurseries. Also to be introduced are Rep. Harold C. Hagen, Ed Shave, outdoor editor of the Minneapolis Star-Tribune; Mr. Martinson, president of the game protective league and others.

Mayor Harry E. Simons will extend greetings, Ralph True, nationally known duck-caller, will demonstrate his art, the Fisherman's Quartet will sing and Orvis Olsen will supply impersonations.

Many other events are scheduled for Saturday, July 17.

Eligible to compete in the junior trap shoot are boys age 18 and under. Registrations should be made with Walt Jung, and neighboring clubs in this area are asked to be represented. Sports Afield magazine will award the first prize trophy.

Tom Peck of the local archery club has arranged for a demonstration of archery to be given July 17 at 1 o'clock by L. E. Eichman of Grand Rapids, who will perform a variety of difficult stunts. Tips on the sport also will be given those attending.

At 2 o'clock retriever demonstrations will be given by Phil Gagnon and his two Chesapeakes, Michael of Derwood and Pine Ridge of Deerwood, nationally known dogs; and by Forest Dudley of St. Cloud and his Golden Retrievers. Local dog owners also are invited to enter their dogs in the trials, in which suitable prizes will be awarded. Frank Blair will serve as judge.

The Northwest association of conservation clubs will conduct its annual business meeting and election of officers in the Auditorium July 17 at 4 o'clock.

The program Sunday, July 18, will be devoted to trapshooting starting at 9:30 a. m., with contestants from all over the state, together with exhibition shooting by Forrest Saunders, retriever demonstrations, duck-calling and golfing. Sportsmen are urged to bring their guns and arrange their own shoots.

Holt Girl Injured When Struck by Hit-run Car Near City Monday Night

While sitting on the running board of a car parked on Highway 1 north of the fair grounds during the fireworks display Monday evening, Delores Engen, 19, suffered a fractured ankle and bruises when struck by a passing car, which continued on its way without stopping. Miss Engen is the daughter of Mr. and Mrs. Harry Engen of Holt. The highway patrol, which investigated the accident, indicated that it has clues as to the identity of the driver of the car, but said no arrest had yet been made. The injured girl was taken to a local hospital for treatment.

On Trinity Church Staff

REV. JOHN D. KRONLOKKEN
Until recently pastor of the Gatzke Lutheran parish, who next Sunday morning will be installed as assistant pastor of Trinity Lutheran church, where he will work especially among the young people of the congregation.

TO INSTALL ASST. PASTOR AT TRINITY CHURCH ON SUNDAY

Rev. John D. Kronlokken of Gatzke Will Serve as Aid to Rev. Thompson

The installation of the Rev. John D. Kronlokken as assistant pastor at Trinity Lutheran church will take place at the morning service next Sunday morning, July 11th, at 10:30 a. m., with the Rev. G. S. Thompson, senior pastor of the church, serving as the installer. Officers of the congregation will participate officially in the service at which Rev. Kronlokken will preach the installation sermon.

Called to serve the church especially in its work among the young people and children, the installation of the new pastor will find the youth of the church present at the service and participating officially in the reception in the parlors of the church between 2:30 and 4:30 in the afternoon. Representing the young people as president of the Luther League, Paul Sponheim will give a welcoming speech; and Miss Annabelle Peterson will sing.

Reverend Kronlokken was born at Renville, Minnesota, on Feb. 12, 1919. He graduated from Luther College, Decorah, Iowa, in 1941, and attended Luther Theological Seminary, St. Paul, the next immediate years. His year of internship was served at First Lutheran Church, Minot, North Dakota; and he was graduated with a class of 85 theological candidates in January, 1945.

He was ordained into the holy ministry at his home church on February 25, 1945 and has since served as pastor of the Gatzke Lutheran Parish. Pastor and Mrs. Kronlokken are the parents of two daughters, Constance and Solveig.

CROWDS VISIT CITY TO ATTEND JAYCEE EVENT

Sports Carnival Is Big Success Altho Weather Proves to be Handicap

Altho the fifth annual Jaycee Sports Carnival last weekend started out most inauspiciously, a total of 1.95 inches of rain falling Friday, Saturday and Sunday morning, the skies cleared Sunday noon and the weather continued pleasant until the event came to a close Monday night.

The grandstand at the fair grounds was packed the afternoon of the Fourth and again Monday evening. The soggy condition of the track greatly handicapped the Calgary chuck wagon race troupe in their efforts to entertain the crowds, but the westerners nevertheless gave ample evidence of their ability to handle spirited four-horse teams with the utmost skill.

Despite the record crowds entering and leaving the fair grounds, no traffic accidents were reported there, the record being attributed to the cooperation of the local police, highway patrol and members of Company F of the National Guard, who assisted in directing traffic there, as well as along the parade route downtown.

Crowd-pleasing spectacles were the principal parade Sunday afternoon and the kiddies parade Monday afternoon. The parade Sunday was enlivened by the participation of the Winnipeg police pipe band attired in colorful kilts and playing the bagpipes; Chisholm drum and bugle corps; Warren band; Breckenridge girls drum and bugle corps; Red Lake Falls band; and Thief River Falls Legion municipal band.

Beautiful floats, each bearing a queen candidate, were entered by Mostue's Flower Shop, Jaycees, Popplers, Legion post, Civic and Commerce assn.,

MARSHALL COUNTY FAIR OPENS GATES MONDAY, JULY 12

Varied Program Planned for 42d Annual Event at Fair Grounds in Warren

Marshall County's 42nd annual fair will open at Warren on Monday, July 12 for a three day and night run of thrill packed program of education and entertainment for Red River Valley residents. The big Fair will close on Wednesday night, July 14.

Exhibits from farm and home are expected to fill the barns and exhibit halls to capacity with many inquiries being received for space, W. R. Holbrook, secretary of the association, reported today. Every department will have representative displays of the best produced in Marshall and Northern Polk counties. Entry day will be on Sunday from 1 to 6 p. m. and Monday from 9 a. m. to 12 noon.

The more than 400 Marshall county 4-H club members have been working for weeks in preparing their projects for public display at the Fair. There will be 14 or 15 club booths showing activities of the members while all projects will have their classes well filled, local club leaders report.

An elaborate musical revue "A Trip to Wonderland" with a cast of 50 people will feature the night show in front of the grandstand. This revue has been produced by Miss Gertrude Avery in Chicago and was booked through Barnes and Carruthers, also of Chicago, the largest fair booking concern in America. The program in addition to a chorus of 16 girls will include 10 outstanding vaudeville and circus acts.

Tuesday afternoon will be Horse Race Day at the Fair and will feature a Big International Race in which Canadian and American horses will compete for a purse of $250.00. There will also be local running races and a shetland pony race. The afternoon program will have seven big heats of racing.

On Wednesday afternoon the Model T Ford races will be featured with from 10 to 15 cars competing for a purse of $450.00 in five separate racing events. The entry list for the Model T races closed Saturday and competition will be kept for the entire program.

Donna Brossoit Is Installed as Queen of Jaycee Carnival

Selected by three out-of-town judges from a field of 17 aspirants, attractive Donna Brossoit Monday evening was crowned queen of the fifth annual Jaycee Sports Carnival by her predecessor, Queen Velma Meyers Holmes, in a colorful ceremony before a packed grandstand at the county fair grounds.

Second honors were awarded to Lois Bendickson, who will represent Thief River Falls in the Miss Northwest contest at Detroit Lakes July 17 and 18. Miss Brossoit also will be a guest at the Detroit Lakes event, and will go to compete for the title of Queen of the Lakes at the Minneapolis Aquatennial late this month.

Other finalists in the local queen contest who served as attendants to the queen included Doris Jorde, Margaret Boen, and Patricia Mullen. Each of the attendants received a compact, while the queen was presented with a handsome wrist watch by the Junior Chamber of Commerce.

Miss Brossoit, the daughter of Mr. and Mrs. George Brossoit, and the other finalists made a spectacular entrance to the stage at the fair grounds, each of the girls riding in a new convertible with the procession headed by a police escort. Results of the contest were announced by Lee Williams, orchestra leader, who served as one of the judges.

A total of 51 contestants were entered in the Jaycee princess contest staged this year for the first time. As the winner the judges selected six-year-old, blue-eyed Dianne Lindquist, daughter of Mr. and Mrs. Vern Lindquist of St. Hilaire. Second place went to Susan Forkenbrock, daughter of Mr. and Mrs. Jack Forkenbrock. Others given high rank were Darlene LaVave, Mary Anne Hogenson, Sandra Gray, Bonnie Gessner and Linda Lou Schultz.

Distinguished Guests to Participate in Two-day Program at Three Sites

GIANT DRAGLINE DIGS RIVER

Pictured above is the giant dragline that will be the center of attraction for those who attend the ground breaking ceremony of the Red Lake and Clearwater rivers channel improvement project east of River Valley Saturday afternoon. Swinging at the end of a 100-foot boom, the bucket of this machine picks up four-cubic yards of river bottom at each cast. The work is progressing at the rate of about 100 feet per eight hours of operation.

Dedication Ceremony East of River Valley Follows Luncheon Here

Communities adjoining the Red Lake and Clearwater rivers will join Friday and Saturday in celebrationg the formal inception of work on the long-awaited channel improvement project.

New Word Added [illegible]

A new word, "hypergolic" was introduced into American scientific vocabulary as rocket engineers described research with liquid fuels which ignite spontaneously when united in a rocket device. The adjective describes rocket propellant combinations that are self-igniting, as opposed to fuels which must be "sparked" to start the firing process.

GROWING WITH YOUR CHILD

Institute of Child Welfare, University of Minnesota

Unseen Credit

Many a mother has said wearily to her husband in the evening after a particularly trying day, "Sometimes I just think there is no use in trying to teach children good manners. Why, only today Phil hit Janice because she was teasing him when he was trying to get ready to go to a party, and Janice had a tantrum because I wouldn't let her have a quarter to spend on herself to match the quarter Phil had for the birthday present. I honestly don't know what to do with these youngsters."

But the next morning very often these same mothers have a sudden influx of phone calls. One is from the mother of the friend who had the party . . . and listen to what she is saying. ". . . and I did want to tell you how much we appreciated Phil. He is such a thoughtful boy—so considerate of others, and so well mannered!" And very likely, too, there is a similar story from the other adults in the community who see Janice: "Such a charming, controlled, nicely behaved child. How do you do it?" No wonder mothers are confused sometimes. Can these be the same children who turned their hair white the day before, at home? Why the transformation? What goes on? And most of all, why can't they be like that all the time, then?

Frequently the training parents conscientiously give their children is like money in a bank. You don't see it, but it's there. The home situation carries with it not only a strong sense of security and love, and belongingness, but also sources of disappointment, conflict with brothers, sisters, parents, frustrations, prohibitions. Where emotional ties are deepest, there are also the most sources of conflict. Learning to live pleasantly and satisfyingly with the people closest to one is a long learning process, not a short one.

Much easier and smoother are the less emotionally charged contacts outside the home. Home behavior may have its ups and downs, but over and over, in outside-the-home social situations, the children who are most readily accepted and most appreciated by others are the ones whose home training is honest, sincere, genuine, patient—and continuous. Character, like Rome, is not built in a day, but the day to day efforts, like small deposits in a savings account, pay dividends as time goes by.

$1,000,000 In Bogus Bills Picked Off Desert Trees

LAS VEGAS, NEV.—A new tourist attraction was added to the scenic wonders of southern Nevada and Utah—money growing on trees.

The money—more than one million dollars in $10 bills—was discovered between here and St. George, Utah, by a truck driver. Unfortunately, from the Chamber of Commerce viewpoint, it was all counterfeit.

The bogus bills were found scattered over a 20-mile area. It was believed a strong windstorm uncovered the cache and sent the bills whirling through the desert, dotting trees and brush with the crisp greenbacks.

Las Vegas police saw in the discovery of the bogus money some connection with the gangland slaying of Benjamin (Bugsy) Siegel in Beverly Hills, Calif. Siegel owned the luxurious Flamingo club here.

Police Capt. Ollie Slark felt that the "heat" generated by Siegel's slaying may have forced counterfeiters to hide their bills and delay the possible flooding of Nevada casinos with the bogus money.

Credit for discovering the bills and directing the attention of authorities to the find went to J. R. Bracken, Los Angeles truck driver, who walked into the police station here and presented Chief George Thompson with a sack containing $100,000 in the spurious notes.

Wool Is an Insulator

Wool clothing holds a layer of air around the body. The air is caught and held in tiny pockets on the scales of the wool fibers. This layer of air is a shield against the outside temperature, thus acting as an insulator. This insulation may protect from heat as well as from cold. Arabs wear woolen cloaks and hoods. Mexicans wear woolen blankets, or serapes. Wool keeps out the bitter cold of Arctic or desert nights. Wool is a natural regulator of body temperatures, being a natural thermostat.

New Fruit Juice

A native South American plant, solanum quitoense lam, which yields a delicious and refreshing fruit juice, has been a source of periodic interest for many years. The Conquistadores are believed to have named the plant "naranjilla" because in shape, color, acidity and other characteristics the fruit is similar to the orange. The general name, "naranjilla de quito," usually is shortened to "naranjilla."

Electric Outlets

A good height for placing the convenience outlet for the washer, electric iron or other electrical equipment is about 40 inches from the floor.

BALL FILES FOR SENATE JULY 7TH

Issues Statement on Record in Congress

The great challenge of our times is to preserve and strengthen the social system as exemplified in the United States, Senator Joseph H. Ball said Wednesday.

Home from Washington and ready to start his campaign, Senator Ball filed for reelection on the Republican ticket Wednesday morning in the office of Mike Holm, secretary of state.

Upon filing he issued a formal filing statement, which he termed a "Yardstick for Freedom."

"In the eight years it has been my privilege to represent the people of Minnesota in the United States Senate, I have developed a yardstick which I apply to all measures," the Senator's statement said. "I ask on each measure: is it necessary to safeguard our freedoms and opportunities enjoyed by all the people as individuals?"

In his statement, Senator Ball pointed out his consistent support of the United Nations Charter and urged at least the modification of the veto power. He said that the free nations must act collectively, outside of the UN if necessary, to meet and check the threat of Russian aggression.

Regarding national defense, the Senator reaffirmed his support of the draft and universal military training, stating that "a weak United States cannot lead the world fight for freedom and justice."

Pointing to the fact that he helped draft and pass the Taft-Hartley Act, Senator Ball said we may need further legislation to solve the problem of industry-wide strikes that paralyze the national economy. He said that the present law does not abridge the rights of employees to organize, bargain collectively and ultimately strike when no agreement is reached. He called those rights essential in a free system.

His statement also called attention to the fact that he has consistently supported the farm program which provides price support of basic crops, and has always backed increased soil conservation legislation.

Duplication of Jewelry

When purchasing jewelry sets avoid pieces which duplicate each other, according to a famous designer. Vary the designs on a central theme just as several examples of period furniture makes a home more interesting. He advises wearing pins high on the shoulder rather than on the chest.

"The Fuller Brush Man" at Falls Theatre Sunday

In the film, "The Fuller Brush Man," to be the offering at the Falls theatre Sunday, Monday and Tuesday, any resemblance Red Skelton, in the title role, has to the real thing is absolutely accidental. In the picture Red gets the entire brush-dealing routine backwards, puts his foot in his mouth instead of doors and doesn't sell many brushes. Incidentally he is suspected in a murder mystery.

Neil Paulson Winner of Montgomery Ward Bike Parade Staged Monday

Neil Paulson won first prize in the bicycle parade Monday sponsored by the Montgomery Ward store, while Coney Walters won second and Mavis Greibrok third, their bikes all being attractively decorated. Prizes also were awarded to winners of honorable mention, including Ara Peterson, Marvin Greibrok, Marlene Louze, Eugene Lull and Richard Haugen. Judges of the contest were Sheriff Arthur Rambeck, Bob Sandahl and John Overn of the highway patrol, and Jack Williams of the city police force.

Value of Legumes

Well-fed, deep-rooted legumes have a twofold value. They supply a low cost and abundant source of proteins, minerals and vitamins for livestock. They will rebuild the organic matter supply and break up packed soils. Legumes, that have had plenty of phosphorus and potash will push mineralized organic matter down below plow depth, restoring to good tilth the top 18 to 25 inches of soil. The tap roots will penetrate closely packed soil, aerate it and enable crops following in the rotation to send their roots deeper for plant food and water.

Artificial Insemination

In 1919 the Russian Professor Elie Ivanov, after 20 years of preliminary work, set up the central experiment breeding station in Moscow to further the method of artificial insemination. In 1946 there were in the United States 336 dairy cattle breeding associations, with 73,292 members in 29 states, owning 879,477 cows and using 900 bulls. Leading states in use of the method are Wisconsin, Pennsylvania, Ohio, New York and Iowa.

Want Ancient Cars

Although San Franciscans voted to modernize their city's transit system with 359 trackless trolleys, they also said "No" to a proposal which would have retired the ancient cable cars.

NOTICE To the Public!

The following excerpts from City Ordinance No. 126 relating to garbage and refuse disposal in the City of Thief River Falls is published for the information and compliance of all concerned.

Section 1. Every owner, agent, lessee or occupant of any private property in the city of Thief River Falls shall provide at a convenient place near the public alley of such premises a cylindrical water-tight galvanized iron tank or barrel of not less than 24 nor more than 30 gallon capacity with a fly tight cover and place same on an elevated platform one foot high, into which barrel or tank shall be deposited any accumulation of garbage, offal, soiled paper, filth, table refuse, or any kind of mixture of ashes and garbage, or any filth or decaying animal or vegetable substance whatsoever.

Section 4. The owner or agent of all buildings occupied by more than one tenant and all flats and rows of connected houses, shall be held responsible for permitting or suffering of any accumulation of garbage, mentioned in the first section of this ordinance, and for the removal thereof. Provided, however, that nothing herein shall in any manner relieve any person who has actually caused the accumulation of such garbage, etc., upon said premises from liability for violation of this ordinance and punishment thereunder, as well as from the payment of the expenses of removal of the same as provided herein.

Section 7. Every person who violates any of the provisions of this ordinance or any order or regulation made by the Board of Health or the Health Commissioner of said city shall upon conviction thereof before the Municipal Court of said City be subject to a fine of not exceeding twenty-five (25.00) Dollars, or imprisonment not exceeding ten (10) days.

In order to maintain a successful war on rodents it is absolutely necessary that proper disposal of garbage and refuse be adequately carried out according to the provisions of that ordinance.

DR. O. P. MELLBY,
Health Officer.

HARRY E. SIMONS,
Mayor.

GLEN AHRE,
Supt. of Police.

FEDERAL WORKERS GET PAY INCREASE

Postal Workers Given Raise of $450 a Year

President Truman Saturday signed a bill increasing the salaries of some 1,300,000 federal employes.

The measure gives $450-a-year pay raises to 480,000 postal workers and $330-a-year raises to 850,000 classified civil service workers, effective as of July 1.

It also will boost many postal rates next Jan. 1. Air mail letters go from 5 to 6 cents an ounce (a special rate of 4 cents is provided for air mail postcards); special delivery from 13 cents to 15; money order fees, increased about 50 per cent, registered mail fees, up about 25 per cent; insured mail, up 25 percent, and C.O.D., up about 20 per cent.

Scouts to Dedicate New Camp Near Ogema Sunday

On Sunday, July 11, Scouters and friends of Lake Agassiz council will gather at Camp Wabanaquat to formally dedicate this camp to the boys of the council. The ceremony will begin at 3:00 p. m. and will include remarks by Erich Selke, president, Robert Hadlick and H. H. Matt, co-chairmen of the building committee.

Camp Wabanaquat was conceived back in 1946 when the 360-acre site was purchased. Clearing of the land was started early in 1947 and building of the lodge began in July of 1947. Work continued during the year and now the camp has reached the first stage of its completion.

The camp is located 11 miles east of Ogema, and on the shores of beautiful White Earth Lake. The public is cordially invited to attend the ceremonies. Coffee will be available at the camp for those who wish to bring their picnic lunch.

President on Trains

Pres. Franklin D. Roosevelt traveled 243,827 miles on railroads while president of the United States.

Southward Migration

The causes of southward migration are uncertain but it is believed a lessening of the food supply and shortened hours of daylight foraging in winter are influential, according to Missouri Conservation commission. Seed eaters, predators and the more omnivorous species comprise most of the nonmigrants. Changes in the seasonal amounts of light and temperature likewise appear to inhibit or create an urge to migrate due to changes in the sex glands.

Standard Garbage Value

Garbage is almost a standard product in the United States with 68 to 82 per cent moisture and 12.5 to 27.5 solids. After dehydrating and oil milling, commercial yields of grease and oil cake meal can be obtained by a sanitary process. The cake has nitrogen, phosphorus and potash in fertilizer amounts. Fresh garbage yields grease for soap or fat-splitting and meal for poultry.

Use Grounding Chain

A grounding chain should be used on rubber-tired farm equipment when there is no metallic contact with the ground. A grounding chain removes the danger of static sparks which set off an explosion or start a fire while the fuel tank of the tractor is being filled. This often occurs with rubber-tired tractors and combines, tractors and trailers and field harvesters.

Real Party Telephone

Telephone lines will really be abuzzing. A new mechanism, consisting of microphone and amplifier, permits group telephone conversations without extra headsets. After telephone is attached to cabinet containing amplifier, all persons in the room can hear what is said into the microphone and what comes over the receiver.

Reading and Vision

General reading requirements have increased 170 per cent since 1900. The average school child must read 15 times more today than in 1900. America's vision must be re-educated to meet the demands of a near-point world. Many children do not have sufficient visual maturity to begin reading until they are seven or eight years old, according to American Optometric association.

Development of the Eye

The eye is not anatomically developed until the 16th week after birth. Little by little, the child learns to coordinate the eyes and brain by practice, until his visual apparatus can discriminate size, shape, color, distance and motion. During pre-school years, a child's vision constantly is developing. Young children are normally farsighted. The eye itself is only an instrument of vision. Sight is a brain process depending for its correct functioning on the normal reaction of the nervous system.

INTERMEDIATE AND MIDGET TOURNEYS SET FOR THIS WEEK

Tournaments Postponed From July 4th Week-end Because of Wet Grounds

The eighth region's intermediate and midget baseball tournaments, which had been scheduled for the Jay Cees' Sports Carnival on July 3rd, 4th, and 5th, were postponed because of the rain and wet grounds, and have been re-scheduled for this week, with the first game being played on Friday evening at 6:30 p. m. at the Fair Grounds when the Warren intermediates play the Thief River Falls intermediates. On Saturday the midget teams will take over the Fair Grounds diamond for five games, beginning at 10:00 a. m. Sunday will find the teams in the midget semi-finals, utilizing the East Side diamond at 10:00 a. m. and 12:30 p. m., with the championship finals slated for 4:30 p. m. At 6:30 p. m. the finals of the intermediate division will be played on the Fair Grounds diamond.

The winner of the midget championship will represent the eighth region in the state tournament being conducted in Minneapolis on July 29th, 30th, and 31st, and which will be one of the features of the Aquatennial. The intermediate winner, too, will represent this region in the junior baseball tournament being held in conjunction with the Aquatennial in Minneapolis on July 30th, 31st, and August 1st.

The midget and intermediate [illegible] schedule:

6:30 p. m., Friday, July 9th, Warren Intermediates vs. Thief River Falls Intermediates, Fair Grounds diamond.

12:30 p. m., Sunday, July 11th, midget semi-finals, East Side diamond.

4:30 p. m., Sunday, July 11th, midget championship finals, East Side diamond.

6:30 p. m., Sunday, July 11th, intermediate championship finals, between winner of Warren vs. Thief River Falls game, Fair Grounds diamond.

Girls City League Softball Schedule

The girl's city softball league, also in recess due to the rain and the Fourth of July holidays, will resume play this evening with the Seniors playing the Freshmen. On Monday, July 12th, the Gamble-Robinson will play the Sophomores; and on Tuesday, July 13th, the Oen's team will meet the Seniors.

On Wednesday evening, at 6:30 p. m. the girl's All-Star team will play a return game with the Red Lake Falls girl's team, playing on the East Side diamond.

Girls All-Star Team Loses 7 to 6 to RLF

The Thief River Falls girls all-star softball team sustained a 7 to 6 defeat at the hands of the Red Lake Falls girls team in the latter city Wednesday night. A return game will be played on the east side diamond in this city next Wednesday evening, July 13, at 6:30.

Rites at Chapel for Jerald Alan Lee

Funeral rites were held at the Gulbranson chapel Sunday afternoon with Rev. Carl F. Johnson officiating for Jerald Alan Lee, son of Mr. and Mrs. Arnold Lee of this city, who died July 1 at a local hospital. Interment was made in Greenwood cemetery.

He was born on May 21, 1947 in this city, and is survived by his parents, one brother William, grandparents, Mr. and Mrs. Joseph Jakubice of Minneapolis and Mr. and Mrs. Albert Lee of Hitterdal; 12 aunts and 8 uncles.

NORTHROP, KNOX SCHOOLS IN FINALS

To Compete for Grade School Championship

The twice-postponed grade school baseball tournament finally got under way on the East Side diamond on Wednesday of last week. In an afternoon game, the Northrop nine, with Donny Johnson pitching three-hit ball in addition to blasting out a homerun with the bases loaded, defeated the Washington team, 16 to 3. In a twilight game, the Knox nine, with pitchers Jack LaSalle and LeRoy Aasland giving up but two hits, outscored the St. Bernard Broncos to win by a 11 to 5 score.

The two winners, Northrop and Knox, will meet for the city championship sometime next week, and the Washington and St. Bernard's will play in a consolation game. The games will be played after the regional Midget baseball tournament has been completed here on Saturday and Sunday, as a number of the boys on the school teams are members of the city's midget team.

Games this Sunday:
Plummer at Thief River Falls
St. Hilaire at McIntosh
Crookston at Winger
Red Lake Falls at Erskine

After a week's recess, due to the Fourth of July holidays, the Northern Minnesota Baseball league will swing into the second half of its season's schedule on Sunday. And the highlight game on the slate will be the Plummer Red Sox vs. Thief River Falls Thieves game at Thief River Falls. The Red Sox, tied for the league lead with the Red Lake Falls Lakers, defeated the Thieves, 6 to 2, in the season's opener on May 16th, and they are primed to repeat that triumph on Sunday and continue their grip on first place.

Other league games will find the St. Hilaire Saints, after four straight losses, attempting to get back into the win column at the expense of McIntosh, playing the Mac's at McIntosh. The fast-rising Crookston Pirates will travel to Winger for a game against the Tigers; and the Red Lake Falls Lakers, the league's "dark horse" team, will tangle with Erskine.

Rites Held at First Lutheran Church for James Johnson, 69

Funeral rites were held Tuesday afternoon at the First Lutheran church, Rev. Carl F Johnson officiating, for James Johnson, 69, who was summoned at a local hospital on July 2. Burial was made in Greenwood cemetery.

Pallbearers were six nephews, Ernest Hellquist, Rolland Hellquist, Walter Hellquist, Wallace Anderson, James Halvorson and Roy Halvorson.

Mr. Johnson was born April 26, 1879, in Trysil, Norway. At the age of three he came with his mother to this country and settled at Appleton. His mother died shortly after and he then made his home with an aunt. He later moved to Rosewood and resided with an uncle, Peter Sorenson. On Nov. 19, 1914 he was united in marriage to Lydia Hellquist, after which they made their home in this city.

Survivors include his wife Lydia, a son Earl and three grandchildren. He was preceded in death by his parents and two sisters.

Mrs. Amanda G. Jubb Half Century Resident Died Friday, July 2

Mrs. Amanda G. Jubb passed away at the home of her daughter, Mrs. Ole Jaranson on July 2 at the age of 92 years. Funeral rites were held at the Gulbranson chapel Tuesday afternoon with Rev. E. P. Torjesen officiating and interment was made in Greenwood.

Mrs. Jubb, a resident of this community for over half a century, was born Oct. 23, 1855 in Wisconsin. She moved to Breckenridge with her parents when a young girl, where she was also united in marriage to Isaac M. Jubb. They lived at Athoe, S. Dak. then they moved back to Breckenridge and later moved to Frazee. In 1891 they came to this city where she resided since. For the past three years she has made her home with her daughter, Mrs. Ole Jaranson. She was a member of the Methodist church.

Left to mourn her passing are two daughters, Mrs. Ole Jaranson and Mrs. Lola Leischmann of this city; one son Clarence of Hartford, Wash.; 11 grandchildren and 10 great grandchildren. She was preceded in death by her parents, husband, three sons and a daughter.

Final Rites Held Saturday for Edward Vasstrand, 85 Years

Edward Vasstrand passed away at the Robert Nelson home in this city on June 29 at the age of 85 years. Final rites were held at the Gulbranson chapel on July 3 with Rev. G. S. Thompson officiating. Interment was made in Greenwood cemetery.

Born in Aalesund, Norway on April 7, 1863, he received his schooling in Norway. He came to Granite Falls in 1889 and then moved to Cottonwood, where he was a Norwegian instructor, and later moved to Fisher, where he also taught school. He then moved to Oklee and homesteaded and later opened a real estate business and sheep ranch north of Oklee. Due to blindness he came to this city to make his home with his niece, Mrs. Robert Nelson.

He is survived by two brothers, Ole of Cottonwood and Knute of Norway; one nephew Olaf Hovde of St. Paul; and one niece, Mrs. Robert Nelson of this city. His parents, two sisters and a brother preceded him in death.

Charles Albert Jones Rites Held Wednesday

Funeral rites were held for Charles Albert Jones, one year old son of Mr. and Mrs. Quentin Jones, at the Gulbranson chapel Wednesday morning July 7. Rev. D. T. Beadle officiated and interment was made in Greenwood cemetery. He passed away at a local hospital on Sunday morning.

Born on Oct. 2, 1946 in this city, he is survived by three brothers, Evan, Kenneth and David of this city besides his parents, grandmother, Mrs. Jones of Milbank, S. Dak.; grandparents Rev. and Mrs. McBride of Minneapolis; five uncles and 7 aunts.

Others in the parade, which was headed by the highway patrol and a color guard, included the Thief River Falls fire department with its old and new equipment, and a group of visiting queens, including Miss Crookston, Miss Ardith Siemers, Miss Northwest; Miss Gloria Goulet, Miss Warren; and Miss Janice Lokken, Miss Greenbush.

In Monday's parade were most of the units that had appeared Sunday, and in addition more than 50 little girl candidates for the Jaycee junior princess title and a huge array of gaily decorated bicycles.

Entertainment in front of the grandstand at the fair grounds also included music by the Great Lakes all-girl orchestra, songs by the Thief River Falls Eagles quartet and rope tricks by a member of the Calgary troupe.

The audience Monday night was thrilled by what was undoubtedly the most elaborate display of fireworks ever presented in this city.

Pfc. John J. Efteland's Remains Coming Shortly

Word was received here yesterday that the body of Pfc. John J. Efteland is en route to this country from overseas for reburial in a local cemetery. Meeting his death during the late war, he is the son of Mr. and Mrs. Palmer Efteland. Military rites will be conducted at a later date when the remains arrive.

CANDIDATES GIVEN ENDORSEMENT BY DFL RIGHT WING

Give Chairmen Authority to Establish Provisional Setup in Pennington Co.

The executive committee of the Democratic-Farmer Labor Party of Minnesota added four names to its list of endorsed candidates for state office at its meeting in Minneapolis, Sunday, June 27th. It also endorsed a candidate for Congress in the 9th district.

Those receiving the approval of the DFL group were John McDonough of Stillwater for lieutenant-governor, Koscie Marsh of St. Paul for secretary of state, Jack Omvedt of Minneapolis for attorney general, Arthur Erickson of St. Paul for state treasurer, and L. J. Lee of Bagley for 9th district congressman.

Endorsed previously at the state convention were Hubert H. Humphrey for United States senator and Charles Halsted, Brainerd, for governor, Roy Wier, Minneapolis, candidate for Congress in the 3rd district, Marcella Killen, Minneapolis, for Congress in the 5th district, and John Blatnik, Chisholm, for Congress in the 9th district.

In Jackson, Anoka, Isanti, Chisago, Aitkin, Pope, Yellow Medicine, Koochiching, Otter Tail, and Pennington counties authority was given to the state and district chairmen to establish provisional organizations if they were convinced that the present organizations had deserted to the third party.

TWO COUNTY MEN IN G. FORKS JAIL

Get 6-months Sentence on Charges of Assault

Bernie M. and Floyd Johnson, 33-year-old twins from rural Thief River Falls, pleaded guilty to charges of assault with a dangerous weapon without intent to kill at an arraignment before District Judge M. J. Englert in Grand Forks Tuesday. They were sentenced to six months each in the Grand Forks county jail.

The pair waived preliminary hearing before Justice of the Peace L. A. Chance earlier in the day, and were bound over to district court.

The charge resulted from an altercation on Highway 81 in which B. T. Rodgers of Grand Forks received minor injuries after an automobile accident. The two were charged with the offense after being identified by Rodgers. They were returned to Grand Forks Sunday by States Attorney Milton Moskau and Sheriff A. J. Ulvedal.

Construction Industry Employment in City up Forty Per Cent in June

Employment in the construction industry in Thief River Fall increased from a total of 183 in May to 257 in June, a gain of 40 per cent, it is revealed in the July issue of Labor Market Trends, published by the local employment office. The sharp increase was attributed to the activities of out-of-town contractors working on street and highway projects. The overall gain in local employment was held to 1.8 per cent owing to the fact that teacher vacations caused a substantial drop in government employment.

Lutheran Tent Mission Now in Progress in City

The Lutheran Tent Mission, under the joint auspices of First, Trinity, and Zion Lutheran Churches locally, began its week of evening meetings in its tent at the corner of Fourth and LaBree on Tuesday evening of this week. Speakers for the week are the Rev. L. Monseth, of Superior, Wisconsin, and the Rev. A. Gudmestad, of Minot, North Dakota. On Sunday evening Dr. B. M. Christensen, president of Augsburg College, Minneapolis, will give the final message of the series. Each evening session will begin at 8:00 p. m.

Only One Offender in Court During Past Week

Despite the near-record traffic in this city over the Fourth of July holiday week-end, no law violators appeared in municipal court until Tuesday, July 6, when Eugene L. Tunheim was brought in by police on a charge of careless driving. He pleaded guilty and paid a fine of $25.

17 Trinity Church Young People Return from Camp

Seventeen young people from Trinity Lutheran Church returned on Saturday evening from the Lake of the Woods Bible Camp near Baudette. With Rev. G. S. Thompson serving as dean of the camp sessions, a profitable week of study and play was reported by all.

Outwitting the Fox

A means used by turkey and poultry growers to outwit foxes is a single-strand electric fence completely surrounding the pen, according to Turkey World. This has the advantage of being readily movable when the turkeys are moved. Such a wire should be placed about 15 or 20 inches from the ground. Another idea is to spray a strip around the pen about 30 inches wide with used machine oil or a mixture of machine oil and kerosene with a little turpentine added for odor.

Language of Birds

Birds unquestionably have a rudimentary language in the sense that they use their calls to communicate with one another. Such bird calls as the alarm-call of a jay or plover, often are intelligible to other creatures as well.

Editorials.....

Marshall Tito's communist Yugoslav government seems to be out of favor with the international communist organization that is controlled by Comrade Stalin. When harsh words are spoken publicly under such circumstances it may be assumed that the differences are serious, and if the break between Tito and Stalin is serious the consequences could be interesting. At any rate this is one argument between European powers which we can watch from the sidelines without fear of losing ground regardless of which side wins. We're pulling for Tito of course, but if he pays the usual penalty for daring to differ with the big boss not many tears will be shed.

Even if our favorite candidate had been nominated at Philadelphia we still would say that the procedure we follow in nominating and electing our presidents in this great country of ours is lousy. Our system of conventions and electoral votes probably had justification in the days when communication and travel was limited to the speed of a horse. It would have been practically impossible under such conditions to hold primary and general elections on a national scale. It would require months to determine the result of a vote and more months to get that information back to the voters again. In a country so great in area it was necessary at that time to use conventions and an electoral college. But not so today. To hold a national election today is no more of a problem than holding an election in the city of Thief River Falls. Through the radio and the press, candidates can appeal directly to the voters of the entire nation and the results of a national election are known in all parts of the country just as quickly as votes can be counted. Our system of conventions and the electoral college are just as obsolete as the pony express.

We agree that the Republicans passed up their best bet when they nominated a candidate for president at Philadelphia but that's water over the dam. They might have made a worse selection than they did. The number one consideration in selecting a candidate under present conditions was to agree on one who would go along with the majority on foreign policy. It would have given considerable aid and comfort to the enemy and a great disappointment to our foreign friends if the party had nominated a candidate not personally in accord with our present program in the international field. The four candidates who were looked upon as being friendly to this program were Stassen, Vandenberg, Dewey and Warren. Our candidate was not nominated, but our side did not lose.

For hundreds of families living along that portion of the Red Lake and Clearwater rivers that has been subject to flood; and for the hundreds of individuals in all of the communities along these rivers who have taken an active part in the effort to secure channel improvement and better control of the waters of this watershed, the ground breaking ceremony to be held at River Valley Saturday will be a memorable event. It is an achievement in which hundreds of our people may take personal pride; *an achievement that stands out as a testimonial* to the cooperative effort of the people of many organizations and many communities.

To attempt to give special recognition to the contribution of individuals and organizations at the community level would be unwise for obvious reasons. Some who undoubtedly contributed much are no longer with us. Some have died and some now live in other sections of the country. The effort has extended over a period of so many years that no one is qualified to say who should and who should not have special praise.

As a community, however, we do owe a word of thanks to a few individuals, not a part of our community, but who have given us valuable assistance in this effort. We have been fortunate in that we have had "friends in high places" and public servants who have served us well. To the congressional delegations of North Dakota and Minnesota; to Harold Hagen, Joe Ball and Ed Thye, and to Governor Luther Youngdahl and officials of the Conservation Department, we are especially grateful. Without their active and wholehearted support we wouldn't have gotten very far and so on this occasion of celebration it is to them that we would say "thank you."

With the two factions of the DFL party in the Ninth district each entering a candidate for Congress, it looks as tho Harold Hagen won't have much to worry about.

As we recall it, not since William Howard Taft was elected forty years ago in 1908 has this country had a president who sported a moustache.

Looking Backward

1928—TWENTY YEARS AGO

Floor space was doubled in the Golden Rule store on East First st., of which Carl Christofferson is proprietor.—H. O. Chommie had charge of the Memorial Day procession to the two local cemeteries. — Plans were completed for remodeling the Christian Science church on LaBree Av. at First St.—George W. Werstlein was appointed cashier of the First National bank.—The Theodore Quale family left on a trip to Southern Minnesota.

1938—TEN YEARS AGO

A class of 129 Lincoln high school graduates heard an address by Dr. George Mecklenburg of Minneapolis.—The city council called for bids on material to oil 30 additional blocks of streets in this city.—Mrs. P. B. Malberg, pioneer of Excel township, died May 29 at the age of 73.—Local Legionnaires and auxiliary members were dinner guests at the CCC Camp near Middle River.—W. L. Peterson of Lancaster will be the speaker at Flag Day exercises sponsored by the local Elks lodge.—Dr. and Mrs. O. F. Mellby left on a motor trip to the West Coast, where the former will attend a medical conference.

Manufacturing Ice

In 1850 Dr. John Gorrie, Apalachicola, Fla., oppressed by the heat and realizing, as only a doctor could, the boon of ice to mankind, secured the first American patent for a practical process of manufacturing ice. When America's first artificial ice-making plant was build in New Orleans in 1868, a new and vital industry was born.

Deaths From Burns

Deaths from burns reach a peak in December, National Safety council figures show. Principal reasons are defective heating appliances, or improper use of them, and defective chimneys. In December of 1945, 1,350 persons died from burns. During the summer the toll is about 500 a month.

Irish Linen for Money

Irish linen for U. S. bank notes and U. S. money for Irish linen sounds like a merry-go-round but that's the way it is. The U. S. government buys more than 100 tons of clean linen scraps and remnants from Belfast each year to be used in the making of paper money. Then the American consumer eagerly spends a part of that money for Irish linen towels, table linens, linen handkerchiefs and dress linens.

They Shrink Fast

Half a ton of tomatoes weighs only 30 pounds; spinach, 50; cabbage, 80; corn, 80; potatoes, 170, and eggs, only 200 pounds after dehydration.

Remove Cabbage Stumps

All cabbage stumps should be removed from the garden and destroyed or put in the compost heap. If stumps are left in the ground, cabbage worms will fatten up on them and be on the job for next year's crop.

2 FIELD DAYS SET FOR N. W. SCHOOL

Weed Control and Crops and Soils Days Planned

Two big field days of interest to Red River Valley farmers will be held at the Northwest School and Station at Crookston on July 12 and 15.

The regional weed control demonstration will be held on Monday, July 12. Features of this regional meeting will be complete commercial displays of the latest types of field spraying equipment and spray materials; summaries of the latest results in weed spraying by R. S. Dunham and T. H. Fenske of St. Paul and O. C. Soine of Crookston; and a field tour of the fifty-four spray plots. The morning session starts at 10:30 A. M. The afternoon program opens at 1:30 P. M.

Crops and Soils Day will be held on Thursday, July 15. Albert Kopecky, president of the Red River Valley Crops and Soils association, has called a meeting of the directors of that association for 11:00 A. M. at the Northwest School Library.

All of the new varieties of field crops will be on display for the field tours which start at 1:30 P. M. Leaders and plant breeders of the different crops from the Minnesota Central Station, St. Paul will be present to assist members of the Northwest Station staff on the program and field tours. An outstanding feature of the Crops Day will be the open forum on crops after the field tours.

O. C. Soine, agronomist, and B. C. Beresford, horticulturist, from the Northwest Station are tour leaders. Superintendent T. M. McCall will preside at the open forum.

LOCAL NINE WHIPS WARREN; STROBLE PITCHES 3-HITTER

Thief River Falls Wins Monday Contest 5-0 as Sports Carnival eFature

The locals' Harold Stroble and Warren's Scott Mathews engaged in a pitching duel here Monday afternoon and the former, holding Warren to three hits and no runs, registered a 5 to 0 win in a game played on the Fair Grounds diamond and which was one of the features of the Jay Cee's Sports Carnival. Warren's Mathews allowed but four hits and didn't give up an earned runs, and it was due to erratic support by the Warren infield that permitted the locals to rack up their five runs.

The exhibition game slated to have been played between the Plummer Red Sox and the Thieves on Sunday was cancelled because of wet grounds; but the two teams are scheduled to meet here on Sunday afternoon when the Northern Minnesota league begins its second round of play.

The Thieves were held hitless for four innings of play Monday afternoon, but the locals did gain a 2 to 0 lead in that time, scoring twice in the 3rd inning. Mathews opened the inning by giving Al Thompson a walk. Harold Stroble topped a pitch and sent a slow roller in front of the plate, and which was fielded by catcher Red Bossman. Bossman elected to make the play at second base but when neither the shortstop nor the second baseman covered the base on the play, the throw went on into centerfield and Thompson moved around to third base, with Stroble stopping at first base. Stroble stole second base, and then Stan Cockrell sent a slow roller to shortstop. Thompson was safe at home with a run when he beat the throw to the plate.

Wayne Goethe was given a base on balls, filling the sacks. Stephens grounded to shortstop Glen Lindberg and Stroble scored when the shortstop made a bad throw to the plate in attempting to get Stroble on a force out. Babe Paulsen struck out; Nornes grounded to Mathews to force Cockrell at the plate; and Rasmussen ended the inning when Lindberg handled his ground ball and tossed to Petrich to force Stephens at second base.

Warren had made a threat to score in the top half of the 3rd when Bossman and Ranstrom opened with singles. Mathews rapped a ground ball to Paulsen who tagged Ranstrom and then flipped the ball to Cockrell to complete the double play. Lindberg's whiff was the third out.

Cockrell's line single, a pair of errors on bad throws by the Warren shortstop, and Nornes' double down the right field foul line added three runs to the Thieves' total in the 7th inning.

Harold Stroble, in pitching the three-hit and no-run game, collected ten strikeouts, getting Glen Lindberg and brother Milt Stroble, three times each.

Results of the week's games:
Northern Chevrolet, 3; Bridgeman's, 1
Oen's, 10; Middle River, 2.
Bridgeman's, 6; Oen's 5.

Games this week:
Thursday, Hudson Motors vs. Eagles.
Friday, Northern Chev. vs. Viking.
Saturday, Eagles vs. Oen's.
Monday, Middle River vs. Hudson Motors.
Tuesday, Bridgeman's vs. Poppler's Furn.
Wednesday, Northern Chev. vs. Eagles
Thursday, Oen's vs. Viking.

The Bridgeman's team, giving their pitcher, Bud Weckworth, fine support, provided the City Softball league with the upset of the year on Tuesday night when they defeated the league champion Oen's nine, 6 to 5. And the Bridgeman's well-deserved the victory that they recorded for they tagged the Oen's "raise-ball" expert, Milt Relerson, for six hits, including a right field homerun by Clarence Weckworth.

Weckworth's homerun accounted for two runs in the 2nd inning as the blow scored Erickson who had opened the frame by getting the game's first hit, a single. In the 3rd inning the Bridgeman's, on a base on balls to Jim Engelstad, an error, a fielder's choice, and a right field double by Owen Weckworth, put three runs across the plate. And in the 5th inning manager Weckworth's team scored what proved to be the winning run on a hit batsman, an infield out, and Erickson's single that tallied Jim Engelstad from second base.

Milt Relerson's double, a walk to Paulsen, and Oberg's single gave Oen's a pair of runs in the 3rd inning; and singles by Bob DuChamp and Len Brekke in the 6th inning, plus an error on Irv Wilson's ground ball, added another pair of tallies to the Oen's total. In the 7th, Oberg was safe on a two-base error to open the inning. Gordy Relerson doubled into left field, and Oen's trailed by a run. Len Hellquist was safe on an infield hit, with Relerson remaining at second. Bob DuChamp forced Relerson at third base; Brekke struck out; and Wilson grounded out, pitcher to first base, to end the game.

The Oen's defeat has revitalized the softball league for it has proved to the Poppler's Furniture, Northern Chevrolet, Eagles, and the other teams, that the city champions can be beaten.

Bridgeman's engaged in another well-played and exciting game during the week, losing by a 3 to 1 score to the Northern Chevrolet last Wednesday night. Gordy Kaushagen for the Chevrolet and Owen Weckwerth for the Bridgeman's gave up two hits apiece.

The Big Game.

It's the consensus of local fans that Sunday's Northern Minnesota baseball league game between the Plummer Red Sox and the Thieves will be one of the most important to be played on the Fair Grounds diamond this season. And the fans are right; for this game has everything to make it the year's "Big" game. First, the two teams, Plummer and Thief River Falls, are contenders for the league championship, with the Red Sox sharing the top rung in the standings and the locals holding down fourth place.

A loss for the Thieves would just about eliminate the locals from the pennant race, while a loss for Plummer would move the Red Sox down into a tie with the Crookston Pirates and give the Pirates a big "lift" in the endeavor to retain the league championship.

Second, the traditional rivalry between Plummer and Thief River Falls has been heightened greaty by the fact that Wally, Jesse, and Bobby DuChamp, all former members of the local nine, are now potent cogs in the Plummer team. Wally and Bob being outfielders and Jesse being the Red Sox' shortstop.

Yes, Sunday's game should draw the season's largest crowd into the grand stand at the Fair Grounds. Whether or not that crowd will see baseball of championship caliber is another thing. It's possible that the players may be so tense and anxious that their performances may be erratic.

The game time is 2:30 p. m. Sunday at the Fair Grounds.

Like Humpty Dumpty.

Oen's softball team, on Tuesday night, took a fall like Humpty Dumpty when they lost to the Bridgeman's, 6 to 5, and it's a question whether or not Gordy Relerson and his "brain trust" can get the team back together again.

Having been on the Oen's "bandwagon" for the past couple of years, Tuesday night's defeat, and by one of the teams in the second division, has caused us to receive much "ribbing." It seems that every street corner in town is being held down by a Poppler's Furniture, Northern Chevrolet, or Eagles player, and they are all anxious to engage in conversation, and, by the way, "How's the Oen's softball team doing these days?"

For the information of the Poppler's, Northern Chevrolet, and the Eagles, we'll say that the softball games aren't won on the street corners, and we'll stick by Milt until after the playoffs.

Past the Upset Stage

Keith Jorde, standout local junior golfer, surprised many of the northwest's golf enthusiasts on Sunday when he won the shortstop golf tournament played at Grand Forks' Lincoln Park. But to Vic Jung, and other local experts, Keith's win wasn't a surprise or an upset. Vic, who has made arrangements for Keith to qualify for the national junior golf tournament, which is being held in Ann Arbor, Michigan, is of the opinion that local shotmaker is one of the country's top-flight junior golfers. And Vic is willing to be quoted to the effect that Keith will, following the junior tournament, will be given national recognition.

Added Attractions

Don't forget that the city's junior Legion baseball team will be playing the Alvarado team here on Thursday evening, this evening at 6:15 p. m., at the Fair Grounds.

On July 14th, at 6:3$ p. m., and on the East Side diamond, the city girl's softball team will play an All-Star aggregation from Red Lake Falls.

And on Saturday and Sunday, the region's midget and intermediate baseball players will be taking over the city's baseball facilities for their tournaments. These games provide the ultimate in competition, for the boys are all anxious to win and earn the trip to Minneapolis. Make it a date to come out to the Fair Grounds or the East Side diamond to witness some of the games.

Just Nine Days to Go

That's all the longer that the sportsmen in this vicinity will have to wait before the big Conservation Conference will be in full swing. And that's all the longer the boys will have to wait before they can see Phil Gagnon and his Chesapeake retrievers in action; and before they can see Forrest Saunders show how trap shooting is done; and before Ralph True will give his duck calling exhibition.

KEITH JORDE WINS G. FORKS TOURNEY

Young Local Golfer Whips Jimmy Nordine in Finals

Young Keith Jorde, the Prowlers' eighth regional golf champion, defeated Jimmy Nordine, 3 and 2, to win the Grand Forks Herald's annual shortstop golf tournament played over the Lincoln Park course at Grand Forks on Sunday.

More than a hundred golfers were entered in the tourney and the championship flight had thirty-two entries. Such "name" golfers as Nordine, Paul Bridston, the defending champion; Vic Jung, local club champion; Dr. Paul Cook, many times North Dakota state champion; Bill Larson; and Leo Haesle were championship flight contenders.

Jorde defeated Vic Jung in a first round match; ousted C. F. Hannawald in the second round; and then eliminated Bill Larson in the semi-finals. Larson had taken the defending champion, Paul Bridston, out of the tourney in a quarter-finals match. Jorde then went on to score his "upset" victory over Nordine in the finals.

Nordine, enroute to the finals, defeated Les Stern, Leo Haesle, and Otis Olson, shooting four-under-par golf in eliminating that trio of golfers.

Other local golfers winning flight championships or runner-up and consolation prizes were Elwood Karwand, who won the second flight honors. L. L. Tygeson was runner-up in the fourth flight; and Russ Embuly won consolation honors in the eight flight.

1,171,504 PERSONS LICENSED TO FISH IN STATE IN 1947

182,000 Resident Small Game Licenses Issued, Department Announces

More people were licensed to fish in Minnesota waters last year than ever before.

Official figures just released by the division of game and fish, Minnesota department of conservation, indicate that a total of 1,171,504 individuals were licensed in 1947, as compared to the previous high of 1,090,533 in 1946.

As for this year's sales, the figures are now running well ahead of the same period in 1947, leading game and fish officials to anticipate a 10 percent increase in sales this year over last.

Records that fell by the wayside last year were resident combination fishing licenses, 283,042, compared to the previous high of 255,670 in '46; non-resident individual fishing licenses—111,798, compared to the 1946 previous high of 103,535; and nonresident combination licenses—76,141, as compared to the '46 high of 67,826.

Sales of resident individual fishing licenses hit 340,218, the highest since 1940.

Official figures on the 1947 hunting season were also released. License sales fell off due to a closed season on pheasants, the shortened season on ducks, and restricted deer hunting area. Resident small game licenses totalled 182,401 last year as compared with 320,514 in 1946; non-resident small game ran 381 compared with 829; resident big game licenses sold totaled 157,954 as compared with 176,985 the year before; while non-resident big game licenses jumped from 837 in '46 to 993 last year.

Sportsmen's license sales increased from 947 in 1946 to 1,122 last year.

hTe jump in price from $1.00 to $3.00 was responsible for trapping license sales falling off from 53,899 in 1946 to 24,362 in 1947, because most individuals did their trapping in the spring on the old license.

5,790 Students Trained at Dunwoody Institute During the Past Year

Training men for jobs in the cities and towns of Minnesota is the job of Dunwoody Industrial Institute in Minneapolis — and this year 5,790 students received job training there. They helped make this past year the biggest in the history of the school.

The total enrollment included 3,022 in the day school, (2,550 veterans and 472 non-veterans); 2,644 in the evening school, (1,403 veterans and 1241 non-veterans); and 124 part-time apprenticeship trainees.

At present Dunwoody has 90 department heads and instructors handling the training at the school. The school began its vacation period on June 26 and will reopen Monday, August 2 to begin its 35th year of service.

"AND THE LOST SHALL BE FOUND"

It is not surprising that an Air Force lieutenant should have lost a fountain pen on D day, June 6, 1944. It is impressive comment on army thoroughness that the pen was returned four years later. From an air-base in England the pen was recently sent to the U. S. War Department, and Burton H. Klein was notified at Sandstone. A gold thimble bought in her native Norway was lost at Westport by Mrs. Theodore Huggenvik in 1924. This spring it was turned up while spading the garden, the gold untarnished.

WE USED TO BUILD STURDILY

Machines, barns, and men once were built more sturdily than seems to be the case of late years. A barn built of hand-hewn timbers near Sauk Centre 43 years ago just got its first re-shingling; it has withstood ordinary time and weather plus two tornados. James McNee and his son-in-law Martin Norman are using two mowing machines near Spring Valley that were built more than 40 years ago. Isaac Van Doren, 78, would have pedaled his bicycle 140 miles from Merrifield to a religious encampment at Anoka, but the machine broke down about halfway and he hitch-hiked in.

Will's Hospitality Isn't "Cracked"!

Ever since January, Will Dudley planned to give his living room that "new look"—planned to carefully refinish the woodwork and replaster the walls.

Every time Will got out the putty to start filling in the cracks, a neighbor stopped by to pass the time of day—and first thing you knew, there was a group of us helping Will do the job up right. After Will called a halt to the evening's work, we'd sit around the fire enjoying a friendly argument and a sparkling glass of mellow beer.

So Will's living room doesn't look like it did a year ago—but it's by far the most "livable" living room I know: A place you can always drop in for good talk, good beer, and a warm welcome.

From where I sit, so long as Will puts that atmosphere of hospitality and good fellowship ahead of everything else, we'll all be happy to help Will change the *looks* of his living room any time he wants.

POLITICAL ROUNDUP

By Arthur Naftalin

The Minnesota political grapevine is buzzing with a wide assortment of rumors involving all parties and factions. While many of them are, no doubt, without much foundation in fact, the volume of them and the frequency they are related suggest that there is some fire behind all the smoke.

Perhaps the most fantastic rumor is the one that claims former Governor Harold Stassen is being considered by some Democrats (outside of Minnesota) as a candidate for the Democratic Presidential nomination.

This, of course, springs out of the disappointment of many of his supporters over his failure to get the Republican nomination and out of the frantic searching on the part of many Democrats for a nominee they feel can defeat Governor Dewey. Needless to say, this rumor is being given no serious attention.

On a serious level are another group of rumors which appear to have some credence. These concern the possible reentry of Stassen into the Minnesota political picture. There is one tale that holds Stassen as being interested in returning to the Governorship.

This story goes something like this: Senator Joseph H. Ball has presumably widened the rift between Stassen and himself by having appeared to give Governor Dewey support in the convention maneuvering. Stassen, who has still not given his support to Ball's reelection, is supposed to be urging Governor Luther Youngdahl to file against Ball, which, of course, would leave the Governorship spot open.

After Youngdahl files against Ball, so the tale goes, a special state Republican convention would be summoned for the purpose of selecting a nominee for Governor, and the convention would stage a "draft" of Stassen.

Youngdahl himself, perhaps inadvertently, has contributed to the speculation that such a move may be under consideration. At a press conference last week, he was being joshed by newsmen, and, in reply to one quip, the Governor said: "Whoever told you I was going to file?"

Over the months, the Governor has repeatedly stated that he was candidate for reelection. The stories that he was thinking about seeking the Senate seat have circulated for almost two years, even from before the time he took office as Governor.

Another rumor concerning Stassen and the Senate claims that he might arrive there thru another route. This plan calls for the resignation of Senator Edward Thye to be succeeded by Stassen through appointment by Youngdahl after the general election is over.

On the DFL side, as Democrats gather in Philadelphia for the opening of their convention Monday, there are hints that Mayor Hubert H. Humphrey of Minneapolis might come in for some serious consideration in the matter of the Vice Presidency.

Humphrey has developed some wide contacts among the Democratic leaders and is highly regarded as a coming national leader of the Party. The Americans for Democratic Action, of which Humphrey is a national vice chairman, is spear-heading the campaign to find some candidate other than Truman, and many of the A.D.A. leaders would like to see Humphrey on the Democratic ticket.

The consensus seems to be that President Truman can have the renomination if he wants it, but the lack of enthusiasm on the part of many delegates suggests the possibility that the Democratic convention will be a wide open one in which anything can happen.

Just as Stassen's candidacy in the GOP convention spot-lighted the Minnesota delegation there, so Humphrey's growing prominence as a leader in the liberal Democratic wing is likely to focus much attention on Minnesota delegates next week.

If the movement behind Justice William Douglas should gain much steam, Humphrey is likely to emerge as one of the main personalities in the convention. Or, if General Eisenhower is finally a candidate, the A.D.A. group will acquire much prestige and influence, because it has been the main contact between the Democrats and both Douglas and Eisenhower.

"No Worry About Marketing..." says OSCAR YOUNGQUIST, Creamery Operator

"Land O'Lakes, with its national marketing organization, sells our dairy products for us far more effectively than we could by ourselves," says Mr. Youngquist, operator of the Farmers Cooperative Creamery, Inc., Milaca, Minn.

"With no worry about marketing, I can concentrate on producing quality butter that makes the most money for our farmer-owners. Land O'Lakes helps our production efficiency, too—both in the creamery and on the farm—with its laboratory and field service. Our people are really boosters for the efficiency and fairness of the Land O'Lakes way."

are even more attractive than in the past!

FIRST in Value...
FIRST in Big-Car Quality at Lowest Prices...
FIRST in Registrations

NOT only does Chevrolet stand out as the first and only low-priced car with all the following major advances which comprise the soundest and best in modern motoring . . . not only does it offer all these major advantages of Big-Car quality at lowest prices . . . but it offers them at prices that are now definitely and decisively lower than those of any other car that even remotely approaches it in quality!

It's the first and only low-priced car with the original and outstanding Unitized Knee-Action Ride. It's the first and only low-priced car with a world's champion Valve-in-Head Engine. It's the first and only low-priced car with the enviable Body by Fisher. It's the first and only low-priced car with the triple safety-protection of Fisher Unisteel Body-Construction, the Unitized Knee-Action Ride and Positive-Action Hydraulic Brakes.

And yet, despite the fact that CHEVROLET AND ONLY CHEVROLET IS FIRST to offer all these major advancements of low-cost motoring, it holds an even greater price-advantage and gives you even more value for your dollars in comparison with other automobiles today than at any previous time in Chevrolet history!

DEMOCRACY on Parade!

This is a great year—a year of political conventions, campaign talks, and a presidential election. Democracy is on parade.

After all . . . this is quite a country in which we live. Here you can think what you wish; say what you think; vote as you like; earn good pay for honest work; buy the things you want; and accumulate wealth you can call your own. The progress you and others in this community are making is reflected in our June 30th statement of condition. In our opinion that is the real importance of a bank statement—it is a composite picture of progress for the community as a whole.

For after all, no bank can prosper unless depositors prosper. Without you, we would have no total of $4,479,784.44 deposits. Without you, surplus and undivided profits could not amount to $136,268.90. So you see we have a definite interest in your progress . . . an interest reflected in loans amounting to $756,184.03. Here is money that has been put to work stimulating even greater progress.

And so . . . we submit our statement, not so much as proof that this is a progressive, growing institution . . . but as added evidence that you and your community are going forward.

SMILEY

Fourth of July was celebrated in a large variety of ways by Smileyites. Naturally, the majority of them went to town to see what there was to see. The activities there provided amusement and the Tindolph Park playgrounds was a haven for the young fry. Now that the Fourth is over, there comes the vast preparation by the 4-H gang for the coming fair. Then surely, is summer over!

Mr. and Mrs. Victor Rodahl of Holtville, California visited at the George Diehl home Saturday evening. Mrs. Rodahl is Mr. Diehl's sister.

Just Cat's Whiskers

Whiskers of a cat and the hairs in a man's nostrils are composed of the same substance—vibrissae.

Real American Nut

Pecan nuts are North America's greatest contribution to the world's nut market. Although the species has been introduced into many foreign countries, production is not important outside of the United States and northern Mexico.

Witchcraft Illegal

Witchcraft, although illegal in South Africa, is still very deep-rooted in the kraal native. The age-old superstitions of a primitive people are not overcome in a generation, and the witchdoctors are jealous of their power.

Ice Cube Production

An electrical device just patented achieves mass production of ice cubes by a new method. A column of ice is frozen in a tube. As it moves upward, a cutter slices off cubes into a dispenser. The machine can be set for any predetermined number of cubes.

Kill the Weeds
THAT STRANGLE CROPS
Use Dr. Salsbury's
WEED-KILL
Agricultural Forms

Mr. Farmer, weeds rob you of many, many dollars every year. Get rid of them this easy, convenient way—use Dr. Salsbury's WEED-KILL, agricultural forms. Low-cost, low-gallonage spraying of crops such as corn, wheat, oats, barley, rye, flax, rice, and sugar cane is made possible with WEED-KILL A-4 or WEED-KILL E-3.34. Either form is economical—spraying small grains, for example, costs as little as 35 cents an acre. WEED-KILL agricultural forms are easy to use. For further information on weed spraying, see the friendly men at

California Lemons

The Spanish adventurers brought the lemon to America, and this fruit is supposed to have been introduced into California at the same time as the orange, although its commercial development was much slower. There are now more than 70,000 acres of lemon plantings in California. Practically all, nearly 99 per cent, of the lemons grown in America are produced in California. This is half of the world's total lemon production.

They Go in Style

Fifty-seven per cent of all livestock shipped to stockyards in the United States go by trucks.

Your Share of Land

If America's cropland was fenced into equal shares, each individual's plot would be smaller than three football fields.

U.S. ARMY OFFICER CANDIDATE SCHOOL

NOW OPEN TO HIGH SCHOOL GRADUATES

This is important news to every young man from 20½ to 28 who has graduated from high school or who can pass equivalent education examinations. Under a new ruling, you may now enlist in the U. S. Army for the specific purpose of attending Officer Candidate School, provided the quotas are not filled.

You must be a citizen of the United States, and a man of high moral character, able to meet the necessary physical requirements.

To take advantage of this unusual privilege, you may submit your application to the Commanding General of the Army area in which you live. If you are selected, you will be enlisted in the Army as Staff Sergeant. If you have not had basic training or its equivalent, you will be given this training before entering Officer Candidate School.

If you are a successful candidate, you will be commissioned as Second Lieutenant in the Officers Reserve Corps and placed on active duty for two years, during which time you may compete for a Regular Army Commission. Should you fail to complete the course successfully, you will be released from the Army.

The opportunity to qualify for Officer Candidate School is, and has been, open to men in the Army. But never before during peacetime has such a remarkable opportunity to become a commissioned officer been open to civilian high school graduates. Get all the facts about it today at your U.S. Army and U.S. Air Force Recruiting Station.

HOLT

Smith—Wetterlund Wedding

The First Baptist church of Karlstad was the scene of a pretty wedding on Thursday afternoon, June 24, when Miss Ruby Vernice Smith, daughter of Mr. and Mrs. Rudolph F. Smith of Holt became the bride of Burton Rodney Wetterlund, son of Mr. and Mrs. Carl Wetterlund of Kennedy.

The double ring ceremony was read by Rev. Reuben Smith, uncle of the bride, before an altar banked with garden flowers in the presence of about 200 relatives and friends. Mrs. Rueben Smith played the traditional wedding march and Mrs. C. Elgin of Roseau, cousin of the groom, sang "Because" and "I Love You Truly".

Given in marriage by her father the bride was lovely in a gown of white nylon marquisette over sequin trim and a full train.

Attending the bride were Miss Eunice Becklund, cousin of the groom, matron of honor and Miss Gladys Toren, cousin of the bride, bridesmaid, Arlette Moe, the bride's cousin was junior bridesmaid.

They were gowned in white, blue and pink respectively, and carried red and white carnations.

The groom was attended by Chester Smith, brother of the bride and Gordon Wetterlund, brother of the groom.

The bride's mother was attired in a grey sheer dress and the groom's mother wore a dress of sheer brown and white. Both wore corsages of red roses and carnations. The groom's grandmother, Mrs. Nordine wore grey and white with a corsage of red roses and carnations.

A reception was held after the ceremony with 150 guests present given by the bride's parents in the church parlors.

The bridal table was decorated with a three tiered wedding cake topped by a miniature bride and groom.

Prior to her marriage the bride, who graduated from the Thief River Falls teaching training department, taught near Middle River. They left on a wedding trip to the Black Hills in South Dakota and are now residing on the groom's farm near Kennedy. For traveling the bride chose a black gabardine suit with white accessories.

Guests from a distance included Rev. and Mrs. R. E. Smith of Fergus Falls; Mrs. Alfred Swanson and Mary of McGregor; Mr. and Mrs. Ervin Strandquist and sons of Argyle; Mr. and Mrs. Joe Squillatti of Great Falls, Mont.; Mrs. A. Chute of Minneapolis; Mr. and Mrs. David Wetterlund of Lake Bronson; Mr. and Mrs. Brown, Mrs. Elgin and Mrs. Green of Roseau; Mr. and Mrs. Art Nordine and family, Mr. and Mrs. Gordon Wetterlund of Warren.

Saxberg—Engstrom

On Saturday July 3rd, Miss Emelin Saxberg, daughter of Mrs. Ole Saxberg became the bride of Hughey Engstrom, son of Mrs. John Engstrom. The bride's attendants was her sister-in-law, Mrs. Alvin Saxberg of Roseau. The bridegroom's attendant was Alvin Saxberg of Roseau, brother of the bride. The marriage took place at the Rev. X-RAY TESTS FOR MARSHALL CO. TO START NEXT WEEK

Appointment Cards for First Week Have Been Sent out, Says Secretary

"Time and money are both at a premium these days," according to Mrs. Loyal Johnson of Middle River, chest x-ray survey chairman for Eastern Marshall county. "That's why the chest x-raying program starting here next week should be especially popular.

"A chest x-ray costs nothing and takes just a minute," she stated.

The first week's appointment cards have now been sent out, it is announced by Mrs. H. F. Wadsworth, secretary. She asks people to make every effort to go to the x-ray center at the appointed time. Persons who for some reason are unable to report are requested to write or telephone x-ray headquarters, in the county nurse's office in the court house in Warren.

It is not necessary to undress, and there is no delay, she said. So that nothing will obstruct the chest "chest picture," persons coming for x-rays will be asked to remove all metal, plastic, horn, glass, shell or ivory objects worn over the chest or neck region. These include articles like men's necktie clasps and suspender buckles and women's costume jewelry or zippers, the secretary explained. Women coming in for x-rays should not wear dresses trimmed with sequins.

"One thing that should be emphasized," Mrs. Wadsworth continued, "is that all findings are confidential. If your x-ray reveals any abnormal condition in your chest, nobody will know anything about it except you and your doctor."

Farmers Union Conducts Junior Reserve Camp at Lake Bronson Recently

The Farmers Union Junior Reserve Camp of District I was held June 21-24 at the Group Camp at Lake Bronson State Park. The five counties of Kittson, Roseau, Marshall, Pennington and Red Lake, which comprise the district, were well represented.

Classes were held on Co-operatives, the history of the Farmers Union, news writing, public speaking, parliamentary procedure, and handicrafts.

Instructors were Alice Van Dyke, fieldworker for the Minnesota Farmers Union; Milton Mandigo and Mrs. Anton Moser from Roseau county, Mrs. Joseph Pastir of Marshall county, and Betty Foldoe from Pennington county. The camp director was Mrs. Lawrence Audette of Red Lake Falls.

Those attending from Pennington county were Janet and Christ Kiefstad, Jr., Charles Sorenson Jr., David Dyrdal and Martin Solseng, Jr.

LEFT WING OF DFL ENDORSE ASPIRANT IN CONGRESS RACE

Oscar Johnson, Farmer of Crookston Area, Is Endorsed at Erskine

Oscar Johnson, Crookston farmer, was indorsed by the Ninth district Progressive Democratic-Farmer-Labor group as their candidate for congressman at a meeting held June 27 in Erskine.

Fifteen of the 17 counties in the district were represented by the 250 persons who attended the meeting.

The Progressives are a group of the Democratic-Farmer-Labor party which supports Henry Wallace and has broken away from the regular party.

At the meeting a permanent organization was formed with Roy Tollefson, Moorhead as chairman; Mrs. George Elsert, Euclid, chairwoman; Bennie Brandt, Roseau, vice chairman; Mrs. William Lorentzen, Lake Park, vice chairwoman and Leon Simon, Moorhead, secretary-treasurer.

Johnson accepted the indorsement after Mrs. Elsert and Halvor Langslet, Detroit Lakes had declined.

Sig Wahlstrom, Fosston, was named chairman of the meeting after Verner Nelson, Underwood, presided as temporary chairman.

Paul Harris, Thief River Falls, headed the platform and resolutions committee—and Arthur Reierson, Fosston, the organization and finance committee.

Mr. Farmer -- Why Worry?

If you are worrying about a hail loss on your crop, you can remedy it with a Hail Insurance Policy in this agency.

The hail storm season is here. Severe storms have struck Minnesota in the past week inflicting a heavy loss to crops.

That feed crop of yours is very valuable. The cost of insuring it is very reasonable.

Act today—Tomorrow may be too late.

10 Killed, 345 Hurt in July 4 Traffic in 1947

Accident records of the state highway department show that 10 people were killed and 345 injured in 494 Minnesota traffic accidents over the Fourth of July holiday week-end last year. In 299 of the nearly 500 motor vehicle accidents reported, no one was killed or seriously injured—just their cars smashed up.

CLOSED DOOR COUNCIL MEETING

Morristown.—The city council believes firmly in the American way of doing things, and only on the most rare and unusual occasions meets behind closed and locked doors. Such as when someone flicks on the night lock and the catch won't work. So, to *preserve democracy and the common touch*, the councilmen take the doorknob off, the lock apart, and liberate themselves, giving, incidentally, some specific instructions to the custodian, the building contractor, and others immediately concerned.

SOME FISH WON'T LEARN

Hutchinson.—The Richard Ahlbrechts were fishing at Bele Lake. A good-sized pike got away form Mr. Ahlbrecht with part of the hook in his mouth. Twenty minutes later Mrs. Ahlbrect landed a 3½-pound pike, and handed her husband his missing hook. Marvin Landeene was curious as to the fate of a dead walleye on Big Pine Lake near Perham; he found a spinner in the fish's mouth, a leader, line—and a beautiful new telescoping fly rod. Only thing missing was the fisherman at the other end of the rod.

Is Our City Council Consistent?

Fellow Citizens of Thief River Falls:

What goes on around our town these days is hard for some of us common people to understand. It doesn't seem to make sense to some of us, anyway. And it makes us really wonder if we have got the complete religious liberty after all that we all boast of.

A month or so ago there was a notice in our local paper that no more use of tents would be allowed within the fire zone of our town. And then there was the request that the tent services do not use loud speaker. Well, that was a few weeks ago. But now, what have we had? Last Friday and Saturday and Sunday loudspeaking car went up and down the streets of our town making propaganda for the devil's work. And a whole bunch of tents have been set up right in our streets. And within the fire zone. That's what we have had here in T. R. F. since that notice was put in our paper.

What kind of fire department have we got anyway, and what kind of a city council, who forbid us Church people to have a tent within the fire zone of our town but allow the worldly crowd to do so right in our streets? And who forbid us Church folks to use the loud speaker for the Gospel of Jesus Christ, but allow the amusement crowd to broadcast the devil's work all over town? Aren't these town officials supposed to run the town in fairness to all of us? And do they mean what they say and write in the paper, or do they not? Some of us around here are wondering, and would like to know what's what, and what really goes on around here, anyhow.

Then God has something to say to us all, too. We take this from His good Book, the Bible:

"Righteousness exalteth a nation: but sin is a reproach to any people." (Proverbs 14:34).

Truman Signs Bill Calling for Draft of Men Ages 19 to 25

President Truman June 24 signed the new peacetime draft bill into law. The measure, which passed after a bitter struggle, provides for the induction of men aged 19 through 25 for 21 month hitches in the army, navy, air forces or marines.

Inductions, however, cannot begin for at least 90 days unless the President declares a national emergency.

About 225,000 men are expected to be drafted during the first 12 months of the law's operation.

President Truman is expected to defer married men, fathers and men with essential jobs in industry, agriculture or government in the first call-ups. The new law gives him this authority.

The law is designated to build the armed forces to a peacetime high of 2,005,882 men in all branches. The number of men in service as of June 1 was approximately 1,300,000 men.

Signing of the bill shuts off the "escape hatch" provision under which thousands of draft-age men joined the national guard or other organized reserves and thus obtained draft exemption.

Youths 18 years of age still ca escape the draft. They can do so by (1) signing up for 12 months' service before they are 19 and (2) joining the organized reserves after that year is over. Youths of 18 will not be allowed to enter service overseas.

"Virtually all males 18 through 25 must register with the exception of members of the armed services and diplomates and their families.

The principal exceptions are of most veterans, ministers, members of organized, drilling reserves, conscientious objectors and most public officials.

Veterans who served 18 months between Sept. 16, 1940, and June 24 are exempt. All those who served 90 days or more during the "shooting war" — Dec. 7, 1941, to Sept. 2, 1945—also are exempt.

Signature of the draft bill makes Sept. 22 or 90 days from now, the possible beginning date of inductions."

Registration can begin at once, but selective service said it would make the registration date around Aug. 16.

MINNEAPOLIS—Arthur Godfrey, CBS star, tries with the aid of Aquatennial Queen Patty McLane of Minneapolis to squeeze his 7½ size head into a 6¼ size Aquatennial Skipper Cap, presented on his "Arthur Godfrey Show," June 28. Miss McLane flew to New York to officially invite Godfrey to participate in the Aquatennial. Godfrey will appear in person with Cedric Adams in a gala two hour WCCO broadcast from 6 to 8 p.m. on July 24 from the Minneapolis Auditorium.

38 FEWER TRAFFIC DEATHS TO JULY 1

Highway Chief Reports on First Six Months

Minnesota, at the halfway mark of its 1948 statewide safety campaign, has shown a reduction in critical traffic accidents in which safer driving and safer walking can be credited with saving 62 lives and preventing some 1,500 personal injuries in six months, according to figures released today by the department of highways.

Actually, with 37 deaths in June, traffic fatalities during the first half of the year were 38 fewer than during the first six months of 1947—207 killed as against 245 a year ago—and some 750 fewer people were hurt in motor vehicle and pedestrian mishaps, according to the department's Accident Records division.

However, this reduction was accomplished in the face of the fact that traffic is ten per cent heavier than during the first half of 1947. Hence analysts for the Minnesota Safety Council point out that, had the 1947 traffic death and accident rate prevailed along with the ten per cent increase in traffic volume, the comparable half-year fatalities figure would have been 269 instead of 245, as against this year's 207.

Likewise despite the ten per cent increase in traffic the number of men, women and children injured in traffic accidents approximated 7,000 during the first half of '48 as compared with 7,754 during the same period last year. The same "weighing" with regard to relative traffic volume is applicable to these traffic injuries, it was pointed out by Ray A. Hannah of the Stillwater Post-Messenger, chairman of the Editors' Safety Committee of the Minnesota Editorial Association. A ten per cent increase in travel and corresponding injuries would have brought last year's figures up above the 8,500 mark, hence this year's 7,000 personal injuries actually represent more than 1,500 fewer persons injured as a result of safer driving by motorists and safer walking by pedestrians.

'48 Aquatennial Paul Bunyan Canoe Derby to Leave Bemidji July 14

With new entrants signing up daily, plans are nearly completed for the 1948 Paul Bunyan Canoe Derby down the Mississippi, an annual feature of the Minneapolis Aquatennial. Scheduled to start from Bemidji on July 14th the paddle pushers will be competing this year for $3,000 in cash, numerous merchandise prizes and a handsome trophy for the sponsor of the winning team.

Opening event of this years derby will be a series of sprints on Lake Bemidji the afternoon of July 13th with two outboard motors, cash and merchandise prizes for the winners. These races and the official start of the derby on the morning of the 14th will also serve as the opening events in the Bemidji Water Carnival.

Governor Youngdahl will fire the starting gun which sends the contestants off on the grueling 450 mile, 10 day race which will finish before cheering crowds in Mineapolis on July 23. The first teams will be started at 9 a.m. with the first leg bringing them to Lake Winnibegoshish where arrangements have been made to house all the paddlers.

THIS SOUNDS LIKE NOAH'S ARK

A beaver has taken a liking to park bushes in Farmington, but nobody can get close enough to take a picture. A choosey Chaska sow gave birth to a litter of seven pigs, but let the mall starve to death; a week later she bore nine more that are thriving. When Mrs. J. E. Askdal had the hood of the family car raised to check the oil at a Minnesota station, the family cat leaped from within and disappeared, to show up at home next day with a badly frayed tail.

THE AYES DID NOT HAVE IT

Rochester.—It was probably bound to happen some time. An elderly foreign gentleman's eyes were being checked by a patient young oculist, with the aid of an interpreter. Letter after letter, sentence after sentence, of all sizes and shapes, were flashed on the screen, but the patient just shook his head, he couldn't read them. At last he confided to the harassed examiner that he just couldn't read anyway.

Big Gathering Present Saturday at Dedication of Red Lake River Work

Governor Youngdahl and Senator Thye Are Main Speakers at Event

With several thousand citizens and officials of Minnesota and neighboring states present for the occasion, Governor Luther W. Youngdahl Saturday afternoon at River Valley turned over a shoveful of earth on the bank of Red Lake river to launch officially the $4,000,000 channel improvement project, on which work has actually been in progress since early in May, being executed by the Al Johnson contruction company of Minneapolis.

Judge Paul A. Lundgren, general chairman of the celebration committee presided over the program, which was presented from a platform in the Malcolm Stucy grove on the east bank of the river. The Thief River Falls Legion municipal band played selections during the afternoon under the direction of Glen Ahre.

Heading the lengthy list of speakers was United States Senator Edward J. Thye of Northfield, who cited the benefits from the project that would accrue to both farmers and residents of communities along the river. He also praised the spirit of cooperation and neighborliness in evidence in this community, which he said had aided greatly in bringing the project to reality.

Another feature of the program was the adoption of Rep. Harold C. Hagen of Crookston into the Red Lake band of the Chippewa Indian tribe. Conducting the ceremony was Peter Graves, secretary of the Red Lake tribal council, assisted by Paul H. Beaulieu, reservation judge.

Presented with the traditional headdress and peace pipe during the ceremonial dance by reservation Indians, Mr. Hagen joined in the dance. He was given the name, "Gigedowinini", the Indian word for spokesman.

Colonel W. K. Wilson, Jr. of the St. Paul office of the corps of army engineers, said the engineers' connection with the project dates back to a survey made by them here during the drouth years of the early

O. M. MANDT AGAIN NAMED WELFARE BOARD CHAIRMAN

Board's Budget Calls for Rise in Tax Levy of $15,000 for 1949

O. M. Mandt and W. H. Mulry were reelected respectively chairman and vice-chairman at the annual reorganization meeting of the Pennington county welfare board, with Mrs. C. H. Toomey taking over the office of secretary.

The board approved a budget calling for disbursement of $300,323.62 in 1949. Of this amount, about $18,000.00 will be issued directly from St. Paul to recipients of aid to the blind and war veterans relief.

Totals for other programs are old age assistance, $194,048.62; aid to dependent children, $62,387.50; poor fund, $9,050.00; and administration fund, $16,437.50.

The county share will require a tax levy of about $54,591.13, which is an increase of $15,000.00 over 1948. This is the first time in 10 years that it has been necessary to raise the mill levy for welfare purposes in this county. The mill levy has declined each year for ten years from a high of 14.5 mills in 1940 to a low of 9.01 mills this year.

This month in Pennington County 305 persons are receiving old age assistance compared to 420 before the lien law. Also, 120 children are receiving aid to dependent children, about half of the post war peak. Aid to the blind and war veterans relief cases approximate 20 cases, and there are also about 50 cases involving dependency and neglect of children, and feeblemindedness and epilepsy under the supervision of the welfare board.

COUNTY LEVY UP SLIGHTLY FOR NEXT YEAR

Little Change in Mill Rate Appears Likely, Says Auditor Senstad

The Pennington county board, at its July session Tuesday and Wednesday, adopted a budget for the coming year calling for an estimated outay of $230,320 compared to $212,576 levied in 1947.

Due to mounting operating costs, levies were increased in the county revenue, welfare and sanatorium funds, while being lowered in the bonds and interest fund and the levy for county school transportation.

County Auditor A. M. Senstad indicated that the net change in the total county tax rate would be to increase it from 49 mills in 1947 to an estimated 49.96 mills for 1948.

The 1947 and 1948 budgets compare as follows, including an estimate of the yield from the 15-mill road and bridge tax levy:

	1948	1947
Co. Revenue	$60,620	$47,987
Road and Bridge	69,000	65,081
Sanatorium	15,600	13,927
Building Fund	10,000	10,000
Co. Welfare	52,000	39,092
Bonds and Int.	18,500	29,981
Co. School Transportation	4,600	6,508
	$230,320	$212,576

The levy for the county's share of non-residential high school tuition was reduced from 15 mills in 1947 to 11 mills for 1948, the lower levy being made possible by a surplus left over from the 1947 levy. This levy is applied against property in all school districts that do not maintain high schools.

Among other items of business transacted by the board in its two-day session was the acceptance of the bid of Stanley Ekdahl of Hazel in the amount of $1,815 for six lots on State av. and the old foundry building thereon, which is to be razed.

CONTRACT LET FOR PAVEMENT RESURFACING

Job Costing $24,048 Is Awarded to Jay W. Craig Company of Minneapolis

The city council at a lengthy July session Tuesday evening awarded to the Jay W. Craig company of Minneapolis, sole bidder, the contract for resurfacing the concrete pavement in the downtown area, aside from streets that form a part of trunk highways, which part of the work is being handled by the state highway department.

The contract involves the expenditure of $24,048.50, and after a lengthy discussion it was voted to defray the cost out of city funds instead of spreading a special assessment against abutting property owners. It was pointed out that the procedure in making an assessment would delay the work to such an extent that the successful bidder would be unable to execute the project.

City Engineer Douglas Stewart submitted a report on assessments for water service connections in connection with the paving projects on Main av. N. and Eighth st. E., and the council scheduled a hearing on the matter for Tuesday, August 10.

City Clerk P. G. Pederson reported that the Pennington county welfare board had failed to make reimbursement to the city for the county's share of city poor fund expenditures for the years 1946 and 1947. The council instructed City Attorney Quale to bring legal action to enforce payment of the city's claim.

Petitions were filed by property owners requesting paving of the alley between Main and LaBree avs. and south two blocks from Second st. to the Great Northern right-of-way; for installation of storm sewers on

MANY YOUNGSTERS LEARNING TO SWIM IN TINDOLPH POOL

Warm Weather Places Swimming at Peak of Popularity, Says Jones

With the continued warm weather of the past few weeks, the swimming season at the Tindolph park pool has been at its peak, says Quentin Jones, instructor, who added that during the past week, 30 youngsters have joined the group that can swim, and many more are on the verge of becoming swimmers.

A check is now in progress to learn how many local school children can swim, starting with the fifth grade level. It is not too lat to start now to learn to swim, Jones stated, pointing out that most children can learn in ten days. He asked that they report for instruction at the pool any morning between 9 o'clock and noon.

Children, Jones said, should be cautioned not to stay in the water more than a half-hour at a time during warm weather, and he advised that they wash off well after leaving the water.

Governor's Wife Speaks on Scandinavian Trip at Community Church

Mrs. Luther Youngdahl spoke to a very appreciative audience on Saturday afternoon, July 10 at the Community church, when she told of her recent trip to the Scandinavian countries. In her charming manner she recounted their gracious reception by these people and their visits at the royal courts of the three countries, Denmark, Norway and Sweden, where they were particularly impressed by the democratic and friendly manners of the members of royalty whom they met. She said the thing that had brought her greatest satisfaction was bringing back the thousands of messages (totaling 150 pounds from people in the old countries to their relatives in this country.

Mrs. J. M. Bishop acted as chairman, welcoming the visitors and introducing Mrs. Paul Lundgren, who as a former classmate introduced Mrs. Youngdahl. Mrs. Walter M. Pedersen supplied two vocal selections, accompanied by Mrs. G. E. Ahre at the piano.

The church was tastefully decorated with garden flowers as were also the church parlors for the tea which immediately followed. Mrs. Stanley Mortenson had charge of the decorations.

Refreshments which consisted of tiny decorated cakes, small cookies and an assortment of fancy sandwiches, tea and coffee were served at two tables. Those who poured were Mmes. H. A. Brumund, G. W. Booren, Edward Bratrud, John Anderson, Frank Hinkel, E. O. Peterson, N. C. Lindberg and Ella V. Brekke.

Hostesses for the afternoon were Mmes. G. Ward, John Rolland, C. R. Rose, Claude Evenson, Theo. Quale, W. Powell, G. H. Mayer-Oakes, G. A. Waasgren and L. W. Rulien. Mrs. Theodor Bratrud and Mrs. Alfred S. Nelson had charge of the guest book which was signed by over 200 and was presented to Mrs. Youngdahl at the close of the afternoon. Mrs. E. C. Karwand and Mrs. N. A. Nelson served as co-chairmen in general charge of arrangements.

Candlelight Service Unites Jane M. Hunt and Lloyd H. Johnson

A beautiful candlelight service at eight-thirty Monday evening, July 12, in the Community Methodist Church in Thief River Falls, united in marriage Miss Jane M. Hunt, daughter of Mr. and Mrs. Ralph N. Hunt, and Lloyd H. Johnson, son of Mr. and Mrs. E. Lloyd Johnson. The Rev. D. T. Beadle officiated at the double ring ceremony which was performed before an altar decorated with baskets of gladioli, larkspur, delphinium, and ferns.

Preceding the ceremony, Mrs. Castle M. Harrison played nuptial organ music. Immediately before the service began, Richard Biddick, accompanied by Mrs. Harrison, sang "Because". He also sang "The Lord's Prayer" while the bridal couple knelt before the altar. The traditional wedding marches by Lohengren and Mendelssohn were played by Mrs. Harrison.

The bride, who was given in marriage by her father, was lovely in a dainty Victorian gown of white Swiss organdy with lace inserts and tucking. Her fingertip veil was held in place by a pleated organdy crown decorated with seed pearls. She carried a cascade bouquet of double daisies, and her only jewelry was a pair of pearl earrings, a gift of the groom.

Miss Rudean Jorde, the maid of honor, wore a pale yellow organdy Victorian gown trimmed with lace inserts and ruffling, and she carried a Colonial bouquet of white daisies. The bridesmaids were the Misses Beulah Huseth and Doris Johnson, the latter a cousin of the groom. The dresses of the bridesmaids were identical in Victorian style of pale green organdy with white lace trimming and wide white sashes. They had Colonial bouquets of yellow daisies. All three attendants wore dainty headdresses of daisies.

Mrs. Hunt, mother of the bride, was attired in a frock of navy and white printed silk crepe, with which she wore navy accessories. Mrs. Johnson, the groom's mother, wore a dress of grey silk crepe with grey accessories. Both ladies had corsages of gardenias and rosebuds.

Attending Mr. Johnson as best man was Robert Olson. The ushers were Ralph T. Hunt, brother of the bride, and Robert Baker.

Immediately following the ceremony, a reception was held in the church parlors for approximately one hundred guests. Mrs. Arthur Forsberg, Jr., and Mrs. Ralph T. Hunt poured the coffee. Mrs. Nels G. Olson cut the cake, and was assisted in serving it by Mrs. W. B. Hunt, an aunt of the bride. Mrs. James Doyle and Miss Ellene Grinde also assisted with the serving. During the reception, Mrs. Harrison played a program of piano music, and Richard Biddick sang.

Mr. and Mrs. Johnson left after the reception on a trip to South Haven Beach on Long Lake. For traveling, the bride wore a suit of grey wool, with red and green accessories. She had a corsage of red rosebuds. After September, they will reside in Minneapolis where the groom is attending the University of Minnesota.

Out-of-town guests attending the wedding were Mr. and Mrs. W. B. Hunt, Mrs. H. J. Hunt, and her daughter, Miss Carole Hunt, all of South St. Paul, Minnesota; Mrs. H. J. King, of St. Paul; Miss Carol Southard of New York City; Mrs. Victoria Einard of Red Lake Falls; Miss Joyce Evenson, of Hibbing; and Mr. and Mrs. William Johnson, of Warren.

V. F. W. Auxiliary Notes

A meeting of the VFW auxiliary was held Monday evening, July 10, at which time the delegates who attended the Veterans Encampment at Brainerd gave reports of the convention. The instructive information was given by Mrs. Margaret Olson, Mrs. Emmett Israelson and Mrs. Earl Long.

A goodly sum was set aside for a cheer fund for the disabled veterans in the Fargo hospital.

Committees were chosen for the stand at the Pennington county fair. Chicken dinners will be served every day.

Arrangements were discussed for the organizing of a junior unit. Plans were made for the forget-me-not sales.

A delightful luncheon was served by Mrs. Long and Mrs. Olson at the close of the meeting.

W. C. T. U. News Notes

W. C. T. U. will meet Friday, July 16 at the farm home of Mrs. Torkel Oie. A picnic lunch will be had so meet at the Community church at 1:45 p. m. Mrs. W. P. Wilson will report on Medicine Lake, and Rev. Kuhm will speak.

Church Wedding Friday for Gladys L. Toren and Milton Lundquist

Baskets of mixed garden flowers and ferns decorated the altar of the Gospel Tabernacle Friday evening, July 9, when Miss Gladys Toren, daughter of Mr. and Mrs. Arvid Toren of Middle River, became the bride of Milton Victor Lundquist, son of Mrs. Lydia Lundquist of Karlstad. The bride's uncle, Rev. R. E. Smith, performed the all white, candlelight, double ring ceremony at eight o'clock, with Rev. G. Raymond Carlson assisting.

The pianist, Mrs. R. E. Smith, gave a short program of pre-nuptial music, and was playing Lohengrin's processional when the bride marched in on the arm of her father. Mrs. Harold Hjelmeland sang "Because" before the ceremony and "Together With Jesus Life's Pathway We Tread" while they were kneeling.

The bride was attired in an all white satin gown with full skirt extended into a long train. It was fashioned with long sleeves pointed over the wrists and nylon yoke. Her long borrowed veil was held secure with an orange blossom crown. She carried a white Bible topped with pink roses and white carnations from which fell ribbon streamers. Her gift from the groom, a double strand of pearls, was worn.

The maid of honor, Miss Cora Ingalls, friend of the bride, and bridesmaid, Mrs. Rodney Wetterlund, cousin of the bride, wore white nylon gowns and carried shower bouquets of pink roses and white carnations. The mothers of the bride and groom wore black printed sheer dresses and gardenia corsages.

Robert Toren and Donald Lundquist were the grooms attendants, while Rodney Wetterlund and James Gusa ushered.

A reception followed the ceremony at the Anton Peterson residence for approximately seventy guests. The bridal table was centered with a three tiered wedding cake topped with bridal figurines. A short program was presented with Rev. G. Raymond Carlson as toastmaster. Mrs. James Gusa had charge of the gifts. Waitresses were Myrtle Johnson, Ruby Peterson, JoAnn Nygaard and Mae Fluke.

The bride graduated from Middle River high school and Thief River Falls teaching training department, and taught the past year. The groom is employed in Karlstad where they will be at home after a wedding trip to points in Wisconsin.

Guests from a distance attending the wedding were Mr. and Mrs. Russell Hams, Mrs. Lydia Lundquist, Mr. and Mrs. E. R. Johnson, Mr. and Mrs. Carl Wetterlund, Mr. and Mrs. Rodney Wetterlund of Karlstad; Rev. and Mrs. R. E. Smith of Fergus Falls; and Mr. and Mrs. Ervin Strandquist of Argyle.

Isabel Solheim and George Stevens Vows Exchanged in Calif.

Marriage vows were exchanged by Isabel Margaret Solheim, daughter of Mrs. Mary Solheim of this city, and George Wilson Stevens, son of Mr. and Mrs. Carl Stevens of Lake Preston, S. Dak., at a double ring candlelight ceremony performed by Rev. W. J. Forsyth in the Redeemer Lutheran church in El Monte, Calif. The altar was prettily decorated with baskets of gladioli and larkspur.

Before the ceremony Mrs. A. C. Bertelson played pre-nuptial music on the organ. Mrs. W. J. Forsyth sang "Because" and "I Love You Truly."

The bride given in marriage by an old friend A. L. Kammerdiener, proceeded down the aisle to the strains of Lohengrin's. Her gown was colonial style white marquisette with fingertip veil. She carried a white Bible topped with a white orchid and white sweet peas and flowing ribbon streamers attached with sweet peas. For something old she wore a silver lavaliere that belonged to her mother, and she also wore the groom's gift, earrings.

Mrs. Clifford Lunke, sister of the bride, was matron of honor, wearing a pink marquisette gown and a matching picture hat. She carried a colonial bouquet of baby pink roses. She wore a pearl necklace, a gift of the bride. Clifford Lunke attended the groom as best man.

A reception followed the ceremony at the A. C. Bertelson home. Mrs. A. Baker and Mrs. H. Torkelson assisted. They left on a wedding trip to Catalina Island and southern points in California, and will make their home at Lake Preston, S. Dak.

Senator Ball Main Speaker in City at Luncheon Saturday

En route from Grand Forks to River Valley for the Red Lake river project dedication program Saturday afternoon, a lengthy motorcade bearing distinguished officials stopped in Thief River Falls for a noon luncheon served in the Trinity church parlors by the ladies aid. More than 275 persons representing many communities were present to enjoy the meal.

On its arrival here the motorcade, headed by Captain D. W. Brown of the highway patrol, was saluted by the Legion municipal band.

L. W. Rulien, presiding as toastmaster at the luncheon, called first on Mayor Harry E. Simons, who extended greetings, following which the invocation was given by the Rev. G. S. Thompson.

The principal speaker was United States Senator Joseph H. Balls, who was given an ovation by the audience. He said that the local channel improvement project, which ultimately will cost $4,000,000 or more, marks the beginning of a series of similar projects in the Northwest.

He paid tribute to Judge Paul A. Lundgren and Rep. Harold C. Hagen for spearheading the campaign that is now making the long-awaited wo : a reality. The many conflicting interests in connection with the project were resolved thru compromises in a manner typical of a democracy, he said.

Others who spoke briefly were Rep. Hagen, Chester S. Wilson, commissioner of the state department of conservation; and E. V. Willard, deputy commissioner.

Introduced at the luncheon were Peru Farver, superintendent of the Red Lake Indian agency; Governor and Mrs. Youngdahl; Mrs. Ball, Senator Edward J. Thye of Northfield, Senator Milton Young of North Dakota, Rep. William Lemke of North Dakota, Rep. Edward J. Devitt of St. Paul, Rep. George McKinnon of Minneapolis, Rep. Lowell Stockman of Oregon, Colonel W. K. Wilson Jr., in charge of the St. Paul office of the corps of army engineers; and Justice Oscar R. Knutson of the Minnesota supreme court and Mrs. Knutson.

Eleanor L. Netteland Exchanges Vows With Alvin Dicken Sunday

The Trinity Lutheran church of this city was the scene of a beautiful double ring ceremony Sunday, July 11, when Miss Eleanor Louise Netteland, daughter of Mr. and Mrs. George Netteland of this city, exchanged marriage vows with Alvin S. Dicken, son of Mr. and Mrs. Charles Dicken also of this city. The Rev. G. S. Thompson performed the double ring ceremony at eight o'clock before an altar decorated with baskets of larkspur and baby's breath and lighted candelabra.

Mrs. G. E. Ahre presided at the pipe organ for pre-nuptial music and the traditional wedding marches which were used during the processional and recessional. Richard Biddick sang "I Love You Truly" and "Calm As The Night" before the ceremony, and during the ceremony "The Lord's Prayer."

The bride was escorted to the altar by her father who gave her in marriage. She was beautiful in a white gown that had been worn by her mother on her wedding day forty years ago. She carried a shower bouquet of red roses and white carnations.

Attending the bride were Mrs. E. H. Buerkle of New York Mills, a sister, matron of honor, and Carol Dicken and Wilma Ostenson were bridesmaids, wearing gowns of pink, rose and yellow, respectivey, and carrying bouquets of white and red asters. The brides niece Mary Buerkle of New York Mills was flower girl and carried a basket of rose petals which she strewed down the aisle before the bridal procession.

The groom was attended by Loyal Netteland of Minneapolis, as best man, and Clayton Angell and Harry Comstock.

For her daughter's wedding Mrs. Netteland wore a dress of navy blue lace with white accessories. The groom's mother was in aqua silk with brown accessories. Both wore corsages.

Following the ceremony 150 guests gathered in the church parlors for a reception in their honor given by the bride's parents. The bridal table was decorated with a wedding cake decorated with a miniature bride and groom. The bride's aunt, Mrs. Hilda Nelson cut the cake and her aunt Mrs. Gust Schilbred poured.

The bride graduated from Oklee high school and prior to her marriage was employed in Minneapolis and with the local Peterson-Biddick Co. The groom is employed by Peterson-Biddick Co. of this city. They left on a wedding trip to North Shore Drive and will return July 22. For traveling Mrs. Dicken chose a pinstripe suit with white accessories.

Relatives and friends from a distance attending the wedding were Mr. and Mrs. Loyal G. Netteland and son, Mrs. John Cline, Mrs. Lloyd Helm, Mrs. Glen Steenerson, Mrs. John Ellason and Mr. and Mrs. Archie Peterson of Minneapolis; Mrs. Eva Netteland and daughters of Moorhead; Mr. and Mrs. Art Freestad, Mr. and Mrs. Carl Freestad and Mr. and Mrs. Floyd Freestad of Halstad; Mr. and Mrs. E. H. Buerkle and family of New York Mills; William Holinko and Paul Holinko of International Falls; Mr. and Mrs. Arnold Hokke and family of Newfolden; Mr. and Mrs. Ferdie Hedlund and family; Mr. and Mrs. Magnus Horgen and family, Mr. and Mrs. Fred Horgen and family, Mr. and Mrs. Richard Engen, Mr. and Mrs. Emma Horgen, and Mr. and Mrs. Lloyd Horgen of Warren; Norma and Adelia Lindquist of Oklee; and Mr. and Mrs. Sever Skoftem of St. Hilaire.

Reception Honors Rev. and Mrs. Kronlokken at Trinity Church Sunday

Approximately 300 members and friends of Trinity Lutheran church gathered in the parlors of the church Sunday afternoon July 11, for the reception for Rev. and Mrs. J. D. Kronlokken. The occasion was an informal one in which an opportunity was sought for everyone to greet and chat with the assistant pastor and his wife.

A brief program consisting of musical numbers by a mixed quartet and a vocal solo by Annabelle Peterson was interspersed with greetings from Paul Sponheim, president of the Senior Luther league, and Russell E. Olsen, superintendent of the Sunday school.

On behalf of the congregation the Rev. G. S. Thompson, pastor of the church welcomed the honored couple to the church and presented them with a cash gift. They responded with brief talks expressing their happiness in coming to the church to begin a new pastorate and their thanks for every expression of welcome. The ladies aid served lunch to all, and the remainder of the afternoon was spent visiting.

Former Newfolden Girl Weds in California

At four o'clock Saturday afternoon, June 26, Eunice Wallin, daughter of Mr. and Mrs. Oscar Wallin of Newfolden, became the bride of Frank Kovach, Jr., son of Mr. and Mrs. Frank Kovach of San Francisco, Calif., at St. Elizabeth's church, Father Cummings officiating at the double ring ceremony.

The bride wore a gown of white satin brocade with fitted bodice, full skirt, long train, full veil and a net crown studded with pearls. She wore a single strand of pearls, gift of the groom, and carried a bouquet of white orchids and bouvardia. She was attended by her sister, Mrs. Elaine Olson as maid of honor and Lorraine Kovach and Betty Bahnard. Helen Kovach was flower girl and Ronnie Olson carried the rings. The groom's attendants were Paul Hursk, best man, and John Camp, and Fritz Runney and Allen Peppin ushered.

Following the ceremony a wedding dinner was served at the Frank Kovach Sr. home. A reception was held in the Dover Club in San Francisco, in the evening. The couple left on a wedding trip to Nevada and Arizona after which they will be at home at 170 Albion St., San Francisco.

DRAINAGE WAS MEETING TOPIC IN CITY FRIDAY

E. V. Willard Speaks; Second Session Planned Next Thursday, July 22

A group of farmers from Eastern Pennington, Red Lake and Marshall counties, Northern Clearwater, Northeast Polk and Western Beltrami county met in the Civic and Commerce room in this city Friday afternoon to discuss the question of petitioning the Red Lake drainage and conservancy district board to make a study of the over-all drainage problem in the area. Also present was E. V. Willard of St. Paul, deputy commissioner of conservation.

At the meeting two representatives were named from each county to perfect an organization and to arrange for a meeting with representatives of all town boards in the affected area to be held Thursday, July 22, at 1:30 p.m. in the Civic and Commerce rooms here.

Those named include Fred Lundquist and C. R. Hanson of Clearwater county; Art Nordby and Lyndon Magnuson of the Grygla area in Beltrami; E. H. Pomerenke and Ole A. Olson of Pennington; Edwin Christianson and Owen O'Niels, Polk; and Charles Skoglund, Holt; and Adolph Erickson, Grygla, Marshall county. E. H. Pomerenke was named chairman and Edwin Christianson secretary.

Mr. Willard recommended now that improvement of the Red Lake and Clearwater river channels is assured and capacity of these rivers for drainage is increased, "a careful search for locations for north and south intercepting ditches to cut off and relieve the present long stretches of east and west drains.

"If such intercepting ditches are found practicable they will simplify upland drainage problems in several ways. First they will relieve the long east and west ditches of their load and obviate the need of costly enlargement of channels, culverts, levees and dykes.

"Second, north and south intercepting drains will catch and stop surface flows at intervals and carry them in reduced volume into the outlets at different points. Keeping the water from reaching land whenever this is found practical is more effective and less costly than to remove it after it has overflowed and saturated the soil."

Mr. Willard recommended an overall study of the area under the direction of the Red Lake drainage and conservancy district.

The cost he said should not be great because most of the necessary data already is available from previous surveys.

TEACHER SUMMER SCHOOL TERM ENDS

Course Was Sponsored by Bemidji Teachers College

The 1948 session of summer school sponsored by Bemidji State Teachers College at Thief River Falls came to a close Friday, July 9th.

The full quota of twenty-five teachers attended with Miss Esther Frost of Austin in charge as instructor. The two courses offered were reading and science.

On Thursday, July 8th the teachers attending entertained at a picnic for Miss Frost and Mrs. A. C. Matheson, county superintendent. Lunch was served and each of the honor guests was presented with a gift from the group as a memento of a very interesting and enjoyable session.

LARGE CROWD VIEWS DEDICATION OF RIVER PROJECT SATURDAY

(Continued from page one)

1930s. He said that, while there is no complete solution of the water problem in the area, the rivers will drain off the surplus water at a faster rate when dredging is complete. He added that the present 12-mile section of the work is scheduled for completion in the fall of 1949.

Governor Youngdahl, speaking briefly, praised the spirit of fortitude and courage showed by residents of the oft-flooded area in past years, and he dedicated the project to that spirit. He also praised Eddie Iverson of the River Valley area for the impression he had made on a congressional committee when he appeared with others at a hearing in Washington early last year.

Others who spoke a few words included Senator Milton R. Young of North Dakota, Rep. William Lemke of North Dakota, Peter Graves of the Red Lake Indian council, Congressman Harold C. Hagen and John L. Radniecki of River Valley, who appeared in place of Ole Melby, chairman of the Red Lake river drainage conservancy district board, who was absent because of illness.

Hundreds of persons attending the festivities took advantage of the opportunity to take a boat ride on the river to the site nearby where the huge dredge is now operating.

An outstanding event of the fete is the Miss Northwest charm contest with the winner going to the Minneapolis Aquatennial for one week. Twenty candidates wil be in the contest. Among the cities to be represented in the contest will be Thief River Falls, Ada, Wadena, Warren, Detroit Lakes, Moorhead, Hutchinson, and Grafton, N. D.

Miss Ardus Siemers of Little Falls, last year's winer, will reign over the festivities this year. Coronation of the new queen will take place Sunday evening, July 18, in the fairgrounds at Detroit Lakes. Ken Kennedy of station WDAY, Fargo, will serve as master of ceremonies.

BAUDETTE OPENS BIDS ON HOSPITAL

Is 1st Minnesota Town to Qualify for U. S. Aid

The village of Baudette will be the first community in the state to receive bids for the construction of a hospital under the provisions of the federal hospital survey and construction progam.

According to Dr. A. J. Chesley, secretary and executive officer of the Minnesota department of health, bids for the construction of a 24-bed municipal hospital will be opened Friday July 16 at 3:00 p. m. in the office of the village clerk.

The 1948 Minnesota plan for hospitals and public health centers, which recommended that several new hospitals be built and the capacity of many others increased was announced by Governor Luther W. Youngdahl January 23. Under the provisions of the plan, which was approved March 5 by the Surgeon general, United States public health services, federal assistance of one-third of the total costs for the building of needed hospitals in the state amounts to $1,655,175 each year for a five year period. The total construction fund involved in the program are $4,965,525 annually or $24,827,625 for the five years.

Eight general hospitals including the Baudette hospital, one public health center, and one chronic disease hospital are included in this year's construction schedule. The order in which federal funds are granted to communities is based on rurality, relative need for beds, and need for financial assistance. Under this system, Baudette was given a number two priority rating.

Minneapolis Bridge Co. to Build Red River Span

The Minneapolis Bridge company of Minneapolis, with a low bid of $198,357, has been awarded the contract for building a new Minnesota-North Dakota interstate bridge over the Red River of the North on S. A. R. 10 in Clay county.

The bridge (No 6646) will span the river 1½ miles north of Georgetown, Minn. It is to consist of two 200-foot high-truss spans totalling 412 feet in length and have a 24-foot roadway. The contract awarded as a result of bids opened June 29 at Moorhead, was announced jointly by the Minnesota and North Dakota highway departments and the U. S. Public Roads Administration.

COUNCIL TRANSACTS VARIETY OF BUSINESS AT SESSION TUESDAY

(Continued from Page One)

Arnold and Duluth avs.; and petitions for sidewalk construction. All petitions were referred to the city engineer for a report.

No objectors being present at a hearing advertised for Tuesday night, the council ordered the vacating of the alley in the block in which the new St. Bernard's church and school is being constructed.

Building permits calling for the expenditure of more than $260,000 were approved at the meeting. The major permit was issued to Rev. Wm. Swanson of St. Bernard's church for construction of its new church-school edifice at a cost of $230,000. Others were issued to the Oen Mercantile company for the construction of a store building on North Atlantic av. at a cost of $12,000; and home construction and remodeling permits were given Donald Flattum, Leonard Furuseth, Charles L. Schultz, James Burrell and Feral Ranum.

The council, after hearing a request from Paul A. Lundgren and Stanton R. Dahlen, voted to approve the plat for the new Merriam addition to the city subject to the action of the city attorney. They also asked extension of sewer and water mains for one block each on Merriam and Kneale avs. S., but the council deferred action until an adjourned session next Monday evening.

The Union Gospel Tent Mission, represented by Rev. L. W. Lindholm and others, asked permission to use amplifier facilities for some of the tent meetings starting next Sunday at LaBree av. and Fourth st. There being no city ordinance to forbid use of loudspeakers, the council indicated it would not interfere unless complaints are made by neighboring property owners.

Council members also criticized the statement published recently in the Times by a member of the Covenant church, in which the council was charged with inconsistency in permitting tents to be set up on West Second st. during the Jaycee Sports Carnival, while at the same time compelling the tent mission to set up its tent outside the fire zone.

Aldermen pointed out that only small canopies without sides had been set up north of the Auditorium during the carnival, which they said is in accordance with the city ordinance; and that the tents used by the carnival company were set up outside the fire zone.

COUNTY BOARD SETS BUDGET FOR 1948 AT SESSION WEDNESDAY

(Continued from Page One)

The usual appropriation of $400 was voted to the Pennington County Agricultural society, sponsor of the county fair; and $50 was set aside for the use of the Pennington county safety council when and if needed.

The board voted to open bids August 3 on a graveling project on County Aid Road 51, including one mile in Rocksbury and three miles in Smiley. It also authorized final payment on repair projects on County Ditch 42 in Kratka and Ditch 32 on the range line between Smiley and Kratka.

"Makers of Minnesota" Cartoons in the Times

"Makers of Minesota", the new illustrated series of Minnesota "greats" currently running in The Times and other newspapers, is unique and novel. An educational series in illustrated cartoon style, it makes history as exciting and easy to read as the comic page. Through the series, the men and women who play important parts in our state history are brought to life.

BEMIDJI WINNER OF INTERMEDIATE TOURNEY IN CITY

Defeats Warren Here Sunday in Finals of Baseball Tournament

Bemidji's Wallace and Warren's Dick Palmer engaged in a fine pitching duel late Sunday afternoon in the finals of the eighth region's intermediate baseball tournament played on the Fald Grounds diamond.

Bemidji won by 4 to 1. For four innings the game was a shutout, with each hurler giving up but one hit; but in the 5th frame, after one man had been retired, Palmer walked Bemidji's Smith. Robbins struck out, but lead-off man Rolfe gained second base. Henry was given a walk to fill the bases.

St. John a right-handed hitter, sliced a double down the right field foul line to tally Smith and Rolfe; and when Hirt drove a hard ground ball to third base, Henry scored when the Warren infielder made a wild pitch, gave Bemidji another marker in the 6th inning. Warren averted a shutout by scoring their lone run in the last half of the 6th when Palmer was given a "life" on Mohler's error. On a wild pitch, Palmer reached second base, and advanced to third on an infield out. Tollefson's ground single past third base scored Palmer. Hirt threw out Tollefson at second base on an attempted steal to end the inning.

To reach the finals, Warren defeated Thief River Falls, 6 to 4, on Friday afternoon. Loose play and erratic base-running proved costly for the local intermediates in their game against Warren, for the locals, with Don Stadum pitching steady ball, gained a lead only to have Warren rally for the winning runs in the final inning.

POPPLERS LEAD IN SOFTBALL LEAGUE

Defeat Middle River and Bridgeman Teams

League Standings

	Won	Lost	Pct.
Poppler's Furniture	7	1	.875
Oen's	5	1	.833
Northern Chevrolet	5	2	.714
Eagles	4	2	.667
Hudson Motors	2	4	.333
Bridgeman's	2	6	.250
Viking	1	4	.200
Middle River	1	7	.125

Results of the week's games:

Poppler's Furniture, 5; Middle River, 4.
Northern Chevrolet, 6; Viking, 0.
Hudson Motors, 13; Middle River, 9.
Poppler's Furniture, 16; Bridgeman's, 9.

Games this week:

Thursday, Oen's vs. Viking.
Friday, Bridgeman's vs. Middle River.
Monday, Poppler's Furn. vs. Hudson Motors.
Tuesday, Bridgeman's vs. Eagles.
Wednesday, Viking vs. Middle River.
Thursday, Oen's vs. Northern Chevrolet.
Friday, Viking vs. Poppler's Furniture.

The fast moving Poppler's Furniture team moved into a game lead in the city softball league, winning a pair of games while the Oen's team was idle. The two teams are due to meet in "crucial" game on July 21st.

The Northern Chevrolet nine, entrenched in third place, has been getting some top-flight pitching from their husky right-hander, Gordy Kaushagen, and they are given a strong chance of upsetting Oen's on July 22nd. Last Friday night Kaushagen racked up his second shutout of the year, beating Viking by a 6 to 0 score.

JUNIOR BASEBALL TOURNEY TO START IN WARREN FRIDAY

11 Teams Will Share in Legion Subdistrict Event Ending Sunday

Eleven teams will participate in the American Legion subdistrict junior baseball tournament that will be played on the Warren diamond on Friday, Saturday, and Sunday. Drawings for the tournament were completed on Tuesday, and the local nine received a first round bye and were advanced into the quarter-finals where, on Saturday afternoon, they will play the winner of the Hallock vs. Karlstad game.

Friday's schedule will find Alvarado, one of the tourney favorites, playing Greenbush; Hallock playing Karlstad; and Roseau meeting Argyle. On Saturday, Stephen will play the winner of the Alvarado vs. Greenbush game; Warren and Lancaster, both of whom drew first round byes, will play; Thief River Falls will face the Hallock vs. Karlstad winner; and Oslo will tangle with the winner of the Roseau vs. Argyle game.

On Sunday morning and early afternoon, the semi-finals games will be played, and with the championship finals scheduled for later in the afternoon.

Coach Babe Paulson named the following squad to represent the locals in the tournament: Alden Spray, Harold Adolphson, Cal Bradley, Duane DuChamp, Wally Grovum, Rodney Kalsler, David Korsmo, Adrian Larson, Dennis Lund, Don Lunke, Wes Olson, Lawrence Perkins, Don Stadum, Harley Wagner, Al Williamson, and Jack Winter. At a meeting of the squad members, Alden Spray was elected captain of the team.

Girls Softball League Schedules Three Games During the Coming Week

The city girl's softball league will play three games during the coming week. Tonight's game, scheduled to be played between the Oen's and the Seniors, will be played on the East side diamond. Monday night's game between the Carlson Agency and the Bridgeman's will also be played on the East side diamond, while the game on Tuesday night, between the Gamble-Robinson and the Sportsman's Store will be played on the diamond at the Lincoln high school.

Playing a return game here Wednesday night, the All-Star girl's team of Red Lake Falls scored their second successive win over the locals, rolling up a 31 to 19 victory in a game played on the East side diamond.

Increase in Education

Adult education in the United States has grown by leaps and bounds in the last 100 years. One out of every four adults is engaged in some form of adult education. This gives the United States an adult student body of more than 20 million.

AIRPORT NEWS

Aerial enthusiasts craned their necks as the huge C-47 Sky Train flew over the city on its way to Grand Foks. The 21 passenger ship with its crew of four was flown from Washington, D. C., by the Department of Air Force, to provide accomodations for aerial surveys during the dedication of the Red Lake-Clearwater Rivers Conservation Project last week end.

A Tetra Hedron—a wind indicator to the uninitiated—was finished on Sunday and installed at the airport.

It's located about 700 feet from the hangars ... and works!

Built on an iron frame, and covered with sheet aluminum, the wind indicator is a credit to the crew who built it. All the men had to go by, was a brief inspection of similar gadgets at other airports.

Carl Wennberg was the engineer of the delicate and intricate job. Nearly all the other members of the CAP had a hand in it, but special mention should be made of Gus Frahm, Willis Johnson, Herb Jung, John Lind, Chris Kierk and Bob Michalsky.

Airplanes will be on hand for sportsmen in Thief River Falls for the convention tomorrow. They may get in touch with Harold Chandler in case they want to fly over the conservation projects in the area.

County and township officials met with the city council and CAP officers yesterday concerning the moving of the airport road now running thru the property.

Many of the local pilots are planning to fly to Lake Bronson on Sunday for a pilot's breakfast. It's to start at 10 A. M. There will be a dedication of the airport at Lake Bronson, and an air show in the afternoon. One of the special features is to be a demonstration of "how not to fly an airplane." A record crowd is expected up there. Three runways are now completed and ready for use, and there are refueling facilities.

Runways are in top shape at the local airport and there has been a lot of activity during the past week.

Lowell F. King called in his Vultee BT-13 on July 4th. He runs the Lowell Flying Service in Grand Forks.

Other visitors over the holiday were Arden Hinduaher and Clarence Eisenrick from Benson in a Taylorcraft; Al Pardun of Hallock in a Cub; Leonard Berg and Don Fore from Grand Forks in an Aeronca Chief; and Father McMahon and Eddie Schwarz from Roseau in a Cub.

Later in the week, Wayne Gabrul, and Lester G. Gwynn flew in from Roseau in a Piper J-3. Elmer Olson from Sarles, North Dakota, and Frank Kozanda from Grand Rapids brought their Culver V down on Wednesday; and Russel Quarberg and Herb Wilson from Crookston landed their PT-19 long enough to say hello.

A South Dakotan, W. L. Jones, chartered a Stinson from Flandreau to Thief River Falls, and Harold Chandler made a charter trip to Langdon, North Dakota.

Ardell Moen in an Aeronca, and Ralph Hegman in a Cub, were visitors from Alvarado.

CAP Captain E. J. Barzen has taken to the airways again. His BT-13 is repaired and checked, and is once more winging its way along the skyways.

SCHOOL BOARD PROCEEDINGS

Regular Meeting
June 14, 1948

The regular meeting of the school board of Independent School District No. 18 of Pennington County, Minnesota, was held in the office of the Lincoln High School on June 14, 1948, and was called to order by President Jacobson at 8 o'clock p. m. Members present were: Jacobson, Wold, Rullen, Bennes, Williamson, Oen, and Superintendent Fjelstad. Absent: None.

The minutes of the regular meeting of May 10, 1948, and the special meeting of May 18, 1948, were read and approved.

Mrs. H. Fiasted appeared before the board in behalf of School District No. 134, Pennington County, Minnesota, relative to consolidation interests between that district and that of Independent School District No. 18, Pennington County, Minnesota. It was agreed that her proposal should be referred to the attention of the School District Reorganization Committee for consideration.

The maintenance committee submitted a detailed report on work contemplated for the summer.

It was moved by Oen, seconded by Williamson, and carried that Mr. Ralph Dowers be hired to fill the vacancy of Mr. Vasel Kadrlik, who resigned.

Wold moved, Bennes seconded, and the motion was unanimously carried that Miss LaVonne Dahlgren be employed as music supervisor for the grades and junior high school at a salary of $2,350.

Wold moved and Bennes seconded a motion to advertise for bids on a new school bus—bids to be opened at our regular meeting on July 12, 1948, at 8 o'clock. Motion carried.

The secretary read a communication dated June 14, 1948, from Superintendent Fjelstad tendering his resignation as superintendent of schools. Rullen moved that the resignation be accepted, effective August 1, 1948. Wold seconded the motion; whereupon, it was carried.

A discussion followed regarding the superintendent vacancy. Rullen moved, Wold seconded, and it was unanimously carried that Mr. William G. Claffy be employed to the position of superintendent of schools, effective August 1, 1948.

Williamson moved, Oen seconded and it was carried that the following bills be allowed and ordered paid:

WELCOME CONSERVATIONISTS

Thief River Falls will be host to two sportsmen's organizations this week, the Northwest Minnesota Association of Conservation Clubs and the Minnesota Game Protective League. Both of these organizations are young and healthy and are truly representative of a large and interested membership. The Pennington County Sportsman Club, an organization of more than 700 members, is typical of the solid base upon which the regional and state organizations have been formed.

It is through the efforts of organizations of this kind that we gradually are making headway with a sensible program of conservation of the state's natural resources. The members of these organizations are interested in hunting and fishing. They know that if we have good hunting and fishing in Minnesota there must be regulation and control, and the active support of the members of these organizations is far more helpful in the enforcement of game and fish protective measures than can be secured by armies of wardens.

Because the membership of these organizations is interested in hunting and fishing they are providing leadership for the program for preserving and developing our forests and lakes and streams. They are interested in the hunting and fishing that may be enjoyed today, but they are also interested in the opportunities for hunting and fishing that may be enjoyed by future generations of sportsmen, and the program they advocate is a long range program of development. In behalf of the community we extend a cordial welcome to the visitors who are enjoying themselves as they do a good job in the interests of conservation and game protection, and hope their visit to our city will be pleasant and productive of good results.

For the good citizens who have been inconvenienced by bad street conditions this spring and summer it should be encouraging to know that the worst probably now is over. We are going to have a street problem for several years of course, because practically all of the streets in the residence area must be rebuilt, but this will be a gradual process and the inconvenience it causes will be limited to a few blocks at a time. This year everything seems to be torn up at one time. Good thing the worst is over.

County officials and officers of the Thief River Falls school district, the two units of government that impose by far the greater part of the burden on local taxpayers, have checked their mid-season financial condition and for the taxpayer the prospect for next year is not too bad. The county has adopted a levy that is slightly larger than that of a year ago but the increase probably will be absorbed by increased valuation. The school district has not acted on next year's levy but the substantial increase in cash balances in the report submitted by treasurer R. W. Rulien indicates that no increase would be necessary. The school district now has considerable more cash on hand in all funds than the total debt. During the past year this cash balance increased more than $50,000 in spite of a 15 mill decrease in the levy.

Thief River Falls was headquarters for more top rank state officials Saturday than there were in the capitol city of St. Paul. Governor and Mrs. Luther Youngdahl, United States Senator and Mrs. Joe Ball, United States Senator Ed Thye, and Congressmen Ed Devitt, George McKinnon and Harold Hagen, along with several carloads of department heads and lesser fry added up to what undoubtedly was the greatest gathering of big wheels that ever assembled in the village at one time. Our community was honored by their presence although they did not come to honor us but join with us in the celebration of an important development. They, all of them, are swell people, trying their very best to do a good job. To all of them we say "thanks for coming and drop in any time you're in the neighborhood."

St. Hilaire Church to Dedicate Parlors Sunday

The St. Hilaire Lutheran church will dedicate its new church parlors with a program next Sunday evening, July 18, at 8 o'clock. Lunch will be served following the program, it was announced.

Kenneth Lohn hauled a whopping big northern pike into his boat on Green Lake, near Willmar. In the ensuing battle the floundering fish hooked not one, not two, but three fishhooks in the unlucky Waltonite, then impudently flipped over the side and back to sea. A dog retrieving sticks for youngsters at Blackduck picked up a sharp ax by mistake, and racing back to the group struck 9-year-old Wanda Wahnschaffe above the knee. Eleven stitches were necessary to close the wound.

BRONSON MIDGETS WHIP STEPHEN FOR REGIONAL TITLE

"Dark Horse" Entry in Tourney Scores 9 Runs in 1st 2 Innings to Win

A "dark horse" Lake Bronson team, punching out seven hits and scoring nine runs in the first two innings, defeated the Stephen club, 9 to 8, Sunday afternoon at the East Side park to win the eighth region's midget basball championship. With the victory the Lake Bronson nine earned the right to represent the region in the state tournament that will be played in Minneapolis on July 28th, 29th, and 30th.

Lake Bronson entered the finals by defeating the Thief River Falls team, 10 to 9, in an exciting semi-finals game early Sunday afternoon, after besting the Warren Midgets, 15 to 3, on Saturday afternoon in a first round game. Stephen, meanwhile, eliminated Crookston, 10 to 5, in a first round game, and then took the measure of a favored Bemidji team, 4 to 1, in a semi-finals game Sunday morning.

In the championship game Sunday, Lake Bronson, on singles by Len Vagle, Dick Holmgren, and Anderson, and with a Stephen error, scored three runs in the opening inning. In the 2nd inning, three bases on balls and a hit batsman, plus four hits, accounted for a six-run cluster and gave the Lakers a 9 to 0 lead.

The gritty Stephen team picked up a run in the last half of the 2nd inning when Krolak was given a walk and McGlynn drove out a long single. In the 3rd inning, a walk to Stengrim, a double by Murray, a walk to Mykleseth, an infield hit by Krollak, a double by McGlynn, and right field triple by Dwight Hensrud, and another single by Whalen, scored seven runs and brought Stephen to within a run of tying the score.

The two pitchers, Holmgren for Lake Bronson and McGlynn for Stephen, and who had pitched the previous games for their respective teams, hurled shutout ball for the remaining innings of the game. Stephen threatened seriously in the 6th and final inning when Stengrim led off with a base on balls. A stolen base and a wild pitch moved him along to third base, but Holmgren whiffed Murray and Mykleseth and retired clean-up Krolak on a pop fly.

To members of the All-Star Midget Baseball Team:

There are times in each man's life when words cannot express his deepest feelings. The thought that you boys had made such personal sacrifice to present me with such a magnificent watch has overwhelmed me, and left me without adequate means of telling you exactly what our relationship has meant to me. Thank you, fellows, each of you, from the bottom of my heart.

TRF MIDGETS OUT IN SEMI-FINALS

Eliminated by Lake Bronson Team Sunday

The Thief River Falls Midgets, after defeating Argyle, 9 to 7, in a first round game on Saturday afternoon, failed to hold a 6 to 2 lead gained in the first four innings of play in their semi-finals game with Lake Bronson on Sunday afternoon and were taken out of the regional tournament by the Lakers when they lost the game, 10 to 9. Lake Bronson went on to win the tourney by edging out a favored Stephen nine, 9 to 8, in the finals.

The locals, rated with Bemidji and Stephen as on the tournament favorites, appeared to be the winners against Lake Bronson on Sunday. Scoring twice in the 1st inning, once in the 2nd inning, once in the 3rd inning, and twice in the 4th inning, coach Welton's team moved into a 6 to 2 lead. In the last half of the 5th inning, Holmgren led off for Lake Bronson with a single. Roger Williamson, who had pitched two hitless and scoreless innings for the locals, walked Shablow and Andersan to load the bases. Hallgren filed out to Stan Rosengren in right field. Johnson sent a ground ball to first base, but Zabe's throw to the plate, in an attempt to force Holmgren, was wide and the runner scored. Collins struck out for the second out. M. Vagle singled into right field to score Shablow and Andetson, and Lake Bronson trailed by a run. Williamson hit L. Vagle and Fertig with pitched balls to force the tying run across the plate. Don Johnson resumed the hurling duties for the locals, and Holmgren, up for the second time, poled out a hit to score the two Vagle brothers. Shablow's hit drove Fertig over the plate, and a bad thow on Anderson's ground ball, permitted Holmgren to tally Lake Bronson's tenth run.

The locals rallied in the top half of the 6th inning when Joe Poole singled to open the inning. Poole stole second base. Zabel was safe, Lake Bronson's third baseman made a bad threw, but Poole, attempting to go to third on the play, was out, first to third. Elofson grounded to the pitcher. Don Johnson singled to left field scoring Zabel. Bert Greenside was safe on an error, and Stan Rosengren's double scored Johnson and Greenside. Larry Gilbertson was out, pitcher to first base, to end the game.

Red Lake Falls at Plummer.
St. Hilaire at Crookston.
Winger at McIntosh.
Game on Wednesday:
Winger at Thief River Falls.

Wet grounds and threatening weather forced the postponement of all games scheduled to have been played in the Northern Minnesota baseball league last Sunday. Indications were that a near-record crowd would have been on hand for the Thief River Falls vs. Plummer game.

Local fans will have the opportunity to witness the Thieves in a pair of league encounters this week. On Sunday the locals will meet the Erskine nine, and on Wednesday evening, in a twilight game, the Thieves will play the Winger Tigers. Business Manager Glenn Carlson announced that Wednesday evening's game will be a "Ladies Night" game, with ladies being admitted to the game free. The game, which is the playoff of a postponed game, will begin at 6:15 p. m.

The league lead, which is being shared by Plummer and Red Lake Falls, should be held by a lone team by next Sunday evening, for the Red Sox and the Lakers are slated to play at Plummer on Sunday afternoon. The confident Plummer nine is expected to send George Saunders to the mound against the Lakers, while Red Lake Falls will rely on Harold Kraft or, if his injured side has healed sufficiently, Bill Hallamack.

All Roads Lead to Squaw Point

The northwest's sportsmen and outing enthusiasts will wend their way to Squaw Point this week-end, for on Friday, Saturday, and Sunday the Northwest Minnesota Association of Conservation Clubs and the Minnesota Game Protective League will hold their annual meetings here.

The arrangements committee has scheduled a very attractive program of events, and they have designated Squaw Point as the focal point for the various exhibitions and competitive events.

Saturday will be the "big" day of the convention with trap shooting, archery exhibition, duck calling, and retriever exhibitions being on the program. And at 6:15 p. m., at the city Auditorium, a banquet will be held. Following the dinner a number of prominent and authoritative speakers will discuss outdoor and wildlife problems. Among the speakers will be Frank Blair, director of game and fish; Chester Wilson, commissioner of conservation, Ray Clement, supervisor of nurseries; Congressman Harold Hagen; Ed Shave, Minneapolis Tribune writer, and others.

Midget All-Regional Team

The JayCee's regional baseball tournament for the midgets and intermediates was concluded on Sunday afternoon, and Lake Bronson, in the midget division, and Bemidji, in the junior division, will represent the eighth region in the state meet in Minneapolis in a couple of weeks.

Only three teams—Bemidji, Warren, and Thief River Falls—competed in the intermediate division; but the midgets had eleven teams in their tournament. Lake Bronson, showing fine power at the plate and relying on the sturdy pitching of Dick Holmgren, surprised the experts by winning the midget championship. Young Dick Holmgren, the Lake Bronson pitcher, was by long odds the finest competitor in the midget division.

Holmgren pitched all of the games for his team and when the pressure became intense, that's when he revealed championship caliber. For instance, in the final game, Stephen, trailing by one run, got a man on base on a walk. The runner stole second and advanced to third base on a wild pitch, with none out. Holmgren then struck out Murray and Mykleseth and forced Kroluk to hit a pop fly.

The boys that impressed the side-line observers as being the midget tournament's best were Bemidji's Jack Aukhus or Thief River's Kent Zabel at first base; Stephen's Dwight Hensrud at second base; Thief River's Don Johnson at shortstop; Lake Bronson's Dick Holmgren, being moved over from pitcher to third base; Micky McGlynn of Stephen and Bemidji's Jim Lawrence, both pitchers, could be used in the outfield as they were fine all-round players and batted very well in the games their teams played. Stephen's Hallgren would be given the centerfield position. The catching job would be ably taken care of by Thief River's Bert Greenside; and the pitching assignment would be given to Bemidji's Humphrey Degerman.

Cheers for the Knox team

Coach Lowell Collins and his Knox school baseball team confounded the dopesters by winning the city grade school championship on Tuesday evening when they upset a favored Northrop school team, 8 to 3. With Jack LaSalle giving up but two hits to the Northrop batters and getting six strikeouts; and with shortstop Jack Hoppe poling out a pair of right field triples to drive in four runs, the Knox team earned the victory that they marked up.

For the Record

Louis Carpenter's Pembina Ridge team, with Len Brekke pitching, defeated the Viking team, 7 to 6, last Sunday. The game, played on the Ridge, found Carpenter's team getting six runs off Don Perkins and a single score off Chuck Barr who hurled the final innings for Viking.

Total Compares with 751 Deaths Recorded in Same Period of '47

Accidents caused 665 deaths in the state in the first five months of 1948.

Figures provided by the division of vital statistics, state department of health, also show that 751 accidental deaths took place in the comparable period last year.

"Despite a saving of 86 lives over 1947, we are not holding a pace that will enable us to 'save 400 lives in 1948, 399 and yours,' which is the goal of our safety campaign," Dr. R. N Barr, chief of the section of special services, warned.

"During the first four months of 1948, the accidental death toll ran considerably under last year's monthly record, but in May the trend was reversed. There were 162 fatalities that month compared with 155 in the same month last year."

The saving of 86 lives in the first five months of 1948 was due largely to a drop in occupational accidents other than occupational accidents occuring on farms, farm home accidents, and motor vehicle accidents. Non-farm occupational deaths declined from 37 to 34, farm home deaths from 66 to 29, and motor vehicle fatalities from 207 to 173. Three more deaths occured among farmers who were engaged in farm duties this year than in 1947.

While a reduction in accidental deaths was shown in most categories, the home accident death total remained almost stationary. Two hundred and ninety-one people lost their lives in accidents which occured in homes other than farm homes compared with 292 fatalities in the same period last year.

"Almost all home accidents can be prevented," Dr Barr said. "By observing simple safety measures in our homes, we can reduce this needless loss."

Nylon Sewing Thread

Nylon sewing thread has desirable characteristics for many purposes, particularly in sewing nylon fabrics. Strength and size can be kept uniform. Being highly resistant to abrasion, it assures long-lasting seams. Be sure sewing machine needle is the right size for the thread. Most nylon thread is comparable in size to number 70 or 80 cotton thread.

POLITICAL ROUNDUP

By Arthur Naftalin

Washington, D. C.—A report is circulating in top Washington corcles that Minneapolis will be the scene of the kickoff for the Democratic Party's campaign to hold the Prezidency.

The story is that, even before the opening of the Democratic convention, President Truman had already decided that a major address on the agricultural situation some time in August would, in his judgement, be the best way to open the campaign and that Minneapolis would be his first choice.

Whatever the Party's prospects of victory, it is certainly clear that it cannot hope to win if it does not hold substantial sections of the farm population.

Among Washington politics Minnesota receives an unusually large amount of attention. There is widespread interest in the question, What will Harold Stassen do now? The rumor that Senator Edward J. Thye may resign his position is circulating quite widely.

Behind the Thye resignation rumor is the report that the Senator, for personal reasons, would like to resume his private life. The report here, however is that Thye's resignation is not related to Stassen's plan for the future. that Stassen has indicated quite definiately that he is not interested in the Senate seat.

If the Thye resignation were to be definitely planned, the state GOP strategy, as being currently discussed would call for some major changes in the state ticket. State Senator Ancher Nelson would get the call to serve as lieutenant-governor. After Thye's resignation, Governor Youngdahl would resign, Nelson would succeed to the governorship, and Youngdahl would be appointed to the Senate seat.

On the Democratic side, Minnesota came in for considerable discussion, too, in connection with the role its delegation played in the national convention. Made up largely of members of Americans for Democratic Action, the Minnesota delegation early joined the group aligned against Truman's renomination.

But the A.D.A. as such was only a small part of the coalition, and the major delegation activity was directed towards acquainting leaders from other states with Mayor Hubert H. Humphrey, the delegation chairman, for whom a role of national leadership in the Party has already been a topic of much discussion.

Washington will be watching cosoly the outcome of the contest between Humphrey and Senator Joseph H. Ball. The latest Minesota Poll, showing Humphrey leading with 46 per cent to Ball's 38 per cent, created much comment.

There had been a tendency to discount Humphrey's chances of victory over the incumbent, but now the national progressive leaders are beginning to take more serious note of his chances.

The Democrats need victories in only four of the doubtful states in which Republican incumbents are up for reelection, and Minnesota is being eyed as one of the more likely states to provide those victories.

The next big event that Washington is now discussing is the likelihood of a special session of Congress. On the eve of the Democratic convention, word was circulating that President Truman was planning, immediately upon the conclusion of the convention, to reconvene Congress.

This move would have the effect of putting the Republican-controlled House and Senate on the spot. The President would be saying, in effect "You now have an opportunity to vote into law the pledges you have made in your Republican platform. You pass the legislation for housing and other measures, and I will sign it."

There is a tendency here, as elsewhere, to discount strongly the prospects of a Democratic victory in November. But seasoned politicos are not writing Democratic chances off completely. They think some bold moves like a special session might embarrass the Republicans as to lead to a narrowing of the apparent margin they now hold.

One of the interesting Washington developments is the almost complete absence of any sign of activity from Henry Wallace Third Party camp. The air is filled with rumors of a serious cleavage between Wallace and the Communist Party leaders, so far there has been no announcement or development that would indicate a breakup of the Wallace camp. The Third Party activity will, no doubt, be revived when the Wallace supporters assemble in Philadelphia for their convention.

Sirenettes to Perform at Pennington Fair

One of the outstanding features of the lavish stage production, "Manhattan Jamboree", to be staged at the Pennington county fair in Thief River Falls, starting Monday, August 2, and continuing through Thursday, August 5, is a line of 16 dancing pretties who offer precision numbers that represent the peak of that phase of dancing art.

The 16 Sirenette girls, picked for their beauty as well as their dancing skill, perform with flawless unison. Their beauty is enhanced by stunning costumes, changed repeatedly throughout the sparkling production; by striking lighting effects, which point up their flawless precision dancing, and by a charming musical background.

MIDDLE RIVER

Father William Swanson read the marriage of Virginia Genevieve Bernstein, daughter of Mr. and Mrs. Glenn Bernstein of Thief River Falls and Raymond J. Matero, son of Mr. and Mrs. Jacob Matero of Middle River on Tuesday afternoon, June 29 at St. Bernard's rectory.

The bride was dressed in a pretty gown of white, with satin bodice trimmed with lace and Marquisette skirt and train. She also wore a locket, a gift of the groom and carried a bouquet of red roses. Betty Faye Robinson, cousin of the bride was maid of honor and wore a formal of lime green. Betty Jane Bernstein, sister of the bride and Lea Kalpen were bridesmaids. Betty Jane wore an orchid formal, while Lea wore one of deep pink. All of the attendants carried bouquets of white carnations and yellow roses.

The groom was attended by Maynerd Iverson of Thief River Falls and Arvid Matero of Middle River.

The bride's mother was dressed in a grey flowered Bemberg dress and the groom's mother wore a navy blue dress. They both wore corsages.

Approximately sixty guests were entertained at a reception following the ceremony in St. Bernard's church parlors given by the bride's parents. The bridal table was graced with a four-tiered cake topped by a miniature bride and groom. When the bridal couple entered the reception Alyce Iverson played Lohengrin's wedding march and during the reception, Mrs. Glenn Evans sang "Because," and "O Perfect Love," "I Love You Truly" was sung by Mary Ann Bernstein.

Mrs. Matero is a graduate of Middle River high school, class of 1948 and is employed by the local Bell Telephone Co. and Mr. Matero is engaged in farming.

They left on a two weeks wedding trip which will take them thru interesting points in Canada.

Harland E. Killmer has resigned as manager of the Middle River City Co-operative Creamery Association to accept a position as manager of the Cloverleaf Co-operative Creamery at Spooner, Minn. The Spooner creamery means a nice advancement for Mr. Killmer who proved to be popular with patrons of the local creamery.

Mr. Killmer came here from Blackduck in 1946 to manage the local creamery following the resignation of Lloyd Nelson who purchased an ice cream store at Mahnomen. The Killmer family will move to Spooner as soon as he is released here or the latter part of this month.

The Killmers have earned themselves a lot of friends while here, who wish them much success in their new home.

Funeral rites were held last Thursday afternoon at the First Lutheran church for Alfred Wallin, who passed away last week at the Mercy hospital in Thief River Falls. Rev. J. A. Korshavn officiated at the church at the cemetery.

The church had been beautifully decorated for the services. In addition to all the flowers given in his memory, a wreath of memorials were also contributed in his memory. Vocal selections were sung by Mr. and Mrs. C. J. Blom with Mrs. E. D. Bakken as the accompanist.

Pallbearers were Andy Anderson, Walter Anderson, Henry Anderson, Milton Kezar, J. Davis and S. J. Bredeson.

NADINE BERNSTROM
Lake Bronson, Minn.
WINS FIRST
BRIDGEMAN BICYCLE CONTEST
By telling in 15 words or less
"Why I like BRIDGEMAN ICE CREAM in SAFE-T CONES AND CUPS"

Here's the winner in Bridgeman's Monark bicycle contest. She's Nadine Bernstrom of Lake Bronson, Minn, photographed with her prize, in front of Bridgeman Creameries, Thief River Falls, Minn.

Nadine's winning reason for liking Bridgeman Ice Cream in SAFE-T Cones is:

Made Right—Served Right

Nadine is just 11 years old. Her birthday wish for the last three years has been for a new bike.

BROTHER AND SISTER ACTS TAKE SPOTLIGHT

Among early registrants for the State Convention of the American Legion in Minneapolis August 7-11 are six brothers, the son of Mr. and Mrs. C. G. Johnson, 3304 Tenth Ave. South. Seven sisters, daughters of the late Mr. and Mrs. John Clausen of Sprinf Garden, held their sixteenth annual reunion late in June, meeting this year at the home of Mrs. Arthur Vollmers, Red 'Ving. Three live in Minneapolis, one in Litchfield, one in Fafgo, one in White Rock.

They Must Eat

It is impossible for hens to lay unless they get more of the right kind of feed than it takes to maintain life. If the bird has the ability to lay, the more feed above amount for maintenance she gets, the more eggs she will lay and less will be the cost per dozen produced.

Noel Hansons Arrive in Hawaii

Mr. and Mrs. Noel Hanson, now residing in Hawaii, sent word to relatives here at home that they and children arrived safely in Honolulu, Hawaii, on Saturday, July 3. They had a fine trip all the way from their former home in Lincoln, Nebr., to Hawaii. Enroute they stopped here to visit with Mrs. Hanson's father, John L. Johnson and other relatives. Mr. Hanson has accepted a good position in Hawaii, so the family expects to make their home there indefinitely.

Storm Sewers Being Installed

Work began on Thursday on the digging and laying of more storm sewers in Newfolden. Clifford Hedeen of Thief River Falls has the contract of doing the digging and filling, and with a small drag line to dig and a bull-dozer to fill the trench, the work goes on at a merry pace. In spite of a bad cave in on Saturday, the block from the Postoffice to the Land O'Lakes Produce Station was completed early Monday and work began on the 2 blocks from the Lonnie Hanson Corner south and east to the Orris Harstad corner. Sewers will also be lain from the Otto E. Hjelle corner to the H. C. Haugen corner, and we understand that it will be extended to the Axel Anderson residence and possibly several other small extensions.

All together about 1500 or 1600 feet of sewer will be installed at about 10 or more business places and 15 or 16 residences. This is a fine advancement for our town, both in drainage of our streets and in the added convience to the homes and business places.

Mrs. Peder J. Bakke Passes Away

Another of our pioneer mothers was laid to rest on Saturday afternoon, July 10, when funeral services were held from Bethlehem Lutheran Church for Mrs. Peder J. Bakke, pioneer Marsh Grove resident. Rev. E. J. Rasum assisted by Rev. Thv. Myhrer officiated. Special singing consisted of a vocal solo by Mrs. Kore Myhrer and another in the Norwegian language by Mr. A. O. Gudim. A very large crowd of relatives and friends were in attendence and beautiful floral wreaths and memory wreaths were given. Pall bearers, all neighbors of the deceased were Ingvald Nyflot, Selmer Nyflot, Clarence Haugen, Carl Haugen, Albert Knutson and Conrad H. Engelsrud. Interment was made in Oak Grove Cemetery.

Agnetha Christianson Bakke was born in Trette, Gulbrandsdalen, Norway, October 6, 1858. There she was baptized and confirmed in the Lutheran faith and grew to womanhood.

In the year 1884 she came to America and settled first in Alexandria, Minn., later she moved to Warren, Minn. where she was united in marriage to Peder J. Bakke on November 6, 1885. The same fall they moved to a farm in Marsh Grove where she lived until her death on July 8, 1948. She was at the time of her death 89 years, 9 months and 2 days old.

To this union seven daughters and two sons were born, all living except one daughter, Pauline (Mrs. Carl Kilgren) who passed away in 1940.

She leaves to mourn her passing six daughters, namely Ida Bakke and Amanda Lewis at home, Mrs. Clara Fredericks of San Diego, Cal. (Mary) Mrs. Hans Nordlie of Grand Forks, N. Dak., (Olga) Mrs. Carl Johnson of Thief River Falls, (Minnie) Mrs. Audrey Lapp of Detroit Lakes, and two sons, Gilbert and Adolph of Newfolden. She is also survived by 17 grandchildren and 11 great grandchildren, besides other relatives.

Two brothers and two sisters have preceded her in death. Her husband preceded her in death February 23, 1940.

Mrs. Bakke was active and in good health until about three years ago when she began to fail.

She was a member of the Westakers Ladies Aid.

Where we get the $400,000 a week now going into new telephone construction in Minnesota

THE HUGE SUM being spent to expand and improve telephone service in Minnesota is money that must come primarily from investors—not from what you pay us for use of your telephone. Thousands of stockholders—most of them owning but a few shares—have put their savings into the telephone business with the hope of a reasonable return.

To pay for the large amounts of new telephone construction now necessary, we must depend upon the willingness of more and more people to invest their savings in this business. But unless telephone earnings compare favorably with those of other enterprises, those savings may be invested elsewhere.

TELEPHONE BILL DOLLARS are used mainly to pay the day by day costs of providing your service. Biggest portion of these costs—about two-thirds—is for wages. Other major expenses: materials and taxes.

$189 PER TELEPHONE is the average investment in equipment for each telephone we serve in Minnesota. But at today's greatly higher costs, extending service to new customers requires an investment per telephone up to as much as $350 and the $189 average is growing each month. As fast as new capital and materials can be obtained; we are enlarging telephone facilities so that all needs for service can be met.

New OLIVER "88"
A New Farm Power Leader
Here's the power leader of Oliver's new, modern tractor fleet. It's the husky 3-4 plow "88" with a 6-cylinder engine and six forward speeds to provide you with a practical working pace for every farm operation.
The "88" is an ideal unit for concentrated farming . . . for all the heavy "rush" jobs season after season. To suit your fuel situation, Oliver offers three great engines: (1) for gasoline, (2) for tractor fuels, (3) diesel . . . designed specifically for a farm tractor and available later.
Look at these new features: direct drive power take-off, Oil Mist transmission case, floating oil pump screen inlet, 20-gallon fuel tank, battery ignition and automatic spark advance, basic interchangeability of Oliver's full line of centrally mounted and rear suspended tools and a choice of interchangeable cast iron or stamped steel wheels with all other new Row Crop models.
Let us give you the details on all the valuable farm-utility features found on Oliver's new farm-engineered tractor fleet, built in Row Crop, Standard, Row Crop with Adjustable Front Axle or Single Front Wheel models.
